Meeting Date: 1/24/2017
District K
Item Creation Date:

HPD - Civility Ordinance

Agenda Item#: 1.

Summary:

9:00 A.M. - **PUBLIC HEARING** regarding the proposed amendment to Chapter 40 of the Code of Ordinances to extend provisions of the Civility Ordinance to the **GREATER SOUTH POST OAK/WEST BELLFORT AREA** - **DISTRICT K - GREEN**

Background:

The Civility Ordinance prohibits certain conduct on sidewalks (lying, sitting or deposing personal possessions) during most daylight hours. It is currently applicable to the Central Business District, Midtown, Old Sixth Ward, Avondale, Hyde Park, East Downtown Management District and the Historic Near Northside. The ordinance contains provisions for a citizen petition procedure to extend the restrictions to other areas of the City.

Residents and business owners in the Greater South Post Oak/West Bellfort have submitted a petition to the City Secretary to extend the Civility Ordinance to their neighborhood. In compliance with the procedures set forth in Section 40-353 of the Code of Ordinances, the Legal and Planning and Development Departments have certified that the petition meets required criteria. Further, the Houston Police Department will prepare a report indicating the existence of the kind of conduct that is prohibited under the Civility Ordinance and incidents of criminal misconduct in the Greater South Post Oak/West Bellfort area.

The ordinance requires a public hearing on the extension to be held with a 14-day notice. The recommended date for the public hearing is Wednesday, January 25, 2017.

ALL
Item Creation Date: 1/5/2017

MYR - GHP Membership Renewal 2017

Agenda Item#: 4.

Summary:

RECOMMENDATION from the Chief Development Officer for approval of payment to the **GREATER HOUSTON PARTNERSHIP** for premium corporate membership at the managing partner level for calendar year 2017

Background:

SUBJECT: Motion approving payment to the Greater Houston Partnership for corporate membership at the managing partner level

RECOMMENDATION: Approve a motion authorizing payment to the Greater Houston Partnership for premium corporate membership at the managing partner level

SPECIFIC EXPLANATION: Historically the City of Houston had a contract with the Greater Houston Partnership ("GHP") to promote economic development and other specified services, which renewed annually at a cost of $376,125.00. In November 2014, the GHP requested that the Mayor's Office not renew its contract moving forward. In 2016, the City of Houston negotiated an enhanced membership package with GHP, consisting of managing partner membership, research services and event attendance for a total amount of $80,000.00. This selection stood in lieu of a contractual relationship.

For calendar year 2017, the City of Houston Chief Development Officer recommends that City Council approve an expenditure of $80,000.00, which covers the expanded managing partner membership level at GHP ($60,000.00) and key services prioritized by the City of Houston, but that are available to all of GHP's members ($10,000.00 for research and $10,000.00 for event support). Expanded membership encompasses the opportunity to make custom research requests for economic development purposes, in addition to other benefits detailed in the attached documents. Enhanced membership does not include membership on the Board of Directors or the Executive Committee of the GHP

GHP has worked since 1989 to promote Houston as the location of choice for conducting business, with a focus on increasing Houston's economic prosperity. The GHP will continue to make its research capabilities available on a systematic basis to the City of Houston, Houston First and the Greater Houston Convention and Visitors Bureau to facilitate the creation of professional,

sophisticated marketing reports that include economic and demographic data to sell the benefits and capabilities of the City to various convention, corporate meeting and sports related groups.

In addition, GHP will continue to host major business and community events that help market the City of Houston and specific assets, such as the State of the City and State of the Airports events. As part of its membership, the City of Houston is given opportunities to participate in additional events with high promotional value.

Amount of Funding:

$80,000.00 - Houston Civic Events Special Revenue Fund (2429)
Funding for Calendar Year 2014; Funded by Hotel Occupancy Tax Promotion Funding Only

CITY OF HOUSTON - CITY COUNCIL

Meeting Date: 1/24/2017
ALL
Item Creation Date: 1/10/2017

MYR - 2017 Business Plans, Budgets and Board Member lists submitted by Houston Arts Alliance, The Houston Museum Dist Assoc., Miller Theatre Advisory Board, Inc. & Theater Dist. Improvement, Inc

Agenda Item#: 5.

Summary:

RECOMMENDATION from the Mayor's Office for approval of Calendar Year 2017 submittals consisting of 1) a proposed scope of services, 2) a Board of Directors list, and 3) a proposed budget for: **HOUSTON ARTS ALLIANCE, THE HOUSTON MUSEUM DISTRICT ASSOCIATION, MILLER THEATRE ADVISORY BOARD, INC,** and **THEATER DISTRICT IMPROVEMENT, INC** in accordance with the contract for the Support, Advancement and Promotion of the Arts

Background:

A wide body of economic, educational and social research has found important benefits of the arts and cultural investment to cities and the ability to compete nationally and globally and Houston is increasingly recognized as a premier arts city in Texas, the United States and around the world. The City of Houston has a number of strategies it uses to invest in arts and culture for the benefit of the City's residents and to attract visitors. This recommendation is related to the tourism aspect of the City's cultural development.

The Texas Tax Code allows municipalities to spend up to a maximum of 19.3 percent of Hotel Occupancy Tax (HOT) revenues for the support of the arts with the specific purpose to promote tourism and advance the convention industry. The City has utilized this mechanism to invest in the arts for 39 years.

In 2013, the City entered into a five-year service contract (January 1, 2014 – December 31, 2018) with the four organizations below for the support, advancement and promotion of the arts to directly enhance and promote tourism and the convention and hotel industry by providing ongoing support for the City's artists and cultural institutions and providing technical assistance and support to artists and qualified small, emerging, minority, and mid-sized cultural arts organizations, and to further the arts environment through the development of new initiatives. Council approved documents for years 2014-2016 are presented on the Mayor's Office of Cultural Affairs webpage for greater transparency.

On October 14, 2015, City Council adopted the Arts and Cultural Plan for the City of Houston (Motion 2015-0716) and implementation is fully underway. While this recommendation focuses on the tourism aspect of the City's cultural development, the organizations that utilize HOT revenues

dedicated to the arts also deploy other significant private, State and even Federal funds to deliver programs and services beneficial to residents including arts education programs and community outreach. Houston has more than 500 nonprofit organizations devoted to the arts, science and history in the Houston area. Grants and distributions through this contract are made to approximately 250 of these groups each year. The Mayor's Office of Cultural Affairs has dedicated staff responsibilities to increase oversight and ensure a fair and equitable process for grant applicants, advance opportunities that reflect the City's racial and gender diversity, expand coordination efforts to highlight neighborhoods as destinations and increase awareness of arts and cultural investments by the City as recommended in the Arts and Cultural Plan. In 2017 Houston Arts Alliance is increasing its budget for regranting by six percent to support more arts and cultural programs. Additionally, the Mayor's Office of Cultural Affairs is working with the contractors, cultural districts and other stakeholders to better articulate the full community impact of Houston's nonprofit cultural sector and its role in our world image. Based on the contract agreement, each contract organization will receive quarterly payments of a specified percentage of the Allocated HOT Revenue for services described in the business plans. Because the annual distribution is based on actual receipts tallied at the end of the calendar year, the dollar amount above is an estimate only. The Finance Department will disperse HOT funds received for this purpose as outlined by the contract agreement.

The breakdown and use of funds is as follows:

Houston Arts Alliance (39.5%)
Administers a grants program, based on a peer review process, to provide general operating support grants as well as several other grant categories including City's Initiatives grants to about 200 non-profit arts and cultural organizations, individual artists and special arts projects. HAA will also administer a variety of outreach and support services and Artshound.com which provides arts and culture calendar content to cultural district websites and VisitHouston.com. *HAA's management of City civic art projects is provided through separate contracts.*

The Houston Museum District Association (18%)
Marketing and tourism support for 19 museums within a 1.5 mile radius that provide rich experiences in art, history, culture, nature and science. The 11 members of HMDA who receive HOT funds from the Association include Children's Museum of Houston, Houston Museum of Natural Science, The Jung Center, The Menil Collection, Rice Gallery, Contemporary Arts Museum Houston, Holocaust Museum Houston, Houston Zoo, The Health Museum, Lawndale Art Center, and The Museum of Fine Arts, Houston. The Museum District Association is projecting 6.5 million visits in 2017. The 19 museums employ, commission or contract approximately 825 local artists. With combined budgets of $196 million, member institutions employ over 2,300 Houstonians living in every neighborhood in the region. The museums are accessible to everyone - 11 museums are free every day of the year and the other 8 offer dedicated free times. The Association also hosts quarterly zoned events to leverage the largest walkable cultural district in the United States.

Miller Theatre Advisory Board, Inc. (16%)
Support for the only outdoor proscenium theatre in the United States that offers, totally free of charge, to the public, an annual season of more than 125 artistically excellent and culturally diverse performances for nearly 400,000 Houstonians and visitors. Since 1923, Miller Outdoor Theatre in Hermann Park has been Houston's venue for free outdoor performances and Miller is now the most attended amphitheater in the country. Miller leverages the annual distribution of HOT funds to maximize ROI ($4.73 per person in 2016) for the City of Houston.

Theater District Improvement, Inc. (24%)
Tourism marketing for the Houston Symphony, Houston Grand Opera, Houston Ballet, Alley Theatre, Theatre Under The Stars, Society for the Performing Arts and Da Camera of Houston. In 2016, the Theater District attracted 1.4 million visits by people from all over the world to its performances. In addition, the resident companies regularly perform on the world stage, representing Houston as a City of international culture. TDI also provides performing arts-based content for the Downtown magazine and DowntownHouston.org, hosts an annual Open District that converts attendees into ticket holders and creates new events, like Food Truck Tuesdays, to attract audience and awareness into downtown.

City's Initiative Grant Program (2.5%)
Administered by HAA with final approval from the Mayor's office, the program provides small grants, usually ranging from $1,000 to $10,000, to take advantage of special programmatic opportunities including neighborhood tourism.

REQUEST FOR COUNCIL ACTION

TO: Mayor via City Secretary **RCA #**

SUBJECT: Pass Motion Approving Motion approving calendar year 2017 submittals by four organizations under the service contract for the support, advancement, and promotion of the arts utilizing Hotel Occupancy Tax (HOT) revenue dedicated to the arts.	**Category #**	**Page 1 of 2**	**Agenda Item#**
FROM: (Department or other point of origin): Debbie McNulty Director, Mayor's Office of Cultural Affairs	**Origination Date**		**Agenda Date**
DIRECTOR'S SIGNATURE:	**Council Districts affected:** All		
For additional information contact: Valerie Berry, Assistant Director, Mayor's Office Finance, 832-393-8510 Necole S. Irvin, Cultural Tourism Officer, 832-393-1097	**Date and identification of prior authorizing Council Action:** 2013-1146 Dec. 11, 2013		

RECOMMENDATION: (Summary)
Pass Motion approving calendar year 2017 submittals consisting of: 1) a proposed scope of services, 2) a board of directors list, and 3) a proposed budget for: Houston Arts Alliance, The Houston Museum District Association, Miller Theatre Advisory Board, Inc. and Theater District Improvement, Inc., in accordance with the contract for the support advancement, and promotion of the arts.

Amount of Funding: **N/A** **($15,424,999.70 (ARA estimated) Hotel Occupancy Tax (HOT) arts allocation for Calendar Year 2017)**	**Finance Department Budget:**

SOURCE OF FUNDING: **[ ] General Fund [ ] Grant Fund [ ] Enterprise Fund [X] Other (Specify)**

SPECIFIC EXPLANATION:

A wide body of economic, educational and social research has found important benefits of the arts and cultural investment to cities and the ability to compete nationally and globally and Houston is increasingly recognized as a premier arts city in Texas, the United States and around the world. The City of Houston has a number of strategies it uses to invest in arts and culture for the benefit of the City's residents and to attract visitors. This recommendation is related to the tourism aspect of the City's cultural development.

The Texas Tax Code allows municipalities to spend up to a maximum of 19.3 percent of Hotel Occupancy Tax (HOT) revenues for the support of the arts with the specific purpose to promote tourism and advance the convention industry. The City has utilized this mechanism to invest in the arts for 39 years.

In 2013, the City entered into a five-year service contract (January 1, 2014 – December 31, 2018) with the four organizations below for the support, advancement and promotion of the arts to directly enhance and promote tourism and the convention and hotel industry by providing ongoing support for the City's artists and cultural institutions and providing technical assistance and support to artists and qualified small, emerging, minority, and mid-sized cultural arts organizations, and to further the arts environment through the development of new initiatives. Council approved documents for years 2014-2016 are presented on the Mayor's Office of Cultural Affairs webpage for greater transparency.

On October 14, 2015, City Council adopted the Arts and Cultural Plan for the City of Houston (Motion 2015-0716) and implementation is fully underway. While this recommendation focuses on the tourism aspect of the City's cultural development, the organizations that utilize HOT revenues dedicated to the arts also deploy other significant private, State and even Federal funds to deliver programs and services beneficial to residents including arts education programs and community outreach. Houston has more than 500 nonprofit organizations devoted to the arts, science and history in the Houston area. Grants and distributions through this contract are made to approximately 250 of these groups each year. The Mayor's Office of Cultural Affairs has dedicated staff responsibilities to increase oversight and ensure a fair and equitable process for grant applicants, advance opportunities that reflect the City's racial and gender diversity, expand coordination efforts to highlight neighborhoods as destinations and increase awareness of arts and cultural investments by the City as recommended in the Arts and Cultural Plan. In 2017 Houston Arts Alliance is increasing its budget for regranting by six percent to support more arts and cultural programs. Additionally, the Mayor's Office of Cultural Affairs is working with the contractors, cultural districts

CITY OF HOUSTON - CITY COUNCIL

Meeting Date: 1/24/2017
District B, District H
Item Creation Date: 11/15/2016

20PJ98/Accept Work/D.L. Elliott Enterprises, Inc.

Agenda Item#: 6.

Summary:

RECOMMENDATION from Director Department of Public Works & Engineering for approval of final contract amount of $2,327,001.92 and acceptance of work on contract with **D.L. ELLIOTT ENTERPRISES, INC** for Water Line Replacement in Oak Park Area - 2.94% under the original contract amount - **DISTRICTS B - DAVIS and H - CISNEROS**

Background:

SUBJECT: Accept Work for Water Line Replacement in Oak Park Area; WBS No. S-000035-0179-4.

RECOMMENDATION: (Summary) Pass a motion to approve the final Contract Amount of $2,327,001.92 or 2.94% under the original Contract Amount, accept the Work and authorize final payment.

PROJECT NOTICE/JUSTIFICATION: This project was part of the City's Water Line Replacement Program. This program was required to replace and upgrade water lines within the City to increase availability of water, improve circulation and fire protection.

