Attn: Smith, Yvette

Subject: BTLIMS Software

AIS International has developed BTLIMS software exclusively for use in testing laboratory Information management for the last 10+years. This product and its installation, maintenance and licensing are exclusively managed by the BTLIMS team employed by AIS International Ltd., a Houston, Texas based minority company.

AIS & BTLIMS, a wholly owned DBA of AIS have the copy rights and any rights on this product or its support services are not been given to any other agencies.

Therefore AIS/BTLIMS is the sole source to support and maintain the BTLIMS Software package.

Bin Yu
