WITNESSETH:

WHEREAS, the City has entered into a Subrecipient Agreement with the Texas General Land Office ("GLO"), denominated GLO Agreement No. 19-147-001-B489, including the Amendment No. 1 to the said Subrecipient Agreement between the City and the GLO (collectively, the "GLO Agreement") for Community Development Block Grant – Disaster Recovery ("CDBG-DR") funding to facilitate disaster recovery, restoration, and economic revitalization and the affirmatively further fair housing in areas affected by the Texas Hurricane Harvey (DR-4332); and

NOW, THEREFORE, in consideration of the mutual covenants, agreements and benefits to the City and Subrecipient, the Parties agree as follows:

ARTICLE I

ARTICLE III

Time of Performance

3.1 The term of this Agreement (“Term” or “Initial Term”) shall be **July 20, 2020** (“Effective Date”) and end on **June 30, 2021** (“Termination Date”), unless sooner terminated in accordance with the terms of this Agreement or in accordance with applicable laws, regulations, or rules. Subrecipient acknowledges and agrees that any Public Services activities carried out before the Effective Date, or after the Termination Date, unless the Term is extended in accordance with Section 3.3 of this Agreement, will be deemed to be gratuitously provided, and the City shall have no obligation to pay for such activities.

3.2 The functions or services to be performed under this Agreement shall be completed as of the date described in Section 3.1 hereinabove, and **EXHIBIT A**, Project Summary.

3.3 Subject to the availability of funds, the Director, in his or her sole discretion, may renew this Agreement for one (1) year, under the same terms and conditions as those herein, by providing written notice of the renewal to the Subrecipient prior to the expiration of the Initial Term. The City shall not be liable for the reimbursement of any expenses which are not allowable under the terms of this Agreement or under the GLO Agreement.

4.2 It is expressly agreed that the total amount of reimbursement, if any, due to Subrecipient by the City under the terms of this Agreement shall not exceed the sum set out in Section 1.1 of this Agreement, **EXHIBIT A**, Project Summary, and any budget item stated in **EXHIBIT C**, Budget.

4.3 The City shall pay Subrecipient on a monthly reimbursement basis as described in Section 4.4 of this Agreement.

4.4 Subrecipient shall submit a reimbursement request on or before the twentieth (20th) calendar day of each calendar month during the Term, and if applicable the Renewal Term, of this Agreement for eligible costs incurred and paid during the preceding calendar month. The reimbursement requests shall include, without limitation, invoices, on forms provided by the City, bank statements, time sheets, receipts and any other documentation reasonably requested by the Director. ARTICLE V

Budget

5.1 The budget for the Public Services activities and cost categories under this Agreement is attached hereto as **EXHIBIT C** ("Budget"). All payments due to Subrecipient under this Agreement shall be made in accordance with the Budget.

5.2 Subrecipient may, with the written approval of the Director, reallocate funds among the various line activities and cost categories within the Budget.

5.3 Subrecipient shall certify in writing that any reallocation of funds made pursuant to Section 5.2 will not result in a substantial change in the work program contained in the Project Scope as detailed in **EXHIBIT B** and that such reallocation will not impair the Subrecipient's ability to perform the functions and services required by this Agreement.

5.4 Subrecipient understands that any reallocation of funds made pursuant to Section 5.2 that results in a substantial change in the Public Services activities stated in the Project Scope as detailed in **EXHIBIT B** shall require a formal amendment approval by the City Council of the City of Houston.

ARTICLE VI

6.1 Subrecipient shall submit the following reports to the Director on the dates indicated:

- a. A Fiscal Report, quarterly on the 20th day of the calendar month following the end of each calendar quarter. This report shall consist of Subrecipient's general ledger

6.2 Upon completion of the written reports, Subrecipient shall provide the Director with copies of all supporting documentation and materials relating to or substantiating such reports.

6.3 Failure to comply with the reporting requirements of this Article VI shall be a material breach of this Agreement and compensation or expense reimbursements to Subrecipient may be withheld until such time as Subrecipient is in compliance with this Article VI and the reports and back-up materials are submitted.

6.4 Subrecipient, in addition to the reports required under Subsection 6.1, shall promptly provide any other reports requested in writing by the Director.

6.5 Subrecipient agrees to attend meetings as may be scheduled by the Director during the term of this Agreement in order to discuss any reports or Subrecipient's general progress in performing its obligations under this Agreement.

6.6 Subrecipient agrees to periodic monitoring visits and desk reviews conducted by the City to allow the City immediate access to and the right to examine, copy or reproduce all records, books, papers and documentation of any nature regarding the Program.

6.7 City representatives (including without limitation the Director and City Controller) shall have the right to perform, or cause to be performed, audits of Subrecipient's books and records, or inspections of all places where work is undertaken in connection with this Agreement. Subrecipient shall be required to retain all books and records, including without limitation any documentation required under 2 C.F.R. Nothing in this Section 6.7 shall be construed to limit or in any way restrict the time for bringing a cause of action or any applicable statute of limitations.

6.8 Subrecipient shall promptly report to the Director any conditions, transactions, situations or circumstances, encountered by Subrecipient which would warrant a special report in more detail than that which is necessary to perform the Project Scope specified in **EXHIBIT B** to this Agreement, including but not limited to, notices from HUD, the GLO, or other cognizant federal or State agencies, and grievances and lawsuits, real or threatened.

6.9 Program monitoring will be carried out through a comprehensive review at least once during each Agreement period, including any renewal or extension of the Agreement, and as often as necessary to ensure compliance with this Agreement.

6.10 The City Attorney or his designee shall have the right to enforce all legal rights and obligations under this Agreement without further authorization from the City Council. Subrecipient shall provide to the City Attorney any document and record necessary to determine Subrecipient's compliance with this Agreement.

6.11 Subrecipient shall maintain any financial records as may be required by 2 CFR Part 200, Subpart D - Post Federal Award Requirements and as may be necessary to document compliance with **EXHIBIT D**, Non-Exclusive List of Applicable Laws, Regulations, and Rules.

7.2 Subrecipient agrees to cooperate and coordinate with agencies of the relevant State and local governments responsible for services for eligible persons in the area served by the City and other public and private organizations and agencies providing services for such eligible persons.

7.4 Subrecipient agrees to maintain the confidentiality of the name, social security number, address number, street name, and telephone number of any individual or household that applies

for Public Services assistance under this Agreement, in accordance with Tex. Gov't. Code § 552.160.

ARTICLE VIII

Other Program Standards and Requirements

8.1 Subrecipient agrees to carry out the activities described in this Agreement, in accordance with all applicable laws, including without limitation, those described at 24 C.F.R. Part 570, and CDBG-DR17 Program Requirements attached hereto under **EXHIBIT D**, and 2 C.F.R. Part 200.

8.2 Subrecipient acknowledges that the City is a party to the GLO Agreement which contains the provisions set out in **Exhibit G** to this Agreement. Subrecipient shall comply with the applicable terms set out in **Exhibit G** as if Subrecipient were the City, except to the extent this Agreement specifically addresses a topic also covered in Exhibit G, in which case the terms of this Agreement shall apply. In the event Subrecipient believes a term or condition of the GLO Agreement is inapplicable, Subrecipient must seek clarification from the Director. The Director, in his sole but reasonable discretion, shall determine which terms are applicable to this Agreement and the Public Services activities provided hereunder.

ARTICLE IX

Contractual Limitations

9.1 Subrecipient agrees that it will carry out eligible Public Services activities in a manner free from religious influences.

9.2 Subrecipient shall adhere to the covenants and representations that follow:

- a. Subrecipient agrees that, in the provision of Public Services under this Agreement, it will not discriminate against any employee or applicant for employment on the basis of religion and will not limit employment or give preference in employment to persons on the basis of religion;
- b. Subrecipient agrees that it will not discriminate against any person applying for assistance and supportive services on the basis of religion and will not limit such assistance or other services or give preference to persons on the basis of religion; and
- c. Subrecipient agrees it will provide no religious instruction or counseling, conduct no religious workshop or services, engage in no religious proselytizing, and exert no other religious influence in the provision of such assistance or supportive services.

