Meeting Date: 6/27/2017 ALL Item Creation Date: 6/8/2017

FIN: TRANS 2017

Agenda Item#: 2.

Summary:

MOTION awarding the Sale of \$200,000,000.00 Tax and Revenue Anticipation Notes, Series 2017, based on the lowest true interest cost, ratify and confirm the use of the Preliminary Official Statement provided to prospective bidders in connection with the offering for sale of the Notes, and authorize the distribution of the Official Statement

Background:

SUBJECT:

Motion Awarding the Sale of Tax and Revenue Anticipation Notes, Series 2017 to one or more purchasers and ratification and confirmation of the use of the Preliminary Official Statement and Official Statement.

RECOMMENDATION:

Adopt a motion authorizing the Mayor and City Controller to award the sale up to \$200,000,000 Tax and Revenue Anticipation Notes, Series 2017 (the "Notes") and take any other action required related to the issuance of the Notes, including ratification and confirmation of the use of the Preliminary Official Statement provided to prospective bidders in connection with the offering for sale of the Notes and approval of the distribution of the Official Statement.

SPECIFIC EXPLANATION:

On May 3, 2017, City Council passed two Ordinances No. 2017-0303; 2017-0304 (the "Ordinances") authorizing the issuance and sale of Tax and Revenue Anticipation Notes, Series 2017 (the "Notes"). As in prior years, the proceeds of the Notes will be used to fund General Fund operating expenditures in anticipation of the receipt of ad valorem tax revenues later in Fiscal Year 2018.

On or about June 14, 2017, a Notice of Sale and Preliminary Official Statement was made available to prospective purchasers relating to the offering of up to \$200,000,000 of Notes, and requesting the delivery of the bids on June 28, 2017. The bids are received through an auction format described below that allows a broker/dealer to bid for the total principal amount of the Notes or a lesser principal amount; therefore, the "winning bid" may be awarded to more than one firm.

Electronic bids for the Notes will be received via the Internet between 8:30 a.m. – 9:00 a.m. Central Daylight Time on June 28th, 2017; however, to ensure that the City receives the most competitive bids, if any bid becomes a leading bid within two minutes prior to the scheduled end of the bidding, then the time period for submission of bids will automatically extend by two minutes from the time such new leading bid was received to allow other bidders to participate. At the close of the bidding period, the Office of the City Controller, Finance Department, and the City's financial advisors will verify interest rate calculations of bids received and join the City Council session to announce the results. City Council is asked to adopt a motion to award the sale to one or more purchasers based on the lowest true interest cost, ratify and confirm the use of the Preliminary Official Statement and authorize the distribution of the Official Statement. It is expected that the proceeds from the sale of the Notes will be available on Tuesday, July 11, 2017.

Meeting Date: 6/27/2017 ALL Item Creation Date:

FIN Motion to adopt FY18-22 CIP

Agenda Item#: 3.

Summary:

RECOMMENDATION from Director Finance Department to approve the Fiscal Year 2018-2022 Capital Improvement Plan (CIP) and establish a charge of \$75.00 plus postage for the adopted CIP documents and a charge of \$5.00 plus postage for a CD version

Background:

SUBJECT:

Approval of the Fiscal Year 2018-2022 Proposed Capital Improvement Plan

RECOMMENDATION:

That City Council approve by Motion the Fiscal Year 2018-2022 Capital Improvement Plan (CIP) and establish a charge of \$75.00 plus postage for the purchase of the adopted CIP documents and a charge of \$5.00 plus postage for the purchase of a CD version of the CIP.

SPECIFIC EXPLANATION:

The FY2018-2022 Capital Improvement Plan (CIP) supports improved delivery of services and an improved quality of living for Houstonians, with an emphasis on drainage, transportation infrastructure, mobility, quality of life, affordable housing and public safety. The plan emphasizes the replacement and rehabilitation of existing facilities and the selective addition and expansion of facilities.

The FY2018-2022 CIP book contains vertical construction projects supported by the General Services Department for its clients (Fire, Health, Library, Parks, Police and Solid Waste), projects supported by Public Works and Engineering (Street & Traffic, Storm Drainage, Water and Wastewater) and the Houston Airport System. In addition, Information Technology, Fleet, and Component Units citywide capital programs are included.

The FY2018-2022 CIP calls for appropriations of over \$8.3 billion during the five-year period. Planned appropriations for the Public Improvement & Citywide Capital Programs total approximately \$538 million, Component Unit Programs \$986 million and \$6.7 billion for the Enterprise Programs.

The Finance Department recommends that City Council approve the FY2018-2022 CIP and establish a charge of \$75.00 plus postage per book to cover printing costs and \$5.00 plus postage for a CD version, both of which can be purchased at the City Secretary's office. The adopted CIP will be available for public viewing at the Downtown Library and on the City's website located at http://www.houstontx.gov/cip/

25GM327 - List of Pre-Qualified Environmental Contractors

Agenda Item#: 4.

Summary:

RECOMMENDATION from Director General Services Department for approval of Pre-qualified Asbestos/Lead Abatement, Mold and Soil Remediation, Demolition and Petroleum Storage Tank Removal Contractors for environmental services only

Background:

SPECIFIC EXPLANATION: The General Services Department (GSD) recommends approval of the following list of 13 contractors as pre-qualified asbestos/lead abatement, mold and soil remediation, demolition and petroleum storage tank removal contractors for environmental services only. The City Legal Department previously determined that the formal bid process is not required for these types of contracts and that GSD may utilize the contractors on a pre-qualified list. The City of Houston will only issue requests for plans, specifications and contracts for asbestos/lead abatement, mold and soil remediation, demolition and petroleum storage tank removal projects for the City of Houston from these pre-qualified contractors. On February 10 and February 17, 2017, GIST advertised a Request for Qualifications containing selection criteria that ranked respondents on licenses, certifications, job experience, work history and work force. Thirteen firms submitted Statements of Qualifications. Representatives from GSD reviewed the qualifications and determined that all 13 firms meet the advertised criteria.

RECOMMENDATION: Approve list of F and Petroleum Storage Tank Removal Con	Pre-Qualified Asbestos/Lead A tractors for environmental serv	batement, I vices.	Mold and Soil R	emediation,	Demo	olition
Amount and Source of Funding: No Fur	ding Required		Finance Budg	get:		
SPECIFIC EXPLANATION: The General contractors as pre-qualified asbestos/lead removal contractors for environmental server	abatement, mold and soil re					
The City Legal Department previously determined that the formal bid process is not required for these types of contracts and that GSD may utilize the contractors on a pre-qualified list. The City of Houston will only issue requests for plans specifications and contracts for asbestos/lead abatement, mold and soil remediation, demolition and petroleum storage tank removal projects for the City of Houston from these pre-qualified contractors. On February 10 and February 17, 2017, GSD advertised a Request for Qualifications containing selection criteria that ranked respondents on licenses, certifications, job experience, work history and work force. Thirteen firms submitted Statements or Qualifications. Representatives from GSD reviewed the qualifications and determined that all 13 firms meet the advertised criteria.						plans, ge tank ranked ients of

20RRA23 Accept Work / JFT Construction, Inc.

Agenda Item#: 5.

Summary:

RECOMMENDATION from Director Department of Public Works & Engineering for approval of final contract amount of \$15,023,839.68 and acceptance of work on contract with **JFT CONSTRUCTION, INC** for Broadway Reconstruction: IH-45 to Airport Blvd. - 0.78% over the original contract amount and under 5% contingency amount - **DISTRICT I - GALLEGOS**

Background:

SUBJECT: Accept Work for Broadway Reconstruction: IH-45 to Airport Blvd. WBS Nos. N-000573-0001-4; R-000500-0166-4; S-000500-0166-4

RECOMMENDATION: (SUMMARY) Pass a motion to approve the final Contract Amount of \$15,023,839.68 or 0.78 % over the original Contract Amount, accept the Work and authorize final payment.

