The Recipient shall respond in writing to the City within ten (10) business days of the date of any written or oral inquiry by providing such additional Project updates or information as may be requested by the City.

ARTICLE 8 MONITORING

- 8.1 The Recipient shall constantly monitor the project performance under this Agreement to ensure that time schedules are being met, and the work included in the Contract between the Recipient and the Contractor ("Elevation Contract") in Attachments A and B is within specified time periods. Such a review shall be made for each function or activity as set forth in Attachments A and B to this Agreement and the terms and conditions of the Agreement. The City may perform on-site or other types of Project monitoring as it deems necessary. THE CITY SHALL BE ENTITLED, BUT NOT REQUIRED, TO CONTROL ANY REMEDIAL ACTION, ANY PROCEEDING RELATED TO AN ENVIRONMENTAL CLAIM.

- 10.3. *Violation of Laws Indemnity.* THE RECIPIENT AGREES TO AND SHALL AT ALL TIMES INDEMNIFY, DEFEND AND HOLD HARMLESS THE CITY FROM, INCLUDING WITHOUT LIMITATION, ANY AND ALL CLAIMS, SUITS, DEMANDS, JUDGMENTS, LOSSES, COSTS, FINES, PENALTIES, DAMAGES, LIABILITIES, AND EXPENSES (INCLUDING ALL COSTS FOR INVESTIGATION AND DEFENSE THEREOF INCLUDING, BUT NOT LIMITED TO, COURT COSTS, REASONABLE EXPERT WITNESS FEES, AND ATTORNEY FEES) ARISING FROM OR BASED UPON THE VIOLATION OF ANY FEDERAL, STATE OR LOCAL LAWS, STATUTES, ORDINANCES, RESOLUTIONS, RULES OR REGULATIONS, BY THE RECIPIENT, ITS EMPLOYEES, AGENTS, CONTRACTORS, AND/OR SUBCONTRACTORS, OR THOSE UNDER THEIR CONTROL.
- 10.4 *Breach of Representations, Warranties and Obligations Indemnity.* THE RECIPIENT AGREES TO, AND SHALL AT ALL TIMES INDEMNIFY, DEFEND AND HOLD HARMLESS THE CITY FROM, INCLUDING, WITHOUT LIMITATION, ANY AND ALL CLAIMS, SUITS, DEMANDS, JUDGMENTS, LOSSES, COSTS, FINES, PENALTIES, DAMAGES, LIABILITIES, AND EXPENSES (INCLUDING ALL COSTS FOR INVESTIGATION AND DEFENSE THEREOF INCLUDING, BUT NOT LIMITED TO, COURT COSTS, REASONABLE EXPERT WITNESS FEES, AND ATTORNEY FEES) WHICH MAY BE INCURRED BY, CHARGED TO, OR RECOVERED FROM ANY OF THE FOREGOING, ARISING DIRECTLY OR INDIRECTLY OUT OF (A) ANY BREACH OF ANY REPRESENTATION OR WARRANTY MADE BY THE RECIPIENT, ITS EMPLOYEES, AGENTS, CONTRACTORS, AND/OR SUBCONTRACTORS, OR THOSE UNDER THEIR CONTROL PURSUANT TO THIS AGREEMENT, OR (B) ANY BREACH OF ANY COVENANT OR OBLIGATION OF THE RECIPIENT, ITS EMPLOYEES, AGENTS, CONTRACTORS, AND/OR SUBCONTRACTORS, OR THOSE UNDER THEIR CONTROL, SET FORTH IN THIS AGREEMENT OR ANY OTHER CERTIFICATE, DOCUMENT, WRITING, OR OTHER INSTRUMENT DELIVERED BY THE RECIPIENT, ITS EMPLOYEES, AGENTS, CONTRACTORS, AND/OR SUBCONTRACTORS, OR THOSE UNDER THEIR CONTROL PURSUANT TO THIS AGREEMENT.

10.5 *Indemnification Procedures.*

10.5.1 *Notice of Claims.* If the City or the Recipient receives notice of any claim or circumstances which could give rise to an indemnified loss, the receiving Party shall give written notice to the other Party within 30 days. The notice must include the following:

- 10.5.1.1 a description of the indemnification event in reasonable detail;
- 10.5.1.2 the basis on which indemnification may be due; and
- 10.5.1.3 the anticipated amount of the indemnified loss.