ARTICLE X

Suspension, Termination, Default and Remedies

10.1 Notwithstanding anything stated in this Agreement to the contrary and in accordance with 2 C.F.R. § 200.338, suspension or termination of this Agreement, may occur if Subrecipient fails to comply with any term of this Agreement.

10.2 The Director may terminate this Agreement at any time, without cause, by giving 30 days written notice to Subrecipient, with a copy of the notice to the CPO. The City's right to terminate this Agreement for convenience is cumulative of all rights and remedies which exist now or in the future. On receiving the notice, Subrecipient shall, unless the notice directs otherwise, immediately discontinue all services under this Agreement and cancel all existing orders, contracts, or subcontracts that are chargeable to this Agreement. As soon as practicable after receiving the termination notice, Subrecipient shall submit an invoice showing in detail the services performed under this Agreement up to the termination date. The City shall then pay the fees to Subrecipient for services actually performed, but not already paid for, in the same manner as prescribed in Section 4.4 unless the fees exceed the allocated funds remaining under this Agreement.

RECEIPT OF PAYMENT FOR SERVICES RENDERED IS SUBRECIPIENT'S ONLY REMEDY FOR THE CITY'S TERMINATION FOR CONVENIENCE, WHICH DOES NOT CONSTITUTE A DEFAULT OR BREACH OF THIS AGREEMENT. SUBRECIPIENT WAIVES ANY CLAIM (OTHER THAN ITS CLAIM FOR PAYMENT AS SPECIFIED IN THIS SECTION), IT MAY HAVE NOW OR IN THE FUTURE FOR FINANCIAL LOSSES OR OTHER DAMAGES RESULTING FROM THE CITY'S TERMINATION FOR CONVENIENCE.

10.3 If a Subrecipient default occurs, the Director may either terminate this Agreement or allow Subrecipient to cure the default as provided in Section 10.5 of this Agreement. The City's right to terminate this Agreement for Subrecipient's default is cumulative of all rights and remedies which exist now or in the future.

If a default occurs, the Director may, but is not obligated to, deliver a written notice to Subrecipient describing the default and the termination date, which must be after twenty (20) days of receipt of the written notice. The Director, at his or her sole option, may extend the termination date to a later date. To effect final termination, the Director must notify Subrecipient in writing, and after receiving the notice, Subrecipient shall, unless the notice directs otherwise, immediately discontinue all services under this Agreement, and promptly cancel all orders or subcontracts chargeable to this Agreement.

10.4 The occurrence of any one or more of the following circumstances shall constitute an event of default ("Default") under this Agreement:

- (a) Failure of Subrecipient to perform or observe any of the obligations, covenants, agreements, or conditions required to be performed or observed under this Agreement;
- (b) Any representation or warranty of Subrecipient contained in this Agreement or in any certificate or instrument executed by Subrecipient in connection with or pursuant to this Agreement is found to be false or misleading in any material respect;
- (c) Subrecipient is voluntarily or involuntarily adjudicated a bankrupt, or seeks, consents to or does not contest the appointment of a receiver or trustee for itself or for all or part of its property, or makes a general assignment for the benefit of creditors, or does not pay its debts as they become due, or files a petition seeking relief under United States Bankruptcy Law;

- (d) Subrecipient is a partnership or corporation and dissolves, liquidates, or merges with or is consolidated into any other entity without the written approval of the Director; or
- (e) HUD makes an audit finding or exception that relates to the Program or the funds provided under this Agreement.

10.5 Upon occurrence of any event of Default, the Director, at his or her sole discretion, may extend the period to cure for a reasonable time if the Director determines that Subrecipient has initiated action to cure the Default within the twenty (20) day period of receipt of the written notice of termination. If the Director allows Subrecipient to cure the default and Subrecipient does so to the Director's satisfaction before the termination date, then the termination is ineffective. If Subrecipient does not cure the default before the termination date, then the Director may terminate this Agreement on the termination date, at no further obligation of the City.

10.6 In addition to or in lieu of termination, the City may withhold all or any part of any sums which may be otherwise due to Subrecipient either until the time the Default is cured. If Subrecipient cannot cure the Default or fails to cure the Default within the Term of this Agreement (as may be extended), the City shall have no obligation to pay any funds for the activities that are the subject of the Default.

10.7 In the event of the occurrence of any Default, the City shall have the right to declare that disallowed cost previously disbursed to Subrecipient under the Agreement are immediately due and payable to the City in accordance with Section 4.5 of this Agreement. The rights and remedies contained in this Agreement shall not be exclusive but shall be cumulative of all rights and remedies now or hereafter existing whether by statute, at law, or in equity.

ARTICLE XI

Deobligation and Reallocation of Funds

11.1 The City reserves the right to deobligate or reallocate the federal funds for the Program. In the event the cumulative expenditures committed under this Agreement for any particular time period fall substantially below the budgeted expenditures for the same period, Subrecipient agrees to re-budget the estimated cost of the remaining activities of this Agreement. Such re-budgeting for decreased expenditures shall not require a formal amendment of this Agreement and shall be evidenced by a revised Budget approved by Subrecipient and by the Director. Any excess funds remaining after said re-budgeting will be subject to reallocation to other new or existing CDBG-DR programs at the sole discretion of the City.

11.2 Subrecipient's approval of any revised budget shall not unreasonably be withheld, and failure of Subrecipient to approve any revised Budget shall be a default of Subrecipient's obligations under this Agreement.

ARTICLE XII

Obligation of City

12.1 Subrecipient acknowledges that the City's obligation for payment under this Agreement, if any, is limited to federal funds for Public Services activities received under the GLO Agreement,

and that unless and until adequate funds have been received by the City under the GLO Agreement the City shall have no obligation to Subrecipient. If the funds received under the GLO Agreement are insufficient to fully fund the Program, the Director may reallocate all or a portion of the funds which have been set aside for the Program.

ARTICLE XIII

ARTICLE XVI

hereunder or to exercise any right or remedy for any past or future Default.

18.1 This Agreement shall be construed and interpreted in accordance with the applicable laws of the State of Texas and City of Houston. Venue for any disputes relating in any way to this Agreement shall lie exclusively in Harris County, Texas.

ARTICLE XIX

19.2 This Agreement may be amended by a written amendment that has been executed by the parties and approved by the City Attorney, except increases in funding and material changes to the Agreement shall require a formal amendment that has been approved by City Council.

Zero Tolerance Policy for Human Trafficking and Related Activities

24.1 The requirements and terms of the City of Houston's Zero Tolerance Policy for Human Trafficking and Related Activities, as set forth in Executive Order 1-56, as revised from time to time, are incorporated into this Agreement for all purposes. Subrecipient has reviewed Executive Order 1-56, as revised, and shall comply with its terms and conditions as they are set out at the Effective Date. Subrecipient shall notify the City's Chief Procurement Officer, City Attorney, and Director of any information regarding possible violation of Subrecipient or its subcontractors providing services or goods under this Agreement.

ARTICLE XXV

Force Majeure

25.1. Timely performance by both the City and Subrecipient is essential to this Agreement. However, neither party is liable for reasonable delays in performing its obligations under this Agreement to the extent the delay is caused by Force Majeure that directly impacts the City or

Subrecipient. The event of Force Majeure may permit a reasonable delay in performance but does not excuse a party's obligations to complete performance under this Agreement. Force Majeure means: fires, interruption of utility services, epidemics in the City, floods, hurricanes, tornadoes, ice storms and other natural disasters, explosions, war, terrorist acts against the City or Subrecipient, riots, court orders, and the acts of superior governmental or military authority, and which the affected party is unable to prevent by the exercise of reasonable diligence. Force Majeure does not entitle Subrecipient to extra Reimbursable Expenses or payment.

25.2. This relief is not applicable unless the affected party does the following:

- (a) uses due diligence to remove the effects of the Force Majeure as quickly as possible and to continue performance notwithstanding the Force Majeure; and
- (b) provides the other party with prompt written notice of the cause and its anticipated effect.

25.3. The Director will review claims that a Force Majeure that directly impacts the City or Subrecipient has occurred and render a written decision within 14 days. The decision of the Director is final.