PROJECT NOTICE/JUSTIFICATION: This project was part of the Street and Traffic Capital Improvement Plan (CIP) and was necessary to meet City of Houston design and safety standards, improve traffic mobility and drainage in the service area. This project was approved by the Texas Transportation Commission in the 2013-2016 Statewide Transportation Improvement Program (TIP). The state shall refund the City 80% of the construction cost up to a maximum of \$12,521,948.00, which will be reimbursed through monthly billings as cost are incurred.

DESCRIPTION/SCOPE: This project consisted of the construction of approximately 69,800 square yards of 11-inch thick reinforced concrete pavement with curb and gutter, approximately 12,000 linear feet of storm sewer pipes of 24 to 60-inch including inlet leads, approximately 12,600 linear feet of water line of 4 to 12-inch, approximately 7,700 linear feet of 6-48-inch sanitary sewer line, including all appurtenances. The project also included rehabilitation of existing storm sewer trunk lines and manholes, installation of five new traffic signal systems along Broadway Street. Nathelyne A. Kennedy & Associates, Inc. designed the project with 700 calendar days allowed for construction. The project was awarded to JFT Construction, Inc. with an original Contract Amount of \$14,907,081.81.

LOCATION: The project area is generally bound by Interstate Highway 45 (IH-45) on the north, Airport Boulevard on the south, Glenvalley on the east and Dover on the west. The project is located in Key Map Grids 535P, 535T, 535X and 575B.

CONTRACT COMPLETION AND COST: The Contractor, JFT Construction, Inc., has completed the work under the subject Contract. The project was completed beyond the established completion date with an additional 103 days approved by Change Order Nos 1,2,3,4, and 5. The final cost of the project, including overrun and underrun of estimated unit price quantities and previously approved Change Order Nos. 1, 2, 4, and 5 is \$15,023,839.68, an increase of \$116,757.87 or 0.78% over the original Contract Amount and under 5% contingency amount. The increased cost is a result of the difference between planned and measured quantities.

<u>M/WSBE PARTICIPATION</u>: The SBE goal established for this project was 7.00%. According to Office of Business Opportunity, the participation was 8.32%. Contractor's SBE performance evaluation was rated outstanding.

20AVB08 Accept Work / Angel Brothers Enterprises, Ltd.

Agenda Item#: 6.

Summary:

RECOMMENDATION from Director Department of Public Works & Engineering for approval of final contract amount of \$12,579,020.82 and acceptance of work on contract with **ANGEL BROTHERS ENTERPRISES, LTD.** for West Little York Paving from Wheatley to T. C. Jester - 1.38% under the original contract amount - **DISTRICTS A - STARDIG and B - DAVIS**

Background:

SUBJECT: Accept Work for the West Little York Paving from Wheatley to T.C. Jester; WBS Nos. N-000687-0002-4, R-000500-0203-4 and S-000500-0203-4

RECOMMENDATION: (Summary) Pass a motion to approve the final Contract Amount of \$12,579,020.82 or 1.38% under the original Contract Amount, accept the Work and authorize final payment.

<u>PROJECT NOTICE/JUSTIFICATION</u>: This project was part of the Street & Traffic Capital Improvement project (CIP) and is necessary to meet City of Houston standards and improve traffic circulation, mobility and drainage.

DESCRIPTION/SCOPE: This project consisted of the reconstruction of approximately 9,500 linear feet of undivided concrete roadway on West Little York Road from Wheatley to T.C. Jester and 435 feet west of T.C. Jester. The paving improvements involved the conversion of existing two (2)-lane asphaltic roadway with roadside ditches to four (4)-lane concrete roadway with curbs and gutters, replacement of existing storm sewer system, sidewalks, street lights, driveways and necessary underground utilities. This project also included improvements to the storm sewer drainage system with the installation of approximately 9,930 linear feet of underground storm sewer reinforced concrete boxes ranging from 3'x3' to 9'x6' and 3,030 linear feet of 24" to 30" reinforced concrete pipe. FCM Engineers, P.C. designed the project with 660 calendar days allowed for construction. The contract was awarded to Angel Brothers Enterprises, Ltd., with an original Contract Amount of \$12,754,420.96.

LOCATION: This project is generally bound by Victory Drive on the north, Tidwell on the south, Wheatley on the east and T.C. Jester on the west. The project is located in Key Map Grids 411Z, 412W and X.

CONTRACT COMPLETION AND COST: The Contractor, Angel Brothers Enterprises, Ltd.,

has completed the work under the subject Contract. The project was completed on time with an additional 81 days approved by Change Order Nos. 2 and 5. The final cost of the project, including overrun and underrun of estimated unit price quantities and previously approved Change Order Nos. 1 through 10 is \$12,579,020.82, a decrease of \$175,400.14 or 1.38% under the original Contract Amount and under 5% contingency amount. The decreased cost is a result of the difference between planned and measured quantities.

<u>M/SBE PARTICIPATION</u>: The M/SBE goal established for this project was 17.01%. According to the Office of Business Opportunities, the participation was 18.55%. Contractor's M/SBE performance evaluation was rated Outstanding.

Summary:

RECOMMENDATION from Director Department of Public Works & Engineering for approval of final contract amount of \$2,407,760.69 and acceptance of work on contract with **DCE CONSTRUCTION, INC** for Water Line Replacement in Gessner Area - 4.11% under the original contract amount - **DISTRICTS F - LE and J - LASTER**

Background:

SUBJECT: Accept Work for the Water Line Replacement in Gessner Area; WBS No. S-000035-0154-4.

RECOMMENDATION: (Summary) Pass a motion to approve the final Contract Amount of \$2,407,760.69 or 4.11% under the original Contract Amount, accept the Work and authorize final payment.

PROJECT NOTICE/JUSTIFICATION: This project was part of the City's Water Line Replacement Program and was required to replace and upgrade water lines within the City to increase availability of water, improve circulation and fire protection.

DESCRIPTION/SCOPE: This project consisted of replacement of approximately 29,018 linear feet of water line with related appurtenances in the Gessner Area. KCI Technologies (formerly ESPA CORP, Inc.) designed the project with 269 calendar days allowed for construction. The contract was awarded to DCE Construction, Inc., with an original Contract Amount of \$2,510,964.77.

LOCATION: The project location is subdivided into two areas:

	Bounded by	Key Map Grid	Council District(s)
Area 1	Gessner to the west, Sands Point to the north, Burning Tree to the east and Bellaire to the south	530A, 530B, 530E, 530F	F&J
Area 2	Pella to the west, Bellaire to the north, Gessner to the east, and Stroud to the south	530E, 530J	F&J

CONTRACT COMPLETION AND COST: The Contractor, DCE Construction, Inc., has completed the work under the subject Contract. The project was completed within the Contract time with an additional 4 days approved by Change Order No. 1. The final cost of the project, including overrun and underrun of estimated unit price quantities is \$2,407,760.69, a decrease of \$103,204.08 or 4.11% under the original Contract Amount and under 5% contingency amount. The decreased cost is a result of the difference between planned and measured quantities.

<u>MWBE PARTICIPATION</u>: The M/WBE goal established for this project was 21.66%. According to the Office of Business Opportunity, the participation was 33.00%. Contractor's M/WBE performance evaluation was rated Outstanding.

H26304 - Project Management and ILMS Technology Enhancements Services - MOTION

Agenda Item#: 8.

Summary:

ALVAREZ & MARSAL CORPORATE PERFORMANCE IMPROVEMENT, LLC for approval of spending authority in an amount not to exceed \$137,000.00 through the Master Intergovernmental Cooperative Purchasing Agreement with U. S. Communities to Purchase Project Management Oversight for a Risk-based Inspection Model and Technology Enhancements Services for Houston Fire Department - 6 Months - General Fund

Background:

S33-H26304 - Approve spending authority to purchase project management oversight for a riskbased inspection model and technology enhancements services through the Master Intergovernmental Cooperative Purchasing Agreement (MICPA) with U. S. Communities from Alvarez & Marsal Corporate Performance Improvement, LLC in an amount not exceed \$137,000.00 for the Houston Fire Department.

