

TO: Mayor via City Secretary

REQUEST FOR COUNCIL ACTION

SUBJECT: Amendment to the Agreement with AT&T to move network connectivity from the current location to the new Young Neighborhood Library address		Category	Page 1 of 1	Agenda Item
FROM (Department or other point of origin): Houston Public Library		Origination Date October 10, 2016		Agenda Date October 19, 2016
DIRECTOR'S SIGNATURE: 		Council District affected: D		
For additional information contact: Mary Hammond Phone: 832-393-1368		Date and identification of prior authorizing Council action: Ordinance Number 2016-0343 Passed on April 27, 2016		
RECOMMENDATION: Approve an ordinance to amend the contract with AT&T to revise the location of services to the Young Neighborhood Library				
Amount and Source of Funding: N/A			FIN Budget:	
SPECIFIC EXPLANATION: <p>The Director of the Houston Public Library is requesting that City Council approve an amendment to the agreement with AT&T for fiber metro Ethernet On Demand services that are to be provided at all Houston Public Library locations. One of the locations included in the contract, the Young Neighborhood Library, will be opening in a new location on November 5, 2016. The current location is:</p> <p>Houston Public Library – Young Neighborhood Library 5260 Griggs Road, Palm Center Houston, Texas 77021</p> <p>Since the agreement with AT&T lists the above address, and in order to provide services to the new location, AT&T has requested an amendment to the current agreement that lists the new address for the Young library. We are requesting approval to amend the contract so that services can be installed at the new facility. The new address will be:</p> <p>Houston Public Library – Young Neighborhood Library 5107 Griggs Road Houston, Texas 77021</p> <p>This agreement is funded by the Houston Area Library Automated Network (HALAN), a consortium of eight local library systems organized to share the costs of library automation and technology implementation, of which the Houston Public Library is a part. The HALAN agreement is approved by Council and appointees to the HALAN Advisory Board are approved by Council. The services covered under this agreement are eligible for the E-rate program sponsored by the FCC, which can mean a discount rate of up to 90%.</p>