DESCRIPTION/SCOPE: The project consisted of the construction of approximately 31,582 linear feet of water lines with related appurtenances in the Oak Park Area. AIA Engineers, Ltd. designed the project with 300 calendar days allowed for construction. The project was awarded to D. L. Elliott Enterprises, Inc. with an original Contract Amount of $2,397,550.15.

LOCATION: The project location is subdivided into two areas. The first area is generally bound by Laura Koppe Road on the north, Weaver on the south, Westcott Road on the east and Autumn Street on the west. The second area is generally bound by E. Crosstimber Street on the north, Creston Drive on the south, US 59 Southbound Frontage Road on the east and Jensen Drive on the west. The project is located in Key Map Grids 454G, 454H, 454L, 454M, 454J, 454N and 454P.

CONTRACT COMPLETION AND COST: The Contractor, D.L. Elliott Enterprises, Inc. has completed the work under the subject Contract. The project was completed within the Original Contract Time. The final cost of the project, including overrun and underrun of estimated unit price quantities is $2,327,001.92, a decrease of $70,548.23 or 2.94% under the original Contract Amount. The decreased cost is a result of the difference between planned and measured quantities.

M/WBEPARTICIPATION: The M/WBE goal established for this project was 21.66%. According to Office of Business Opportunity, the participation was 23.96%. Contractor's M/WBEperformance evaluation was rated Outstanding.

CITY OF HOUSTON - CITY COUNCIL

Meeting Date: 1/24/2017
District E
Item Creation Date: 11/8/2016

20PJ97/Accept Work/Pepper-Lawson Waterworks, LLC

Agenda Item#: 7.

Summary:

RECOMMENDATION from Director Department of Public Works & Engineering for approval of final contract amount of $7,467,134.47 and acceptance of work on contract with **PEPPER-LAWSON WATERWORKS, LLC** for East Water Purification Plant: Replacement of Filter Media at Plants 1, 2 and 3 and Rehabilitation of Pilot Plant - 4.99% over the original contract amount and under 5% contingency amount - **DISTRICT E - MARTIN**

Background:

SUBJECT: Accept Work for East Water Purification Plant: Replacement of Filter Media at Plants 1, 2 and 3 and Rehabilitation of Pilot Plant; WBS No. S-000056-0059-4.

RECOMMENDATION: (Summary) Pass a motion to approve the final Contract Amount of $7,467,134.47 or 4.99% over the original Contract Amount and under 5% contingency amount, accept the Work and authorize final payment.

PROJECT NOTICE/JUSTIFICATION: This project was part of the City's Capital Improvement Program (CIP) to increase safety, reliability and the efficiency of operations at the East Water Purification Plant.

DESCRIPTION/SCOPE: The project consisted of filter media replacement and the rehabilitation of filter structures. It included the replacement of sand and anthracite media with new media, cleaning, resurfacing and grouting filter walls and channels and the repair of associated appurtenance at 36 filter locations. The rehabilitation also included the repairs to the pilot plant which entailed cleaning and flushing all pipes, tank drums, replacement of pumps and motors and supervised control and data acquisitions (SCADA) programming to automate the testing process. ARCADIS U.S., Inc. designed the project with 600 calendar days allowed for construction. The project was awarded to Pepper-Lawson Waterworks, LLC with an original Contract Amount of $7,112,000.00.

LOCATION: The project is located at 2300 Federal Road. The project is located in Key Map Grids 496U and 496Y.

CONTRACT COMPLETION AND COST: The Contractor, Pepper-Lawson Waterworks, LLC has completed the work under the subject Contract. The project was completed on time with additional 549 days approved by Change Order Nos. 1-3. The final cost of the project, including overrun and

underrun of estimated unit price quantities and previously approved Change Order Nos. 1-3 is $7,467,134.47, an increase of $355,134.47 or 4.99% over the original Contract Amount and under 5% contingency amount. The increased cost is a result of the difference between planned and measured quantities.

M/W/SBE PARTICIPATION: The M/W/SBE goal established for this project was 18.89%. According to Office of Business Opportunity, the participation was 26.49%. Contractor's M/W/SBE performance evaluation was rated Outstanding.

CITY OF HOUSTON - CITY COUNCIL

Meeting Date: 1/24/2017
District A, District B, District E, District F, District J
Item Creation Date:

20PJ94/Accept Work/Alsay Incorporated

Agenda Item#: 8.

Summary:

RECOMMENDATION from Director Department of Public Works & Engineering for approval of final contract amount of $2,594,276.21 and acceptance of work on contract with **ALSAY INCORPORATED** for Rehabilitation of Water Wells at Various Locations - 8.29% under the original contract - **DISTRICTS A - STARDIG; B - DAVIS; E - MARTIN; F - LE and J - LASTER**

Background:

SUBJECT: Accept Work for Rehabilitation of Water Wells at Various Locations; WBS No. S-000200-0022-4.

RECOMMENDATION: (Summary) Pass a motion to approve the final Contract Amount of $2,594,276.21 or 8.29% under the original Contract Amount, accept the Work and authorize final payment.

PROJECT NOTICE/JUSTIFICATION: This project was part of the City's program to upgrade and rehabilitate ground water production facilities. It will meet the area's water demand and ensure compliance with the Texas Commission on Environmental Quality regulations.

DESCRIPTION/SCOPE: The project consisted of providing construction services associated with the rehabilitation program for existing water wells in the City of Houston. AEI Enginering, LLC. designed the project with 420 calendar days allowed for construction. The project was awarded to Alsay Incorporated with an original Contract Amount of $2,828,675.00.

LOCATION: The project areas are located throughout the City.

Well No.	Well Name	Address	Key Map	Council District
1	Spring Branch Well 2	9420 Emnora Lane	450Q	A
2	Spring Branch Well 3A	9531 Kempwood Drive	450K	A

12	Southwest Well 4	6002 Westpark Drive	491X	J
13	Southwest Well 6A	3975 Hillcroft Street	530D	J

CONTRACT COMPLETION AND COST: The Contractor, Alsay Incorporated has completed the work under the subject Contract. The project was completed on time with additional 60 days approved by Change Order No. 1. The final cost of the project, including overrun and underrun of estimated unit price is $2,594,276.21, a decrease of $234,398.79 or 8.29% under the original Contract Amount. The decreased cost is a result of the difference between planned and measured quantities.

MBE/WBE PARTICIPATION: The MBE/WBE goal established for this project was 9%. According to Office of Business Opportunity, the participation was 10.40%. Contractor's MBE/WBE performance evaluation was rated Outstanding.

CITY OF HOUSTON - CITY COUNCIL

Meeting Date: 1/24/2017
District A, District D, District E, District F
Item Creation Date: 11/18/2016

20PJ100/Accept Work/LEM Construction Co., Inc.

Agenda Item#: 9.

Summary:

RECOMMENDATION from Director Department of Public Works & Engineering for approval of final contract amount of $8,754,114.09 and acceptance of work on contract with **LEM CONSTRUCTION CO., INC** for Rehabilitation of Distribution Pumps, Motors, Valves, Piping and Pump Station Buildings at Various Facilities - Package A - 1.65% over the original contract amount and under 5% contingency amount - **DISTRICTS A - STARDIG; D - BOYKINS; E - MARTIN and F - LE**

Background:

SUBJECT: Accept Work for Rehabilitation of Distribution Pumps, Motors, Valves, Piping and Pump Station Buildings at Various Facilities – Package A; WBS No. S-001000-0036-4.

RECOMMENDATION: (Summary) Pass a motion to approve the final Contract Amount of $8,754,114.09 or 1.65% over the original Contract Amount and under 5% contingency amount, accept the Work and authorize final payment.

PROJECT NOTICE/JUSTIFICATION: This project was part of the City's improvements of various groundwater treatment plants and was required to meet the Texas Commission on Environmental Quality regulations. Also this project will improve the operability, maintainability and reliability of the plants.

DESCRIPTION/SCOPE: The project consisted of various improvements of five existing groundwater treatment plants and pumping facilities including replacement of pumps, motors, valves, piping and buildings, electrical improvements and SCADA upgrades. Klotz Associates designed the project with 550 calendar days allowed for construction. The project was awarded to LEM Construction Co., Inc. with an original Contract Amount of $8,612,360.00.

LOCATION: The project sites are as follows:

Treatment Plant	Location	Key Map Grid	Council District
Spring Branch	9400 Kempwood Drive	450L	A
Ridgemont	15908 Ridgeroe Lane	611 D	D
Kingwood B	3822 Rustic Woods Drive	297X	E
District 73 #1	24120 East Lake Houston Parkway	338M	E

Sharptown#2	8619 Bellaire Bouevard	530E	F

CONTRACT COMPLETION AND COST: The Contractor, LEM Construction Co., Inc. has completed the work under the subject Contract. The project was completed on time with additional 79 days approved by Change Order Nos. 1 and 2. The final cost of the project, including overrun and underrun of estimated unit price quantities and previously approved Change Order Nos. 1and 2 is $8,754,114.09, an increase of $141,754.09 or 1.65% over the original Contract Amount and under 5% contingency amount. The increased cost is a result of the difference between planned and measured quantities.

M/WBE PARTICIPATION: The M/WBE goal established for this project was 20%. According to Office of Business Opportunity, the participation was 22.27%. Contractor's M/WBE performance evaluation was rated Outstanding.

CITY OF HOUSTON - CITY COUNCIL
Meeting Date: 1/24/2017
ALL
Item Creation Date: 12/19/2016

S25995 - Medical Supplies - MOTION

Agenda Item#: 10.

Summary:

AMBU, INC for Medical Supplies for the Houston Fire Department - 3 Years with two one-year options - $1,002,571.55 - General Fund

Background:

Formal Bids Received for S21-S25995 - Approve an award to Ambu, Inc. in an amount not to exceed $1,002,571.55 for medical supplies for the Houston Fire Department.

Specific Explanation:

The Chief of the Houston Fire Department and Acting Chief Procurement Officer recommend that City Council approve an award to **Ambu, Inc.** on its low bid meeting specifications in an amount not to exceed **$1,002,571.55** for medical supplies for the Houston Fire Department. It is further requested that authorization be given to make purchases, as needed, for a **36-month period with two, one-year options.** This award consists of electrodes, adult/child cervical collars, head wedge immobilizers, and adult/child disposable resuscitating bags to be used by first responders in emergency life threatening situations.

This project was advertised in accordance with the requirements of the State of Texas bid laws. Sixty-four prospective bidders downloaded the solicitation document from SPD's e-bidding website, and twelve bids were received as outlined below:

Ambu, Inc.: Award on its low bid meeting specification for Group I, Line Item Nos. 1 - 7 in an amount not to exceed $1,002,571.55.

	Company	Total Amount	
1.	Moore Medical, LLC	$ 619,388.64	(Partial Bid/Did Not Meet Specifications)
2.	Nashville Medical & EMS Products, Inc.	$ 970,885.31	(Did Not Meet Specifications/Higher Unit Price)
3.	**Ambu, Inc.**	**$1,002,571.55**	
4.	Quadmed	$1,032,912.15	
5.	Bound Tree Medical, LLC	$1,070,430.44	
6.	Midwest Medical Supply, LLC	$1,135,120.80	
7.	Emergency Medical Products, Inc.	$1,280,186.75	
8.	Guardian EMS Products	$1,427,917.57	
9.	NAO Global Health, LLC	$1,752,897.58	
10.	Basileia Group, Inc.	$2,297,263.24	
11.	Pharmacy 1 Plus, Inc.	$2,318,710.58	
12.	SWA International Company	$2,422,141.35	

M/WBE Participation:

Zero-Percentage Goal document approved by the Office of Business Opportunity.

Hire Houston First:

The proposed award requires compliance with the City's 'Hire Houston First' (HHF) ordinance that promotes economic opportunity for Houston businesses and supports job creation. In this case, Ambu, Inc. does not meet the requirements for HHF designation; no HHF firms were within three percent.

Fiscal Note:

Funding for this item is included in the FY17 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ord. 2014-1078.

S25995 - Medical Supplies - MOTION

Agenda Item#:

Background:

Formal Bids Received for S21-S25995 - Approve an award to Ambu, Inc. in an amount not to exceed $1,002,571.55 for medical supplies for the Houston Fire Department.

Specific Explanation:
The Chief of the Houston Fire Department and Acting Chief Procurement Officer recommend that City Council approve an award to **Ambu, Inc.** on its low bid meeting specifications in an amount not to exceed **$1,002,571.55** for medical supplies for the Houston Fire Department. It is further requested that authorization be given to make purchases, as needed, for a **36-month period with two, one-year options.** This award consists of electrodes, adult/child cervical collars, head wedge immobilizers, and adult/child disposable resuscitating bags to be used by first responders in emergency life threatening situations.

This project was advertised in accordance with the requirements of the State of Texas bid laws. Sixty-four prospective bidders downloaded the solicitation document from SPD's e-bidding website, and twelve bids were received as outlined below:

Ambu, Inc.: Award on its low bid meeting specification for Group I, Line Item Nos. 1 - 7 in an amount not to exceed $1,002,571.55.

	Company	Total Amount	
1.	Moore Medical, LLC	$ 619,388.64	(Partial Bid/Did Not Meet Specifications)
2.	Nashville Medical & EMS Products, Inc.	$ 970,885.31	(Did Not Meet Specifications/Higher Unit Price)
3.	**Ambu, Inc.**	**$1,002,571.55**	
4.	Quadmed	$1,032,912.15	
5.	Bound Tree Medical, LLC	$1,070,430.44	
6.	Midwest Medical Supply, LLC	$1,135,120.80	
7.	Emergency Medical Products, Inc.	$1,280,186.75	
8.	Guardian EMS Products	$1,427,917.57	
9.	NAO Global Health, LLC	$1,752,897.58	
10.	Basileia Group, Inc.	$2,297,263.24	
11.	Pharmacy 1 Plus, Inc.	$2,318,710.58	
12.	SWA International Company	$2,422,141.35	

M/WBE Participation:
Zero-Percentage Goal document approved by the Office of Business Opportunity.

Hire Houston First:
The proposed award requires compliance with the City's 'Hire Houston First' (HHF) ordinance that promotes economic opportunity for Houston businesses and supports job creation. In this case, Ambu, Inc. does not meet the requirements for HHF designation; no HHF firms were within three percent.

Fiscal Note:
Funding for this item is included in the FY17 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ord. 2014-1078.

Goal Modification Request Form

1. Date: 9/26/2016 2. Requesting Department: Houston Fire 3. Solicitation Number: S25995

4. Solicitation Name: Medical Supplies 5. Estimated Dollar Amount: $ 1,002,571.55

6. Description of Solicitation (attach specifications/supporting documents):

Purchase of medical supplies to be used by the Houston Fire Department's First Responders in emergency and life-threatening situations. Includes electrodes, extrication collars, resuscitators, and cervical head wedges.