25.4. The City may perform the Program activities (either through self-performance or the hiring of a Contractor) during periods of Force Majeure. Such performance by the City or its Contractor during a period of Force Majeure is not a default or breach of this Agreement by the City.

25.5. If the Force Majeure continues for more than 7 days from the date performance is affected, the Director may terminate this Agreement by giving 7 days' written notice to Subrecipient. This termination is not a default or breach of this Agreement. **SUBRECIPIENT WAIVES ANY CLAIM IT MAY HAVE FOR FINANCIAL LOSSES OR OTHER DAMAGES RESULTING FROM THE TERMINATION EXCEPT FOR AMOUNTS DUE UNDER THE AGREEMENT UP TO THE TIME THE WORK IS HALTED DUE TO FORCE MAJEURE.**

25.6. Subrecipient is not relieved from performing its obligations under this Agreement due to a strike or work slowdown of its employees. Subrecipient shall employ only fully trained and qualified personnel during a strike.

ARTICLE XXVI

Preservation of Contracting Information

26.1 The requirements of Subchapter J, Chapter 552, Texas Government Code, may apply to this Agreement and Subrecipient agrees that this Agreement can be terminated if Subrecipient knowingly or intentionally fails to comply with a requirement of that subchapter. If the requirements of Subchapter J, Chapter 552, Texas Government Code, apply to this Agreement, then for the duration of this Agreement (including the initial term, any renewal terms, and any extensions), Subrecipient shall preserve all Contracting Information, as defined by Section 552.003 of the Texas Government Code, related to this Agreement as provided by the records

retention requirements applicable to the City pursuant to federal or state law or regulation, city ordinance or city policy, which record retention requirements include but are not limited to those set forth in Chapters 201 and 205 of the Texas Local Government Code and Texas Administrative Code Title 13, Chapter 7. Within five (5) business days after receiving a request from the Director, Subrecipient shall provide any Contracting Information related to this Agreement that is in the custody or possession of Subrecipient. Upon the expiration or termination of this Agreement, Subrecipient shall, at the Director's election, either (a) provide, at no cost to the City, all Contracting Information related to this Agreement that is in the custody or possession of Subrecipient, or (b) preserve the Contracting Information related to this Agreement as provided by the records retention requirements applicable to the City pursuant to federal or state law or regulation, city ordinance or City policy.

26.2 If Subrecipient fails to comply with any one or more of the requirements of this Article XXVI, Preservation of Contracting Information, or Subchapter J, Chapter 552, Texas Government Code, then, in accordance with and pursuant to the processes and procedures set forth in Sections 552.373 and 552.374 of the Texas Government Code, the Director shall provide notice to Subrecipient and may terminate this Agreement. To effect final termination, the Director must notify Subrecipient in writing with a copy of the notice to the CPO. After receiving the notice, Subrecipient shall, unless the notice directs otherwise, immediately discontinue all services under this Agreement, and promptly cancel all orders or subcontracts chargeable to this Agreement.

In that event, the Parties shall be discharged from further obligations, subject to the equitable settlement of their respective interests, accrued up to the date of termination.

- (b) Any claim by Subrecipient for damages under this Contract may not exceed the amount due and owing Subrecipient under the Contract or the amount of funds appropriated for payment, but not yet paid to Subrecipient, under the annual budget in effect at the time of the breach. Nothing in this provision shall be construed as a waiver of sovereign immunity.

5.03 RECAPTURE OF FUNDS

SUBRECIPIENT SHALL CARRY OUT THE ACTIVITIES UNDER THE CONTRACT IN A MANNER THAT COMPLIES WITH THE TERMS AND CONDITIONS OF THE CONTRACT AND ALL APPLICABLE LAWS. THE GLO MAY RECAPTURE AND BE REIMBURSED BY SUBRECIPIENT FOR ANY PAYMENTS MADE BY THE GLO (I) THAT EXCEED THE MAXIMUM ALLOWABLE HUD RATE; (II) THAT ARE NOT ALLOWED UNDER APPLICABLE LAWS, RULES, AND REGULATIONS; OR (III) THAT ARE OTHERWISE INCONSISTENT WITH THIS CONTRACT, INCLUDING ANY UNAPPROVED EXPENDITURES. THIS RECAPTURE PROVISION APPLIES TO ANY FUNDS EXPENDED FOR THE PROJECT OR ANY PROGRAM OR ACTIVITY THAT DOES NOT MEET A CDBG-DR PROGRAM NATIONAL OBJECTIVE AS SPECIFIED IN EACH PERFORMANCE STATEMENT OR THAT IS NOT OTHERWISE ELIGIBLE UNDER CDBG-DR REGULATIONS.

5.04 OVERPAYMENT AND DISALLOWED COSTS

Subrecipient shall be liable to the GLO for any costs disallowed pursuant to financial and/or compliance audit(s) of funds received under this Contract. Subrecipient shall reimburse disallowed costs from funds which were not provided or otherwise made available to Subrecipient under this Contract.

5.05 FINAL BENCHMARKS

To ensure all programmatic requirements are met for each Program, the GLO shall only release the final five percent (5%) of each Program Budget upon submittal of completion and acceptance by the GLO of all Activities and Benchmarks identified in each Program's Performance Statement. The GLO shall disburse each Program's retained funds within thirty (30) days following approval of each Program Completion Report and all related closeout documentation necessary to determine that Subrecipient has completed all Activities in accordance with the terms and requirements of the Performance Statement, the Contract Documents, and all applicable laws, rules, and regulations.

ARTICLE VI - INTELLECTUAL PROPERTY

6.01 OWNERSHIP AND USE

- (a) Except for City Materials (as defined below in 6.01(c)), and except for any third-party proprietary intellectual property or information for which the City does not have a legal ownership right, the Parties shall jointly own all right, title, and interest in and to all reports, or other material, data, drawings, computer programs, and codes created under this Contract by either Party, and/or any copyright or other intellectual property rights, and any material or information developed and/or required to be delivered under this Contract, with each Party having the right to use, reproduce, or publish any or all of such information and other materials without obtaining permission from the other Party and without expense or charge. For any City or third-party proprietary intellectual property or information for which the City has a license to use or access, the City shall provide the GLO at least one (1) user license.
- (b) Except for City Materials, and except for any third-party proprietary intellectual property or information for which the City and/or the GLO do not have a legal ownership right, Subrecipient grants the GLO and HUD, and GLO and HUD grants to Subrecipient, a royalty free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for governmental purposes, all reports, or other material, data, drawings, computer programs, and codes created under this Contract by either Party, and/or any copyright or other intellectual property rights, and any material or information developed and/or required to be delivered under this Contract by either Party.
- (c) "City Materials" means all works of authorship, materials, information, and other intellectual property created prior to the performance of any City obligation under this Contract, plus any modifications or enhancements thereto and derivative works based thereon, unless any such modifications, enhancements, or derivative works were funded using CDBG-DR funds. For clarity, if modifications, enhancements, or derivative works were funded using CDBG-DR funds, then only the applicable modification, enhancements, or derivative works are not included in the definition of City Materials.

6.02 NON-ENDORSEMENT BY STATE AND THE UNITED STATES

Subrecipient shall not publicize or otherwise circulate promotional material (such as advertisements, sales brochures, press releases, speeches, still or motion pictures, articles, manuscripts, or other publications) that states or implies the GLO, State of Texas, U.S. Government, or any government employee endorses a product, service, or position the Subrecipient represents. Subrecipient may not state or imply that the GLO, the State of Texas, or the U.S. Government approves of Subrecipient's work products or considers Subrecipient's work product to be superior to other products or services.

6.03 PUBLICATION DISCLAIMER REQUIRED

Subrecipient shall include a disclaimer on all public information releases issued pursuant to this Contract stating that the funds for this Project or any Program are provided by the City of Houston and the Texas General Land Office through HUD's CDBG Program.

ARTICLE VII - RECORDS, AUDIT, AND RETENTION

7.01 BOOKS AND RECORDS

Subrecipient shall keep and maintain, under GAAP or GASB, as applicable, full, true, and complete records sufficient to allow the GLO, the Texas State Auditor's Office, the United States Government, and/or their authorized representatives to determine Subrecipient's compliance with this Contract and all applicable laws, rules, and regulations, including the applicable laws and regulations provided in **Attachment D**.