This notice does not estop or prevent the City from later asserting a different basis for indemnification, or a different amount of indemnified loss than that indicated in the initial notice. If the City does not provide this notice within the 30 day period, it does not waive any right to indemnification except to the extent that the Recipient is prejudiced, suffers loss, or incurs expense because of the delay.

10.5.2 *Defense of Claims.*

10.5.2.1 *Assumption of Defense.* Recipient may assume the defense of the claim at its own expense with counsel chosen by it that is reasonably satisfactory to the City Attorney. Recipient shall then control the defense and any negotiations to settle the claim, **subject to the City Attorney's consent or agreement to the settlement**, which consent or agreement shall not unreasonably be withheld. Within 10 days after receiving written notice of the indemnification request, the Recipient must advise the City as to whether or not it will defend the claim. If the Recipient does not assume the defense, the City shall assume and control the defense, and all defense expenses constitute an indemnification loss.

10.5.2.2 *Continued Participation.* If the Recipient elects to defend the claim, the City may retain separate counsel to participate in (but not control) the defense and to participate in (but not control) any settlement negotiations.

ARTICLE 11 DEFAULT, REMEDIES, TERMINATION

11.1 If any of the following events occur ("Events of Default"), all obligations on the part of the City to make any further payment of funds hereunder shall terminate, if the City so elects, and the City may, at its option, exercise any of the remedies set forth herein. The City may take any payments or parts of payments after the happening of any Events of Default without thereby waiving the right to exercise such remedies and without becoming liable to make any further payment:

- 11.1.1 If any warranty or representation made by Recipient in this Agreement or any previous Agreement with the City shall at any time be false or misleading in any respect;

- 11.1.2 If the Recipient shall fail to keep, observe, or perform any of the terms or covenants contained in this Agreement or any previous agreement with the City, and the Recipient has not cured such Event of Default within thirty (30) days of the date of written notice to the Recipient from the City;
 - 11.1.3 If Project funds from mortgage lenders or other sources are not received because of defaults in the mortgages, construction loan agreements, or other loan documents used for the Recipient's funding of the Project, and the Recipient has not cured such Event of Default within thirty (30) days of the date of written notice to the Recipient from the City;
 - 11.1.4 If any reports required by this Agreement have not been submitted to the City, or have been submitted with incorrect, incomplete, or insufficient information, and the Recipient has not cured such Event of Default within thirty (30) days of the date of written notice to the Recipient from the City;
 - 11.1.5 If the Recipient failed to perform and complete in a timely fashion any of the Project work required under the Elevation Contract as detailed in Attachments A and B, and the Recipient has not cured such Event of Default within thirty (30) days of the date of written notice to the Recipient from the City; or
 - 11.1.6 If the necessary funds are not available to fund this Agreement as a result of action by the City, Legislature, the State of Texas Office of the Comptroller, or the Office of Management & Budget.
- 11.2 Upon the happening of an Event of Default, and upon the Recipient's failure to timely cure, where applicable, the City may exercise any one or more of the following remedies, either concurrently or consecutively, and the pursuit of any one of the following remedies shall not preclude the City from pursuing any other remedies contained herein or otherwise provided at law or in equity:
- 11.2.1 Terminate this Agreement;
 - 11.2.2 Commence an appropriate legal or equitable action to enforce performance of this Agreement;
 - 11.2.3 Withhold or suspend payment of all or any part of a request for payment;
 - 11.2.4 Exercise any corrective or remedial actions, to include but not be limited to, requesting additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance, issuing a written warning to advise that more serious measures may be taken if the situation is not corrected, advising the Recipient to suspend work, or requiring the Recipient to reimburse the City for the amount of costs incurred for any items determined to be ineligible; and,
 - 11.2.5 Exercise any other action or remedies which may be otherwise available under law.

- 11.3 The Recipient shall return funds to the City if found in non-compliance with laws, rules, ordinances, or regulations governing the use of the funds made available pursuant to this Agreement. Funds shall be delivered by certified check or money order made payable to the City within thirty (30) days from the date of the written demand from the City.
- 11.4 This Agreement may be terminated by the written mutual consent of both Parties.
- 11.5 Notwithstanding the above, the Recipient shall not be relieved of liability to the City by virtue of any breach of Agreement by the Recipient. The City may withhold any payments to the Recipient, from this or any other agreement between the Recipient and the City, for the purpose of set-off, until such time as the exact amount of damages due the City from the Recipient is determined.
- 11.6 If either Party fails to require the other to perform a term of this Agreement, that failure does not prevent the Party from later enforcing that term and all other terms. If either Party waives the other's breach of a term, that waiver does not waive a later breach of this Agreement.