PLEASE INDICATE WHETHER A PREVIOUS CONTRACT EXISTED FOR THIS SOLICITIATION.

A. Previous contract (if any): Yes ◉ No ○ B. Previous contract number: 4600011662

C. Goal on last contract 0% D. Was goal met? Yes ◉ No ○

E. If goal was not met, what percentage did the vendor achieve? _____%

F. Why wasn't goal achieved?

SELECT ONE TYPE OF GOAL MODIFICATION REQUEST FROM THE FOUR OPTIONS BELOW.

1. WAIVER

A. I am requesting a waiver of the MWSBE Goal: Yes ◉ No ○

B. Reason for waiver: (Check one)

- ☐ A public or administrative emergency exists which requires the goods or services to be provided with unusual immediacy
- ☐ If goods and services are specialized, technical, or unique nature as to require the City department to select its contractor without application of MWSBE provisions (such as contracts for expert witnesses, certain financial advisors or technical consultants)
- ☐ MWSBE provisions impose an unwarranted economic burden or risk on the City or unduly delay acquisition of the goods or services, or is not in the best interest of the City; or
- ☐ Level of MWSBE availability would produce minimal MWSBE participation.
- ☑ Other: Supples to be purchased direct from manufacturer.

C. Detailed explanation for Waiver Reason:

Buying direct from manufacturers significantly lowers cost than buying through distributors which could include a mark-up to the products and shipping costs to destination point. Historically, previous contract had a 0% goal. Because the manufacturer is out of state, supplies will be dropped shipped to the City. HFD sees this solicitation as non-divisible.

2. COOPERATIVE OR INTER-LOCAL AGREEMENT

A. Is this a Cooperative/Inter-Local agreement? Yes ○ No ◉

B. If yes, please specify the name of the agreement: _____

C. Did the Department explore opportunities for using certified firms? Yes ◉ No ○

D. Please explain how the department explored opportunities for using certified firms:

E. Please explain why the Department did not explore opportunities for using certified firms:

CITY OF HOUSTON

Item Creation Date: 12/27/2016

S26104 - Spartan Replacement Parts & Repair Services - MOTION

Agenda Item#: 11.

Summary:

METRO FIRE APPARATUS SPECIALISTS, INC for Spartan Replacement Parts and Repair Services for the Fleet Management Department - 3 Years with two one-year options - $1,475,555.31 - Fleet Management Fund

Background:

S40-S26104 - Approve the sole source purchase from Metro Fire Apparatus Specialists, Inc. in an amount not to exceed $1,475,555.31 for Spartan replacement parts and repair services for the Fleet Management Department.

Specific Explanation:

The Director of the Fleet management Department and the Acting Chief Procurement Officer recommend that City Council approve the sole source purchase from **Metro Fire Apparatus Specialists, Inc.** in an amount not to exceed **$1,475,555.31** for Spartan replacement parts and repair services for the Fleet Management Department (FMD). It is further requested that authorization be given to make purchases, as needed, for a **thirty-six month term with two (2) one-year options.** This award consists of replacement parts for various Spartan fire trucks which includes; but are not limited to hoses, windshields, firefighter hooks, magnetic switches, sensors, window regulators, brake chambers, wiper blades, ball valve kits, specialty lights and gauges, outrigger parts, and mud flaps. These materials will be used by the FMD to repair and maintain Spartan fire trucks citywide. This award also includes a $302,500.00 labor component for the repair of equipment that cannot be repaired by City personnel.

Metro Fire Apparatus Specialists, Inc. is the sole distributor and service provider for the entire State of Texas for Spartan parts.

This recommendation is made pursuant to Chapter 252, Section 252.022 (a)(7)(D) " a procurement of items that are available from only one source, including captive replacement parts or components for equipment" of the Texas Local Government Code for exempted procurements.

M/WBE:

Zero-percentage Goal document was approved by the Office of Business Opportunity.

Hire Houston First:

This procurement is exempt from the City's Hire Houston First Ordinance. Bids/proposals were not solicited because the department is utilizing a sole source for this purchase.

Fiscal Note:
Funding for this item is included in the FY 2017 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ord. 2014-1078.

SPARTAN

CITY OF HOUSTON
OFFICE of BUSINESS OPPORTUNITY

Goal Modification Request Form

1. Date: 7/21/2016 2. Requesting Department: Fleet Management 3. Solicitation Number: S25927

4. Solicitation Name: Metro Fire Truck Replacement Parts and Repair Services 5. Estimated Dollar Amount: $ 1,475,556.00

6. Description of Solicitation (attach specifications/supporting documents):

The specification call for genuine original Manufacturer (OEM) Spartan parts and genuine OEM replacement and certified OEM technicians completing repair and warranty work.

PLEASE INDICATE WHETHER A PREVIOUS CONTRACT EXISTED FOR THIS SOLICITIATION.

A. Previous contract (if any): Yes ○ No ○ B. Previous contract number: _____

C. Goal on last contract _____ D. Was goal met? Yes ○ No ○

E. If goal was not met, what percentage did the vendor achieve? _____%

F. Why wasn't goal achieved?

SELECT ONE TYPE OF GOAL MODIFICATION REQUEST FROM THE FOUR OPTIONS BELOW.

1. WAIVER

A. I am requesting a waiver of the MWSBE Goal: Yes ◉ No ○

B. Reason for waiver: (Check one)

- ☐ A public or administrative emergency exists which requires the goods or services to be provided with unusual immediacy
- ☐ If goods and services are specialized, technical, or unique nature as to require the City department to select its contractor without application of MWSBE provisions (such as contracts for expert witnesses, certain financial advisors or technical consultants)
- ☐ MWSBE provisions impose an unwarranted economic burden or risk on the City or unduly delay acquisition of the goods or services, or is not in the best interest of the City; or
- ☐ Level of MWSBE availability would produce minimal MWSBE participation.
- ☑ Other: Spartan parts are direct shipped from the manufacturer to City facility.

C. Detailed explanation for Waiver Reason:

The specification for and service required specialized technicians in OEM Spartan parts repair. The review revealed there is no divisible work. FMD does not see any opportunity for divisibility, therefore, no subcontracting opportunities for MWBE participation.

2. COOPERATIVE OR INTER-LOCAL AGREEMENT

H26122 - Software License Maintenance - MOTION

Agenda Item#: 12.

Summary:

INFORMATION BUILDERS, INC for Software License Maintenance and Support for the Houston Police Department - $132,024.80 - General Fund

Background:

S17-H26122 - Approve the sole source purchase of software license maintenance and support in the total amount of $132,024.80 for the Houston Police Department.

Specific Explanation:

The Chief of the Houston Police Department and the Acting Chief Procurement Officer recommend that City Council approve the sole source purchase of software license maintenance and support in the total amount of $132,024.80 and that authorization be given to issue a purchase order to Information Builders, Inc. for the Houston Police Department.

The scope of work requires the contractor to provide software license maintenance and support for WebFOCUS® and Iway software user licenses for HPD. The software provides HPD with crime analysis, the capability of sending real-time information to the Crime Center, create dashboards and reports that are used daily by the Criminal Intelligence and Budget Finance divisions to provide critical crime and finance information data to its end users. Information Builders, Inc. is the proprietary owner, developer, manufacturer, supplier, and distributor of the WebFOCUS® software products and applications, and has no authorized third-party maintenance providers.

This recommendation is made pursuant to Chapter 252, Section 252.022 (a) (7) (A) "a procurement of items that are available from only one source, including: items that are available from only one source because of patents, copyrights, secret processes, or natural monopolies" of the Texas Local Government Code for exempted procurements.

M/WBE Participation:

M/WBE Zero Percentage Goal document approved by the Office of Business of Opportunity.

Hire Houston First:

This procurement is exempt from the City's Hire Houston First Ordinance. Bids/proposals were not solicited because the department is utilizing a sole source for this purchase

Fiscal Note:

Funding for this item is included in the FY2017 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ord. 2014-1078.

S25736 - Chemical, Inorganic Metal Salt Coagulant (Ferric Sulfate) - MOTION

Agenda Item#: 13.

Summary:

PENCCO, INC for Inorganic Metal Salt Coagulant (Ferric Sulfate) for the Department of Public Works & Engineering - 5 Years - $10,880,500.00 - Enterprise Fund

Background:

Formal Bids Received for S12-S25736 - Approve an award to Pencco, Inc. on its best value bid in an amount not to exceed $10,880,500.00 for the purchase of inorganic metal salt coagulant (Ferric Sulfate) for the Department of Public Works and Engineering.

SPECIFIC EXPLANATION:

The Director of the Department of Public Works & Engineering and the Acting Chief Procurement Officer recommend that City Council approve an award to **Pencco, Inc.** on its best value bid in an amount not to exceed **$10,880,500.00** for inorganic metal salt coagulant (ferric sulfate) for the Department of Public Works & Engineering. It is further requested that authorization be given to issue purchase orders, as needed, for a **60-month period** upon approval of City Council. This award, consisting of approximately 117,500 wet tons of ferric sulfate, will be used by the Department's Drinking Water Operations Branch to extract contaminates and other particles from raw water during the potable drinking water treatment process and is imperative to maintain regulatory compliance as promulgated by the Environmental Protection Agency, Texas Commission on Environmental Quality and the Safe Drinking Water Act to preserve and protect the health and safety of the citizens of Houston.

In response to the "**Mayor's Cost Savings Initiatives**", the Finance Department's Strategic Procurement Division (SPD) and PWE's Chemical Leadership Team monitor/analyze associated chemical markets and pricing trends for an opportunity to reduce chemical costs. **As a result, this award will reduce the City's ferric sulfate costs by $16.65 per ton ($109.25 to $92.60), which is expected to save the City an estimated $1,956,375.00.**

This project was advertised in accordance with the requirements of the State of Texas bid laws. Thirty-six prospective bidders downloaded the solicitation document from SPD's e-bidding website and three bids were received. The best value bids were evaluated based upon the following criteria:

- Cost
- Product performance

- Conformance to bid requirements
- Expertise/experience/qualifications
- Financial strength of offerror
- M/WBE subcontracting capacity

Pencco, Inc. received the highest overall score.

This recommendation is made pursuant to Chapter 252, Section 252.022 (a) (2) "a procurement necessary to preserve or protect the public health and safety of the municipality's residents" of the Texas Government Code for exempted procurements

M/WBE Subcontracting:
This bid was issued with a 2% goal for M/WBE participation. Pencco, Inc. has designated the below named companies as its certified M/WBE subcontractor(s):

Name	Type of Work	Amount
EH Transport	Product Delivery	$200,000.00
Genoa International	Supply Sulfuric Acid	$ 20,000.00

This award will be monitored by the Office of Business Opportunity.

Hire Houston First:
The proposed contract requires compliance with the City's "Hire Houston First" ordinance that promotes economic opportunity for Houston businesses and supports job creation. In this case the proposed supplier does not meet the requirements of Hire Houston First; no Hire Houston First firms were within three percent.

Fiscal Note:
Funding for this item is included in the FY2017 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ord. 2014-1078.

CITY OF HOUSTON - CITY COUNCIL

Meeting Date: 1/24/2017
District E
Item Creation Date: 12/28/2016

N25956 - Installation of Electric Actuators - MOTION

Agenda Item#: 14.

Summary:

C.I. ACTUATION for Removing, Disposing, Furnishing, and Installing ten (10) Electric Actuators for the Department of Public Work & Engineering - $77,067.00 - Enterprise Fund

Background:

S78-N25956 – Approve the purchase for removing, disposing, furnishing, and installing ten (10) Electric Actuators for a total amount not to exceed $77,067.00 for the Department of Public Work & Engineering.

Specific Explanation:

The Director of the Department of Public Works and Engineering and the Acting Chief Procurement Officer recommend that the City Council Approve the purchase for removing, disposing, furnishing, and installing ten (10) Electric Actuators for a total amount not to exceed **$77,067.00** for the Department of Public Works and Engineering and the authorization be given to issue a purchase order to **C.I. Actuation.**

The scope of work requires the supplier to remove and dispose of ten (10) currently installed electric actuators, and to furnish and install new, replacement electric actuators located at the City of Houston's East Water Purification plant (EWPP), 2300 Federal Road, Houston, TX 77015. The work is to be done under the supervision and jurisdiction of for the Department of Public Works and Engineering, Public Utilities Division.

The new electric actuators will replace the existing actuators which are out of service, inoperable, and beyond economic repair. The replacement of the electric actuators will restore the operator's capability to control valves remotely, eliminating the need to manually open and close valves.

The supplier shall provide a one-year warranty on all labor, materials and workmanship and the supplier shall have forty (40) calendar days to complete the work on this project upon receipt of the purchase order. The life expectancy of these electric actuators is about 15 years.

Hire Houston First:

This procurement is exempt from the City's Hire Houston First Ordinance that promotes economic opportunity for Houston businesses and supports job creation. In this case, the proposed suppliers do not meet the requirements of Hire Houston First; no Hire Houston First firms were within three percent.

Fiscal Note:

Funding for this item is included in the FY2017 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ordinance No. 2014-1078.

Item Creation Date: 12/20/2016

20BJM01 Resolution/Clean Water State Revolving Program

Agenda Item#: 15.

Summary:

RESOLUTION authorizing submission of a loan application to the **TEXAS WATER DEVELOPMENT BOARD (CLEAN WATER STATE REVOLVING FUND PROGRAM)**

Background:

SUBJECT: City Council Resolution authorizing the City to make loan application with the Texas Water Development Board, to access the Non-Equivalency, Clean Water Revolving Fund Program.

RECOMMENDATION: (Summary) Pass a Resolution authorizing the City to make loan application with the Texas Water Development Board, to access the Non-Equivalency, Clean Water State Revolving Fund program

SPECIFIC EXPLANATION: The Department of Public Works & Engineering wishes to apply for a low interest rate loan from the Texas Water Development Board (TWDB) under the Clean Water State Revolving Fund (CWSRF), Non-Equivalency program, to assist the Harris County Flood Control District to expedite the Emergency Flood Damage Reduction Federal Project – Brays Bayou. The interest rate available on this program is 120 basis points below the current bond market rate. But if TWDB determines the projects qualify for Emergency Relief funding, the interest rate is reduced to 0%.

The TWDB administers loan programs to eligible municipalities and agencies through the purchase of bonds issued by the loan recipients. In 1998, the TWDB began using a priority rating process to determine the amount of funding participants could receive from the State Revolving Fund. Municipalities are annually requested to submit an Intended Use Plan providing information on projects to be considered for TWDB funding. After the projects are prioritized and the amount of available funds determined, applicants are invited to apply for SRF loans.

