PLN - Special Minimum Lot Size Block App No. 720 (2000 block of University Boulevard, south side)

Agenda Item#:

Background:

In accordance with Section 42-197 of the Code of Ordinances, the property owner of 2033 University Boulevard, Tracts 7 and 8A, Block 4, of the Southgate Subdivision initiated an application for the designation of a Special Minimum Lot Size Block (SMLSb). The application includes written evidence of support from the owners of 55% of the block. The Planning and Development Department mailed notifications to twelve (12) property owners indicating that the SMLSb application had been submitted. The notification further stated that written protest must be filed with the Planning and Development Department within thirty days of mailing. Since no protest was filed, in accordance with the Code, no action is required by the Houston Planning Commission, and the application may be submitted directly to City Council for consideration.

The Planning and Development Department recommends that City Council adopt an ordinance establishing a Special Minimum Lot Size of 6,538 square feet for the 2000 block of University Boulevard, south side.