An approval by the Director, or by any other employee or agent of the City, of any part of Contractor's performance does not waive compliance with this Agreement or establish a standard of performance other than that required by this Agreement and by law. The Director is not authorized to vary the terms of this Agreement.

11.7 *Dispute Resolution*

- 11.7.1 For purposes of this Section, "Project Administrator" means the person the Director designates to monitor the progress of all Parties' performance under this Agreement.
- 11.7.2 Except as may otherwise be provided by law, a dispute that (1) does not involve a question of law (2) arises during the performance of this Agreement and (3) is not resolved between the Project Administrator and Homeowner must be handled as described below:
- 11.7.2.1 The Project Administrator shall put its decision in writing and mail or otherwise furnish Contractor with a copy. Homeowner may abide by the decision or may appeal the decision to the Director.
- 11.7.2.2 If Homeowner desires to appeal a decision of the Project Administrator, Contractor must submit a written appeal to the Director. Homeowner must file its written appeal within seven working days following receipt of the Project Administrator's original decision. The Director shall provide Homeowner with a written response to the appeal within 14 working days following its receipt. The decision of the Director is final.

ARTICLE 12 NOTICE AND CONTACT

12.1 All notices provided under or pursuant to this Agreement shall be in writing, either by hand, facsimile, United States registered or certified mail, return receipt requested, United States Express Mail, Federal Express, UPS or any other national overnight express delivery service to the representative identified below and the said notification attached to the original of this Agreement. ARTICLE 13 OTHER PROVISIONS

13.1 The validity of this Agreement is subject to the truth and accuracy of all the information, representations and materials submitted or provided by the Recipient in the Application, in any subsequent submission or response to the City request, or in any submission or response to fulfill the requirements of the Agreement, and such information, representations, and materials are incorporated by reference. The lack of accuracy thereof or any material changes shall at the option of the City cause the termination of this Agreement and the release of the City from all its obligations to the Recipient.

13.2 **Governing Law and Venue.** This Agreement shall be construed and interpreted in accordance with the applicable laws of the State of Texas and City of Houston. Venue for any disputes relating in any way to this Agreement shall lie exclusively in Harris County, Texas.

13.3 Contractor shall remain obligated to the City under all clauses of this Agreement that expressly or by their nature extend beyond the expiration or termination of this Agreement, including but not limited to, the indemnity provisions.

If any part of this Agreement is for any reason found to be unenforceable, all other parts remain enforceable unless the result materially prejudices either Party.

13.4 No waiver by the City of any right or remedy granted hereunder, or failure to insist on strict performance by the Recipient, shall affect, extend, or act as a waiver of any other right or remedy of the City hereunder, or affect the subsequent exercise of the same right or remedy by the City for any further or subsequent default by the Recipient. Any power approval or disapproval granted to the City under the terms of this Agreement shall survive the terms and life of this Agreement as a whole.

13.4 Utilities: Homeowner is responsible for authorizing the disconnection of electricity, telephone, cable and gas as directed by the Contractor. Homeowner is responsible for all utility bills during elevation. Homeowner is responsible for authorizing reconnection of all utilities as directed by the Contractor. Any upgrades required by utility company for reconnection are not eligible costs hereunder.

13.5 Homeowner shall not assign this Agreement at law or otherwise or dispose of all or **substantially all of its assets without the Director's prior written consent.** Nothing in this clause, however, prevents the assignment of accounts receivable or the creation of a security interest as described in Chapter 9 of the Texas Business & Commerce Code. In the case of such an assignment, the Homeowner shall immediately furnish the City with proof of the assignment and the name, telephone number, and address of the Assignee and a clear identification of the fees to be paid to the Assignee. Homeowner shall not **delegate any portion of its performance under this Agreement without the Director's prior written consent.**

13.6 The Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

13.7 **Non-waiver.** Failure of either Party hereto to insist on the strict performance of any of the agreements herein or to exercise any rights or remedies accruing hereunder upon default or failure of performance shall not be considered a waiver of the right to insist on and to enforce by any appropriate remedy, strict compliance with any other obligation hereunder or to exercise any right or remedy occurring as a result of any future default or failure of performance.