7.02 INSPECTION AND AUDIT

- (a) All records related to this Contract, including records of Subrecipient and its Subcontractors, shall be subject to the Administrative and Audit Regulations. Accordingly, such records and work product shall be subject, at any time, to inspection, examination, audit, and copying at the Subrecipient's primary location or any location where such records and work product may be found, with or without notice from the GLO or other government entity with necessary legal authority. Subrecipient shall cooperate fully with any federal or state entity in the conduct of inspection, examination, audit, and copying, including providing all information requested. Subrecipient will ensure that this clause concerning federal and state entities' authority to inspect, examine, audit, and copy records and work product, and the requirement to fully cooperate with the federal and state entities, is included in any subcontract it awards.
- (b) The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. Acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. **The Office of the Comptroller General of the United States, the Government Accountability Office, the Office of Inspector General, or any authorized representative of the U.S. Government shall also have this right of inspection.** Subrecipient shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Subrecipient and the requirement to cooperate is included in any subcontract it awards.

- (c) Subrecipient will be deemed to have read and know of all applicable federal, state, and local laws, regulations, and rules pertaining to the Project, including those identified in **Attachment D**, governing audit requirements.

7.03 SUBRECIPIENT SELF-AUDIT AND TARGETED AUDITS

(a) Subrecipient Self-Audit

Upon the GLO's or HUD's approval, Subrecipient may conduct an annual financial and compliance audit of funds received and performance rendered under this Contract. Subrecipient may use funds budgeted under this Contract to pay for that portion of the cost of such audit services properly allocable to the Activities funded under this Contract, provided that the GLO shall not pay the cost of such audit services until the GLO has received Subrecipient's satisfactory audit report and invoice, as determined by the GLO. The invoice submitted for reimbursement must clearly show the percentage of cost allocable to the Activities funded under this Contract relative to the total cost of the audit services. Therefore, Subrecipient shall submit an invoice showing the total cost of the audit and the corresponding prorated charge per funding source. If applicable, Subrecipient shall submit an explanation with the reimbursement request, explaining why the percentage of audit fees exceeds the prorated amount allowable.

(b) Targeted Audits & Monitoring Visits

The GLO may at any time perform, or instruct the performance of, an annual program and/or fiscal audit, or conduct a special or targeted audit of any aspect of the Subrecipient's operation, using an auditor of the GLO's choice. Subrecipient shall maintain financial and other records prescribed by the GLO or by applicable federal or state laws, rules, and regulations.

7.04 PERIOD OF RETENTION

All records relevant to this Contract shall be retained for a period of three (3) years subsequent to the final closeout of the overall Project, in accordance with federal regulations set forth at 2 CFR § 200.333. **The GLO will notify all CDBG-DR program participants of the date upon which local records may be destroyed.**

ARTICLE VIII - MISCELLANEOUS PROVISIONS

8.01 LEGAL OBLIGATIONS

Subrecipient shall procure and maintain for the duration of this Contract any license, authorization, insurance, waiver, permit, qualification, or certification required by federal, state, county, or city statute, ordinance, law, or regulation to be held by Subrecipient to provide the goods or services required by this Contract. Subrecipient shall pay all taxes, assessments, fees, premiums, permits, and licenses required by law. Subrecipient shall pay any such government obligations not paid by its subcontractors during performance of this Contract. **Subrecipient shall include copies of such licenses and permits as a part of the monthly Activity status reports for the period during which they are obtained.**

8.02 INDEMNITY

To the extent permitted under the law, except for damages directly or proximately caused by the gross negligence of the GLO, Subrecipient shall indemnify and hold harmless the State of Texas, the GLO, and the officers, representatives, agents, and employees of the State of Texas and the GLO from any losses, claims, suits, actions, damages, or liability (including all costs and expenses of defending against all of the aforementioned) arising in connection with:

- (a) This Contract;
- (b) Any negligence, act, omission, or misconduct in the performance of the services referenced herein; or
- (c) Any claims or amounts arising or recoverable under federal or state workers' compensation laws, the Texas Tort Claims Act, or any other such laws.

Subrecipient shall be responsible for the safety and well-being of its employees, customers, and invitees. These requirements shall survive the term of this Contract until all claims have been settled or resolved and suitable evidence to that effect has been furnished to the GLO. The provisions of this Section shall survive termination of this Contract. Subrecipient has not appropriated any money for payment under this Contract and nothing in this provision requires that funds be assessed or collected or that a sinking fund be created for any Claims arising under this Contract.

8.03 INSURANCE AND BOND REQUIREMENTS

- (a) Unless Subrecipient is a self-insured governmental entity pursuant to Chapter 2259 of the Texas Government Code to self-insure, Subrecipient shall carry insurance for the duration of this Contract in types and amounts necessary and appropriate for the Project.
- (b) Subrecipient shall require all contractors, subcontractors, vendors, service providers, or any other person or entity performing work described in **Attachment A** to carry insurance for the duration of the Project in the types and amounts customarily carried by a person or entity providing such goods or services. Subrecipient shall require any person or entity required to obtain insurance under this Section to complete and file the declaration pages from the insurance policies with Subrecipient whenever a previously identified policy period expires during the term of Subrecipient's contract with the person or entity, as proof of continuing coverage. Subrecipient's contract with any such person or entity shall clearly state that acceptance of the insurance policy declaration pages by the Subrecipient shall not relieve or decrease the liability of the person or entity. **Persons or entities shall be required to update all expired policies before Subrecipient's acceptance of an invoice for monthly payment from such parties.**
- (c) Subrecipient shall require performance and payment bonds to the extent they are required under Chapter 2253 of the Texas Government Code.

- (d) **Subrecipient shall require, on all construction projects, that any person or entity required to provide Federal Construction Assurances shall complete form SF-424D, entitled "Assurances – Construction Programs," and Subrecipient shall maintain such documentation.**

8.04 ASSIGNMENT AND SUBCONTRACTS

Subrecipient shall not assign, transfer, or delegate any rights, obligations, or duties under this Contract without the GLO's prior written consent. Notwithstanding this provision, Subrecipient may subcontract some or all of the services to be performed under this Contract. In any subcontracts, Subrecipient shall legally bind the subcontractor to perform and make such subcontractor subject to all the duties, requirements, and obligations of Subrecipient as specified in this Contract. Nothing in this Contract shall be construed to relieve Subrecipient of the responsibility for ensuring that the goods delivered, and/or the services rendered by Subrecipient and/or any of its subcontractors, comply with all the terms and provisions of this Contract.

For all construction contracts or subcontracts to which Federal Labor Standards requirements apply, Subrecipient shall submit to the GLO all labor related documentation required to ensure compliance. Subrecipient shall retain five percent (5%) of the payment due under each of Subrecipient's construction or rehabilitation subcontracts until the GLO determines that the Federal Labor Standards requirements applicable to each such contract or subcontract have been satisfied.

8.05 PROCUREMENT

Subrecipient must comply with the procurement procedures stated at 2 C.F.R. §§ 200.318 through 200.326 and all other applicable federal, state, and local procurement procedures and laws, regulations, and rules. Subrecipient must confirm that its vendors and subcontractors are not debarred from receiving state or federal funds at each of the following web addresses:

Texas Comptroller's Vendor Performance Program at:

[https://comptroller.texas.gov/purchasing/;](https://comptroller.texas.gov/purchasing/)

and the Federal General Services Administration's System for Award Management (SAM):

<https://www.sam.gov>.

8.06 PURCHASES AND EQUIPMENT

Any purchase of Equipment under this Contract shall be made in accordance with all applicable laws, regulations, and rules including those listed in **Attachment D**. Subrecipient shall retain title to and possession of any Equipment unless and until transferred to the GLO or disposed of in accordance with federal regulations. Subrecipient shall furnish, with its final request for reimbursement, a list of all Equipment purchased with Program funds under the Contract, including the name of the manufacturer, the model

number, and the serial number, if applicable. The disposition of any Equipment shall be in accordance with all applicable laws, regulations, and rules, including those listed in **Attachment D**.

