The Honorable Annise Parker
Mayor of Houston
PO Box 1562
Houston, Texas 77251

Dear Mayor Parker:

I am writing on behalf of the Greater Houston Builders Association (GHBA), a voluntary, nonprofit trade organization whose 1600 members are involved in the development, homebuilding and remodeling industries in eleven counties.

We have reviewed Item 29 on this week's City Council agenda, which makes several corrective amendments to the City's fire and buildings codes, and we are strongly supportive of these changes.

Thank you for making these corrections, and – more importantly – thank you for your years of dedicated service to the City of Houston.

Sincerely yours,

A handwritten signature in black ink that reads 'Casey W Morgan'.