Specific Explanation:

The Fire Chief and the Chief Procurement Officer recommends that City Council approve the purchase of project management oversight for a risk-based inspection model and technology enhancements services in an amount not to exceed \$137,00.00 for a six (6) month period and that authorization be given to issue a purchase order(s) as needed, to the U.S. Communities' Lead Public Agency contractor Alvarez & Marsal Corporate Performance Improvement, LLC.

The MICPA with U. S. Communities' Lead Public Agency contractor will provide project management oversight and technology enhancements that will be used by the Houston Fire Department to perform various critical risk-based inspections through-out the City.

The technology enhancements will minimize the current backlog of monthly inspections, improve data validation and simplify end-user data capture resulting in improved data quality. In addition, the enhancements will provide the inspectors with improved access and help them navigate assignments, including inclusion of risk details and risk ranking of the various assignments.

The utilization of the MICPA allows the City to leverage numerous existing U.S. governmental contracts with over 50,000 participating agencies with an estimated purchasing power value of \$1.5 billion annually. Moreover, the City will receive the most favorite nation rate. Thus, the City shall capitalize on significant cost savings.

The City is eligible to participate in the U.S. Communities Purchasing Alliance as set out in Section 791.011 of the Government Code and such purchases satisfy State bid laws as set out in Section 791.025 of the Government Code.

HIRE HOUSTON FIRST:

This procurement is exempt from the City's Hire Houston First Ordinance. Bids/proposals were not solicited because the department is utilizing a Cooperative Purchasing Agreement for this purchase.

Fiscal Note:

Funding for this item is included in the FY2018 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ordinance No.: 2014-1078.

Jerry Adams, Chief Procurement Officer Finance/Strategic Procurement Division **Department Approval Authority**

The MICPA with U. S. Communities' Lead Public Agency contractor will provide project management oversight and technology enhancements that will be used by the Houston Fire Department to perform various critical risk-based inspections through-out the City.

The technology enhancements will minimize the current backlog of monthly inspections, improve data validation and simplify end-user data capture resulting in improved data quality. In addition, the enhancements will provide the inspectors with improved access and help them navigate assignments, including inclusion of risk details and risk ranking of the various assignments.

The utilization of the MICPA allows the City to leverage numerous existing U.S. governmental contracts with over 50,000 participating agencies with an estimated purchasing power value of \$1.5 billion annually. Moreover, the City will receive the most favorite nation rate. Thus, the City shall capitalize on significant cost savings.

The City is eligible to participate in the U.S. Communities Purchasing Alliance as set out in Section 791.011 of the Government Code and such purchases satisfy State bid laws as set out in Section 791.025 of the Government Code.

Hire Houston First:

This procurement is exempt from the City's Hire Houston First Ordinance. Bids/proposals were not solicited because the department is utilizing a Cooperative Purchasing Agreement for this purchase.

Fiscal Note:

Funding for this item is included in the FY2018 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ordinance No.: 2014-1078.

N26298 - Transport Vehicle - MOTION

Agenda Item#: 9.

Summary:

GENERAL BODY MANUFACTURING, CO. d/b/a GENERAL TRUCK BODY for a Transport Vehicle for the Houston Fire Department - \$48,000.00 - General Fund

Background:

Sole Bid Received for S38-N26298 - Approve the purchase of a transport vehicle from General Body Manufacturing, Co. d/b/a/ General Truck Body in the total amount of \$48,000.00 for the Houston Fire Department.

Specific Explanation:

The Director of Fleet Management Department and the Chief Procurement Officer recommend that City Council approve the purchase of a transport vehicle from **General Body Manufacturing, Co. d/b/a/ General Truck Body** on its sole bid in the total amount of **\$48,000.00** for the Houston Fire Department and that authorization be given to is a purchase order.

Due to the frequency of flooding in the Houston metropolitan area, an alternative type of vehicle is necessary to help with the removal of citizens from areas of flooding. Utilizing existing fire apparatus leads to expensive repairs because of the components that are not designed for immersion in water. In researching the availability of this type of vehicle, there are no military surplus vehicles that have been reconditioned and upfitted and available for immediate purchase and delivery in the Houston area. This vehicle will be an addition to the Department's Fleet.

Since July 2016, several purchase orders less than \$50,000.00 have been issued to General Body Manufacturing, Co. d/b/a/ General Truck Body. With the issuance of this purchase order, the aggregate total spend to General Body Manufacturing, Co. d/b/a/ General Truck Body will exceed \$50,000.00; thus, requiring City Council approval.

MWBE Participation:

This Procurement is exempt from the City's M/WBE subcontracting goals as the total project expenditures do not exceed the City's \$100,000.00 threshold.

Hire Houston First:

The proposed award requires compliance with the City's 'Hire Houston First' (HHF) ordinance that promotes economic opportunity for Houston businesses and supports job creation. In this case General Body Manufacturing, Co. d/b/a/ General Truck Body is a designated HHF company, but they were the successful

awardee without application of the HHF preference.

Fiscal Note:

Funding for this item is included in the FY17 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ord. 2014-1078.

N26145 - furnish, deliver and provide training for sludge feed pumps - $$\mathrm{MOTION}$$

Agenda Item#: 10.

Summary:

SOUTH WESTERN ENVIRONMENTAL EQUIPMENT TECHNICIANS to Furnish, Deliver and provide Training for Sludge Feed Pumps for the Department of Public Works & Engineering \$59,900.00 - Combined Utility System General Fund

Background:

S78-N26145 – Approve the sole source purchase from South Western Environmental Equipment Technicians (SWEET) to furnish, deliver and provide training for sludge feed pumps in an amount not to exceed \$59,900.00 for the Department of Public Works and Engineering.

Specific Explanation:

The Director of the Department of Public Works and Engineering and the Chief Procurement Officer recommend that the City Council approve sole source purchase to South Western Environmental Equipment Technicians (SWEET) in an amount not to exceed \$59,900.00 to furnish, deliver and provide training for sludge feed pumps for the Department of Public Works and Engineering, and that authorization be given to issue a purchase order.

The scope of work requires the supplier to furnish, deliver, and train City personnel on the operation and maintenance of Penn Valley sludge feed pumps for the Department of Public Works and Engineering's Public Utilities Division located at the City of Houston's Northgate Wastewater Treatment Plant (WWTP), at 303 Benmar, Houston, Texas 77060. The new sludge feed pumps will replace the existing sludge feed pumps which are out of service, inoperable, and beyond economic repair. These sludge feed pumps provide daily operational reliability and efficiency for the facility's sludge treatment process, Monday through Friday, year round from 7:30 a.m. to 4:00 p.m. Further, the sludge feed pumps allow the facility to process and dispose of excess bio-solids produced by the wastewater treatment process and are necessary to keep the wastewater treatment plant in compliance with state and federal regulatory agencies.

This purchase consists of two (2) Penn Valley sludge feed pumps which will come with two years warranty against defects in workmanship and materials under normal use, operation and service. The life expectancy is about 10-20 years. The supplier shall have 8 calendar weeks to furnish, deliver and provide sludge pump operation and maintenance training after receipt of the City of Houston purchase order.

South Western Environmental Equipment Technicians (SWEET) is the sole authorized local municipal representative in the state of Texas of Penn Valley Pump Company Inc. and has no other authorized

representative providers.

This recommendation is made pursuant to Chapter 252, Section 252.022 (a) (7) (A) "a procurement of items that are available from only one source because of patents, copyrights, secrete processes, or natural monopolies" of the Texas Local Government Code for exempt procurements.

Hire Houston First:

This procurement is exempt from the City's Hire Houston First Ordinance that promotes economic opportunity for Houston businesses and supports job creation. The bid was not solicited because the department is utilizing a sole source contractor for the purchase.