8.07 COMMUNICATION WITH THIRD PARTIES

The GLO and the authorities named in **ARTICLE 7**, above, may initiate, in accordance with any legal authority granted by statute, regulation, or rule, communications with any subcontractor, and may request access to any books, documents, personnel, papers, and records of a subcontractor which are pertinent to this Contract. Such communications may be required to conduct audits, examinations, Davis-Bacon Labor Standards interviews, and gather additional information as provided in **ARTICLE 7** herein. The results of such communication will be shared with Subrecipient, in writing, prior to any publication.

8.08 RELATIONSHIP OF THE PARTIES

The Parties to this Contract are associated only for the purposes and to the extent specified in this Contract. Subrecipient is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract creates a partnership or joint venture, employer-employee or principal-agent relationships, or any liability whatsoever with respect to the indebtedness, liabilities, or obligations of Subrecipient or any other party. If applicable, Subrecipient shall be solely responsible for and the GLO shall have no obligation with respect to: withholding of income taxes, FICA, or any other taxes or fees; industrial or workers' compensation insurance coverage; accumulation of vacation leave or sick leave; or unemployment compensation coverage provided by the State.

8.09 COMPLIANCE WITH OTHER LAWS

In the performance of this Contract, Subrecipient shall comply with all applicable federal, state, and local laws, ordinances, and regulations, including those listed in **Attachments B, C, and D**. Subrecipient is deemed to know and understand all applicable laws, statutes, ordinances, and regulations affecting its performance under this Contract.

8.10 NOTICES

Any notices required under this Contract shall be deemed delivered when deposited either in the United States mail, postage paid, certified, return receipt requested; or with a common carrier, overnight, signature required, to the appropriate address below:

GLO

Texas General Land Office
1700 N. Congress Avenue, 7th Floor
Austin, TX 78701
Attention: Contracts Management Division

Subrecipient

City of Houston
900 Bagby St., 4th Floor
Houston, TX 77002
Attention: Director of Housing and Community Development Department

Notice given in any other manner shall be deemed effective only if and when received by the Party to be notified. Either Party may change its address for notice by written notice to the other Party as herein provided.

8.11 GOVERNING LAW AND VENUE

This Contract and the rights and obligations of the Parties hereto shall be governed by, and construed according to, the laws of the State of Texas, exclusive of conflicts of law provisions. Venue of any suit brought under this Contract shall be in a court of competent jurisdiction in Travis County, Texas. Subrecipient irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of *forum non conveniens*, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction with respect to this Contract or any document related hereto. **NOTHING IN THIS CONTRACT SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO OR A WAIVER OF GOVERNMENTAL IMMUNITY BY SUBRECIPIENT.**

8.12 SEVERABILITY

If a court of competent jurisdiction determines any provision of this Contract is invalid, void, or unenforceable, the remaining terms, provisions, covenants, and conditions of this Contract shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.

8.13 DISPUTE RESOLUTION

Subrecipient shall use the dispute resolution process established in Chapter 2260 of the Texas Government Code and related rules to attempt to resolve any dispute under this Contract, including a claim for breach of contract by the GLO, that the Parties cannot resolve in the ordinary course of business. Neither the occurrence of an event giving rise to a breach of contract claim nor the pendency of such a claim constitute grounds for Subrecipient to suspend performance under this Contract of Programs unaffected by the claim(s) at issue. Notwithstanding this provision, the GLO and Subrecipient reserves all legal and equitable rights and remedies available to it.

8.14 PUBLIC RECORDS

Information related to the performance of this Contract may be subject to the Public Information Act ("PIA") and will be withheld from public disclosure or released only in accordance therewith. Subrecipient shall make any information created or exchanged with the state pursuant to the Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state/the GLO. Subrecipient shall make any information required

under the PIA available to the GLO in portable document file (".pdf") format or any other format agreed between the Parties. Subrecipient's failure to mark as "confidential" or a "trade secret" any information it believes to be excepted from disclosure waives all claims Subrecipient may make against the GLO for releasing such information without prior notice to Subrecipient.

Subrecipient shall release the following information upon receipt of an open records request:

- The amount of CDBG-DR funds expected to be made available;
- The range of Programs or Activities that may be undertaken with CDBG-DR funds;
- The estimated amount of CDBG-DR funds proposed to be used for Activities that will meet the national objective of benefit to low- and moderate-income persons; and
- The proposed CDBG-DR Activities likely to result in displacement and the Subrecipient's anti-displacement and relocation plan.

8.15 AMENDMENTS TO THE CONTRACT

Amendments to decrease or increase the subaward, to add or delete a Program, to extend the term of the Contract, and/or to make other substantial amendments to the Contract may be made only by written agreement of the Parties, under the formal amendment process except that, upon completion of a Program, the GLO shall issue a close-out letter pursuant to **SECTION 2.03**. The formal amendment process requires submission by the GLO Project Manager of the proposed amended language or amount to the GLO Contract Management Division for the preparation of a formal Amendment and circulation for necessary GLO and Subrecipient signatures. In the sole discretion of the GLO, and in conformance with federal law, the GLO may approve other adjustments required during Project performance by the GLO by way of a Revision or Technical Guidance Letter unilaterally issued by the GLO and acknowledged by the Subrecipient. Such approvals must be in writing and may be delivered by U.S. mail or electronic mail.

Pursuant to **SECTION 2.03** hereof, final **Program Completion Reports** for all Programs performed under this Contract shall be submitted to the GLO and shall include all such informal revisions agreed to by the Subrecipient and GLO over the life of the Contract.

8.16 REVISIONS TO PERFORMANCE STATEMENTS

Performance Statements may be revised by the Subrecipient quarterly and submitted to the GLO for approval. A proposed Revision to any Performance Statement does not require application of the formal Amendment process established in Section 8.15, above, but must be approved by the GLO, in writing, in order to take effect.

8.17 ENTIRE CONTRACT AND MODIFICATIONS

This Contract, its Attachment(s), any Amendment(s) Technical Guidance Letter(s), and/or Revision(s) issued in conjunction with this Contract, if any, constitute the entire agreement of the Parties and are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements made in connection with the

subject matter hereof. Any additional or conflicting terms in Attachment(s), Technical Guidance Letter(s), and/or Revision(s) shall be harmonized with this Contract to the extent possible. Unless an Attachment, Technical Guidance Letter, or Revision specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language shall be construed consistently with the Contract.

8.18 PROPER AUTHORITY

Each Party hereto represents and warrants that the person executing this Contract on its behalf has full power and authority to legally bind its respective entity. Subrecipient acknowledges that this Contract is effective for the period of time specified in the Contract. Any work performed by Subrecipient after the Contract terminates is performed at the sole risk of Subrecipient.

8.19 COUNTERPARTS

This Contract may be executed in any number of counterparts, each of which shall be an original, and all such counterparts shall together constitute but one and the same Contract.

8.20 SURVIVAL

The provisions of **ARTICLES 5, 6, AND 7; AND SECTIONS 1.01, 1.03, 2.05, 3.02, 3.04, 8.02, 8.03, 8.07, 8.08, 8.09, 8.10, 8.11, 8.13, 8.14, 8.15** of this Contract, and any other continuing obligations of Subrecipient shall survive the termination or expiration of this Contract.

8.21 CONTRACT CLOSEOUT

Upon completion of all Programs and Activities required for the Contract, and pursuant to **SECTION 2.03** hereof, Subrecipient shall prepare final **Program Completion Reports** confirming final performance measures, budgets, and expenses and the GLO will close the Contract in accordance with 2 C.F.R. §§ 200.343 through 200.345 and GLO CDBG-DR guidelines consistent therewith. The GLO will notify Subrecipient via official closeout letter upon review of the final Program Completion Report.

8.22 INDIRECT COST RATES

Unless Subrecipient has negotiated or does negotiate an indirect cost rate with the federal government, subject to periodic renegotiations of the rate during the Contract Period, Subrecipient's indirect cost rate shall be set by 2 C.F.R. § 200.414(f), i.e., ten percent (10%).