The City of Houston has benefited from the lower interest rates offered by the SRF program since 1988 and wishes to continue its participation in the program. This resolution will authorize the City to make application with the TWDB to receive a $45.64 million loan commitment. The loan commitment from the TWDB is for a one year period. Within that period, City Council approval will be requested to authorize the issuance of bonds to the TWDB. The $45.64 million SRF bond issuance is anticipated in June 2017.

It is requested that City Council approve the resolution authorizing the City to make loan application

with the Texas Water Development Board for the Clean Water State Revolving Fund.

PLN - Protected Landmark - The Duplex at 1318 Robin and the Duplex at 1320 Robin

Agenda Item#: 16.

Summary:

RESOLUTION designating the duplex houses located at **1318 and 1320 Robin Street** in the Freedmen's Town Section of the Fourth Ward and within the City of Houston as a landmark and protected landmark - **DISTRICT C - COHEN**

Background:

Chapter 33, Section 33-222 allows for City Council to designate a Landmark or Protected Landmark upon application by the property owner or the Houston Archaeological and Historical Commission. The application for Landmark and Protected Landmark designation of the Duplex at 1318 Robin and the Duplex at 1320 Robin was initiated by the owner, the Freedmen's Town Association, Inc.

A public hearing was held on December 14, 2016, by the Houston Archaeological and Historical Commission and there were no objections to the designation. The Houston Archaeological and Historical Commission determined that the application satisfied applicable criteria of the ordinance and unanimously recommended approval of the Protected Landmark designation.

PROTECTED LANDMARK DESIGNATION REPORT

LANDMARK NAME: The Duplex at 1318 Robin and the Duplex at 1320 Robin
OWNER: Freedmen's Town Association, Inc.
APPLICANT: Gladys House
LOCATION: 1318 Robin St/1320 Robin St–Freedmen's Town

AGENDA ITEM: C.1 – C.2
HPO FILE NO: 16PL158/16PL159
DATE ACCEPTED: 11-21-2016
HAHC HEARING: 12-14-2016

SITE INFORMATION: Tract 6, Block 21, Castanie, City of Houston, Harris County, Texas. The site includes two historic two-story duplexes.

TYPE OF APPROVAL REQUESTED: Protected Landmark Designation

HISTORY AND SIGNIFICANCE SUMMARY

The Duplex at 1318 Robin Street and the Duplex at 1320 Robin Street are located in the Freedmen's Town section of the Fourth Ward, one of Houston's oldest and most historic African American neighborhoods. The fledgling rural neighborhood was established by freed slaves after Emancipation in 1865 and by the 1930s, Freedmen's Town was a thriving and self-contained community. A significant population of Italian immigrants also lived in Freedmen's Town and built their homes, businesses, and rental properties in the area during the early 1900s. The duplexes at 1318 and 1320 Robin Street were constructed ca. 1941 for Carl Lee Tortorici (1893-1956), who emigrated with his family from Italy to the United States in 1910.

Tortorici and his family moved to Houston in 1934 to the Freedmen's Town neighborhood where he opened a grocery store. In 1941, Tortorici hired Seamon Henry Clay (1880-1960), a black carpenter and contractor who resided in the Third Ward, to build the duplexes. Clay is one of the few black carpenters and contractors whose work still exists in Freedmen's Town. Several African Americans resided in the duplexes for short periods of time. Tillman Hicks, a black barber who resided at several addresses in the neighborhood, operated his business, the Shady Green Barbershop, in the 1318 Robin duplex for sixteen years.

The two-story duplexes at 1318 and 1320 Robin Street are Craftsman-style wood-frame structures with gable roofs, half-width inset porches, and pier and beam foundations. Each have rectangular floorplans and face south on Robin Street. The duplexes have retained their historical shape and features for the past seventy-five years.

In 1994, the Freedmen's Town Association (FTA) purchased the duplexes from Tortorici descendants. The FTA, a community-based nonprofit organization, was formed in 1981 to advocate for the Freedmen's Town community, including preserving the neighborhood's history. It is currently seeking funds to restore the duplexes to their historic integrity.

The Duplex at 1318 Robin Street and the Duplex at 1320 Robin Street are significant for their vernacular architectural style, African American craftsmanship, and their association with the Italian immigrant population in Freedmen's Town. Each duplex is listed as "Contributing" in the Freedmen's Town National Register District and meets Criteria 1, 3, 4, 5, 6, and 8 for Protected Landmark designation.

HISTORY AND SIGNIFICANCE

Early Settlement

African American Houstonians often refer to Freedmen's Town, or Fourth Ward, as the "mother-ward" because the origins of many African American churches, organizations, schools, and businesses are rooted there. Fourth Ward was one of four wards established by a City Charter in 1839. These wards, eventually numbering six, were originally established as political subdivisions. While this means of political delineation was abandoned in the early 1900s, the term "ward" today remains a geographic identifier for inner Houston neighborhoods. The earliest concentrations of African American settlements after the Civil War were on the fringes of the Third, Fourth, and Fifth Wards, settlements known collectively as "Freedmen's Town." Freedmen's Town's original boundaries, though never quite geographically distinct, expanded to include the Justin Castanie and W.R Baker additions beginning in 1866. These areas, while not attractive to many whites, provided a prime location for settlement because of their proximity to San Felipe Road (now W. Dallas) which provided a direct link between Houston and the Brazos River Plantations to the West.

Evidence of African American land ownership in Freedmen's Town is recorded as early as 1866. Carpenter Peter Stanton and drayman William Smith, for example, each owned property on the 1300 block of Robin Street. The Reverend Henry "Jack" Yates, founder of Antioch Baptist Church, purchased property on the 1300 block of Andrews Street in 1869. Reverend Yates was a powerful influence on the political, social, and cultural life of African Americans in Houston. The reverend was also instrumental in making Freedmen's Town a center of African American education, allowing the Freedmen's Bureau to establish a school at Antioch. He even played a prominent role in the founding of Houston Baptist Academy in Third Ward, as well as the founding of Bethel Baptist Church.

Twentieth-Century Growth and Decline

By the turn of the century, Freedmen's Town was a thriving African American community and the primary location for services offered by African American professionals. In the 1930s, Freedmen's Town had its own commercial district, library, schools, professional baseball field, and numerous churches. However, in the 1940s and 1950s, the neighborhood was crippled by its inability to expand geographically. The onset of the Great Depression drastically reduced the rate of construction within the ward itself, and the construction of San Felipe Courts, a "whites-only" public housing complex, eliminated land available to African Americans. The construction of Interstate 45 severed the ward's connection to downtown and Antioch Baptist Church. The new physical development coupled with the flight of African Americans to other neighborhoods in the city, resulted in the slow decline of the once bustling neighborhood.

Neighborhood Preservation

In 1985, because of the neighborhood's unique architecture, heritage, and culture, forty blocks were designated as a historic district and listed in the National Register of Historic Places. The historic district's street boundaries include West Dallas (north); Arthur (east); Victor (south); and Genesee (west). Within the last fifteen years, two additional architectural surveys were taken of Freedmen's Town's remaining historic properties. It has been determined that at least three-fourths of the community's historic residential structures have been demolished or destroyed by fire. Additional

losses of the community's historic fabric include the recent construction of high-density residential metal, wood, brick, and stucco structures; encroachment and replacement of Freedmen's Town street signs with "Mid-Town" signs; and a recent surge of diverse residents moving to the neighborhood.

Carl Lee Tortorici and Italian Immigrants in Freedmen's Town

Italian immigrants also had a substantial presence in Freedmen's Town, and built their homes, businesses, and rental properties in the area during the early 1900s. Over the years, several Italian families acquired property throughout Freedmen's Town. Although their descendants have long since moved out of the neighborhood, many Italian families still retain ownership of these properties. The two-story duplexes at 1318 and 1320 Robin Street were constructed ca. 1941 for Carl Lee Tortorici (1893-1956), who emigrated with his family from Italy to the United States in 1910. After residing in Dallas for twenty years, Tortorici and his family moved to Houston in 1934 to 1401 Andrews Street in the Freedmen's Town neighborhood where he opened a grocery store. The two-story residence had a grocery store at the street level with living quarters above. A number of intersections in Freedmen's Town had corner grocery stores attached or built next to homes which were owned and operated by Italian immigrants.

In 1937, Tortorici and his wife Katherine paid C.H. Walrath $1,900 for Tract 6, Block 21, in the Castanie Subdivision. Mary Florence Tullos had previously owned the lot and built two one-story structures as rental units, which Tortorici later demolished. As evidenced by a mechanic's lien executed on May 12, 1941, the Tortoricis paid Seamon Henry Clay (1880-1960) $3,440 to build two two-story duplexes with ten rooms. Clay was a black carpenter and contractor from Catahoula Parish, Louisiana who resided in the Third Ward. Clay is one of the few black carpenters and contractors whose work still exists in Freedmen's Town.

The Tortoricis operated the duplexes as rental property. According to Houston City Directories, several African Americans resided there for short periods of time. Tillman Hicks, a black barber who resided at several addresses in the neighborhood, operated his business, the Shady Green Barbershop, in the 1318 Robin duplex for sixteen years. The Tortorici family resided in the neighborhood until 1944.

ARCHITECTURAL DESCRIPTION AND RESTORATION HISTORY

The two-story duplexes at 1318 and 1320 Robin Street are each approximately 1500 square feet. The duplexes are Craftsman-style wood-frame structures built on pier and beam foundations. Each have rectangular floorplans and face south on Robin Street. The buildings have gable roofs with composition shingles, aluminum-sash windows, clapboard siding, wood floors, two entry doors, and half-width inset porches with wood posts which flank the rear and front of the structures. The first and second levels have three bedrooms, one bath, kitchen and dining room. The form of the duplexes in the 1951 Sanborn map indicates that the duplexes have retained their historical shape and features for the past seventy-five years. They were listed as "Contributing" properties in the Freedmen's Town National Register District designated in 1985.

In 1994, the Freedmen's Town Association (FTA), in need of office space, purchased the two-story duplexes from MKTM Properties (a company owned by Tortorici descendants). The FTA, a community-based nonprofit organization was formed in 1981 to address concerns and issues of

community residents; actively advocate for the preservation of remaining historic buildings; educate the public about the community's unique history and culture; promote new and affordable housing; offer various programs for youth, adults and the elderly; and enhance economic viability by stimulating new businesses and expanding existing ones. Other offices housed in the FTA building are the CDC of Freedmen's Town, Alumni and Ex- Student Association of Schools of Freedmen's Town, and the African-American Preservation Alliance of Hou-Harris Co. Texas. The Freedmen's Town Association is currently seeking funds to restore the duplexes to their historic integrity.

APPROVAL CRITERIA FOR PROTECTED LANDMARK DESIGNATION

The HAHC shall review each application for designation of a protected landmark that is included in an application for designation of a landmark at the same time and in the same manner as it reviews and considers the application for a landmark. The HAHC and the Planning Commission, in making recommendations with respect to a protected landmark designation, and the City Council, in making a designation, shall consider whether the building, structure, site, or area meets at least three of the criteria in Section 33-224, or one of the criteria in Section 33-229, as follows:

S NA **S - satisfies NA - not applicable**

Meets at least three of the following (Sec. 33-224(a):

☒ ☐ (1) Whether the building, structure, object, site or area possesses character, interest or value as a visible reminder of the development, heritage, and cultural and ethnic diversity of the city, state, or nation;

☐ ☒ (2) Whether the building, structure, object, site or area is the location of a significant local, state or national event;

☒ ☐ (3) Whether the building, structure, object, site or area is identified with a person who, or group or event that, contributed significantly to the cultural or historical development of the city, state, or nation;

☒ ☐ (4) Whether the building or structure or the buildings or structures within the area exemplify a particular architectural style or building type important to the city;

☒ ☐ (5) Whether the building or structure or the buildings or structures within the area are the best remaining examples of an architectural style or building type in a neighborhood;

☒ ☐ (6) Whether the building, structure, object or site or the buildings, structures, objects or sites within the area are identified as the work of a person or group whose work has influenced the heritage of the city, state, or nation;

☐ ☒ (7) Whether specific evidence exists that unique archaeological resources are present;

☒ ☐ (8) Whether the building, structure, object or site has value as a significant element of community sentiment or public pride.

AND

☐ ☒ (9) If less than 50 years old, or proposed historic district containing a majority of buildings, structures, or objects that are less than 50 years old, whether the building, structure, object, site, or area is of extraordinary importance to the city, state or nation for reasons not based on age (Sec. 33-224(b).

OR

☐ ☒ The property was built before 1905 (Sec. 33-229(a)(2);

OR

☒ ☐ The property is listed individually in the National Register of Historic Places or designated as a "contributing structure" in an historic district listed in the National Register of Historic Places (Sec. 33-229(a)(3);

OR

☐ ☒ The property is recognized by the State of Texas as a Recorded State Historical Landmark (Sec. 33-229(a)(4).

STAFF RECOMMENDATION

Staff recommends that the Houston Archaeological and Historical Commission recommend to City Council the Protected Landmark Designation of

HAHC RECOMMENDATION

The Houston Archaeological and Historical Commission recommends to City Council the Protected Landmark Designation of the Duplex at 1318 Robin Street and the Duplex at 1320 Robin Street.

