Agenda Item#: 2.

Background:

In accordance with Section 28-303 of the Code of Ordinances, the Sagemont Park Community Improvement Association initiated an application for the designation of a prohibited yard parking requirement area (PYPRA). The application includes a letter of support from the president of the Sagemont Park Community Improvement Association. The Planning and Development Department mailed notices on June 29, 2017 to 277 property owners advising them that the PYPRA application had been submitted. The notification further stated that property owners opposing the designation must file written notice with the Planning and Development Department within twenty days of the date of mailing. Since no protests were timely filed and the application meets the requirements, the Director is forwarding the application to City Council for consideration. The Planning and Development Department recommends establishing the PYPRA.