8.23 CONFLICT OF INTEREST

- (a) Subrecipient shall abide by the provisions of this Section and include the provisions in all subcontracts. Subrecipient shall comply with all conflict of interest laws and regulations applicable to the Program.
- (b) Subrecipient shall maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts, which standards may be located in various

Subrecipient governing documents, including but not limited to, the Subrecipient's Charter, Code of Ordinances, Administrative Procedures, Executive Orders, and Policies and Procedures.

8.24 ENVIRONMENTAL CLEARANCE REQUIREMENTS

- (a) Subrecipient is responsible for conducting environmental reviews and for obtaining any environmental clearance necessary for successful completion of the Project. Subrecipient shall prepare environmental review or assessment of each Activity in accordance with applicable laws, regulations, rules, and guidance. Subrecipient shall maintain a written Environmental Review Record ("ERR") for each Activity, including all supporting source documentation and documentation to support any project mitigation. Subrecipient shall provide a copy of the ERR and all related source documentation to the GLO.
- (b) Subrecipient shall address inquiries and complaints and shall provide appropriate redress related to environmental Activities. Subrecipient shall document each communication issued or received hereunder in the related ERR.
- (c) The GLO may, in its sole discretion, reimburse Subrecipient for certain exempt environmental Activities, as defined in federal regulations. Reimbursement requests for exempt environmental Activities must be supported by the proper HUD-prescribed form.
- (d) The Parties acknowledge and understand that the GLO may enter into Interagency agreements with the Texas Historical Commission, including GLO Contract No. 19-127-000-B465, and other entities in order to facilitate any necessary environmental or historic review. The GLO may incorporate one or more Interagency agreement into this contract via a Technical Guidance Letter.

8.25 CITIZEN PARTICIPATION AND ALTERNATIVE REQUIREMENTS

- (a) Subrecipient must ensure that all citizens have equal and ongoing access to information about the Programs, including ensuring that Program information is available in the appropriate languages for the geographical area served by the Subrecipient. Information furnished to citizens shall include, without limitation:
 - 1. The amount of CDBG-DR funds expected to be made available;
 - 2. The range of Activities that may be undertaken with the CDBG-DR funds;
 - 3. The estimated amount of the CDBG-DR funds proposed to be used for Activities meeting the national objective of benefiting low-to-moderate income persons; and
 - 4. A clear statement if any proposed CDBG-DR Activities are likely to result in displacement and the entity's anti-displacement and relocation plan.

- (b) **Complaint Procedures:** Subrecipient must have written citizen complaint procedures that provide a timely written response (within fifteen (15) working days) to complaints and grievances. Subrecipient shall notify citizens of the location and the days and hours when the location is open for business, so they may obtain a copy of these written procedures.
- (c) **Technical Assistance:** Subrecipient shall provide technical assistance to all Program participants, regardless of income, abilities, or LMI status, and shall make reasonable accommodations for any potential Program participant who requires assistance to access any Program. For example, Subrecipient shall provide an alternative means for completing a Program application for any applicant who is unable to access an online application.
- (d) Subrecipient shall maintain a citizen participation file which includes a copy of the Subrecipient's complaint procedures, documentation and evidence of opportunities provided for citizen participation (e.g., public notices, advertisements, flyers, etc.), documentation of citizen participation events (e.g., meeting minutes, attendance lists, sign-in sheets, news reports, etc.), and documentation of any technical assistance requested and/or provided.

8.26 SIGNAGE REQUIREMENTS

On any public building or public facility funded under this Contract, Subrecipient shall place permanent signage. Signs shall be placed in a prominent, visible public location. Subrecipient shall format each sign to best fit the architectural design of the building or facility but should be legible from at least three (3) feet distance.

For other construction projects (e.g., water transmission lines, sewer collection lines, drainage, roadways, housing rehabilitation) funded under this Contract, Subrecipient shall place temporary signage erected in a prominent location at the construction project site or along a major thoroughfare within the locality.

All signage required under this Section 8.25 shall contain the following:

“This project is funded by the City of Houston, the Texas General Land Office of the State of Texas, and the United States Department of Housing and Urban Development through the Community Development Block Grant Program to provide for disaster recovery and restoration of infrastructure for communities impacted by Hurricane Harvey.”

8.27 PROCUREMENT OF RECOVERED MATERIALS

- (a) To the extent applicable, the Provider shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired—
 - i. Competitively within a timeframe providing for compliance with the contract performance schedule;
 - ii. That meet contract performance requirements; or
 - iii. At a reasonable price.
- (b) To ensure maximum use of recovered/recycled materials per 2 CFR § 200.322,

information about this requirement is available at EPA's Comprehensive Procurement Guidelines web site, <https://www.epa.gov/smm/comprehensiveprocurement-guideline-cpg-program>, along with the list of EPA-designated items.

8.28 INFORMATION AND DATA SECURITY STANDARDS

Subrecipient shall comply with all terms specified in the **GLO Information Security Appendix**, incorporated herein for all purposes as **Attachment F**.

8.29 STATEMENTS OR ENTRIES

Except as otherwise provided under federal law, any person who knowingly and willfully falsifies, conceals, or covers up a material fact by any trick, scheme or device or who makes any materially false, fictitious, or fraudulent statement or representation or who makes or uses any false writing or document knowing the writing or document to contain any materially false, fictitious, or fraudulent statement or entry shall be prosecuted under Title 18, United States Code, § 1001. Under penalties of 18 U.S.C. § 1001, the undersigned Provider representative hereby declares that he/she has examined this Contract and Attachments, including without limitation, the Solicitation and Solicitation Response, and to the best of his/her knowledge and belief any statements, entries, or claims made by Provider are, correct, accurate and complete.

General Affirmations

To the extent they apply, Subrecipient affirms and agrees to the following, without exception:

1. Subrecipient represents and warrants that, in accordance with Section 2155.005 of the Texas Government Code, neither Subrecipient nor the firm, corporation, partnership, or institution represented by Subrecipient, or anyone acting for such a firm, corporation, partnership, or institution has (1) violated any provision of the Texas Free Enterprise and Antitrust Act of 1983, Chapter 15 of the Texas Business and Commerce Code, or the federal antitrust laws, or (2) communicated directly or indirectly the contents of this Contract or any solicitation response upon which this Contract is based to any competitor or any other person engaged in the same line of business as Subrecipient.
2. If the Contract is for services, Subrecipient shall comply with Section 2155.4441 of the Texas Government Code, requiring the purchase of products and materials produced in the State of Texas in performing service contracts.
3. Under Section 231.006 of the Family Code, the Subrecipient certifies that Provider's legal entity named in this Contract, bid or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this Contract may be terminated and payment may be withheld if this certification is inaccurate.
4. A bid or an application for a contract, grant, or loan paid from state funds must include the name and social security number of the individual or sole proprietor and each partner, shareholder, or owner with an ownership interest of at least 25 percent of the business entity submitting the bid or application. Subrecipient certifies it has submitted this information to the GLO.
5. If the Contract is for the purchase or lease of computer equipment, as defined by Texas Health and Safety Code Section 361.952(2), Subrecipient certifies that it is in compliance with Subchapter Y, Chapter 361 of the Texas Health and Safety Code, related to the Computer Equipment Recycling Program and the Texas Commission on Environmental Quality rules in Title 30 Texas Administrative Code Chapter 328.
6. Pursuant to Section 2155.003 of the Texas Government Code, Subrecipient represents and warrants that it has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the Contract.
7. Payments due under the Contract shall be directly applied towards eliminating any debt or delinquency Subrecipient owes to the State of Texas including, but not limited to, delinquent taxes, delinquent student loan payments, and delinquent child support.
8. Upon request of the GLO, Subrecipient shall provide copies of its most recent business continuity and disaster recovery plans.