VOLUME 328 PAGE 331

No. 183913 1938

Carl Lee Tortorici, et ux To S. H. Clay

Mechanic's Lien

State of Texas County of Harris; Know all men by these presents: That this agreement made and entered into by and between S. H. Clay, party of the first part (hereinafter called Contractor) and Carl Lee Tortorici, and wife, Katherine Tortorici, parties of the second part (hereinafter called Owners) all of said county, and state, Witnesseth: The Contractor hereby covenants and agrees with the Owners, in consideration of the premises hereinafter recited, to furnish all the labor and material for and to build, erect and finish in a good, substantial and workmanlike manner, the following improvements, to-wit: Ten room, two story frame duplex, composition roof. Said improvements are to be built and erected according to the plans and specifications agreed upon between the parties and signed by them for the purpose of identification the same constituting a part of this contract, the plans and specifications having been carefully examined, read over and understood and agreed upon by the parties hereto. The land and premises upon which the improvements are to be erected are situated in the State of Texas and County of Harris, and are more particularly described as follows, to-wit: Lot six (6) block twenty-one (21) of the Justin Castanie Addition to the City of Houston out of the Obedience Smith Survey in Harris County, Texas, S. S. B. B. In consideration of the construction of said improvements and the furnishing of labor and material therefor as above stipulated, the Owners bind and obligate themselves to pay to the Contractor, his heirs or assigns, the sum of three thousand four hundred forty & no/100 dollars ($3440.00), as follows: By the execution and delivery by the said Carl Lee Tortorici and wife Katherine Tortorici, of the following described note, to-wit : One certain mechanic's lien and deed of trust note for the sum of three thousand four hundred forty & no/100 ($3440.00) dollars, of even date herewith, payable to the order of S. H. Clay, on or before sixty (60) days after date, bearing interest at the rate of seven per cent per annum, the interest payable from maturity, said note providing for 10% interest on all past due principal and interest and containing the usual and customary 10% attorney's fees clauses. Said note being additionally secured by the owner's deed of trust of even date herewith, to Jas. C. Thompson, Trustee, upon and against the above described property, which said deed of trust is cumulative of and without prejudice to the lien hereof, and it being agreed that a foreclosure thereunder shall operate to foreclose the lien hereof. It is agreed, as part of the consideration for the erection of said improvements and the furnishing the material therefor, that if the collection of said indebtedness be placed in the hands of an attorney for collection, or collected through the probate or bankruptcy court, or suit be filed upon the same, the Owners shall pay ten per cent additional upon the amount of such indebtedness as attorney's fees. The Owners also agree to keep said improvements in a good state of repair, to pay and keep paid all taxes levied or assessed against the lands or improvements as the same accrue and become payable, to insure and keep insured the improvements upon said premises in an amount and in some insurance company acceptable to the Contractor, or holder of said indebtedness, and to deliver the policy or policies of insurance as soon as written to the Contractor, or holder of said indebtedness. In the event the Owners fail to pay said taxes

or take out and continue said insurance and deliver the policies to the Contractor, as above provided,or fail to comply with any of the covenants or agreements herein set forth, or in case of the total or partial destruction of the improvements by fire or otherwise, then in any such case at the option of the Contractor, or holder of said indebtedness, the unpaid indebtedness shall become immediately due and payable. If the Owners fail to procure and continue the insurance or pay the taxes as hereinabove provided, then the Contractor, his heirs or assigns may procure, at his or their option, the insurance or pay the taxes, and the amount so paid shall be secured by a lien on said premises and shall bear interest from the date of such payment at the rate of ten per cent per annum. The Owners hereby give and grant to the Contractor, his heirs and assigns, an express contract lien, as well as a mechanic's and materialman's lien, rights, and equities on said land, and all the improvements thereon or to be erected thereon, to secure the payment of said indebtedness, principal, interest and attorney's fees. The payment of said indebtedness is also secured by a deed of trust of even date herewith on said land and improvements. This contract, as also said indebtedness, may be assigned and the assignee or purchaser shall have and be subrogated to all the rights, liens and equities of the Contractor. In the event the Contractor shall fail to erect and complete said improvements according to this contract, such failure shall not defeat the indebtedness and the liens securing its payment, but in such case, the indebtedness and liens upon the property and premises shall exist in favor of the Contractor, or other holder of the indebtedness, for the amount of the contract price, less such an amount as would be reasonably necessary to complete said improvements in accordance with the plans and specifications. The Owners waive, in favor of said indebtedness, all homestead exemptions and allowances and all allowances in lieu of a homestead, or for exempt articles and for maintenance and support and for commissions which may accrue to either of them in any probate proceeding in which said land and premises may be involved. Interest due date changed before signing. Witness our hands this 14th day of November, A.D. 1938.

S. H. Clay, Contractor Carl Lee Tortorici Katherine Tortorici, Owners.

(State Stamps can. $3.30)

State of Texas County of Harris: Before me, the undersigned authority, a Notary Public in and for Harris County, Texas, on this day personally appeared S. H. Clay, known to me to be the person whose name is subscribed to the foregoing instrument of writing, and acknowledged to me that he executed the same for the purposes and consideration therein expressed. Given under my hand and seal of office this 14th day of November, A.D., 1938.

Ira S. Clarkson, Notary Public Harris County, Texas. (Seal)

State of Texas County of Harris: Before me, the undersigned authority, a Notary Public in and for Harris County, Texas, on this day personally appeared Carl Lee Tortorici, and wife, Katherine Tortorici, known to me to be the persons whose names are subscribed to the foregoing instrument of writing, and severally acknowledged to me that they executed the same for the purposes and consideration therein expressed.

And the said Katherine Tortorici, wife of the said Carl Lee Tortorici, having been examined by me privily and apart from her husband, and having the same by me fully explained to her, she, the said Katherine Tortorici, acknowledged such instrument to be her act and deed and declared that she had willingly signed the same for the purposes and consideration

S. H. Clay

Mechanic's Lien

State of Texas, County of Harris: Know all men by these presents: That this agreement made and entered into by and between S. H. Clay party of the first part (hereinafter called Contractor) and Carl Lee Tortorici and wife Katherine Tortorici parties of the second part

Clerk's Notes—Art. 4606

(hereinafter called Owners) all of said county and state, Witnesseth:
The Contractor hereby covenants and agrees with the Owners, in consideration of the premises hereinafter recited, to furnish all the labor and material for and to build, erect and finish in a good, substantial and workmanlike manner, the following improvements, to-wit:
Two story frame duplex with composition roof. Said improvements are to be built and erected according to the plans and specifications agreed upon between the parties and signed by them for the purpose of identification, the same constituting a part of this contract, the plans and specifications having been carefully examined, read over and understood and agreed upon by the parties hereto . The land and premises upon which the improvements are to be erected are situated in the State of Texas and County of Harris, and are more particularly described as follows, to-wit: Lot Six (6) Block Twenty-one (21) of Castania Addition to the City of Houston, Harris County, Texas.
In consideration of the construction of said improvements and the furnishing of labor and material therefor as above stipulated, the Owners bind and obligate themselves to pay to the Contractor, his heirs or assigns, the sum of Three Thousand One Hundred Twenty Seven & No/100 Dollars ($3,127.00) as follows: By the execution and delivery by the said Carl Lee Tortorici and wife Katherine Tortoric of the following described note, to-wit: One certain Mechanic's Lien and Deed of Trust note for the sum of Three Thousand One Hundred Twenty Seven & No/100 ($3,127.00) Dollars, of even date herewith payable to the order of S. H. Clay on or before Sixty (60) days after date, bearing interest at the rate of seven percent per annum, the interest payable from maturity, said note providing for 10% interest on all past due principal and interest and containing the usual and customary 10% attorney's fees clauses.
Said note being additionally secured by the owners Deed of Trust of even date herewith to Jas. C. Thompson, Trustee, upon and against the above described property, which said Deed of Trust is cumulative of and without prejudice to the lien hereof and it being agreed that a foreclosure thereunder shall operate to foreclose the lien hereof.
It is agreed, as part of the consideration for the erection of said improvements and the furnishing the material therefor, that if the collection of said indebtedness be placed in the hands of an attorney for collection, or collected through the Probate or Bankruptcy Court, or suit be filed upon the same, the Owners shall pay ten per cent. additional upon the amount of such indebtedness as attorney's fees. The Owners also agree to keep said improvements in a good state of repair, to pay and keep paid all taxes levied or assessed against the lands or improvements as the same accrue and become payable, to insure and keep insured the improvements upon said premises in an amount and in some insurance company acceptable to the Contractor, or holder of said indebtedness, and to deliver the policy or policies of insurance as soon as written to the Contractor or holder of said indebtedness. In the event the Owners fail to pay said taxes or take out and continue said insurance and deliver the policies to the Contractor, as above provided, or fail to comply with any of the covenants or agreements herein set forth, or in case of the total or partial destruction of the improvements by fire or otherwise, then in any such case at the option of the Contractor, or holder of said indebtedness, the unpaid indebtedness shall become immediately due and payable.
If the Owners fail to procure and continue the insurance or pay the taxes as hereinabove provided,

C. H. Walrath -To- Carl Lee Tortorici, et ux

Deed

The State of Texas County of Harris Know all men by these presents:

That I, C. H. Walrath, a single man, of the City of Houston, Harris County, Texas, for and in consideration of the sum of One Thousand Nine Hundred ($1900.00) Dollars, paid and secured to be paid by Carl Lee Tortorici, and wife, Katherine Tortorici, as follows, to-wit:

The sum of One Thousand ($1000.00) Dollars, cash to me in hand paid, the receipt of which is hereby acknowledged and confessed, and the sum of Nine Hundred ($900.00) Dollars, secured to be paid by that One Certain promissory vendor's lien note in the original principal sum of Nine Hundred ($900.00) Dollars, payable to the order of C. H. Walrath, or order, at Houston, Harris County, Texas, said note providing that the same being a vendor's lien note on the said property therein and herein described; said note being payable in monthly installments of not less than $35.00 per month, each, the first of said monthly installments being due and payable on the 30th day of September, 1937, and a like installment on the 30th day of each and every month thereafter, until the said note is paid in full; said note bearing interest at the rate of six (6%) per cent, per annum, and said monthly installments of not less than $35.00 including, principal and accrued interest; said note also containing the usual acceleration clauses and providing for the usual 10% attorney's fees clause; that the payment o the said note being additionally secured by a deed of trust lien given on this date to Frank F. Spata, trustee,. Have granted, bargained, sold, and conveyed, and by these presents, does grant, sell, and convey, unto the said Carl Lee Tortorici and wife, Katherine Tortorici, of the City of Houston, Harris County, Texas, the following described real property, to-wit: Being all of Lot Number Six (6) in Block Number Twenty-one (21) of the Justin Castanie Addition, to the City of Houston, out of the O. Smith Survey, Harris County, Texas, S. S. B. B. Together with all improvements situated thereon. To have and to hold the above described premises, togethe

with all and singular the rights and appurtenances thereto in anywise belonging, unto the said Carl Lee Tortorici, and wife, Katherine Tortorici, their heirs and assigns, forever, and the grantor hereby binds himself, his heirs and assigns, to warrant and forever defend, all and singular the said premises unto the said Carl Lee Tortorici, and wife, Katherine Tortorici, their heirs and assigns, against every person whomsoever lawfully claiming or to claim the same, or any part thereof. It is expressly agreed and understood that a vendor's lien is retained against the above described premises for the security retained and until the full amount of the above described vendor's lien note is paid in full, when and whereupon this deed shall become absolute. Executed on this the 31st day of August, A.D., 1937. C. H. Walrath (Stamps Can. $2.00) (State Stamps Can. $0.70)

The State of Texas County of Harris Before me, the undersigned authority, on this day personally appeared C. H. Walrath, a single man, known to me to be the person whose name is subscribed to the foregoing instrument, and he acknowledged to me that he executed the same for the purposes and consideration therein expressed.

Given under my hand and seal of office on this the 8th day of September, A. D., 1937.

CITY OF HOUSTON - CITY COUNCIL

Meeting Date: 1/24/2017
ALL
Item Creation Date: 11/2/2016

HFD Fire/EMS Records Fees

Agenda Item#: 17.

Summary:

ORDINANCE **AMENDING ARTICLE IV OF CHAPTER 2 OF THE CODE OF ORDINANCES, HOUSTON, TEXAS**, relating to establishing fees for services relating to the provision of information in response to subpoenas

Background:

Amend the Code of Ordinances to establish the authority of the Chief of the Fire Department and the Director of the Finance Department to charge fees for the provision of subpoenaed information and records and to approve initial fee amounts.

SPECIFIC EXPLANATION:

The Houston Fire Department (HFD) and the Finance Department ("Finance") recommend that City Council approve an ordinance authorizing the charge of reasonable fees for providing subpoenaed information and records related to fire and emergency medical services. HFD and Finance expend a significant amount of time and resources processing and responding to these subpoenas. The proposed fees are necessary to cover the cost of service associated with the provision of the information and records.

HFD, in coordination with the Finance Department, completed a comprehensive review of the types of documents at issue and subsequently conducted cost and market studies designed to determine both the expenses associated with identifying and retrieving the information once it has been subpoenaed, as well as reasonable fees to charge for providing the documents. HFD and Finance recommend the attached fees be adopted; effective February 1, 2017.

Fiscal Note:

The fiscal note form does not apply for the establishment of these fees.

HAS Lease Agreement with Rocket Man Aviation, LLC for certain premises at Ellington Airport (EFD)

Agenda Item#: 20.

Summary:

ORDINANCE approving and authorizing Lease Agreement between the City of Houston, Texas and **ROCKET MAN AVIATION, LLC**, for certain premises at Ellington Airport - **DISTRICT E - MARTIN**

Background:

Ordinance approving and authorizing the execution of a Lease Agreement with Rocket Man Aviation, LLC, for the certain premises at Ellington Airport (EFD)

Specific Explanation:

Lessee previously operated a fixed base operation (FBO) at EFD under the name of Rocket Man. Lessee subsequently sold the FBO, and through successive sales is currently owned by Signature Flight Support. Lessee desires to return to EFD with a corporate based operation along Taxilane Kilo on the west side of the Airport.

The pertinent terms and conditions of the Lease Agreement are as follows:

Leased Premises: Tract F-1: Approximately 1.134 acres (49,377 square feet) of unimproved land out of 2.16 acre tract, at the west end of Taxilane Kilo, located at Ellington Airport (EFD). Lessee is also being granted a non-exclusive access area between the Leased Premises and Taxilane Kilo, consisting of approximately 8,935 sq. ft.

Term: Thirty-five (35) years

Use: Lessee will use the premises for its managed corporate aircraft storage.

Rent: Total estimated annual revenue $ 20,460.10
Rent shall be adjusted by a 15% increase every fifth anniversary of the Effective Date

Operations:

And Maintenance: Capital expenditure requirement – Lessee must expend a minimum of $500,000 in capital improvements within 3 years from lease countersignature date. Additionally, Lessee must expend an additional $100,000 on refurbishment of the facility at some point between Lease Years 20 and 30.
Lessee shall maintain its facility in a good condition, at its sole cost.

Lessee shall provide indemnification in favor of the City, including insurance coverage as required in the Lease.

HAS - New South Parking Operations and Management Concession Agreement - Amendment No. 6

Agenda Item#: 21.

Summary:

ORDINANCE approving and authorizing Amendment No. 6 to Parking Operations and Management Concession Agreement between the City of Houston and **NEW SOUTH PARKING - TEXAS** for the Houston Airport System; amending Ordinance 2015-995 to increase the maximum contract amount - **DISTRICTS B - DAVIS and I - GALLEGOS**

Background:

Enact an ordinance approving and authorizing Amendment No. 6 to the Parking Operations and Management Concessions Agreement with New South Parking – Texas; amending ordinance 2015-995 to increase the maximum contract amount.

SPECIFIC EXPLANATION:

New South Parking – Texas ("NSP") currently operates and manages all of the parking facilities owned by the Houston Airport System ("HAS") at George Bush Intercontinental Airport/Houston ("IAH") and William P. Hobby Airport ("HOU").

The current Parking Operations and Management Concession Agreement ("Agreement") with NSP expires on January 28, 2017. A RFP for a new parking operator was issued on May 27, 2016, but additional time is needed for the City to finalize the selection of a parking operator and the subsequent contract negotiations. Per the terms of the Agreement, this Agreement will go into holdover on January 29, 2017. The holdover is a month-to-month extension of the Agreement. An increase of $11.3 million to the maximum contract amount is necessary to cover five months of costs associated with the holdover through June 30, 2017.