ARTICLE 14 FINANCIAL REQUIREMENTS

In addition to the requirements of Article 6 of this Agreement:

- 14.1 The Recipient agrees to maintain receipts and other documents in order to account for the receipt and expenditure of funds under this Agreement.
- 14.2 These records shall be available at all reasonable times for inspection, review or audit by State personnel and other personnel duly authorized by the City. - 14.4 The Recipient shall retain all financial records, supporting documents, statistical records and any other documents pertinent to this contract for a period of three (3) years after the date of the submission of the final expenditure report. However, if litigation or an audit has been initiated prior to the expiration of the three-year period, the records shall be retained until the litigation or audit findings have been resolved.
- 14.5 This provision does not affect the applicable statute of limitations.

ARTICLE 15 SUBCONTRACTS

- 15.1 If the Recipient subcontracts any or all of the work required under this Agreement, the Recipient shall include in the subcontract that the subcontractor is bound by the terms and conditions of this Agreement with the City.
- 15.2 The Recipient agrees to include in the subcontract that the subcontractor shall hold the City and the Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work for the Recipient.

There shall be only one extension of the Agreement granted to the Recipient unless the Recipient can prove to the satisfaction of the City that failure to meet the criteria set forth in the Agreement for completion is due to events beyond the control of the Recipient. ARTICLE 23 AMBIGUITIES

- 23.1 If any term of this Agreement is ambiguous, it shall not be construed for or against any party on the basis that the party did or did not write it.

ARTICLE 24 WARRANTIES

- 24.1 Contractor will be required to provide Warranties to Homeowner. Contractors will provide for services performed, a set of limited warranties and building and performance standards in accordance to the Texas Residential Construction Commission standards in place prior to the time that the Texas Residential Construction Commission ceased to exist, which include:

ARTICLE 25 NO DEBT AGAINST THE CITY

- 25.1 This shall not be construed as creating any debt by or on behalf of the City, and all obligations of the City of Houston are subject to the availability of funds. These materials shall not be copyrighted or patented by the Recipient(s) or by any consultants involved in this Agreement unless the Executive Administrator of the Board approves in writing the right to establish copyright or patent; provided, however, that copyrighting or patenting by the Recipient(s) or its Contractor(s) will in no way limit the Board's access to or right to request and receive or distribute data and information obtained or developed pursuant to this Agreement. Any material subject to a Board copyright and produced by the Recipient(s) or Board pursuant to this Agreement may be printed by the Recipient(s) or the Board at their own cost and distributed by either at their discretion. 1. **Elevation Services.** The Contractor agrees to perform the turn key elevation work scope of services described in Exhibit A (the "Work"). The Contractor will supervise and direct the Work, and the Contractor shall be solely responsible for all construction means, methods, techniques, sequences and procedures and for coordinating all portions of the Work under this Agreement. Unless otherwise specifically provided herein, the Contractor will provide and pay for all labor, materials, equipment, tools, construction equipment and machinery, water (for its own consumption), heat (for its own consumption), utilities (for its own consumption), transportation, and other facilities and services necessary for the Contractor's sole use and consumption and for the proper execution and completion of the Work.
2. **Structure(s) and Site Conditions.** As part of the Work, the Contractor will elevate the following structure(s) (the "Structures" or "Structure") at the following location:
 - 2.1 Structure: _____
Site Address: 4806 Braesvalley Drive
Houston, Texas
77096
 - 2.2 The Contractor understands that it is in the interest of the Owner that the construction of the Work shall proceed in a prompt and efficient manner. The Contractor will make a reasonable effort to identify and note on its construction documents interferences that will be encountered on the site of the construction. The Owner shall cooperate with the reasonable requests of the Contractor, the City of Houston, the Texas Water Development Board, and the Federal Emergency Management Agency ("FEMA"), and their representatives related to the Work, including requests to access the property where the Work is being performed.
 - 2.2.1 Execution of the Contract by Contractor is conclusive that Contractor has visited the Work site, become familiar with local conditions under which the Work will be performed, and fully informed itself as to conditions and matters which can affect the Work or costs. Contractor further agrees that it has carefully correlated personal observations with requirements of the Contract.
 - 2.2.2 **Site Conditions.** Contractor understands that it is in the interest of the City that the construction of the Project being designed by a professional engineer under this Contract shall proceed in a prompt and efficient manner. The chosen professional engineer will make a reasonable effort to identify and note on its construction documents interferences encountered on the site of the construction by the construction Contractor.
 - 2.3 The Owner is responsible for maintaining a National Flood Insurance Policy (NFIP) for the lifetime of the Structure, or their ownership, whichever period is longer.
 - 2.4 The Owner shall purchase and maintain adequate property and casualty insurance for the Structure during the term of the Work, as described in Exhibit A.
 - 2.5 The Owner is responsible for the normal maintenance of the Structure during the Work.

