RECOMMENDATION: Ordinance authorizing the First Amendment to the contract with CleanServe, LLC and approving the additional allocation of funds.

Amount and Source of Funding: \$800,000.00 from the Stormwater Fund (Fund No. 2302)
(Original (previous) appropriation of \$800,000.00 from the Stormwater Fund (Fund No. 2302))

PREVIOUS HISTORY AND SCOPE: The original contract was approved by City Council on July 29, 2015 by Ordinance Number 2015-715; the project consists of cleaning and removing any and all debris that may obstruct the flow of storm water and inspecting and televising storm sewer lines. The Street and Drainage Division has provided Work Orders on an on-call basis to clean and televise the City's storm drainage system. Under this contract, the contractor has inspected and televised approximately 9 miles of storm sewer lines in various locations throughout the City.

LOCATION: Citywide. This project is located in Key Map Grids in various locations throughout the City and determined as work orders are issued.

PROJECT NOTICE/JUSTIFICATION: The Amendment will request an extension of time to the original contract by an additional 300 calendar days. This time extension and the additional allocation of funds being requested will allow the ongoing on-call of Work Orders to continue to clean and televise the City's storm drainage system.

In order to continue our efforts inspecting and televising storm sewer lines, the additional allocation of \$800,000.00 is required. The original contract amount approved was for \$800,000.00, assuming approval of the requested allocation, the total contract amount will increase to \$1,600,000.00.

HIRE HOUSTON FIRST: The proposed contract requires compliance with the City's 'Hire Houston First' ordinance that promotes economic opportunity for Houston business and supports job creation. In this case the proposed contractor meets the requirements of Hire Houston First.