Amendment No. 6 adds two new obligations to NSP to facilitate a smooth contract transition:

- A requirement for NSP to sell the ecopark JFK shuttle bus fleet to the new parking operator (or HAS), if applicable, for $75,000 in total.

- A requirement for NSP to sell any or all of its removable fixtures, such as office furniture, to the new parking operator, if applicable, at specified prices amounting to $33,045 in aggregate.

ACDBE Participation:

Currently New South Parking is achieving 33.44% on a 12% ACDBE goal at IAH and achieving 30% on a 3% ACDBE goal at HOU.

HAS - Road Reconstruction at EFD - Scholl, Popa, Nelson

Agenda Item#: 22.

Summary:

ORDINANCE appropriating $1,479,022.00 out of HAS-FAA Grants Fund and 520,978.00 out of the HAS Airports Improvement Fund and awarding construction contract to **ISI CONTRACTING, INC** for Roadway Reconstruction at Ellington Airport/Houston (Project No. 632); setting a deadline for the bidder's execution of the contract and delivery of all bonds, insurance and other required contract documents to the City; holding the bidder in default if it fails to meet the deadlines; providing funding for contingencies and engineering testing services relating to construction of facilities financed by such funds - **DISTRICT E - MARTIN**

Background:

Enact an ordinance to approve a construction Contract with ISI Contracting, Inc. to reconstruct Popa Street, Nelson Avenue and Scholl Road and appropriate $2,000,000.00 to finance the cost of these services.

Specific Explanation:

The Federally-funded project consists of the reconstruction of Popa Street, Nelson Avenue (North of Popa Street), and Scholl Road to a 30 year pavement design. These roadways are approximately 2,500 linear feet and encompass the area from Aerospace Avenue to Brantley Avenue in the vicinity of Ellington Airport/Houston (EFD).

The existing concrete roadway pavement on Scholl Road, Nelson Avenue and Popa Street, consists of the original pavement installed in the 1950's. These roadways show severe cracking and surface distresses. The current roadway geometry does not meet the City of Houston geometric standards for public roadways, and the radii in the turns does not accommodate the large truck traffic that often travels to and from Airport tenants.

Bids: The bids received on April 21, 2016 were as follows.

1. Triple B Services LLP $1,406,627.80
2. ISI Contracting, Inc. $1,643,357.50
3. Lazer Construction Company, Inc. $1,651,711.32
4. Main Lane Industries, LTD. $1,997,375.00

Triple B Services LLP was the lowest bidder. However, as a result of DBE compliance

failures included within in their submitted bid, Triple B Services LLP, bid was deemed non-responsive to the bid. As a result, the 2nd lowest bid, submitted by ISI Contracting, Inc., was deemed the lowest responsive responsible bid.

Pay or Play: The Proposed Contract Requires Compliance With The City's "Pay Or Play" Ordinance Regarding Health Benefits For Employees Of City Contractors.

Engineering Services Testing Contract:
Engineering testing services have been provided as part of the previous appropriation by Geotest Engineering, contract number 460001237.

Project Costs:
$1,643,357.50 Construction Services
$ 100,000.00 6% Contingency
$ 256,642.50 Engineering and Testing Services
$2,000,000.00 TOTAL

DBE Participation: The DBE goal for this project is 21%. ISI Contracting Inc. has committed to exceed the published goal by 0.30% using the following subcontractors:

Firms Type of Work Amount %
JRB Engineering, LLC (DBE) Quality Control $ 13,000 .80%
Curb Planet (DBE) Curb Replacement $ 2,900 0.2%
Access Data Supply (DBE) Construction Support Services $ 150,000 9.1%
Mesa Rod Busters, Inc. (DBE) Furnish and Tie Rebar $ 28,000 1.7%
H&E Aggregate (DBE) Furnish Base $ 138,000 8.4%
Republic Traffic Safety (DBE) Traffic Control $ 17,400 1.1%
TOTAL $ 349,300 21.30%

FAA AIP Grant Program: This project may be eligible for federal funding through the Federal Aviation Administration's AIP Program. Appropriate fund source adjustments will be made in the future if additional AIP funding becomes available.

Capital Fiscal Note:
There is no impact to the FY17 Adopted Operating Budget for this item. Therefore, no fiscal note is required as stated in the Financial Policy Ord. 2014-1078 as an Operating Budget Item.

This appropriation is for reconstruction of existing roads at EFD therefore it is anticipated it will have no incremental impact to operational expenditures.

Item Creation Date: 5/9/2016

HAS - Road Reconstruction at EFD - Scholl, Popa, Nelson

Agenda Item#: 10.

Background:
Enact an ordinance to approve a construction Contract with ISI Contracting, Inc. to reconstruct Popa Street, Nelson Avenue and Scholl Road and appropriate $2,000,000.00 to finance the cost of these services.

Specific Explanation:

The Federally-funded project consists of the reconstruction of Popa Street, Nelson Avenue (North of Popa Street), and Scholl Road to a 30 year pavement design. These roadways are approximately 2,500 linear feet and encompass the area from Aerospace Avenue to Brantley Avenue in the vicinity of Ellington Airport/Houston (EFD).

The existing concrete roadway pavement on Scholl Road, Nelson Avenue and Popa Street, consists of the original pavement installed in the 1950's. These roadways show severe cracking and surface distresses. The current roadway geometry does not meet the City of Houston geometric standards for public roadways, and the radii in the turns does not accommodate the large truck traffic that often travels to and from Airport tenants.

Bids: The bids received on April 21, 2016 were as follows.

1. Triple B Services LLP $1,406,627.80
2. **ISI Contracting, Inc. $1,643,357.50**
3. Lazer Construction Company, Inc. $1,651,711.32
4. Main Lane Industries, LTD. $1,997,375.00

Triple B Services LLP was the lowest bidder. However, as a result of DBE compliance failures included within in their submitted bid, Triple B Services LLP, bid was deemed non-responsive to the bid. As a result, the 2nd lowest bid, submitted by ISI Contracting, Inc., was deemed the lowest responsive responsible bid.

Pay or Play: The proposed contract requires compliance with the City's "Pay or Play" Ordinance regarding health benefits for employees of city contractors.

Engineering Services Testing Contract:
Engineering testing services have been provided as part of the previous appropriation by Geotest Engineering, contract number 460001237.

Project Costs:
$1,643,357.50 Construction Services
$ 100,000.00 6% Contingency
$ 256,642.50 Engineering and Testing Services
$2,000,000.00 TOTAL

DBE Participation: The DBE goal for this project is 21%. ISI Contracting Inc. has committed to exceed the published goal by 0.30% using the following subcontractors:

Firms Type of Work Amount %
JRB Engineering, LLC (DBE) Quality Control $ 13,000 .80%
Curb Planet (DBE) Curb Replacement $ 2,900 0.2%
Access Data Supply (DBE) Construction Support Services $ 150,000 9.1%
Mesa Rod Busters, Inc. (DBE) Furnish and Tie Rebar $ 28,000 1.7%
H&E Aggregate (DBE) Furnish Base $ 138,000 8.4%
Republic Traffic Safety (DBE) Traffic Control $ 17,400 1.1% TOTAL $ 349,300 21.30%

FAA AIP Grant Program: This project may be eligible for federal funding through the Federal Aviation Administration's AIP Program. Appropriate fund source adjustments will be made in the future if additional AIP funding becomes available.

Capital Fiscal Note:
There is no impact to the FY17 Adopted Operating Budget for this item. Therefore, no fiscal note is required as stated in the Financial Policy Ord. 2014-1078 as an Operating Budget Item.

This appropriation is for reconstruction of existing roads at EFD therefore it is anticipated it will have no incremental impact to operational expenditures.

HHD-Mosquito Control and Monitoring with Harris County

Agenda Item#: 23.

Summary:

ORDINANCE approving and authorizing an agreement between the City and **HARRIS COUNTY** through Harris County Public Health for the purpose of improving mosquito control and monitoring capacity in Harris County/Houston area; providing a maximum contract amount; containing provisions relating to the subject; and declaring an emergency.

Background:

The Houston Health Department (HHD) requests City Council approval of an ordinance authorizing an agreement between the City of Houston and Harris County Public Health (HCPH) to improve mosquito control and monitoring capacity in Harris County/Houston area. The Effective Date of this Agreement is December 1, 2016 and will continue in effect through July 31, 2017 ("Initial Term"), with two (2) consecutive one-year renewal terms beginning August 1, 2017. The total contract amount is $ 899,976.00.

Zika is spread mostly by the bite of an infected Aedes species mosquito (Ae. aegypti and Ae. albopictus). Zika can be passed from a pregnant woman to her fetus. Infection during pregnancy can cause certain birth defects. There is no vaccine or medicine for Zika. Therefore, the City and HCPH are collaborating in an effort to improve mosquito control and monitor the population levels of Aedes aegypti and Aedes albopictus mosquitoes in Harris County pursuant with the goals stated in the Centers for Disease Control and Prevention (CDC) Interim Response Plan and the CDC's Epidemiology and Laboratory Capacity for Infectious Diseases Cooperative Agreement. Under the proposed agreement, HCPH will:

1. Enhance the ability to diagnose and test for Zika virus from collected Aedes aegypti and Aedes albopictus mosquito populations in Harris County/Houston area through the purchase of virology testing equipment and supplies for the Harris County Public Health Mosquito and Vector Control Division Virology Laboratory.

2. Enhance the ability to monitor population levels of Aedes aegypti and Aedes albopictus mosquitos in Harris County through (a) the hiring of temporary staff to support population monitoring activities and/or (b) the purchase of additional BG traps to expand the coverage of the monitoring map within City of Houston.

3. Report weekly to HHD the number and location of deployed traps as well as numbers of trapped female Aedes mosquitos. Reporting frequency may be increased in the event that local

transmission of Zika is suspected.

4. Submit a detailed budget and justification of items and services supporting mosquito control and monitoring activities which may include equipment for the HCPH Mosquito Control Division virology program, mosquito traps for monitoring of female Aedes aegypti mosquito population, and hiring of temporary staff to support mosquito population monitoring activities.

CITY OF HOUSTON - CITY COUNCIL

Meeting Date: 1/24/2017
District B
Item Creation Date: 12/16/2016

20UPA349/MSD 2016-091-SDI

Agenda Item#: 24.

Summary:

MUNICIPAL Setting Designation Ordinance prohibiting the use of designated groundwater beneath a tract of land containing 9.022 acres commonly known as **2701 Foote Street,** Houston, Harris County, Texas; supporting issuance of a Municipal Setting Designation by the Texas Commission on Environmental Quality at the request of Pinto East End, LLC - **DISTRICT B - DAVIS**

Background:

In 2003, the Texas Legislature authorized the creation of Municipal Setting Designations (MSD), which designate an area in which the use of contaminated groundwater is prohibited for use as potable water. The law is administered by the Texas Commission on Environmental Quality (TCEQ) and requires local City support to designate an MSD. The intent of the legislation is to encourage redevelopment of vacant or abandoned properties while protecting public health. On August 22, 2007, City Council approved an ordinance amending Chapter 47 of the Code of Ordinances by adding Article XIII relating to groundwater, which provides a process to support or not support an MSD application to the State (ordinance amended 7/14/2010).

PINTO EAST END, LLC APPLICATION: Pinto East End, LLC is seeking a Municipal Setting Designation (MSD) for 9.022 acres of land located at 2701 Foote Street, Houston, TX 77020. The contamination consists of Tetrachloroethene, Trichloroethene, cis-1,2-Dichloroethene, trans-1,2-Dichloroethene, Vinyl Chloride, 1,1-Dichloroethene, 1,1-Dichloroethane, and 1,4-Dioxane. A variety of oilfield products and brake blocks were manufactured on site from 1969 to 1985, using Trichloroethene as a cleaning and degreasing agent. The site is currently vacant and undeveloped.. A licensed Professional Geologist has certified that the area of contamination has been thoroughly investigated, is fully defined, and is stable.

Pinto East End, LLC is seeking an MSD for this property to restrict access to groundwater to protect the public against possible exposure to the on-site contaminants. There is a public drinking water supply system that meets state requirements that supplies or is capable of supplying drinking water to the MSD property and all properties within one-half mile of the MSD property. A public meeting was held on December 6, 2016 at the Houston Permitting Center, and a public hearing was held on December 12, 2016 during the Transportation, Technology, and Infrastructure Council Committee. Both meetings are necessary steps prior to City Council's consideration of support.

RECOMMENDATIONS: It is recommended that City Council adopt a Municipal Setting Designation (MSD) ordinance prohibiting the use of designated groundwater at the Pinto East End,

LLC site located at 2701 Foote Street, Houston, TX 77020, and support issuance of an MSD by the Texas Commission on Environmental Quality.

CITY OF HOUSTON - CITY COUNCIL

Meeting Date: 1/24/2017
District C
Item Creation Date:

20UPA347 Ordinance/MSD 2015-084-ECO

Agenda Item#: 25.

Summary:

MUNICIPAL Setting Designation Ordinance prohibiting the use of designated groundwater beneath a tract of land containing 0.3444 acres commonly known as **2620 South Shepherd Drive,** Houston, Harris County, Texas; supporting issuance of a Municipal Setting Designation by the Texas Commission on Environmental Quality at the request of the Shops at Shepherd, Ltd. - **DISTRICT C - COHEN**

Background:

In 2003, the Texas Legislature authorized the creation of Municipal Setting Designations (MSD), which designate an area in which the use of contaminated groundwater is prohibited for use as potable water. The law is administered by the Texas Commission on Environmental Quality (TCEQ) and requires local City support to designate an MSD. The intent of the legislation is to encourage redevelopment of vacant or abandoned properties while protecting public health. On August 22, 2007, City Council approved an ordinance amending Chapter 47 of the Code of Ordinances by adding Article XIII relating to groundwater, which provides a process to support or not support an MSD application to the State (ordinance amended 7/14/2010).

THE SHOPS AT SHEPHERD, LTD. APPLICATION: The Shops at Shepherd, Ltd. is seeking a Municipal Setting Designation (MSD) for 0.3444 acres of land located at 2620 S. Shepherd, Houston, TX 77098. The contamination consists of Tetrachloroethene, Trichloroethene, cis-1,2-Dichloroethene, trans-1,2-Dichlororethene, Vinyl Chloride, and 1,1-Dichloroethene. Eco Cleaners conducted perchloroethylene-based dry cleaning operations on site from 1991 to 2000. They have since converted to stoddard solvent usage. A licensed Professional Geologist has certified that the area of contamination has been thoroughly investigated, is fully defined, and is stable.

