

## CITY OF HOUSTON - CITY COUNCIL

Meeting Date: 9/14/2021

District H

Item Creation Date: 8/22/2021

25CONS485 – Award Construction Manager at Risk Contract - Anslow Bryant  
Construction, Ltd. - HFD Fire Station 17 Renovation Project

Agenda Item#: 21.

### **Summary:**

ORDINANCE de-appropriating \$1,646,224.89 out of Fire Consolidated Construction Fund and appropriating \$3,960,224.89 out of Fire Consolidated Construction Fund; approving and authorizing Construction Manager At Risk Contract between City of Houston and **ANSLOW BRYANT CONSTRUCTION, LTD** for Pre-Construction and Construction Phase Services for the Houston Fire Department Fire Station 17 Renovation Project; providing funding for materials testing services, abatement services, Civic Art Program and contingency - **DISTRICT H - CISNEROS**

### **Background:**

**RECOMMENDATION:** Approve an Ordinance (i) awarding a Construction Manager at Risk (CMAR) contract to Anslow Bryant Construction, Ltd.; (ii) de-appropriating the sum of \$1,646,224.89 out of the Fire Consolidated Construction Fund (previously appropriated by Ordinance No. 2019-260); and (iii) appropriating the sum of \$3,960,224.89 for the project.

**SPECIFIC EXPLANATION:** The General Services Department (GSD) recommends that City Council award a Construction Manager at Risk (CMAR) contract to Anslow Bryant Construction, Ltd., to provide pre-construction and construction phase services for HFD – Fire Station 17 Renovation Project for the Houston Fire Department (HFD). The requested appropriation will fund pre-construction and construction services.

On April 23 and April 30, 2021, GSD advertised a Request for Proposals containing selection criteria that ranked proposers on experience, key personnel, safety ratings, and construction phase fee for the project services. The proposals were due on May 13, 2021, and three firms responded. GSD evaluated the proposals and interviewed the three highest-ranking firms. Anslow Bryant Construction, Ltd. ranked highest and offers the best value for the City based on the advertised criteria.

On April 10, 2019, by Ordinance No. 2019-260, City Council authorized the appropriation of \$1,646,224.89 out of the Fire Consolidated Construction Fund for HFD – Fire Station 17 Renovation Project. GSD has determined that it is more cost-effective to engage a CMAR for this project. The requested action will de-appropriate \$1,646,224.89 out of the Fire Consolidated Construction Fund and appropriate \$3,960,224.89 to the CMAR contract with Anslow Bryant Construction, Ltd., for the project.

**PROJECT LOCATION:** 2805 Navigation Blvd, Houston, TX 77003

**PROJECT DESCRIPTION:** The project consists of a complete interior remodel of the existing Fire Station 17. The renovation will include approximately 6,576 total square feet. It will consist of selective demolition; installation of new mechanical, electrical, plumbing, and low voltage systems; removal and replacement of the entire roof, and a complete interior buildout with new finishes and site improvements. The three (3) apparatus bays of the fire station are expected to be fully operational throughout the entire renovation. The project scope includes a thorough constructability report to determine an accurate GMP that provides the best value to the City.

**FUNDING SUMMARY:** It is recommended that City Council appropriate funds for pre-construction and construction phase services, including additional appropriations of \$15,005.81 for materials testing under an existing contract with QC Laboratories, Inc. (OA 4600016456) and \$30,000 for abatement services under an existing contract with ARC Abatement (OA4600014870).

The following amounts for construction and contingency are based on the construction manager's estimate of cost. The final cost of construction will be submitted to the director for approval as part of the Guaranteed Maximum Price (GMP) proposal.

\$ 20,000.00	Pre-Construction Phase Services
\$ 3,514,290.00	Construction Cost (Estimate)
\$ 351,429.00	10% Contingency Cost (Estimate)
<b>\$ 3,885,719.00</b>	<b>Total Estimated Contract Services</b>
\$ 15,005.81	Materials Testing
\$ 30,000.00	Abatement
\$ 29,500.08	Civic Art (1.75%:\$29,500.08+\$32,000 (Ord. No# 2019-260) = \$61,500.08)
<b>\$ 3,960,224.89</b>	<b>Total Funding</b>

**M/WBE PARTICIPATION:** A 19% MBE goal and 11% WBE goal have been established for the construction phase services of this contract. The construction manager will submit the list of proposed certified sub-contractors with the issuance of the GMP proposal.

**PAY OR PLAY PROGRAM:** The proposed contract requires compliance with the City's 'Pay or Play' Ordinance regarding health benefits for employees of City contractors. In this case, the contractor provides health benefits to eligible employees in compliance with City policy.

**HIRE HOUSTON FIRST:** The proposed contract requires compliance with the City's 'Hire Houston First' (HHF) Ordinance that promotes economic opportunity for Houston businesses and supports job creation. In this case, Anslow Bryant Construction, Ltd. is a designated HHF company, but they were the successful awardee without application of the HHF preference.

**CIP FISCAL NOTE:** No significant Fiscal Operating impact is anticipated as a result of this project.

**Capital Project Information:** See the attached Form A for a breakdown of capital costs.

**WBS No:** C-000211-0002-4