Fiscal Note:

Funding for this item is included in the FY2017 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ordinance No. 2014-1078.

Description. Please provide a description of the goods or services required, the duration or frequency of the requirement, and where will the services or goods be delivered.

Two sludge feed pumps are needed to process excess bio-solids via belt-press at the Northgate WWTP. The facility processes sludge Monday through Friday year round from 7:30 AM to 4:00 PM. Goods will be delivered to Northgate WWTP on 303 Benmar Houston, TX 77060.

Type. Please select one of the options and explain below.

Single Source
 Patented Product

(

10/13/11

Proprietary/Copyright Restrictions
 Exclusive or Unique Capability

Equipment Compatibility

Only economically feasible source

Other:

Explanation: Why is this product or service the only one that would satisfy the requirement(s)?

The pumps are in kind replacement of existing sludge feed pumps that are compatible with the existing electrical equipment already there. The pumps also meet the pumping specifications of the original design. Minimal modification will be required to install new pumps.

Due Diligence. Describe the due diligence performed that led to the conclusion that this is a sole source.

There is a signed letter from the representative, Southwestern Enviromental, stating that they are the local municipal representative of Penn Valley Pump Company Inc. for the needed Penn Valley Double-Disc pumps model 6DDSX76. The manufacturer confirmed this via telephone call and email.

S25987 – Sock Style Structural Firefighting Hoods – MOTION

Agenda Item#: 11.

Summary:

LION FIRST RESPONDER PPE, INC for Sock Style Structural Firefighting Hoods for the Houston Fire Department - 3 Years with two one-year options - \$1,070,300.00 - General and Equipment Acquisition Consolidated Funds

Background:

Sole Bid Received for S65-S25987 – Approve an award to Lion First Responder PPE, Inc. in an amount not to exceed \$1,070,300.00 for sock style structural firefighting hoods for the Houston Fire Department.

Specific Explanation:

The Chief of the Houston Fire Department and the Chief Procurement Officer recommend that City Council approve an award to Lion First Responder PPE, Inc. on its sole bid in an amount not to exceed **\$1,070,300.00** for sock style structural firefighting hoods for the Houston Fire Department. It is further requested that authorization be given to make purchases, as needed, for a **thirty-six month term with two one-year options**. This award consists of sock style structural firefighting hoods (sizes small, medium, and jumbo), which will provide protection to firefighters during structural firefighting operations where there is a threat of fire. The hoods will also protect firefighters during non-fire-related rescue operations, emergency medical operations, and victim extrication.

This project was advertised in accordance with the requirements of the State of Texas bid laws. Twenty-two (22) prospective bidders downloaded the solicitation document from SPD's e-bidding website and, as a result, one (1) bid was received from Lion First Responder PPE, Inc.

• Subsequent to the receipt of the bid, prospective bidders were contacted to determine the reason for the limited response to the ITB. Prospective bidders advised that their company could not meet the specification requirements, or was unable to bid competitively.

M/WBE Participation:

Zero-percentage goal document approved by the Office of Business Opportunity.

Hire Houston First:

The proposed award requires compliance with the City's "Hire Houston First" (HHF) Ordinance that promotes economic opportunity for Houston businesses and supports job creation. In this case, Lion First Responder

PPE, Inc. does not meet the requirements for HHF designation; no HHF firms were within three percent.

Fiscal Note:

Funding for this item is included in the FY17 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ord. 2014-1078.

HCD17-55 Resolution of No Objection for the 4% Tax Credit Application of The Vireo Apartments LP

Agenda Item#: 12.

Summary:

RESOLUTION confirming no objection to an application for non-competitive 4% Federal Tax Credits for Construction of **THE VIREO APARTMENTS**, an Affordable Multi-Family Rental Community located near the southwest corner of Tidwell Road and C. E. King Parkway in the extraterritorial jurisdiction of the City of Houston, Texas

Background:

The Housing and Community Development Department (HCDD) recommends Council approve a Resolution of No Objection for the 4% tax credit application of The Vireo Apartments LP. The Vireo Apartments LP intends to submit an application to the Texas Department of Housing and Community Affairs (TDHCA) requesting an award of non-competitive 4% tax credits for the construction of The Vireo Apartments, a 264-unit affordable housing community located at the southwest corner of Tidwell and CE King Parkway. The price per unit is expected to be \$157,930.

Sources of Funds		Uses of	
		Funds	
PR Mortgage	\$21,317,500	Hard Costs	\$27,671,016
Investment Corp Loan			
Bank of America Tax	15,090,490	Soft Costs	7,064,133
Credit Equity			
Deferred Developer	4,154,331	Developer Fee	4,800,000
Fee			
Developer Equity	1,131,272	Land	2,158,444
		Acquisition	
Total Cost	\$41,693,593	Total Cost	\$41,693,593

The TDHCA administers the state's housing tax credit program, which provides federal tax credits to spur the development of quality, affordable housing.

In order to apply for the 4% tax credits, the developer must present a Resolution of No Objection from the governing body of the jurisdiction in which the development is located (including the City's Extraterritorial Jurisdiction). HCDD recommends approval of this resolution based on a B ranked elementary school per Children at Risk rankings, no zoned school is on the State's Improvement Required list, the poverty concentration rate is below 26%, and the development will include 3-4 bedroom units.

A public hearing on this resolution was held on June 21, 2017.

This item was reviewed by the Housing and Community Affairs Committee on May 16, 2017.

In order to apply for the 4% tax credits, the developer must present a Resolution of No Objection from the governing body of the jurisdiction in which the development is located (including the City's Extraterritorial Jurisdiction). HCDD recommends approval of this resolution based on a B ranked elementary school per Children at Risk rankings, no zoned school is on the State's Improvement Required list, the poverty concentration rate is below 26%, and the development will include 3-4 bedroom units.

A public hearing on this resolution was held on June 21, 2017.

This item was reviewed by the Housing and Community Affairs Committee on May 16, 2017.

HPD - Amendment to Chapter 8 of Code of Ordinances.

Agenda Item#: 13.

Summary:

ORDINANCE **AMENDING SECTION 8-17 OF THE CODE OF ORDINANCES**, **HOUSTON**, **TEXAS**, relating to the Automotive Board; containing findings and other provisions relating to the foregoing subject; providing for severability

Background:

The Houston Police Department recommends adoption of an Ordinance amending Chapter 8 of the City of Houston Code of Ordinances to update the Automotive Board's membership to better reflect the Automotive Board's area of oversight.

The proposed amendments address the following issues:

Section 8-17. Automotive board.

• Proposed language for subsection (a)(5) – Position 5 revised

The Automotive Board consists of 11 members, with Position 5 to be filled by a service station or gas station owner. However, the Code of Ordinances has been amended so that service stations and gas stations no longer need a license to sell automotive parts and accessories because of the small volume of these products sold by service stations and gas stations. Thus, because the City no longer issues automotive licenses to service stations or gas stations, the Automotive Board has no oversight of this industry. This position has been vacant for 4 years.

HPD discussed the matter with the Automotive Board and determined that Position 5 should be reallocated to a tow company owner. This is especially relevant because tow license hearings make up a very large portion of every Automotive Board meeting, and currently no Automotive Board positions are allotted to an owner of a tow company.

- Proposed language for subsection (a)(10) Ex-Officio Members. The proposed amendment clarifies that representatives from City Legal and HPD serve as ex-officio members of the Automotive Board (Positions 10 and 11, respectively) and are non-voting members.
- <u>Proposed language for subsection (b) Term</u>.
 The proposed amendment provides that board members' terms will be four, rather than two

years. This change was made in consultation with the Mayor's Office of Boards and Commissions and will result in a more efficient use of resources.

HHD - Childhood Lead

Agenda Item#: 14.

