PLN - Special Minimum Lot Size Block App 659 (2100 Block of Southgate Boulevard,
north and south sides)

Agenda Item#:

Background:

In accordance with Section 42-197 of the Code of Ordinances, the property owner of Tracts 27 & 28A, Block 20, of the Southgate Subdivision initiated an application for the designation of a Special Minimum Lot Size Block (SMLSB). The application includes written evidence of support from the owners of 55% of the block. The Planning and Development Department mailed notifications to 24 property owners indicating that the SMLSB application had been submitted. The notification further stated that written protest must be filed with the Planning and Development Department within thirty days of mailing. In accordance with the Code, since no protest was filed, no action was required by the Houston Planning Commission in order to submit the application to City Council.

The Planning and Development Department recommends that City Council adopt an ordinance establishing a Special Minimum Lot Size of 6,900 square feet for the 2100 block of Southgate Boulevard, north and south sides.
