

**CITY OF HOUSTON - CITY COUNCIL**

Meeting Date:

ALL

Item Creation Date:

20PMG14-Texas Commission on Environmental Quality (TCEQ)'s Annual Consolidated Water Quality (CWQ) Fees.

Agenda Item#:

**Background:**

**SUBJECT:** Texas Commission on Environmental Quality (TCEQ)'s Annual Consolidated Water Quality (CWQ) Fees.

**RECOMMENDATION:** Authorize payment of the TCEQ invoices totaling \$1,827,984.56 for the annual Consolidated Water Quality (CWQ) fees for the City of Houston (City's) wastewater treatment plants.

**SPECIFIC EXPLANATION:** This is a request to authorize payment of invoices received from the Texas Commission on Environmental Quality (TCEQ) for the annual Consolidated Water Quality (CWQ) fees, Air Emission Fees (AEF), and Emissions Inspection Fee (EIF) that apply to the City of Houston's (City's) 39 Wastewater treatment plants, as well as the CWQ fees for the City's stormwater permit. The current invoice covers the period from *September 1, 2021 to August 31, 2022 corresponding to TCEQ's fiscal year 2022*. The annual fees are based on the wastewater discharge and air emissions from each of these facilities.

The CWQ fee rate schedule is found in TCEQ's regulations, - Title 30, Texas Administrative Code (TAC), Chapter 21: Water Quality Fees, Section 21.3 Fee Assessment. This became effective July 30, 2009 and is adjusted annually based on the consumer price index. The revenue resulting from the CWQ Fees pays TCEQ's expenses to inspect wastewater treatment facilities and to enforce the provisions of the Texas Water Code. It also funds comprehensive monitoring of water quality for each river basin, conducted under the Texas Clean Rivers Program.

The AEF is based on the tons of pollution emitted during the last full calendar year. The authority to collect this fee is granted under the Texas Health and Safety Code Section 382.0621 and the administration of this fee is found in TCEQs regulations, - Title 30 TAC, Section 101.27. The revenue covers the direct and indirect costs of operating the Title IV and V programs related to the Federal Clean Air Act Amendments of 1990.

The EIF rate is based on the Standard Industrial Classification (SIC) code at an affected regulated entity. The authority to collect this fee is granted under Texas Health and Safety Code Section 382.062, and the administration of the fee is described in Title 30 TAC, Section 101.24. The inspection fee is collected to recover the costs of the TCEQ air programs.

Recommend that Council approve the Houston Public Works' request to pay TCEQ the invoiced amount of \$1,827,984.56.

**FISCAL NOTE:** Funding for this item is included in the FY22 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.