The Shops at Shepherd, Ltd. is seeking an MSD for this property to restrict access to groundwater to protect the public from possible exposure to the on-site contaminants. There is a public drinking water supply system that meets state requirements that supplies or is capable of supplying drinking water to the MSD property and all properties within one-half mile of the MSD property. A public meeting was held on December 8, 2016 at the Freed-Montrose Neighborhood Library, and a public hearing was held on December 12, 2016 during the Transportation, Technology, and Infrastructure Council Committee. Both meetings are necessary steps prior to City Council's consideration of support.

RECOMMENDATIONS: It is recommended that City Council adopt a Municipal Setting

Designation (MSD) ordinance prohibiting the use of designated groundwater at The Shops at Shepherd, Ltd. site located at 2620 S. Shepherd, Houston, TX 77098, and support issuance of an MSD by the Texas Commission on Environmental Quality.

Item Creation Date: 12/16/2016

20UPA348/MSD 2016-090-NPC

Agenda Item#: 26.

Summary:

MUNICIPAL Setting Designation Ordinance prohibiting the use of designated groundwater beneath a tract of land containing 12.3622 acres commonly known as **6307 Toledo Street,** Houston, Harris County, Texas; supporting issuance of a Municipal Setting Designation by the Texas Commission on Environmental Quality at the request of Northwest Pipe Company - **DISTRICT C - COHEN**

Background:

In 2003, the Texas Legislature authorized the creation of Municipal Setting Designations (MSD), which designate an area in which the use of contaminated groundwater is prohibited for use as potable water. The law is administered by the Texas Commission on Environmental Quality (TCEQ) and requires local City support to designate an MSD. The intent of the legislation is to encourage redevelopment of vacant or abandoned properties while protecting public health. On August 22, 2007, City Council approved an ordinance amending Chapter 47 of the Code of Ordinances by adding Article XIII relating to groundwater, which provides a process to support or not support an MSD application to the State (ordinance amended 7/14/2010).

NORTHWEST PIPE COMPANY APPLICATION: Northwest Pipe Company is seeking a Municipal Setting Designation (MSD) for 12.3622 acres of land located at 6307 Toledo Street, Houston, TX 77008. The contamination consists of 1,1-Dichloroethylene, Tetrachloroethylene, Trichloroethylene, cis-1,2-Dichloroethylene, Vinyl Chloride, and 1,2-Dichloroethane. The facility served as a steel pipe mill from the early 1950s to 2014. Following a comprehensive site assessment, a licensed Professional Engineer has certified that the area of contamination has been thoroughly investigated, is fully defined, and is stable.

Northwest Pipe Company is seeking an MSD for this property to restrict access to groundwater to protect the public against possible exposure to the on-site contaminants. There is a public drinking water supply system that meets state requirements that supplies or is capable of supplying drinking water to the MSD property and all properties within one-half mile of the MSD property. A public meeting was held on November 28, 2016 at the Houston Permitting Center, and a public hearing was held on December 12, 2016 during the Transportation, Technology, and Infrastructure Council Committee. Both meetings are necessary steps prior to City Council's consideration of support.

RECOMMENDATIONS: It is recommended that City Council adopt a Municipal Setting Designation (MSD) ordinance prohibiting the use of designated groundwater at the Northwest Pipe Company site located at 6307 Toledo Street, Houston, TX 77008, and support issuance of an

MSD by the Texas Commission on Environmental Quality

HPD - Classified Personnel Ordinance

Agenda Item#: 27.

Summary:

ORDINANCE amending Exhibit "A" of City of Houston Ordinance No. 2015-53 to correct an error in identifying the number of authorized lieutenant positions in the Houston Police Department; substituting the amended exhibit as the current Police Department Classified Personnel Ordinance

Background:

The Houston Police Department recommends approval of the Houston Police Department Classified Personnel Ordinance to correct Exhibit "A" to accurately reflect the department's intended number of authorized lieutenant positions.

The Houston Police Officers' Union supports this action.

Prior Council Action:

2010-306 (4/21/2010); 2014-52 (01/22/2014); 2015-53 (01/21/2015)

Amount of Funding:

No additional funding required.

CITY OF HOUSTON - CITY COUNCIL

Meeting Date: 1/24/2017

Item Creation Date:

HPD - Appropriation from Police Consolidated Construction Funds

Agenda Item#: 28.

Summary:

ORDINANCE appropriating $3,941,012.00 out of Police Consolidated Construction Fund for construction costs for the Joint Processing Center pursuant to an agreement between the City of Houston and **HARRIS COUNTY,** authorized by Ordinance No. 2015-0896

Background:

It is recommended that City Council approve an ordinance to appropriate $3,941,012 out of the Police Consolidated Construction Fund (Fund 4504 - WBS G-000037). This appropriation is budgeted in the FY2017-2021 Capital Improvement Plan approved by City Council.

As background, the City of Houston and Harris County entered into an Interlocal Agreement for the construction and operation of a Joint Processing Center with the purpose to combine their jail booking and processing centers into one location that would save money and provide better support and services. Total capital costs for the design, development and construction of the Project are $100 million, with Harris County paying 70% and the City of Houston paying 30% for each phase. The City's share of capital costs for the Project is $30 million as reflected below:

PHASE	CAPITAL COSTS	CITY's SHARE (30%)
Design	$ 8,863,293	**$ 2,658,988**
Construction	$ 91,136,707	**$27,341,012**
TOTAL	$100,000,000	**$30,000,000**

Design Phase: In March 2014, City Council approved the appropriation of $2,658,988 for the purposes of retaining PGAL for the design of the Project – Ordinance No. 2014-0193.

Construction Phase: In September 2015, City Council approved the Interlocal Agreement which provides a schedule of when the City will appropriate its share - $27,341,012 - for the cost of construction for the Project:

Scheduled Amount	Scheduled Date
1. $ 7,723,836	Appropriated September 15, 2015 – Ordinance No. 2015-0896
2. $15,676,164	Appropriated September 15, 2015 – Ordinance No. 2015-0896
3. $ 3,941,012	**December 31, 2016**
$27,341,012	**Total Appropriation for Construction Phase**

The request for the appropriation of $3,941,012 represents the **FY2017** allocation listed in the above schedule (Line Items 3) that is budgeted in the FY2017 Capital Improvement Budget. Any savings or overages realized during the construction phase of the Project will be shared on the same ratio with the County (70/30).

Funding for this item is included in the FY2017 adopted budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ord. 2014-1078.

Prior Council Action:

03-27-2013-Programming Study Agreement, Ord. No. 2013-0285
03-12-2014-ILA and Appropriation for Design Phase, Ord. No. 2014-0193 09-07-2015-ILA and Appropriation for Construction Phase, Ord. No. 2015-0896.

Amount of Funding:

$3,941,012 - Police Consolidated Construction Fund (Fund 4504)

20MRH02/BERRY BAYOU DETENTION BASIN C506-02 ADDITION PROJECT

Agenda Item#: 29.

Summary:

ORDINANCE finding and determining public convenience and necessity for the acquisition of real property interests in connection with the public improvement project known as the Berry Bayou Detention Basin C506-02 Addition Project; authorizing the acquisition of fee simple or easement interest to one parcel of land required for the project and situated in the Juan Sutton Survey, Abstract No. 751, in Harris County, Texas, said parcel of land being located along the southwesterly line of Shoppe Road, northeast of State Highway 3, in Houston, Harris County, Texas, by gift, dedication, purchase and the use of eminent domain and further authorizing payment of the costs of such purchase and/or eminent domain proceedings and associated costs for relocation assistance, appraisal fees, title policies/services, recording fees, court costs, and expert witness fees in connection with the acquisition of fee simple or easement interest to the one parcel of land required for the project - **DISTRICT E - MARTIN**

Background:

SUBJECT: Recommendation that an ordinance for the BERRY BAYOU DETENTION BASIN C506-02 ADDITION PROJECT be passed approving and authorizing the acquisition of parcels by dedication, purchase, or condemnation.
WBS: M-000296-009B-2

RECOMMENDATION: (Summary)
An ordinance for the BERRY BAYOU DETENTION BASIN C506-02 ADDITION PROJECT be passed approving and authorizing the acquisition of parcels by dedication, purchase, or condemnation.

SPECIFIC EXPLANATION:
The Department of Public Works and Engineering is requesting that an ordinance for the BERRY BAYOU DETENTION BASIN C506-02 ADDITION PROJECT be passed approving and authorizing the acquisition of parcels by dedication, purchase, or condemnation. The project addresses a need identified and prioritized through the ReBuild Houston Program, and will be designed and constructed to improve street drainage and reduce the risk of structural flooding.

This action authorizes payment for costs of land purchases/condemnations, relocation assistance expenses, appraisal fees, title policies/services, recording fees and other acquisition costs in connection with negotiations to settle purchases; finds a public necessity for the project; and

approves and authorizes the condemnation of the land and improvements thereon. If negotiations to acquire the property cannot be concluded as a dedication or purchase or for any reason for which acquisition by condemnation is warranted, this action authorizes the City Attorney to file or cause Eminent Domain proceedings to be filed and acquire land, rights-of-way and/or easements for said purposes and authorizes payment for the Award of Special Commissioners and court costs associated with condemnation proceedings. Parcels with a consideration that exceeds the spending authority threshold set by State law will be submitted to City Council as they are finalized. This will expedite the process of acquiring land, rights-of-way and/or easements in support of the BERRY BAYOU DETENTION BASIN C506-02 ADDITION PROJECT.

Prior Council Action:

Ordinance No. 2016-757, passed on October 5, 2016

Amount of Funding:

No additional funding required.

Item Creation Date: 10/27/2016

20SMC75 First Amend / RS&H, Inc

Agenda Item#: 30.

Summary:

ORDINANCE approving and authorizing first amendment to Professional Engineering Services Contract between the City of Houston and **RS&H, INC** for West Bellfort Paving and Drainage: S. Wilcrest to US 59 (Approved by Ordinance No. 2016-0152) - **DISTRICT F - LE**

Background:

SUBJECT: First Amendment to Professional Engineering Services Contract between the City and RS&H, Inc. for West Bellfort Paving and Drainage: S. Wilcrest to US 59. WBS No. N-100022-0001-3.

RECOMMENDATON: (Summary) Approve First Amendment to the Professional Engineering Services Contract with RS&H, Inc.

PROJECT NOTICE/JUSTIFICATION: This project is part of the Street and Traffic Capital Improvement Plan (CIP) and is required to meet City of Houston design and safety standards and improve traffic mobility and drainage in the service area.

DESCRIPTION/SCOPE: This project consists of the design of approximately 2,100 linear feet of 6-lane divided concrete roadway per Major Thoroughfare Freeway Plan (MTFP) standard. The proposed project improvements include the concrete roadways on West Bellfort Avenue with curbs, an underground storm sewer system, new inlets, sidewalks, bike lane, streetlights, traffic signals, traffic control and necessary underground utilities.

LOCATION: This project is generally bounded by Bissonnet Street on the north, West Airport Boulevard on the south, US 59 on the east and South Wilcrest Drive on the west. The project is located in Key Map Grid 569C.

PREVIOUS HISTORY AND SCOPE: City Council approved the original Professional Engineering Services contract on March 2, 2016 under Ordinance No. 2016-0152. The scope of services under the original contract consisted of Phase I – Preliminary Design, Phase II – Final Design, Phase III – Construction Phase Services, and Additional Services for the reconstruction of West Bellfort Avenue from Dairy Ashford to South Kirkwood.

SCOPE OF THIS AMENDMENT AND FEE: Under the scope of the First Amendment, the limits of the reconstruction of West Bellfort have changed. Under the original scope, the limits of this project were from Dairy Ashford to South Kirkwood. In the interest of bikeway connectivity and current conditions in

traffic patterns and operations, it was determined that the segment from South Wilcrest to US 59 should be constructed first. Funding to reconstruct the original limits of this project will be used to reconstruct the segment from South Wilcrest to US 59, therefore no additional appropriation is needed; all funds were

segment from South Wilcrest to US 90, therefore no additional appropriation is needed, all funds were secured under Ordinance Number 2016-0152.

The Engineer will accomplish the following Basic Services tasks: roadway design, utility design and drainage analysis. Phase I – Preliminary Design is based on cost of time and material with a not-to-exceed agreed upon amount. The Basic Services fees for Phase II- Final Design and Phase III- Construction Phase are based on a negotiated lump sum amount.

The Contract also includes certain Additional Services to be paid either as lump sum or on a reimbursable basis. The Additional Services include Surveying, Technical Review Committee Presentation, Environmental Site Assessment, Public Meetings, Geotechnical Investigation, Tree Protection/Mitigation Plans, Traffic Signalization, Traffic Control Plans, Stormwater Pollution Prevention Plan, Street Lighting, and Inspection of Existing Sewer Lines.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City contractors. In this case, the Consultant provides health benefits to eligible employees in compliance with City policy.

M/WBE INFORMATION: The M/WBE goal established for this project is 24%. The original Contract amount totaled $1,261,794.00. The consultant has been paid $129,229.76 (10.24%) to date. Of this amount, $85,670.31 (66.29%) has been paid to M/WBE sub-consultants to date. Assuming approval of the requested amendment, the contract amount will reduce to $1,047,211.76. The Consultant has met the M/WBE goal.

Name of Firms	Work Description		Amount	% of Total Contract
Paid Prior M/WBE Commitment			$ 85,670.31	8.18%
Unpaid Prior Commitment			$ 200,394.05	19.14%
		TOTAL	$ 286,064.36	27.32%

ESTIMATED FISCAL OPERATING IMPACT:

PROJECT WBS#	FY17	FY18	FY19	FY20	FY21	FY17-FY21 Total

20UPA350 – Developer Participation Contract with the Texas General Land Office

Agenda Item#: 31.

Summary:

ORDINANCE approving and authorizing Developer Participation Contract 30 Percent Reimbursement between the City of Houston and the **TEXAS GENERAL LAND OFFICE** for the Martin Luther King Boulevard Extension - **DISTRICT D - BOYKINS**

Background:

RECOMMENDATIONS: Adopt an ordinance approving and authorizing a Developer Participation Contract 30 Percent Reimbursement between the City of Houston and the Texas General Land Office for the Martin Luther King Boulevard Extension.