2.6 With the exception of Section 2.6.1, below, the Owner is prohibited from contracting non-grant grant-related construction work with any Contractor, subcontractor, or any employee or independent contractor of a Contractor or a subcontractor associated with the 2016 FEMA Home Elevation Grant Program during the term of this Agreement. This prohibition extends to other contractors or subcontractors, or employees or independent contractors of a contractor or subcontractor not performing the Work for the Owner. For purposes of this Agreement, non-grant construction work is "work on the Property that is ineligible for reimbursement through the FEMA Flood Mitigation Assistance Grant".

2.6.1 At the Owner's expense, the Owner is permitted to contract with a contractor or subcontractor associated with the 2016 FEMA Home Elevation Grant Program for additional height elevation of the Structure(s), or the construction of unfinished split-faced block enclosures.

2.6.2 Any other proposed non-grant construction work must be submitted by the Owner to the City of Houston (the "City") for review prior to the execution of a contract or performance of any work and the City will submit that work to The Texas Water Development Board. The Owner's proposed non-grant construction work may be approved or disapproved on a case-by-case basis. Written notice of the approval or denial of proposed non-grant construction work will be provided to the Owner.

2.6.3 Any Work required to meet homeowners' association requirements is ineligible for funding.

3. **Contract Price.** The total Contract Price for the Work to be paid to the Contractor shall be \$342,721.64 (the "Contract Price").

3.1 The City agrees to pay the Contract Price to the Contractor as detailed in this Section. The Contractor shall be entitled to request up to four disbursements of the Contract Price after completion of each phase of Work and after submitting the following documentation. Once approved, the Contractor shall be paid within 30 days. Any and all change orders must be submitted to the City and the Board for review and approval.

3.2.5 Signed and notarized the Contractor Lien Waiver Affidavit (Interim) Form; and

3.2.6 Signed and notarized Subcontractor Lien Waiver Affidavit (Interim) Form.

3.3 **Phase 2 Raised, ready to set, building department inspections** – second 30% of the total Contract Price will be paid to the Contractor, provided that at least 60% of the elevation construction is complete, the Contractor's submittal of the following, and the appropriate approval of the Contractor's submittals.

- 4.8 Owner acknowledges that there are inherent and unavoidable risks during the course of elevating and/or moving any structure formerly affixed to real property. The Contractor will make every effort to complete the Work in a safe and workmanlike manner; provided, however, the Contractor cannot guarantee that the Work will not result in damage to the Structure and appurtenant property. The Contractor agrees to provide prompt and efficient construction services in relation to the Work under this Contract for the fees specified. The Contractor's performance under this Contract shall be performed with care and diligence, and shall be in accordance with the standards prevailing in the State of Texas for construction services for similar projects at the time such services are performed. In addition, the Contractor does not and cannot warrant the Structure has been constructed or maintained in a manner consistent with any engineering, architectural or building code principles and therefore it is possible that the Structure may be susceptible to damage during the Work due to unknown, inherent or latent defects or issues associated with the construction of the Structure.
- 4.9 Prior to elevation a walk-through at the Structure site will be conducted with the Contractor, Owner and the City, to note all pre-existing and Site conditions in the Structure, and both the Contractor and the Owner shall sign off on the inspection.