9. If the Contract is for consulting services governed by Texas Government Code Chapter 2254, Subchapter B, in accordance with Section 2254.033 of the Texas Government Code, relating to consulting services, Subrecipient certifies that it does not employ an individual who has been employed by The GLO or another agency at any time during the two years preceding the Subrecipient's submission of its offer to provide consulting services to the GLO or, in the alternative, Subrecipient, in its offer to provide consulting services to the GLO, disclosed the following: (i) the nature of the previous employment with the GLO or other state agency; (ii) the date the employment was terminated; and (iii) the annual rate of compensation for the employment at the time of its termination.
10. If the Contract is not for architecture, engineering, or construction services, Subrecipient must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve any dispute arising under the Contract.
11. If the Contract is for architecture, engineering, or construction services, subject to Texas Government Code, Section 2260.002 and Texas Civil Practice and Remedies Code Chapter 114, Subrecipient shall use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve all disputes arising under this Contract. In accordance with the Texas Civil Practice and Remedies Code, Section 114.005, claims encompassed by Texas Government Code, Section 2260.002(3) and Texas Civil Practice and Remedies Code Section 114.002 shall be governed by the dispute resolution process set forth below in subsections (a)-(d).
 - a. Notwithstanding Texas Government Code, Chapter 2260.002(3) and Chapter 114.012 and any other statute or applicable law, if the Subrecipient's claim for breach of contract cannot be resolved by the parties in the ordinary course of business, Subrecipient may make a claim against the GLO for breach of contract and the GLO may assert a counterclaim against the Subrecipient as is contemplated by Texas Government Code, Chapter 2260, Subchapter B. In such event, Subrecipient must provide written notice to the GLO of a claim for breach of the Contract not later than the 180th day after the date of the event giving rise to the claim. The notice must state with particularity: (1) the nature of the alleged breach; (2) the amount the Subrecipient seeks as damages; and (3) the legal theory of recovery.
 - b. The chief administrative officer, or if designated in the Contract, another officer of the GLO, shall examine the claim and any counterclaim and negotiate with the Subrecipient in an effort to resolve them. The negotiation must begin no later than the 120th day after the date the claim is received, as is contemplated by Texas Government Code, Chapter 2260, Section 2260.052.
 - c. If the negotiation under paragraph (b) above results in the resolution of some disputed issues by agreement or in a settlement, the parties shall reduce the agreement or settlement to writing and each party shall sign the agreement or settlement. A partial settlement or resolution of a claim does not waive a party's rights under this Contract as to the parts of the claim that are not resolved.

- d. If a claim is not entirely resolved under paragraph (b) above, on or before the 270th day after the date the claim is filed with the GLO, unless the parties agree in writing to an extension of time, the parties may agree to mediate a claim made under this dispute resolution procedure. This dispute resolution procedure is the Subrecipient's sole and exclusive process for seeking a remedy for an alleged breach of contract by the GLO if the parties are unable to resolve their disputes as described in this section.
 - e. Nothing in the Contract shall be construed as a waiver of the state's or the GLO's sovereign immunity. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under this Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies or immunities or be considered as a basis for estoppel. The GLO does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the GLO, prior to or subsequent to entering into this Contract.
 - f. Compliance with the dispute resolution process provided for in Texas Government Code, Chapter 2260, subchapter B and incorporated by reference in subsection (a)-(d) above is a condition precedent to the Subrecipient: (1) filing suit pursuant to Chapter 114 of the Civil Practices and Remedies Code; or (2) initiating a contested case hearing pursuant to Subchapter C of Chapter 2260 of the Texas Government Code.
12. Subrecipient represents and warrants that, pursuant to Section 2270.002 of the Texas Government Code, Subrecipient does not boycott Israel and will not boycott Israel during the term of the Contract.
 13. This Contract is contingent upon the continued availability of lawful appropriations by the Texas Legislature. Subrecipient understands that all obligations of the GLO under this Contract are subject to the availability of state funds. If such funds are not appropriated or become unavailable, the GLO may terminate the Contract. The Contract shall not be construed as creating a debt on behalf of the GLO in violation of Article III, Section 49a of the Texas Constitution.
 14. Subrecipient certifies that it is not listed on the federal government's terrorism watch list as described in Executive Order 13224.
 15. In accordance with Section 669.003 of the Texas Government Code, relating to contracting with the executive head of a state agency, Subrecipient certifies that it is not (1) the executive head of the GLO, (2) a person who at any time during the four years before the effective date of the Contract was the executive head of the GLO, or (3) a person who employs a current or former executive head of the GLO.

16. Subrecipient represents and warrants that all statements and information prepared and submitted in connection with this Contract are current, complete, true, and accurate. Submitting a false statement or making a material misrepresentation during the performance of this Contract is a material breach of contract and may void the Contract or be grounds for its termination.
17. Pursuant to Section 2155.004(a) of the Texas Government Code, Subrecipient certifies that neither Subrecipient nor any person or entity represented by Subrecipient has received compensation from the GLO to participate in the preparation of the specifications or solicitation on which this Contract is based. Under Section 2155.004(b) of the Texas Government Code, Subrecipient certifies that the individual or business entity named in this Contract is not ineligible to receive the specified contract and acknowledges that the Contract may be terminated and payment withheld if this certification is inaccurate. This Section does not prohibit Subrecipient from providing free technical assistance.
18. Subrecipient represents and warrants that it is not engaged in business with Iran, Sudan, or a foreign terrorist organization, as prohibited by Section 2252.152 of the Texas Government Code.
19. If the Contract is for professional or consulting services governed by Texas Government Code Chapter 2254, Subrecipient represents and warrants that none of its employees including, but not limited to, those authorized to provide services under the Contract, were former employees of the GLO during the twelve (12) month period immediately prior to the date of execution of the Contract.
20. The Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the GLO.
21. IF THE CONTRACT IS NOT FOR ARCHITECTURE OR ENGINEERING SERVICES GOVERNED BY TEXAS GOVERNMENT CODE CHAPTER 2254, SUBRECIPIENT SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS THE STATE OF TEXAS AND THE GLO, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEY FEES, AND EXPENSES ARISING OUT OF, OR RESULTING FROM ANY ACTS OR OMISSIONS OF SUBRECIPIENT OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT AND ANY PURCHASE ORDERS ISSUED UNDER THE CONTRACT. THE DEFENSE SHALL BE COORDINATED BY SUBRECIPIENT WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN Texas STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND SUBRECIPIENT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. 23. SUBRECIPIENT SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS THE GLO AND THE STATE OF TEXAS FROM AND AGAINST ANY AND ALL CLAIMS, VIOLATIONS, MISAPPROPRIATIONS OR INFRINGEMENT OF ANY PATENT, TRADEMARK, COPYRIGHT, TRADE SECRET OR OTHER INTELLECTUAL PROPERTY RIGHTS AND/OR OTHER INTANGIBLE PROPERTY, PUBLICITY OR PRIVACY RIGHTS, AND/OR IN CONNECTION WITH OR ARISING FROM: (1) THE PERFORMANCE OR ACTIONS OF SUBRECIPIENT PURSUANT TO THIS CONTRACT; (2) ANY DELIVERABLE, WORK PRODUCT, CONFIGURED SERVICE OR OTHER SERVICE PROVIDED HEREUNDER; AND/OR (3) THE GLO'S AND/OR SUBRECIPIENT'S USE OF OR ACQUISITION OF ANY REQUESTED SERVICES OR OTHER ITEMS PROVIDED TO THE GLO BY SUBRECIPIENT OR OTHERWISE TO WHICH THE GLO HAS ACCESS AS A RESULT OF SUBRECIPIENT'S PERFORMANCE UNDER THE CONTRACT. 24. Subrecipient has disclosed in writing to the GLO all existing or potential conflicts of interest relative to the performance of the Contract.
25. Sections 2155.006 and 2261.053 of the Texas Government Code prohibit state agencies from accepting a solicitation response or awarding a contract that includes proposed financial participation by a person who, in the past five years, has been convicted of violating a federal law or assessed a penalty in connection with a contract involving relief for Hurricane Rita, Hurricane Katrina, or any other disaster, as defined by Section 418.004 of the Texas Government Code, occurring after September 24, 2005. 26. Subrecipient understands that the GLO will comply with the Texas Public Information Act (Chapter 552 of the Texas Government Code) as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas. Information, documentation, and other material related to this Contract may be subject to public disclosure pursuant to the Texas Public Information Act. In accordance with Section 2252.907 of the Texas Government Code, Subrecipient shall make any information created or exchanged with the State/GLO pursuant to the Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the State or the GLO.
27. The person executing this Contract certifies that he/she is duly authorized to execute this Contract on his/her own behalf or on behalf of Subrecipient and legally empowered to contractually bind Subrecipient to the terms and conditions of the Contract and related documents.

