Property Owners Association

Agenda Item#:

Background:

In accordance with Section 28-303 of the Code of Ordinances, the Spring Meadows Property Owners Association initiated an application for the designation of a prohibited yard parking requirement area (PYPRA). The application includes a letter of support from the president of the Spring Meadows Property Owners Association. The Planning and Development Department mailed notices on March 14, 2016 to 422 property owners advising them that the PYPRA application had been made. The notification further stated that property owners opposing the designation must file written notice with the Planning and Development Department within twenty days of the date of mailing. Since no protests were timely filed and the application meets the requirements, the Director is forwarding the application to City Council for consideration.

The Planning and Development Department recommends establishing the PYPRA.