5. **Default; remedies, termination.**

- 5.1 **Contractor Default.** If any of the following events occur ("Events of Default"), all obligations on the part of the City to make any further payment of funds hereunder shall terminate, if the Owner and the City mutually agree after consultation, and the City may, at its option, then exercise any of the remedies set forth herein. After consultation with the Owner, the City may make any payments or parts of payments after the happening of any Events of Default without thereby waiving the right to exercise such remedies and without becoming liable to make any further payment:
- 5.1.1 If any warranty or representation made by the Contractor in this Agreement or any previous Agreement with the Owner shall at any time be false or misleading in any respect;
- 5.1.2 If the Contractor shall fail to keep, observe, or perform any of the terms or covenants contained in this Agreement or any previous agreement with the Owner, and the Contractor has not cured such Event of Default within an amount of time jointly determined by the Owner and the City, and given in the written notice of default from the Owner or the City to the Contractor;
- 5.1.3 If Project funds from mortgage lenders or other sources are not received because of defaults in the mortgages, construction loan agreements, or other loan documents used for the Owner's funding of the Project, and the Owner has not cured such Event of Default within an amount of time jointly determined by the Owner and the City, and given in the written notice of default from the City to the Owner;
- 5.1.4 If any reports required of the Contractor by this Agreement have not been submitted to the Owner or the City, or have been submitted with incorrect, incomplete, or insufficient information, and the Contractor has not cured such Event of Default within an amount of time jointly determined by the Owner and the City, and given in the written notice of default from the Owner or the City to the Contractor;
- 5.1.5 If the Contractor failed to perform and complete in a timely fashion any of the Project work required under the Elevation Contract as detailed in Attachment A, and the Contractor has not cured such Event of Default within an amount of time jointly determined by the Owner and the City, and given in the written notice of default from the Owner or the City to the Contractor; or
- 5.1.6 If the necessary funds are not available to fund this Agreement as a result of action by the City, Legislature, the State of Texas Office of the Comptroller, or the Office of Management & Budget.

- 5.2 Upon the happening of an Event of Default, and upon the **Contractor's** failure to timely cure, where applicable, and after consultation and mutual agreement with the City, the Owner or the City may exercise any one or more of the following remedies, either concurrently or consecutively, and the pursuit of any one of the following remedies shall not preclude the Owner or the City from pursuing any other remedies contained herein or otherwise provided at law or in equity:
- 5.2.1 Terminate this Agreement;
 - 5.2.2 Commence an appropriate legal or equitable action to enforce performance of this Agreement;
 - 5.2.3 Withhold or suspend payment of all or any part of a request for payment;
 - 5.2.4 Exercise any corrective or remedial actions, to include but not be limited to, requesting additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance, issuing a written warning to advise that more serious measures may be taken if the situation is not corrected, advising the Recipient to suspend work, or requiring the Contractor to reimburse the Owner and the City for the amount of costs incurred for any items determined to be ineligible; and,
 - 5.2.5 Exercise any other action or remedies which may be otherwise available under law.
- 5.3 The Contractor shall return funds to the Owner and the City if found in non-compliance with laws, rules, ordinances, or regulations governing the use of the funds made available pursuant to this Agreement. Funds shall be delivered by certified check or money order made payable to the City within thirty (30) days from the date of the written demand from the City.
- 5.4 This Agreement may be terminated by the written mutual consent of both Parties. The Owner may terminate the agreement after consulting with the City, and both the Owner and the City have mutually agreed on a course of action. Should the Owner and the City not agree on a course of action, the City shall make the final decision in the termination of the agreement between the Contractor and the Owner.
- 5.5 **Homeowner Default.** Notwithstanding the above, the Contractor shall not be relieved of liability to the Owner by virtue of any breach of Agreement by the Owner. The Owner and the City may withhold any payments to the Contractor, from this or any other agreement between the Contractor and the Owner, for the purpose of set-off, until such time as the exact amount of damages due the Owner and the City from the Contractor is determined. Owner will be in default under this agreement upon the occurrence of any of the following events:
- 5.5.1 Homeowner fails to perform the term of this Agreement and such failure continues for three business days after delivery of written notice of the failure;

 - 5.5.6.3 Cancel disbursement of any unearned portion of the Mitigation Offer Amount and eligible ICC claim under this Agreement; or
 - 5.5.6.4 Sue Homeowner for damages, injunctive, or equitable relief.

- 5.6 If either Party fails to require the other to perform a term of this Agreement, that failure does not prevent the Party from later enforcing that term and all other terms. If either Party waives the other's breach of a term, that waiver does not waive a later breach of this Agreement.