SUBJECT: The City of Houston Code of Ordinance Section 47-164 provides that, subject to the availability of funds allocated for that purpose, the City may share in the cost of construction of water and wastewater mains by a developer. Subsection (5) of Section 47-164 delegates to the Director of the Department of Public Works and Engineering the authority to approve and execute developer participation contracts (DPCs) using standard forms approved by City Council. This DPC has been submitted for City Council's approval because: (i) the Texas General Land Office (GLO) required changes to the form to reflect that it is a state agency; and (ii) this DPC is an interlocal agreement. Under this DPC, the City will reimburse the GLO 30% of its costs to construct 2,445 linear feet of 12-inch water main and 1,788 linear feet of 24-inch wastewater main to serve approximately 232.5247 acres of undeveloped land owned by the GLO adjacent to and east of the proposed Martin Luther King Boulevard Extension. Total cost to construct the water and wastewater mains is estimated to be $697,153.35. The DPC obligates the City to reimburse the GLO $290,625.00. (30% of the total construction costs, plus 100% of the cost to oversize the water and wastewater mains). The funding for this DPC was approved by City Council on October 26, 2016 by Ordinance Number 2016-0826.

No significant Fiscal Operating impact is anticipated as a result of this project.

E26032 - Firefiighting Trucks - MOTION

Agenda Item#: 35.

Summary:

MOTION by Council Member Cohen/Seconded by Council Member Davis to adopt recommendation from Chief Procurement Officer to award to **METRO FIRE APPARATUS SPECIALIST, INC** for Firefighting Trucks through the Interlocal Agreement for Cooperative Purchasing with the Houston-Galveston Area Council for the Houston Fire Department $4,842,826.00 - Equipment Acquisition Consolidated Fund

DELAYED BY MOTION #2017-36, 1/11/17

This was Item 27 on Agenda of January 11, 2017

Background:

S38-E26032-H - Approve the purchase of firefighting trucks through the Houston-Galveston Area Council (H-GAC) in the total amount of $4,842,826.00 for Houston Fire Department.

Specific Explanation:

The Director of the Fleet Management Department and the Chief Procurement Officer recommend that City Council approve the purchase of one tower truck, two aerial ladder trucks and four pumper trucks through the Interlocal Agreement for Cooperative Purchasing with the Houston-Galveston Area Council (H-GAC) in the total amount of **$4,842,826.00** for the Houston Fire Department and that authorization be given to issue a purchase order to the H-GAC contractor **Metro Fire Apparatus Specialist, Inc.** These firefighting trucks will be used citywide by the Department twenty-four hours a day, seven days a week for technical rescue, elevated firefighting operations, fire suppression and responding to EMS incidents. **The funding for these firefighting trucks is included in the adopted FY17 Equipment Acquisition Plan.**

The aerial ladder and tower trucks will come with a full bumper-to-bumper warranty of three years and additional warranties of five years on the engine and transmission, five years on the aerial device swivel, ten years on the chassis and the apparatus body for structural integrity, ten years on the aerial waterway, ten years on the cab and apparatus body paint for surface perforation and corrosion and twenty years on the aerial device structural integrity. The life expectancy of the aerial ladder trucks is fifteen years.

The pumper trucks will come with a full bumper-to-bumper warranty of two years and additional warranties of four years on the apparatus's electrical system, five years on the engine and transmission, five years on parts and two years for labor on the pump, ten years on the cab and aluminum structural integrity, and lifetime on the frame crossmembers and water tank. The life

expectancy of the pumper trucks is twelve years.

These new firefighting trucks will meet the EPA's current emission standards for trucks with diesel engines. All seven trucks being purchased will replace existing units that have reached their useful life and will be sent to auction for disposition.

M/WBE Participation:
Zero-Percent Goal Document Approved by the Office of Business Opportunity

Hire Houston First:
This procurement is exempt from the City's Hire Houston First Ordinance. Bids/proposals were not solicited because the Department is utilizing an Interlocal or Cooperative Purchasing Agreement for this purchase.

Fiscal Note:
Funding for this item is included in the FY2017 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ord. 2017-078.

Item Creation Date: 11/30/2016

E26032 - Firefiighting Trucks - MOTION

Agenda Item#: 9.

Summary:

Background:
S38-E26032-H - Approve the purchase of firefighting trucks through the Houston-Galveston Area Council (H-GAC) in the total amount of $4,842,826.00 for Houston Fire Department.

Specific Explanation:
The Director of the Fleet Management Department and the Chief Procurement Officer recommend that City Council approve the purchase of one tower truck, two aerial ladder trucks and four pumper trucks through the Interlocal Agreement for Cooperative Purchasing with the Houston-Galveston Area Council (H-GAC) in the total amount of **$4,842,826.00** for the Houston Fire Department and that authorization be given to issue a purchase order to the H-GAC contractor **Metro Fire Apparatus Specialist, Inc.** These firefighting trucks will be used citywide by the Department twenty-four hours a day, seven days a week for technical rescue, elevated firefighting operations, fire suppression and responding to EMS incidents. **The funding for these firefighting trucks is included in the adopted FY17 Equipment Acquisition Plan.**

The aerial ladder and tower trucks will come with a full bumper-to-bumper warranty of three years and additional warranties of five years on the engine and transmission, five years on the aerial device swivel, ten years on the chassis and the apparatus body for structural integrity, ten years on the aerial waterway, ten years on the cab and apparatus body paint for surface perforation and corrosion and twenty years on the aerial device structural integrity. The life expectancy of the aerial ladder trucks is fifteen years.

The pumper trucks will come with a full bumper-to-bumper warranty of two years and additional warranties of four years on the apparatus's electrical system, five years on the engine and transmission, five years on parts and two years for labor on the pump, ten years on the cab and aluminum structural integrity, and lifetime on the frame crossmembers and water tank. The life expectancy of the pumper trucks is twelve years.

These new firefighting trucks will meet the EPA's current emission standards for trucks with diesel engines. All seven trucks being purchased will replace existing units that have reached their useful life and will be sent to auction for disposition.

PRD - TPWD COOP Grant Application

Agenda Item#: 36.

Summary:

RESOLUTION authorizing the Houston Parks and Recreation Department to submit an application for a Texas Parks and Wildlife Department Community Outdoor Outreach Program Grant to fund the Houston Parks Adventure Program; declaring the City's eligibility for such grant; authorizing the Director of the Parks and Recreation Department to act as the City's representative in the application process, to accept such grant funds, if awarded, and to apply for and accept all subsequent awards, if any, pertaining to the program

TAGGED BY COUNCIL MEMBER STARDIG

This was Item 6 on Agenda of January 18, 2017

Background:

The Houston Parks and Recreation Department (HPARD) is applying for a $40,000 grant from the Texas Parks and Wildlife Department (TPWD) Community Outdoor Outreach Program to implement Houston PARKS Adventures – a program geared toward exposing minority and low income urban youth to nature through environmental education and outdoor recreation. Project partners include Public Works and Engineering Department WaterWorks Education Center, Artist Boat, Texas Parks and Wildlife Department, Buffalo Bayou Partnership, and Student Conservation Association. Partnership letters and agreements outlining each partner's in-kind commitment are attached.

Matching funds are not required, however, points are awarded based on documented applicant contributions to the project. HPARD and project partners are providing staff and volunteer time, facility use, supplies and equipment valued at $40,000 toward the total project budget of $80,000. TPWD requires a Resolution by the City's governing body to authorize the application submission, any applicant contribution, and to designate a project official.

Houston PARKS Adventure enhances the quality and diversity of programming and recreation opportunities offered to HPARD's After-School and Summer Enrichment Program participants. The program will provide hands-on exposure and outdoor learning experiences to connect children with nature and the outdoors. Activities will include field trips to State Parks, bird watching, fishing, camping, outdoor safety, outdoor cooking, hiking and trail exploration, kayaking, and interaction with a variety of wildlife. The program also provides environmental education on topics such as preserving habitat for wildlife, non-point source pollution, water quality, native plants and wildscapes. If awarded, the program will be implemented in the HPARD community centers listed below.

CITY OF HOUSTON - CITY COUNCIL

Meeting Date: 1/24/2017
District H
Item Creation Date: 10/24/2016

HCD16-101 HY FS LLC

Agenda Item#: 37.

Summary:

ORDINANCE approving and authorizing an amended and restated Loan Agreement between the City of Houston and **HY FS LLC, joined by AHG-C HARDY RESIDENTIAL, LP**, to provide a Performance-Based Loan of an additional $4,700,000.00 of Federal Community Block Grant Disaster Relief Program - Rental Housing Projects Round 2 Funds to assist with construction of a 350 unit Mixed-Income Apartment Development, including 179 affordable units, located in Houston, Texas, near 1550 Leona Street - **DISTRICT H - CISNEROS**

TAGGED BY COUNCIL MEMBER DAVIS

This was Item 10 on Agenda of January 18, 2017

Background:

The Housing and Community Development Department (HCDD) recommends Council approve an amendment to the loan agreement executed December 23, 2014, between the City of Houston and HY FS LLC for the construction of Residences at Hardy Yards, a mixed-income affordable housing development located at North Main and Burnett Streets in the Near Northside neighborhood. The original loan agreement is a zero percent performance-based loan that is forgivable at the end of the ten-year affordability period if no default exists. The amendment will allow for a $4,700,000 increase to the original $14,500,000 commitment in order to fund additional costs related to the development.

The development has a total of 350 units, including 179 (51%) affordable and 171 market-rate one- and two-bedroom units, and is part of a comprehensive, mixed-use redevelopment of the Hardy Rail Yard site. The development is scheduled to be completed during spring of 2018 and is located near the University of Houston Downtown campus and another Disaster Recovery Round 2 affordable housing development, Avenue Station.

The additional monies will fund a gap that has been created primarily due to a rise in construction costs. Prior to construction, the developer conducted vast research and spent a considerable amount of time studying construction pricing in the market in order to create the development budget. Based on this data, construction costs were estimated to be approximately $130/SF for the project. However, as of 3rd quarter 2016, construction costs have increased to approximately $145 to $150/SF. HCDD recommends Council approve the additional funds as this development will provide for needed quality affordable housing in the Near Northside community. The overage will be funded through unallocated CDBG - Disaster Recovery 2 funds.

AHG Properties LLC, an affiliated company of the Zieben Group (Lee Zieben), which has previously done business with the City, has formed a partnership with Houston Housing Finance Corporation to undertake this transit-oriented development.

In exchange for this additional financing, the affordability period will be extended from 10 years to 30 years. Also, the owner has agreed to less stringent underwriting criteria as it pertains to sources of income for up to 18 units.

Item Creation Date: 10/24/2016

HCD16-101 Residences at Hardy Yards

Agenda Item#:

Background:

The Housing and Community Development Department (HCDD) recommends Council approve an amendment to the loan agreement executed December 23, 2014, between the City of Houston and HY FS LLC for the construction of Residences at Hardy Yards, a mixed-income affordable housing development located at North Main and Burnett Streets in the Near Northside neighborhood. The original loan agreement is a zero percent performance-based loan that is forgivable at the end of the ten-year affordability period if no default exists. The amendment will allow for a $4,700,000 increase to the original $14,500,000 commitment in order to fund additional costs related to the development.

The development has a total of 350 units, including 179 (51%) affordable and 171 market-rate one- and two-bedroom units, and is part of a comprehensive, mixed-use redevelopment of the Hardy Rail Yard site. The development is scheduled to be completed during spring of 2018 and is located near the University of Houston Downtown campus and another Disaster Recovery Round 2 affordable housing development, Avenue Station.

The additional monies will fund a gap that has been created primarily due to a rise in construction costs. Prior to construction, the developer conducted vast research and spent a considerable amount of time studying construction pricing in the market in order to create the development budget. Based on this data, construction costs were estimated to be approximately $130/SF for the project. However, as of 3rd quarter 2016, construction costs have increased to approximately $145 to $150/SF. HCDD recommends Council approve the additional funds as this development will provide for needed quality affordable housing in the Near Northside community. The overage will be funded through unallocated CDBG - Disaster Recovery 2 funds.

AHG Properties LLC, an affiliated company of the Zieben Group (Lee Zieben), which has previously done business with the City, has formed a partnership with Houston Housing Finance Corporation to undertake this transit-oriented development.

In exchange for this additional financing, the affordability period will be extended from 10 years to 30 years. Also, the owner has agreed to less stringent underwriting criteria as it pertains to sources of income for up to 18 units.

HAS - Vehicle Motion Area Transponders Purchase from Harris Corporation

Agenda Item#: 38.

Summary:

ORDINANCE approving and authorizing contract between the City of Houston and **HARRIS CORPORATION** for Vehicle Movement Area Transponders and Support Services for the Houston Airport System; providing a maximum contract amount - 3 Years with two one-year options $723,684.00 - Enterprise Fund - **DISTRICTS B - DAVIS; E - MARTIN and I - GALLEGOS**

TAGGED BY COUNCIL MEMBER EDWARDS

This was Item 13 on Agenda of January 18, 2017

Background:

Approve an ordinance awarding a contract to **Harris Corporation** in an amount of **$723,684.00** for vehicle movement area transponders and support services for the Houston Airport System.

Specific Explanation:

The Director of the Houston Airport System and the Chief Procurement Officer recommend that City Council approve an ordinance awarding a three-year (3) sole source contract, with two one-year (1) options for a maximum contract term of five (5) years, to Harris Corporation an amount of $723,684.00 for vehicle movement area transponders (VMAT) and support services for the Houston Airport System (HAS). The VMAT units will be installed in Airport Operations, Security, Maintenance and Aircraft Fire Fighting and Rescue (ARFF) vehicles assigned to George Bush Intercontinental Airport (IAH) and William P. Hobby Airport (HOU). The VMAT units will allow HAS to utilize an Automatic Dependent Surveillance Broadcast (ADS-B) system to provide improved surveillance and an increased level of situational awareness on the airfield. This will result in avoidance of runway incursions and eliminate potential for conflict between aircraft and vehicles operating on the airfield. Harris Corporation is the only FAA approved provider of the Vehicle Movement Area Transponders.

The scope of work requires the contractor to furnish all labor, equipment, materials, tools, supervision, training and transportation necessary to furnish 74 Vehicle Movement Area Transponders (VMAT) in HAS vehicles, 48 units at IAH and 26 units at HOU. The contractor will install the first five (5) units at IAH and HOU and provide installation training to HAS personnel for the remaining units. The contractor shall also be required to provide 24/7 technical support, serve as primary contact to the Federal Aviation Administration (FAA); provide software configuration updates, biannual on-site system testing/compliance monitoring and on-site support for any required FAA updates to the Transmit Map and VMAT Firmware.

This recommendation is made pursuant to Chapter 252, Section 252.022 (a) (7) of the Texas Local Government Code for exempted procurements.

M/WBE Subcontracting:
M/WBE Zero Percentage Goal Document approved by the HAS Office of Business Opportunity.

Hire Houston First:
This procurement is exempt from the City's Hire Houston First Ordinance. Proposals were not solicited because the department is utilizing a sole source contractor for this purchase.

Fiscal Note:
Funding for this item is included in the FY17 adopted budget. Therefore, no fiscal note is required as stated in Financial Policy Ord. 2014-1078. See Attachment A.