Summary:

ORDINANCE amending Ordinance No. 2014-0927 to approve the extension of the project and budget period in the notice of supplemental award from the UNITED STATES DEPARTMENT OF HEALTH AND HUMAN SERVICES, CENTERS FOR DISEASE CONTROL AND PREVENTION, for the Houston Childhood Lead Poisoning Prevention Program

Background:

The Houston Health Department (HHD) requests City Council's approval of an ordinance authorizing the extension of the project period and budget period for a supplemental grant award from the Department of Health and Human Services, Centers for Disease Control and Prevention (CDC) for the Houston Childhood Lead Poisoning Prevention Program (HCLPPP). The initial budget period was from 9/30/2016 through 9/29/2017 and is being extended to 9/30/2018. Similarly, the project period which was covered in Ordinance 2014-927 from 9/30/2014 through 9/29/2017 is also being extended to 9/30/2018.

HHD also requests City Council to authorized the Director or his designee to act as the City's representative with the authority to accept and expend the grant funds, as awarded, and to apply for and accept and expend all subsequent awards, to extend the budget and/or the project period and authorize the Mayor to execute all related contracts, agreements and documents with the approval of the City Attorney in connection with the grant for a period not to exceed five years.

Funding from this grant will assist HCLPPP to eliminate childhood lead poisoning in the City of Houston by the year 2020. To accomplish this goal, the Bureau of Community and Children's Environmental Health (BCCEH) activities will : 1) develop and enhance a surveillance system to monitor blood lead levels, case management, lead hazard reduction, and permit accurate data analysis Geo-coding mapping, cluster identification and reporting; 2) increase awareness and action among the community and affected professionals in relation to childhood lead poisoning; 3) ensure that children at-risk for exposure to lead are screened and receive case management, environmental investigation, and lead hazard reduction, if they qualify; and 4) expand primary prevention activities in high-risk areas.

HCLPPP works with the HDHHS Bureau Of Epidemiology (BOE), to utilize Maven software for tracking childhood lead, housing rehabilitation, enforcement of housing and health codes, engagement with health care systems, public and healthcare provider education campaigns related to lead contamination through other sources (e.g., imported items), this collaboration allows

HDHHS to focus health and environmental resources, other public health activities and surveillance in areas most needed.

ARA-Entergy Texas DCRF Deny

Agenda Item#: 15.

Summary:

ORDINANCE denying the application of **ENTERGY TEXAS**, **INC** for approval to amend its Distribution Cost Recovery Factor filed with Houston, Texas, on June 2, 2017 - **DISTRICT E - MARTIN**

Background:

The Administration & Regulatory Affairs Department (ARA) recommends that City Council adopt an ordinance denying the application of Entergy Texas, Inc. (Entergy or Company) for approval to amend its distribution cost recovery factor filed with the City of Houston (City or Houston). The City exercises original jurisdiction over the rates, operations and services of Entergy under the provisions of the Public Utility Regulatory Act (PURA) for customers inside city limits. Houston participates in Entergy proceedings, including rate proceedings, as a member of the Steering Committee of Cities (the Coalition), a group of similarly situated cities with Entergy customers within their city limits.

On June 2, 2017, Entergy filed an application to update its current DCRF rate within its service territory, including the City of Houston. Entergy is requesting an approximate \$10.3 million increase to current DCRF rates. If Entergy's current request is approved, the average residential customer using 1,000 kWh per month would experience an approximate \$1.10 increase to the monthly electric bill (compared to existing DCRF rates). The proposed rate request will impact approximately 1,800 customers in the Kingwood area — 1,500 residential and 300 commercial customers.

The enabling statute permitting implementation of a DCRF was approved during the 82nd Legislative Session and allows an electric utility to adjust its rates for changes in certain distribution costs outside of a full base rate proceeding. Pursuant to State Law, the City has 60 days to review the filing and make a final decision approving, modifying or rejecting the application. Therefore, the City's deadline to adopt a rate ordinance is August 1, 2017.

Unlike a full base rate proceeding, the City does not have the option to suspend a DCRF rate request and only has 60 days to review the filing to make a final determination on the reasonableness of the request.

Because of the expedited nature of the filing, the Coalition experts recommend that the City adopt an ordinance denying Entergy's application for approval to amend its DCRF. Entergy's appeal of

the City's final decision will be consolidated into Entergy's DCRF proceeding before the State Public Utility Commission (PUC). The City, as a member of the coalition, will participate in the PUC proceeding.

LGL-Lawsuit Settlement Releford v COH

Agenda Item#: 18.

Summary:

ORDINANCE approving and authorizing Settlement and Release Agreement to settle lawsuit styled **AUDRY RELEFORD** v. City of Houston and Jason Rosemon; Civil Action No. 4:14-CV-02810, in the United States District Court for the Southern District of Texas, Houston Division \$260,000.00 - Property & Casualty Fund

Background:

On October 11, 2012, around midnight, Officer J. Rosemon ("Rosemon") was dispatched in response to a 911 "suspicious person" and "weapons unknown" call. Rosemon was told the suspect was Kenny Releford ("Releford") and directed to his house. When Rosemon arrived at Releford's house to investigate, Releford started advancing towards Rosemon with an angry look, biting his lower lip, and keeping his left hand behind his back. Not knowing whether or not Releford had a weapon, Rosemon repeatedly ordered Releford to stop and to show his hands. Releford ignored the commands. Rosemon back pedaled 70 feet while notifying dispatch. Eventually Rosemon discharged his weapon as he approached a ditch. The gunshot caused Releford to momentarily pause without falling or revealing his left hand. Within a minute, Releford was again advancing towards Rosemon. Rosemon discharged his weapon a second time causing Releford to fall to the ground. Rosemon then observed that Releford was unarmed and holding a cigarette box in his left hand. EMS took Releford to Ben Taub Hospital where he died in surgery a couple of hours later. The autopsy showed both gunshots were within 5-6 inches of each other on Releford's abdomen. HPD's Internal Affairs Division ("IAD") conducted its investigation and found the shooting to be justified. The District Attorney's presented the case to the grand jury and it was no billed.

On October 2, 2014, Plaintiff filed his lawsuit pursuant to 42 U.S.C. Section 1983, alleging constitutional violations against the City and Rosemon in Civil Action No. 4:14-cv-02810; *Audry Releford vs. the City of Houston et al.;* in the United States District Court for the Southern District of Texas, Houston Division. Plaintiff claimed that the City and Rosemon violated his son's Fourth Amendment rights by using excessive force, IAD had a custom of finding all officer shootings to be justified, and officers were not trained on the use of force. Subsequent to filing suit, Plaintiff produced seven affidavits some with identical language from witnesses who claimed that Releford's hands were by his side and visible; Releford complied with Rosemon's commands; Releford fell to the ground after the first shot.

The Plaintiff and the City engaged in mediation and agreed to resolve Plaintiff's claims for a settlement amount of \$260,000.00. The Legal Department recommends that Council adopt an ordinance approving and authorizing settlement of Plaintiff's claims against the City and Rosemon by issuing a check to the trust account of The Faubus Firm, L.L.P., in the amount of \$260,000.00.

LGL Kennedy & Rand Consulting, Inc Agreement

Agenda Item#: 19.

Summary:

ORDINANCE approving and authorizing a professional services agreement between the City of Houston and **KENNEDY & RAND CONSULTING, INC dba PRM CONSULTING GROUP** for Consultant and Expert Witness Services; providing a maximum contract amount - \$75,000.00 Property & Casualty Fund

Background:

SUBJECT: An ordinance authorizing an agreement with **Kennedy & Rand Consulting, Inc.** and the City of Houston for consultant and expert witness services related to pending litigation in a commercial dispute with WTW Delaware Holdings LLC, f/k/a Towers Watson & Co. f/k/a Towers Perrin.

RECOMMENDATION: (Summary)

Adopt an ordinance approving: an agreement between Kennedy & Rand Consulting Inc. ("Firm") and the City of Houston for consultant and expert witness services related to pending litigation in a commercial dispute between WTW Delaware Holdings LLC f/k/a Towers Watson & Co. f/k/a Towers Perrin ("Towers") and the City of Houston, ("City").