An approval by the Owner, Director of Houston Public Works, or by any other employee or agent of the City, of any part of Contractor's performance does not waive compliance with this Agreement or establish a standard of performance other than that required by this Agreement and by law. Neither the Owner nor the Director are authorized to vary the terms of this Agreement.

5.7 *Dispute Resolution*

5.7.1 For purposes of this Section, "Project Administrator" means the person the Director of Houston Public Works designates to monitor the progress of all Parties' performance under this Agreement.

8. **Indemnification.** The Owner shall indemnify and hold harmless the Contractor and its agents and employees from and against all claims, damages, losses and expenses, including but not limited to attorneys' fees, arising out of or resulting from the performance of the Work, provided that any such claim, damage, loss or expense (a) is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property including the loss of use resulting therefrom, and (b) is caused in whole or in part by any negligent act or omission of the Owner, other contractors under the control of Owner, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. Such obligation shall not be construed to

negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any Party or person described in this paragraph. In any and all claims against the Contractor or any of its agents or employees by any employee of the Owner, any other contractors under control of Owner, anyone directly or indirectly employed by any of them, the indemnification obligation under this paragraph shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Owner or any subcontractor under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts.

9. **Texas State Auditor.**

- 9.1 By executing this Agreement, the Contractor accepts the authority of the Texas State Auditor's Office, under direction of the legislative audit committee, to conduct audits and investigations in connection with any and all state funds received pursuant to this Agreement. These materials shall not be copyrighted or patented by the Contractor or by any consultants involved in this Agreement unless the Executive Administrator of the Board approves in writing the right to establish copyright or patent; provided, however, that copyrighting or patenting by the Contractor or its contractor(s) will in no way limit the Board's access to or right to request and receive or distribute data and information obtained or developed pursuant to this Agreement. Any material subject to a Board copyright and produced by the Contractor or Board pursuant to this Agreement may be printed by the Contractor or the Board at their own cost and distributed by either at their discretion. The Contractor may otherwise utilize such material provided under this Agreement as it deems necessary and appropriate, including the right to publish and distribute the materials or any parts thereof under its own name, provided that any Board copyright is appropriately noted on the printed materials.
- 9.4 The Contractor and its contracted parties agree to acknowledge the Board in any news releases or other publications relating to the Work performed under this Agreement.
- 9.5 The foregoing shall not be construed as creating any debt by or on behalf of the State of Texas, and the Board, and all obligations of the State of Texas are subject to the availability of funds. To the extent the performance of this Agreement transcends the biennium in which this Agreement is entered into, this Agreement is specifically contingent upon the continued authority of the Board and appropriations therefor.
- 9.6 For the purpose of this Agreement, the Contractor shall be considered an independent contractor and therefore solely responsible for liability resulting from its own negligent acts or omissions. The Contractor shall obtain all necessary insurance, in the judgment of the Contractor, to protect themselves, the Contractor, the Board, and employees and officials of the Board from liability arising out of this Agreement.
- 9.7 **THE CONTRACTOR SHALL INDEMNIFY AND HOLD THE CITY, THE BOARD, AND THE STATE OF TEXAS HARMLESS, TO THE EXTENT THE CONTRACTOR MAY DO SO IN ACCORDANCE WITH STATE LAW, FROM**

The Contractor shall maintain such books, records, and billings for three years after the cessation of its other duties under this Contract. This right of audit extends to the records of the Contractor's consultants and subcontractors, and the Contractor's agreements with its consultants and subcontractors shall provide this right to the Owner.
10. **Notice.** Any notice given in connection with this Agreement must be given in writing and shall be served by personal delivery or deposited with the postal service. Notices served by personal delivery or postal service shall be directed to the Party to be notified at the address set forth for such Party on the first page of this Agreement. Notices directed to a Party by personal delivery shall be deemed received when actually delivered. Notices directed to a Party by mail shall be deemed received on the third day following the deposit of the notice with the postal service, certified or registered mail, postage prepaid, return receipt requested. Any Party may change its address for receiving notice by giving the other Party at least five days' prior written notice of each change in the manner provided for giving notices in this paragraph.
11. **Force Majeure.** The Contractor shall not be responsible for delays in performance beyond the control of the Contractor, including without limitation, the actions or inactions of Owner or any other contractor employed by Owner, fires, floods, labor disputes, epidemics, abnormal weather conditions, delays in receiving materials or machinery, or acts of God.

