Background:

S38-E287354-H - Approve the purchase of aerial ladder truck, tower platform truck, pumper trucks, high pressure pumper truck, high water brush fire truck, aircraft rescue and firefighting (ARFF) mechanic truck, aircraft rescue and firefighting (ARFF) response command vehicles through the Interlocal Agreement for Cooperative Purchasing with the Houston-Galveston Area Council (H-GAC) in the total amount of \$8,796,413.00 for the Fleet Management Department on behalf of Houston Fire Department and the Houston Airport System.

Specific Explanation:

The Director of the Fleet Management Department and the Chief Procurement Officer recommend that City Council approve the purchase of one (1) aerial ladder truck, one (1) tower platform truck, nine (9) pumper trucks, one (1) high pressure pumper truck, one (1) high water brush fire truck, one (1) aircraft rescue and firefighting (ARFF), mechanic truck, and two (2) ARFF response command vehicles through the Interlocal Agreement for Cooperative Purchasing with the Houston-Galveston Area Council (H-GAC) in the total amount of \$8,796,413.00 for the Houston Fire Department and the Houston Airport System and that authorization be given to issue purchase orders to the H-GAC contractors shown below. These firefighting trucks will be used citywide by the department twenty-four hours a day, seven days a week for elevated firefighting operations, fire suppression and responding to emergency medical incidents. The response command vehicle will be used to transport department personnel to help in facilitating the rescue of citizens trapped in dangerous situations. The ARFF mechanic truck and the response command vehicles will be used at the George Bush Intercontinental and the William P. Hobby Airports to respond to aircraft emergencies and repairs. **The funding for these firefighting trucks is included in the adopted FY19 Equipment Acquisition Plan.**

HGAC Contractors:

Metro Fire Apparatus Specialists, Inc.: Approve the purchase of one (1) aerial ladder truck, one (1) tower platform truck, nine (9) pumper trucks and one (1) high pressure pumper truck and in the total amount of \$8,415,927.00
