

CITY OF HOUSTON - CITY COUNCIL

Meeting Date:

Item Creation Date:

HPD - FY2020 Appropriation of Equipment Acquisition Fund

Agenda Item#:

Summary:

Background:

The Chief of Police for the Houston Police Department recommends that City Council approve an ordinance to appropriate \$1,951,000 from the Equipment Acquisition Consolidated Fund (Fund 1800). HPD will use the TX DIR contract for this purchase.

1. IT Equipment	WBS X-100023	\$1,951,000
-----------------	--------------	-------------

HPD's desktops, laptops and various other computing equipment are exceeding five years of service and require refreshing. As equipment ages, processing capability no longer meet current software requirements, failure rates increase causing large amounts of downtime in productivity to classified and civilian workers, and the older equipment configuration will struggle to meet the Windows 10 needs which HPD must be on by the end of 2019 when Windows 7 becomes End of Life.

Fiscal Note

Funding for this item is included in the FY2020 Capital Improvement Plan budget. No significant Fiscal Operating impact is anticipated as a result of this project.

For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below.