The City is plaintiff in pending litigation against Towers in the case styled; The City of Houston v. Towers Watson & Co.: Civil Action No. 14-cv-02213. The lawsuit is currently set for trial in Federal District Court for the Southern District of Texas on January 16, 2018. The City seeks damages from Towers for providing negligent actuarial advice regarding the Firefighter Fund. More specifically, the City alleges that Towers negligently represented the financial condition of the Firefighter Fund, the cost of increasing the benefits provided by the Firefighter Fund, the assets and liabilities of the Firefighter Fund, and the cost of future City contributions to the Firefighter Fund, and that these services were done incompetently and not in accordance with generally accepted actuarial principles and practices in connection with benefits increases. Further, the City seeks damages in an amount of\$!00 Million dollars.

The City is engaging litigation experts and consultants with respect to liability and damage issues. The City Attorney recommends contracting with Firm because of its unique abilities and qualifications and national reputation as knowledgeable actuaries, its work with employee benefit plans for the public sector and its litigation experience.

Funding for this item is included in the FY18 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ord. No. 2014-1078. Pay or Play Program The proposed contract requires compliance with the City's "Pay or Play" ordinance regarding health benefits for employees of the City contractors. In this case, the contractor will provide health benefits to eligible employees in compliance with City policy.

M/WBE Subcontracting

Zero-Percentage Goal Document approved by the Mayor's Office of Business Opportunity. OBO has approved an MWBE waiver.

Houston First

The proposed contract is exempt from the City's Hire Houston First Ordinance. Proposals were not solicited because the Department is utilizing professional services procurement.

Amount of Funding:

\$75,000.00 Initial Allocation and \$75,000.00 Maximum Contract Property & Casualty Fund (1004).

RECOMMENDATION: (Summary)			
Adopt an ordinance approving: an agreement between Kennedy & Rand	Consulting Inc	. ("Firm") a	nd the City of Houston

Adopt an ordinance approving: an agreement between Kennedy & Rand Consulting Inc. ("Firm") and the City of Houston for consultant and expert witness services related to pending litigation in a commercial dispute between WTW Delaware Holdings LLC f/k/a Towers Watson & Co. f/k/a Towers Perrin ("Towers") and the City of Houston, ("City").

AMOUNT AND SOURCE OF FUNDING:	Budget:
\$75,000.00 Initial Allocation and \$75,000.00 Maximum Contract Amount to be	
paid from the Property & Casualty Fund (1004).	
SPECIFIC EXPLANATION:	

The City is plaintiff in pending litigation against Towers in the case styled; *The City of Houston v. Towers Watson & Co.: Civil Action No. 14-cv-02213.* The lawsuit is currently set for trial in Federal District Court for the Southern District of Texas on January 16, 2018. The City seeks damages from Towers for providing negligent actuarial advice regarding the Firefighter Fund. More specifically, the City alleges that Towers negligently represented the financial condition of the Firefighter Fund, the cost of increasing the benefits provided by the Firefighter Fund, the assets and liabilities of the Firefighter Fund, and the cost of future City contributions to the Firefighter Fund, and that these services were done incompetently and not in accordance with generally accepted actuarial principles and practices in connection with benefits increases. Further, the City seeks damages in an amount of \$100 Million dollars.

The City is engaging litigation experts and consultants with respect to liability and damage issues. The City Attorney recommends contracting with Firm because of its unique abilities and qualifications and national reputation as knowledgeable actuaries, its work with employee benefit plans for the public sector and its litigation experience.

Funding for this item is included in the FY18 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ord. No. 2014-1078.

Pay or Play Program

The proposed contract requires compliance with the City's "Pay or Play" ordinance regarding health benefits for employees of the City contractors. In this case, the contractor will provide health benefits to eligible employees in compliance with City policy.

M/WBE Subcontracting

Zero-Percentage Goal Document approved by the Mayor's Office of Business Opportunity. OBO has approved an MWBE waiver.

Houston First

The proposed contract is exempt from the City's Hire Houston First Ordinance. Proposals were not solicited because the Department is utilizing professional services procurement.

Q25923 - Audit Services of Telecommunications Utilities -ORDINANCE

Agenda Item#: 20.

Summary:

ORDINANCE approving and authorizing contract between the City of Houston and FOX, SMOLEN & ASSOCIATES, INC for Audit Services of Telecommunications Utilities (State-issued certificates of franchise authority) for the Administration & Regulatory Affairs Department; providing a maximum contract amount - \$124,700.00 - General Fund

Background:

Request for Qualification for S74-Q25923 – Approve an ordinance awarding a contract to Fox, Smolen & Associates, Inc. in an amount not to exceed \$124,700.00 for Audit Services of Telecommunications Utilities (State-issued Certificates of Franchise Authority) for the Administration & Regulatory Affairs Department.

Specific Explanation:

The Director of the Administration & Regulatory Affairs Department and the Chief Procurement Officer recommend that City Council approve an ordinance awarding a three-year contract to **Fox, Smolen & Associates, Inc.** for Audit Services of Telecommunications Utilities (State-issued Certificates of Franchise Authority) in the total amount not to exceed **\$124,700.00** for the Administration & Regulatory Affairs Department.

The purpose of the contract is to engage a franchise fee expert to perform a compliance audit on Comcast and AT&T's business records. The audit will cover the fee payment areas of the state-issued franchise to ensure Comcast and AT&T are compensating the City in compliance with the fee payment provisions of Chapter 66 of the Texas Utilities Code.

The Request for Qualification (RFQ) was advertised in accordance with the requirements of the State of Texas bid laws. Five (5) prospective respondents downloaded the solicitation document on the Strategic Procurement Division's e-bidding website, and as a result, qualifications were received from Fuller Tax & Consulting, LLC, Stinnett & Associates, Fox, Smolen & Associates, Inc., Muni Services, and Troy and Banks. The evaluation committee consisted of three (3) members from the Administration and Regulatory Affairs Department. The request for qualifications were evaluated based on the following criteria:

- 1. Firm's Prior Experience with Compliance Reviews Similar to SICFA Compliance Reviews
- 2. Firm's Deregulated Cable Accounting Experience
- 3. Qualifications of Partners, Managers, Supervisors and Staff Assigned to this Project
- 4. Firm's Experience with Other Municipalities
- 5. Project Approach

Fox, Smolen & Associates, Inc. was deemed the best respondent

M/WBE Participation:

I ne request for qualifications was issued as a goal-oriented contract with a 24% IV/VVBE participation level. Fox, Smolen & Associates, Inc. has designated the below-named company as its certified M/WBE subcontractor:

<u>Name</u> Yoe CPA, LLC <u>Type of Work</u> Audit **Dollar Amount** \$29,928.00 Percentage 24%

Pay or Play Program:

The proposed contract requires compliance with the City's "Pay or Play" ordinance regarding health benefits for employees of City contractors. In this case Fox, Smolen & Associates, Inc. will pay into the Contractor responsibility fund in compliance with City policy.

Fiscal Note:

Funding for this item is included in the FY17 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ordinance 2014-1078.

HPD - Amendment to Agreement with Tiburon

Agenda Item#: 21.

Summary:

ORDINANCE approving and authorizing amendment to agreement with **TIBURON**, **INC** for the Records Management System for the Houston Police Department - \$644,588.32 - General and Grant Funds

Background:

The Chief of Police for the Houston Police Department recommends City Council adopt an ordinance approving an amendment to the Agreement for an Automated Records Management System including Software, Equipment, Training and Ongoing Support Services with Tiburon Inc.

In May 2009, the City awarded a five-year contract with eight additional one-year options to Tiburon Inc. to develop HPD's records management system. The scope of work requires Tiburon Inc. to provide all labor, equipment, materials, supplies, installation and supervision necessary to implement an automated records management system which consists of hardware, software, professional services, support personnel and maintenance.

Currently, **Section IV, Subsection A.** <u>Payment Terms</u> of the Agreement contains a provision that "The total cost of all additional services provided by Contractor in response to a written request by the Director under this Agreement must not exceed \$1,000,000."

However, the Agreement also instructs under the same **Subsection IV**, **Subsection J**. <u>Additions and Deletions</u> that Change Orders for additional services cannot exceed 25% of the original contract amount unless the additions are exempt from the competitive bidding or proposal requirement sent forth in Tex. Local Govt. Code Chapter 252 or the City acquires the additions from Contractor through a competitive bid or competitive proposal.

Texas Local Government Code Chapter 252, § 252.048(d) provides in part that the original contract price may not be increased under this section by more than 25%. Due to the apparent conflict between the provisions stated above, the parties desire to have the Agreement governed by § 252.048(d).

HPD consulted with City Legal and developed an Amendment to Subsection A. <u>Payment Terms</u> as follows:

The total cost of all Additional Services provided by Contractor in response to a Change Order by the Director under this Agreement must not exceed 25% of the original contract amount as provided in **Subsection J. Additions and Deletions**.

Prior Council Action:

E23872-A1 Flight Information Display System Services - ORDINANCE

Agenda Item#: 22.

Summary:

ORDINANCE amending City of Houston Ordinance No. 2011-402 to increase the maximum contract amount for agreement between the City of Houston and **INFAX**, **INC**, for Flight Information Display Systems for the Houston Airport System - \$458,350.00 - Enterprise Fund

Background:

S76-E23872-A1 - Approve an amending ordinance to increase the maximum contract amount from \$1,833,400.00 to \$2,291,750.00 for the contract between the City of Houston and Infax, Inc., for Smart Restroom technology for the Houston Airport System (HAS).

Specific Explanation:

The Director of the Houston Airport System and the Chief Procurement Officer recommend that City Council approve an amending ordinance to increase the maximum contract amount from \$1,833,400.00 to \$2,291,750.00 for the contract between the City of Houston and Infax, Inc., for Smart Restroom technology for the Houston Airport System.

The initial contract for Flight Information Display System (FIDS) services was awarded on June 1, 2011 by Ordinance 2011-0402 for a five (5) year term, with two (2) one year options in an amount not to exceed \$1,833,400.00. Expenditures as of June 1, 2017 total \$1,833,400.00. The increased spending authority is necessary to provide Smart Restroom technology that will improve customer satisfaction by capturing feedback and providing actionable data to airport executive and custodial staff. In addition, Smart Restroom technology will provide passenger counting, passenger feedback devices, and predictive analytics to airport staff that will assist in the overall passenger experience. HAS completed a successful pilot evaluation of the technology in six locations including Intercontinental Airport Houston (IAH) and Hobby Airport (HOU).

The contractor, Infax, Inc. is the sole proprietary owner, developer, supplier and distributor of the multi-user flight information software and is the sole provider of the associated technical support services used to manage, maintain, and/or repair the FIDS. Smart Restroom technology will be incorporated with HAS' FIDS to provide predictive analytics for aircraft arrivals / departures relevant to a specific restroom area, enabling better efficiencies with cleaning times /frequencies.

Hire Houston First:

Hire Houston First does not apply to this procurement because it is for telecommunication and information services, which may not be subject to any local preference per state law.

M/WBE Participation:

T25967-Single Stream Recycling Processing Services - ORDINANCE

Agenda Item#:

Background:

Request for Proposal for S74-T25967 – Approve an ordinance awarding a contract to Fomento De Construcciones Y Contratas, Inc. DBA FCC SA in an amount not to exceed \$56,974,625.00 for Single Stream Recycling Processing Services for the Solid Waste Management Department ("SWMD").

Specific Explanation:

The Director of the Solid Waste Management Department and the Chief Procurement Officer recommend that City Council approve an ordinance awarding a fifteen-year contract, with one five-year option, to FCC SA for Single Stream Recycling Processing Services in the total amount not to exceed \$56,974,625.00 for the Solid Waste Management Department.

The scope of work requires the Contractor to provide all facilities, equipment, labor and services required to receive, sort, process, store, use and/or market recyclable materials collected by City crews and delivered to a Materials Recovery Facility ("MRF").

The Request for Proposal (RFP) was advertised in accordance with the requirements of the State of Texas bid laws. Twentyeight (28) prospective respondents downloaded the solicitation document on the Strategic Procurement Division's e-bidding website, and as a result, proposals were received from Waste Management, BFI Waste Services of Texas, LP, Fomento De Construcciones Y Contratas, Inc. DBA FCC SA, Independent Texas Recyclers, and Friedman Recycling. The evaluation committee consisted of four (4) members from the Solid Waste Management Department, one (1) member from the Finance Department, one (1) member from the Legal Department, and one (1) member (Professor) from Texas Southern University. The proposals were evaluated based on the following criteria:

- 1. Responsiveness of the Proposal
- 2. Experience and Qualifications
- 3. Proposed Plan/Overall Operational Plan
- 4. Accessibility of Location
- 5. Recovery Rate of Current Commodities
- 6, Plastic Bags and Film
- 7. Glass
- 8. Increasing Other Commodities
- 9. Price (Fee and Revenue Schedule)
- 10. Financial Capacity
- 11. MWBE Plan

FCC SA was deemed the best respondent.

M/WBE Participation:

The request for proposal was issued as a goal-oriented contract with a 11% M/WBE participation level, FCC SA has designated the below-named company as its certified M/WBE subcontractor:

<u>Name</u>	Type of Work	Dollar Amount	<u>Percentage</u>
Taylor Smith Consulting, LLC	Staffing Services	\$7,406,701.00	13%

Pay or Play Program:

The proposed contract requires compliance with the City's "Pay or Play" ordinance regarding health benefits for employees of City contractors. In this case FCC SA will provide health benefits to covered eligible employees in compliance with City policy.

Hire Houston First:

The proposed contract requires compliance with the City's "Hire Houston First" ordinance that promotes economic opportunity for Houston Businesses and support job creation. In this case the proposed contractor FCC SA does meet the requirements of HHF designation.

Fiscal Note:

Funding for this item will be included in the FY19 Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ordinance 2014-1078.

HPD - Appropriation Ordinance for IT CIP projects.

Agenda Item#: 24.

Summary:

ORDINANCE appropriating \$2,300,000.00 out of Equipment Acquisition Consolidated Fund for purchase of Equipment, Software and Services for the Houston Police Department

Background:

PROJECT	PROJECT NO.	AMOUNT			
1. Operational Systems Growth WBS#X-100044 \$300,000.0					
Procure, install/configure hardware and/or software updates and/or upgrades required to meet operational needs and normal data storage growth requirements for the department. This project is for servers for data storage that includes 6 blades, SAN storage, professional services and other server related software. Systems must be properly maintained to ensure optimal operation; storage capacity must keep pace with department's ever increasing demand for data storage or pruning/purging will be required.					
2. CJIS Compliance	WBS# X-100042	\$600,000.00			
Procure network equipment, servers and	d software updates to mee	t Criminal Justice Info			
Services (CJIS) compliance. Various s of-life support in 2017 and must be updated					
3. City-County Software Interfaces	WBS# X-100028	\$300,000.00			
Design and implement interfaces between HPD's Records Management System (RMS) and Harris County's Jail Management System. Arrest information will be directly transferred to the County, preventing duplication of work and the loss of man hours. The interfaces will also allow for information to be fed back into RMS from the County's system. With HPD transferring all jail operations to Harris County, the interface and developmental changes within RMS and other HPD systems will be necessary for the information to be transferred into the joint jail management system being developed by Harris County.					
4. Data Center ReplacementsWBS# X-100046\$200,000.00					
Replacement of end-of-life network distribution equipment including switches and routers. The new network distribution equipment will be compliant with Criminal Justice					

Information Services (CJIS) and will be located at HPD's new data center. Critical network distribution equipment has reached its end-of-life and represents a single point of failure. An uninterruptable power supply is no longer capable of supporting power failure instances for the equipment. Additionally, external agency functions would be interrupted in the event of failure.