14. **Permits/Termination.** In the event that either the Contractor or Owner is unable to obtain the permits, licenses or inspections necessary for the completion of the Work under this Agreement, or if such licenses or permits are suspended or revoked, then the Contractor shall have no further obligation to perform any Work hereunder.

The Contractor shall not be required to contract with anyone with whom it has an objection.
16. **Non-Waiver.** Failure of either Party hereto to insist on the strict performance of any of the agreements herein or to exercise any rights or remedies accruing hereunder upon default or failure of performance shall not be

considered a waiver of the right to insist on and to enforce by any appropriate remedy, strict compliance with any other obligation hereunder or to exercise any right or remedy occurring as a result of any future default or failure of performance.

17. **Governing Law and Venue.** This Agreement shall be construed and interpreted in accordance with the applicable laws of the United States of America, the State of Texas, and the City of Houston. Venue for any disputes relating in any way to this Agreement shall lie exclusively in Harris County, Texas. This Contract is performable in Harris County, Texas.
18. **Ambiguities.** In the event of any ambiguity in any of the terms of this Contract, it shall not be construed for or against any Party because of such Party's involvement in the preparation or drafting of this Contract.
19. **Entire Agreement.** This Agreement contains all of the terms and conditions agreed upon by the Owner and the Contractor in relation to the Work and supersedes any and all prior written or oral understandings. There are no other agreements, assurances, conditions, covenants (expressed or implied) or other terms with respect to the subject matter hereof, whether written or verbal. This Agreement may be amended or supplemented only by written agreement between the Parties signed by an authorized person of each.
20. **Survival.** Contractor shall remain obligated to the City under all clauses of this Contract that expressly or by their nature extend beyond the expiration or termination of the term of this Contract, including but not limited to the Ownership of Documents provisions of Article 2 of this Contract.
21. **Captions.** The captions at the beginning of the articles and sections of this Contract are guides and labels to assist in locating and reading such articles and sections and, therefore, will be given no effect in construing this Contract and shall not be restrictive of or be used to interpret the subject matter of any article, section, or part of this Contract.
22. **Acceptances and Approvals.** Any acceptance or approval by the Owner, the City, the Board, or its agents or employees shall not constitute nor be deemed to be a release of the responsibility and liability of the Contractor, its employees, agents, consultants, or suppliers for the accuracy, competency, and completeness for any documents prepared or services performed pursuant to the terms and conditions of this Contract, nor shall acceptance or approval be deemed to be an assumption of such responsibility or liability by the Owner, the City, the Board, or its agents and employees, for any defect, error or omission in any documents prepared or services performed by the Contractor, its employees, agents, consultants or suppliers pursuant to this Contract.

Legal Description: **LT 23, BLK 32 Meyerland Sec 4**

As a recipient of Federally-funded hazard mitigation assistance under the Flood Mitigation Assistance program, as authorized by 42 U.S.C. §4102a, the Property Owner accepts the following conditions:

1. That the Property Owner has insured all structures that will **not** be demolished or relocated out of the SFHA for the above-mentioned property to an amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the particular property, whichever is less, through the National Flood Insurance Program (NFIP), as authorized by 42 U.S.C. §4001 *et seq.*, as long as the Property Owner holds title to the property as required by 42 U.S.C. §4012a.
2. That the Property Owner will maintain all structures on the above-mentioned property in accordance with the flood plain management criteria set forth in Title 44 of the Code of Federal Regulations (CFR) Part 60.3 and City Ordinances as long as the Property Owner holds title to the property.  - ii. All interior walls and floors below the Base Flood Elevation will be unfinished or constructed of flood resistant materials;
 - iii. No mechanical, electrical, or plumbing devices will be installed below the Base Flood Elevation; and
 - iv. All enclosed areas below Base Flood Elevation must be equipped with vents permitting the automatic entry and exit of flood water.

The Property Owner is also required to maintain this property in accordance with the flood plain management criteria of Title 44 of the Code of Federal Regulations Part 60.3 and City Ordinance."

4. Failure to abide by the above conditions may prohibit the Property Owner and/or any subsequent purchasers from receiving Federal disaster assistance with respect to this property in the event of any future flood disasters. If the above conditions are not met, FEMA may recoup the amount of the grant award with respect to the subject property, and the Property Owner may be liable to repay such amounts.