If the Contract is for architectural or engineering services, pursuant to Section 2254.0031 of the Texas Government Code, which incorporates by reference Section 271.904(d) of the Texas Local Government Code, Subrecipient shall perform services (1) with professional skill and care ordinarily provided by competent engineers or architects

practicing under the same or similar circumstances and professional license, and (2) as expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer or architect.

29. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. The acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Subrecipient shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through the Contract and the requirement to cooperate is included in any subcontract it awards. 31. Subrecipient expressly acknowledges that state funds may not be expended in connection with the purchase of an automated information system unless that system meets certain statutory requirements relating to accessibility by persons with visual impairments. Accordingly, Subrecipient represents and warrants to the GLO that any technology provided to the GLO for purchase pursuant to this Contract is capable, either by virtue of features included within the technology or because it is readily adaptable by use with other technology, of: providing equivalent access for effective use by both visual and non-visual means; presenting information, including prompts used for interactive communications, in formats intended for non-visual use; and being integrated into networks for obtaining, retrieving, and disseminating information used by individuals who are not blind or visually impaired. For purposes of this Section, the phrase "equivalent access" means a substantially similar ability to communicate with or make use of the technology, either directly by features incorporated within the technology or by other reasonable means such as assistive devices or services which would constitute reasonable accommodations under the Americans With Disabilities Act or similar state or federal laws. Examples of methods by which equivalent access may be provided include, but are not limited to, keyboard alternatives to mouse commands and other means of navigating graphical displays, and customizable display appearance.
32. If the Contract is for the purchase or lease of covered television equipment, as defined by Section 361.971(3) of the Texas Health and Safety Code, Subrecipient certifies its compliance with Subchapter Z, Chapter 361 of the Texas Health and Safety Code, related to the Television Equipment Recycling Program.

33. Pursuant to Section 572.069 of the Texas Government Code, Subrecipient certifies it has not employed and will not employ a former state officer or employee who participated in a procurement or contract negotiations for the GLO involving Subrecipient within two (2) years after the date that the contract is signed, or the procurement is terminated or withdrawn. The Subrecipient may offer buyouts to Low- to Moderate Income individual households under the Low- to Moderate Buyout (LMB) or Low- to Moderate Income Housing Incentive (LMHI) or urgent need (UN), thus satisfying the criteria listed in Section 104(b)(3) of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5304(b)(3)). Project Delivery and Administration costs, as defined in the State of Texas Plan for Disaster Recovery, enacted May 1, 2018, as amended, will not exceed ten percent (10%) and two percent (2%), respectively, of the total grant allocation. An environmental review must be conducted at all locations prior to the execution and commencement of work.

Eligible activities for the funds are as listed in HCDA section 105(a)(1), 105(a)(7-9) 105(a)(24-25), 5305(a)(8), 24 CFR 570.20(b)(4), and; 24 CFR 570.201(g) including but are not limited to Buyouts; Demolition; Relocation Assistance; Payment of Non-Federal Share; Housing incentives. A waiver eligible under FR-6066-N-01 permits housing incentives and other requirements for one-for one replacement housing, relocation, and Real property acquisition requirements.

The following activities will be assisted under the Contract:

Activity Type	National Objective	Estimated Number of Activities Served
Buyout Program	LMHI	100
Buyout Program	UN	100

Buyout Program

The Subrecipient will offer a Buyout Program that will remove approximately two hundred (200) single family or multifamily homes from areas with high flood risk. The maximum assistance provided to each property will be two hundred fifty thousand dollars (\$250,000) for buyout assistance including incentives/moving and settlement costs and other eligible project costs. The

Subrecipient will purchase residential structures that have flooded and demolish them to create park amenities, open space, or detention areas. The program is voluntary and is intended to assist residents to move out of areas that have been impacted by multiple disasters or are at high risk of flooding from future disasters. The program is also intended to reduce the impact of future disasters, while encouraging targeted revitalization efforts and the creation of open space.

The Subrecipient may work with subrecipients, such as the Harris County Flood Control District or other City Departments to implement this program. If a designee of the Subrecipient is selected, the Subrecipient will work with the designee to choose buyout project locations. Buyouts under this program may be part of a larger City or County buyout strategy, in accordance with a long-term plan for the property to become future open space or detention, to avoid removing a viable property from the housing market. It may include the buyout of impacted single and multifamily housing. Buyout property will be maintained in perpetuity as greenspace, as applicable to buyouts.

To be eligible for Assistance the Residential Structure Homeowner Properties must be Owner-occupied at the time of the storm; served as homeowner's primary residence; sustained damage from Hurricane Harvey; the property is environmentally cleared; and the property is located in a Disaster Risk Reduction Area (DRRA), repetitive flood risk area or Floodplain. The Homeowner applicants and co-applicants must be current on payments for child support; furnish evidence that property taxes are current, under an approved payment plan, or that they have an exemption under current laws and Homeowner applicants must agree to a limited subrogation of any future awards related to Hurricane Harvey, to ensure duplication of benefits compliance.

To be eligible for assistance, the Rental Property must be Renter-occupied at the time of the storm; sustained damage from Hurricane Harvey; the property is environmentally cleared; and the property is located in DRRA, repetitive flood risk area or Floodplain. The Rental Property owners must furnish evidence that property taxes are current, they are under an approved payment plan, or that they have an exemption under current laws.

Buyout Program guidelines will detail applicant or project eligibility requirements, application process, compliance with Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) regulations, and other information.

The City will manage and complete the construction process for the rehabilitation or reconstruction of damaged homes on behalf of homeowners. The City anticipates contracting with a firm(s) to provide design and construction services for the rehabilitation or reconstruction of damaged properties.

Subrecipient must ensure that, upon completion, the rehabilitated, repaired, or reconstructed portion of each property complies with local building codes, and that the entire structure complies with local health and safety codes and standards and all applicable federal, state, and local building codes, the City's Minimum Property Standards (MPS), and compliance with one of the Green Building Standards as required by the Harvey Federal Register.

Xactimate or a similar industry standard tool will be used to ensure cost reasonableness and the work will be verified through an on-site inspection by subrecipient or subrecipient's designee.

Subrecipient must ensure that, upon completion, the rehabilitated, repaired, or reconstructed portion of each property complies with local building codes, and that the entire structure complies with local health and safety codes and standards and all applicable federal, state, and local building codes, including the City's Minimum Property Standards (MPS).

Subrecipient shall conduct a final inspection (site inspection verifying completion of repairs).

Homeowner Managed Rehabilitation, Elevation and Reconstruction

The Subrecipient will provide a Homeowner Managed Rehabilitation option for four hundred eighty (480) households of which it is estimated that two hundred twenty-one (221) will be Low to Moderate Income households. The home acquired may then be reconstructed through the Single-Family Development Program or rehabilitated or reconstructed by partners. These homes would then be offered for sale to Low to Moderate homebuyers or to another homeowner with a damaged home. It is estimated that the Acquisition option may acquire an estimated thirty-five (35) homes. Assistance will be provided to homeowners located in a floodplain or residing in a repetitive flood area that agree to relocate outside of the floodplain. The Relocation incentive assistance will be offered. Applicant may receive post-disaster fair market value, which may include incentives. However, incentives may not be given to applicants that move into disaster-impacted floodplains.

Assistance will be provided to homeowners being served under the Homeowner Assistance Program who are making both a mortgage payment on their storm-damaged home and making a rental payment for their temporary home. These homeowners may be eligible to receive up to twenty (20) months of assistance based on the lesser of their monthly mortgage and temporary rental housing payments. This option may be considered when the rehabilitation or reconstruction of a home extends beyond three (3) months, during which mortgage payments may be due, but the home remains uninhabitable. Project Description

Subrecipient will fund the purchase of multifamily properties, assist with the relocation of residents, and demolish structures to reduce density in vulnerable areas. An environmental review must be conducted at all locations prior to the execution and commencement of work.

The following activities will be assisted under the Contract:

Activity Type	National Objective	Estimated Number of Properties
