N31259 - Various types/sizes of pumps and related equipment - MOTION

Agenda Item#: 13.

**Background:**

**Formal Bids Received March 23, 2023, for P37- N31259 - Approve various awards, as shown below, in a total amount of \$2,822,851.74 for various types/sizes of pumps and related equipment for Houston Public Works.**

**Specifications Explanation:**

The Director of the Houston Public Works and the Chief Procurement Officer recommend that City Council approve various awards, as shown below, in the total amount of **\$2,822,851.74** for various types/sizes of pumps and related equipment for the Houston Public Works and that authorization be given to issue purchase orders to below listed contractors.

This purchase consists of twenty-three various sizes, pumps, and motors that HPW crew will use to conduct the necessary repairs at the designated plants and facilities. The various types and sizes of pumps and motors will come with a one-year warranty and the life expectancy is 10-15 years. The existing pumps will be dismantled, and all salvageable components will be inventoried to repair comparable pumps. These pumps will be used to move sludge and wastewater at various City of Houston's Wastewater Plants.

This project was advertised in accordance with the requirements of the State of Texas bid laws. Eight (8) prospective bidders downloaded the solicitation document from SPD's e-bidding website and eight (8) bids were received as detailed below:
