LIMITED-PURPOSE ANNEXATION

Section 3.01 Generally

As soon as practicable following the approval of this Agreement by City Council, as authorized by the Act, the City shall annex the Second Amendment Tract for limited purposes. The Original Tract and the First Amendment Tract have been annexed by Ordinance Nos. 2011-1083 and 2014-0506, respectively.

The Parties recognize that at the time of this Agreement, the City's power to zone is restricted by City Charter Article VII-b, Section 13. If the City adopts a zoning ordinance pursuant to City Charter Article VII-b, Section 13, during the period of limited-purpose annexation, the zoning ordinance shall only apply to the Tract if the exclusion of the Tract from the zoning ordinance would, as a matter of law, invalidate the City's ability to zone the City as a whole. If the City initiates procedures to adopt a zoning ordinance, the City agrees to use its best efforts to draft an ordinance in a manner that would not require any application of the ordinance to the Tract. If the City is required to apply any zoning ordinance to the Tract during the period of limited-purpose annexation, the City agrees to apply a zoning classification to the property inside the Tract that would not cause any then-current structure or the use of any property inside the Tract to become noncomplying or nonconforming as a result of the classification.

Section 3.02 Property Taxes and District Liability for Debts of the City

During the term of this Agreement, except as provided in Article V: (i) neither the District nor any owners of taxable property within the District is liable for any present or future debts of the City, and (ii) current and future ad valorem taxes levied by the City will not be levied on taxable property within the District.

Section 3.03 Powers and Functions Retained by the District

Except as limited by the Consent Ordinance, the District is authorized to exercise all powers and functions of a municipal utility district provided by existing law or any amendments or additions thereto. The District's assets, liabilities, indebtedness, and obligations will remain the responsibility of the District. Disposition or acquisition of additional assets, liabilities, indebtedness, and obligations will be governed by the Consent Ordinance to the extent the Consent Ordinance is not inconsistent with this Agreement.

Section 3.04 Extraterritorial Jurisdiction

This agreement does not remove any area of the District from the extraterritorial jurisdiction of the City of Houston. The City may regulate the District in the same manner in which it may regulate other areas within the extraterritorial jurisdiction of the City.

ARTICLE IV

VOTING RIGHTS IN THE DISTRICT

Section 4.01 Generally

Upon annexation of the Tract for limited purposes by the City, the qualified voters of the Tract may vote in City elections pursuant to Local Government Code §43.130. Voting rights are subject to all state and federal laws and regulations.

Section 4.02 Notice

The District, at its own expense, may provide for similar notice in a newspaper of general circulation in the Tract or otherwise.

The Sales and Use Tax shall be imposed on the receipts from the sale and use at retail of taxable items at the rate of one percent or the rate specified under future amendments to Chapter 321 of the Tax Code. The Sales and Use Tax shall take effect on the date described in Tax Code §321.102.

Section 5.02 Payment of Sales and Use Tax to the District

The City shall pay to the District an amount equal to 50 percent (50%) of the Sales and Use Tax revenues that are reported on the monthly sales tax report provided by the Comptroller and received by the City from the Comptroller after the date of the limited-purpose annexation of the Tract. The City shall deliver the District's portion of the Sales and Use Tax revenues to the District within 30 days of the City's receipt of the sales report from the Comptroller. Government Code Chapter 2251 shall govern and provide the penalty if the City fails to deliver the District's portion in a timely manner. For the purposes of determining the applicable overdue date under Chapter 2251, the City is deemed to have received an invoice from the District on the

date the City receives the sales tax report from the Comptroller without further action from the District.

The City agrees to make reasonable efforts to obtain amended and supplemental reports from the Comptroller to reflect, to the greatest extent practicable, all Sales and Use Tax revenues generated within the boundaries of the Tract. Revenues resulting from such amended and supplemental reports will be divided and paid as provided above.

The City shall deliver to the District a condensed version of each monthly sales tax report provided by the Comptroller, containing only the contents of the sales tax report relating to retail sales and retailers in the Tract within 30 days of the City's receipt of the sales tax report.

Section 5.04 District Use of Sales and Use Tax Revenue

The District shall use the Sales and Use Tax revenue provided in Section 5.02 only for purposes for which the District is lawfully authorized to use its ad valorem tax revenues or other revenues.

Section 5.05 District Audit Rights

The District may audit the Sales and Use Tax collections by the City solely to determine whether the Sales and Use Tax revenue payments provided by Section 5.02 have been made to the District in accordance with this Agreement. Any audit shall be made at the District's sole cost and expense and may be performed at any time during the City's regular business hours by an auditor hired by the District on 30 days written notice to the City. For the purpose of any audits, the City shall maintain and make available to the District or its representatives all books, records, documents and other evidence of accounting procedures or practices in whatever form sufficiently maintained to reflect the collection of all Sales and Use Tax revenues that are subject to this Agreement.

Section 5.06 City Audit Rights

The District is required by law to prepare an annual audit within 120 days after the close of the District's fiscal year. The District shall provide a copy of its annual audit to the City within 30 days after the audit is completed.

The City may audit the District's expenditures made with the Sales and Use Tax revenue paid under Section 5.02, solely to determine whether the expenditures have been made by the District in accordance with Section 5.04. For the purpose of any audits, the District shall maintain and make available to the City or its representatives all books, records, documents and other evidence of accounting procedures or

practices in whatever form maintained sufficient to reflect the expenditure of all Sales and Use Tax revenues that are subject to this Agreement.

ARTICLE VII

FULL-PURPOSE ANNEXATION

Section 7.01 No Full-Purpose Annexation During Term of Agreement

Section 7.02 Full Purpose Annexation Option at Termination of Agreement

On December 19, 2040, the Director shall evaluate whether the City should negotiate a new strategic partnership agreement with the District, annex the District for full purposes upon the termination of this Agreement, or allow this Agreement to expire. If the Director recommends that the City neither negotiate a new strategic partnership agreement nor annex the District for full purposes, and the City Council agrees or if the City Council rejects the Director's recommendation to negotiate a new strategic partnership agreement or to annex the District for full purposes, the City may begin proceedings to disannex the Tract for limited purposes if authorized under the applicable provision of the Local Government Code.
