

## Houston Apartment Association

December 21, 2015

The Honorable Annise Parker  
Mayor of Houston  
P O Box 1562  
Houston TX 77251-1562

Dear Mayor Parker:

I am writing on behalf of the Houston Apartment Association, a non-profit trade association representing the owners and managers of more than 570,000 apartment units in the Houston area.

We have reviewed Item 29 on this week's City Council Agenda, which makes several corrective amendments in the city's building and fire codes, and we are strongly in support.

Thank you for making these corrections, and – more important – thank you for your years of dedicated service to the City of Houston.

Sincerely yours,
