Meeting Date:

ALL

Item Creation Date:

SR1619242939 - Water and Wastewater Pumps, Motors, and Repair Services (Xylem Dewatering Solutions, Inc.) - MOTION

Agenda Item#:

**Background:**

**S05-SR1619242939 - Approve spending authority to purchase water and wastewater pumps, motors and repair services from Xylem Dewatering Solutions, Inc., through the Cooperative Purchasing Agreement with BuyBoard in an amount not to exceed \$445,906.92. The Cooperative Agreement expires June 30, 2026. If BuyBoard and Xylem Dewatering Solutions, Inc. agree to extend the Cooperative Agreement before the expiration date, this award authorizes the City to purchase similar water and wastewater pumps, motors, and repair services under the extended Cooperative Agreement and automatically extends the term of this award to match the term of the extended Cooperative Agreement.**

**Specific Explanation:**

The Director of the Fleet Management Department (FMD) and the Chief Procurement Officer (CPO) recommend that City Council approve spending authority to purchase water and wastewater pumps, motors, and repair services through the Cooperative Purchasing Agreement with BuyBoard in an amount not to exceed **\$445,906.92** for the FMD and that authorization be given to make purchases, as needed, from the BuyBoard contract supplier **Xylem Dewatering Solutions, Inc.** This amount is anticipated to fund **three (3) years** of water and wastewater pumps, motors, and repair services from **Xylem Dewatering Solutions, Inc.**

The Cooperative Agreement expires **June 30, 2026** ("Expiration Date"). If BuyBoard and **Xylem Dewatering Solutions, Inc.** agree to extend the Cooperative Agreement before the expiration date, this award authorizes the City to purchase similar pumps, motors, and repair services under the extended Cooperative Agreement and automatically extends the term of this award to match the term of the extended Cooperative Agreement. If BuyBoard and **Xylem Dewatering Solutions, Inc.** do not agree to extend the Cooperative Agreement before the expiration date, but BuyBoard and **Xylem Dewatering Solutions, Inc.** execute a new Cooperative Agreement with substantially similar terms and conditions, as determined by the CPO and Director of the FMD in conjunction with the City Attorney, as the existing Cooperative Agreement before the end of the term of this award, this award authorizes the City to purchase similar pumps, motors, and repair services under the new Cooperative Agreement and automatically extends the term of this award to match the term of the new Cooperative Agreement. Notwithstanding the foregoing, the term of this award, including any renewals or extensions, shall not exceed ten years.

This recommendation is made pursuant to subsection 791.025 of the Texas Government Code, which provides that "a local government may agree with another local government or with the state or a state agency, including the comptroller, to purchase goods and services" and that such a purchase "satisfies the requirement of the local government to seek competitive bids for the purchase of the goods and services."
