PLN - Special Minimum Lot Size Block App No. 662 (1500 block of Scharpe Street, north and south sides)

Agenda Item#:

Background:

In accordance with Section 42-197 of the Code of Ordinances, the property owner of Lot 27, Block 13, of the Broadmoor Subdivision initiated an application for the designation of a Special Minimum Lot Size Block (SMLSBlock). The application includes written evidence of support from the owners of 52% of the block. The Planning and Development Department mailed notifications to thirty-six (36) property owners indicating that the SMLSBlock application had been submitted. The notification further stated that written protest must be filed with the Planning and Development Department within thirty days of mailing. In accordance with the Code, since no protest was filed, no action was required by the Houston Planning Commission in order to submit the application to City Council.

The Planning and Development Department recommends that City Council adopt an ordinance establishing a Special Minimum Lot Size of 6,250 square feet for the 1500 block of Scharpe Street, north and south sides.