5. Disaster Network Redundancies WBS# X-100048 \$900,000.0					
Implement appropriate network infrastr disaster or major outage that disable required for critical systems to be op stations, and for system connectivity current backup site has no network re provide additional hardware and softwa and application services to support HP main datacenter	s the main data center. In erational at HPD headqua to other critical county and edundancy for critical syste are required for email, datab	cludes IT equipment rters, 16 large police state agencies. The ems. This funding will base, network access,			

Fiscal Note

25CONS328 Award Design/Build Contract Drymalla Construction Company, Inc. HFD Training Academy Burn Building Renovation

Agenda Item#: 25.

Summary:

ORDINANCE appropriating \$203,500.00 out of Fire Consolidated Construction Fund; approving and authorizing Design-Build Contract between the City of Houston and **DRYMALLA CONSTRUCTION COMPANY INC** for the Houston Fire Department Academy Burn Building Renovation Project; providing funding for the Civic Art Program financed by the Fire Consolidated Construction Fund - **DISTRICT D - BOYKINS**

Background:

Specific Explanation: The General Services Department (GSD) recommends that City Council award a design/build contract to Drymalla Construction Inc., to perform design and construction phase services for the Houston Fire Department (HFD) Training Academy Burn Building Renovation.

On January 27 and February 3, 2017, GSD advertised a Request for Qualifications (RFQ) for design/build services for the Training Academy Burn Building Renovation project. The RFQ contained selection criteria that ranked respondents on experience, personnel expertise, design consultants experience, and approach to the project. The Statements of Qualifications (SOQ) were due on February 23, 2017, and four teams responded. GSD formed a selection committee comprised of representatives from GSD and HFD to evaluate the respondents. The selection committee short listed and interviewed all four firms. Drymalla Construction Inc. received the highest points based on the advertised criteria and offers the best value for the City.

PROJECT DESCRIPTION: The existing HFD Training Academy Burn Building's fire training systems have exceeded their useful life and technology. This project will renovate the existing 12,000 square foot facility; to include retrofitting new fire environment technology training systems and burn cribs; repairing the shell structure; and installing heat shield tiles throughout the building to protect the structure from fire damage.

PROJECT LOCATION: 8030 Braniff Street (Key Map 575K)

AWARD: It is recommended that City Council award a design/build contract to Drymalla Construction Company, Inc., and appropriate funds for the project.

The following amounts for pre-construction phase services and Civic Art are based on the funds

currently identified in the FY2017 Capital Improvement Plan (CIP). The final cost of construction will be submitted to the director for approval as part of the Guaranteed Maximum Price (GMP) proposal and appropriated from funds identified in the FY 2018 CIP.

\$ 200,000.00	Pre-Construction Phase Services
<u>\$ 3,500.00</u>	Civic Art (1.75%)
\$ 203,500.00	Total Funding

M/WBE INFORMATION: A 24% M/WBE goal has been established for pre-construction (design) phase services. The contractor has submitted the following certified firms to achieve the goal:

<u>Firm</u>	<u>Work</u> Description	<u>Amount</u>	<u>% of</u> <u>Contract</u>
CSF Consulting,	Structural		
L.P.	Engineering	\$ 22,000	11.0%
Environments &			
Company	Architectural	\$ 81,035	40.5%
E & C Engineers	MEP		
& Consultants Inc.	Engineering	• • - • • •	
		\$ <u>25,000</u>	<u>12.5%</u>
	TOTAL	\$128,035	64%

Upon completion of the pre-construction phase (design), the contractor will submit the list of proposed certified firms for construction phase services with the issuance of the GMP proposal.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City's "Pay or Play" Ordinance regarding health benefits for employees of City contractors. In this case, the contractor provides health benefits to eligible employees in compliance with City policy.

HIRE HOUSTON FIRST: This procurement is exempt from the City's Hire Houston First Ordinance. Bids/proposals were not solicited because the department is utilizing the design/build project delivery method for this project.

CIP FISCAL NOTE: There is no estimated impact to the operating and maintenance costs as a result of this CIP project. Therefore, no Fiscal Note is required as stated in the Financial Policy Ordinance No. 2014-1078.

Capital Project Information: See the attached Form A for a breakdown of capital costs.

20CDC05/FY2013 SIDEWALK PROGRAM PROJECT

Agenda Item#: 26.

Summary:

ORDINANCE finding and determining public convenience and necessity for the acquisition of real property interests in connection with the public improvement project known as the FY 2013 Sidewalk Program Project; authorizing the acquisition of fee simple or easement interest to four parcels of land required for the project and situated in the H.T. & B.R.R. Co. Survey, Abstracts No. 283 and No. 1719, in Harris and Montgomery Counties, Texas, said parcels of land being located along the east line of Woodridge Parkway and the north line of Northpark Drive, east of Interstate 69, in Kingwood and the extraterritorial jurisdiction of Houston, Harris & Montgomery Counties, Texas, by gift, dedication, purchase and the use of eminent domain and further authorizing payment of the costs of such purchases and/or eminent domain proceedings and associated costs for relocation assistance, appraisal fees, title policies/services, recording fees, court costs, and expert witness fees in connection with the acquisition of fee simple or easement interest to four parcels of land required for the project - **DISTRICT E - MARTIN**

Background:

SUBJECT: Recommendation that an ordinance for the FY2013 SIDEWALK PROGRAM PROJECT be passed approving and authorizing the acquisition of parcels by dedication, purchase, or condemnation. WBS N-320610-0126-2

VVB3 N-320010-0120-2

<u>RECOMMENDATION</u>: (Summary)

An ordinance for the FY2013 SIDEWALK PROGRAM be passed approving and authorizing the acquisition of parcels by dedication, purchase, or condemnation.

SPECIFIC EXPLANATION:

The Department of Public Works and Engineering is requesting that an ordinance for the FY2013 SIDEWALK PROGRAM PROJECT be passed approving and authorizing the acquisition of parcels by dedication, purchase, or condemnation. This project is part of the FY2013 Sidewalk program which provides for the design and construction of sidewalks throughout the city. This project will accommodate pedestrian needs by providing a wider traveling space free of obstruction and will address the health, safety and welfare of all pedestrians, as well as provide continuity with the existing sidewalk.

This action authorizes payment for costs of land purchases/condemnations, relocation assistance expenses, appraisal fees, title policies/services, recording fees and other acquisition costs in

connection with negotiations to settle purchases; finds a public necessity for the project; and approves and authorizes the condemnation of the land and improvements thereon. If negotiations to acquire the property cannot be concluded as a dedication or purchase or for any reason for which acquisition by condemnation is warranted, this action authorizes the City Attorney to file or cause Eminent Domain proceedings to be filed and acquire land, rights-of-way and/or easements for said purposes and authorizes payment for the Award of Special Commissioners and court costs associated with condemnation proceedings. Parcels with a consideration that exceeds the spending authority threshold set by State law will be submitted to City Council as they are finalized. This will expedite the process of acquiring land, rights-of-way and/or easements in support of the FY2013 SIDEWALK PROGRAM PROJECT.

Prior Council Action:

Ordinance 2016-757, passed October 5, 2016.

Amount of Funding:

No additional funding required.

20CH31 Additional Appropriation

Agenda Item#: 27.

Summary:

ORDINANCE appropriating \$1,300,000.00 out of Metro Construction – Other Fund; \$550,000.00 out of Metro Project Construction DDSRF Fund for Salary Recovery Costs for the Construction Projects in the Capital Improvement Plan

Background:

SUBJECT: Funds to cover Salary Recovery Costs for Projects in the Capital Improvement Plan. WBS No. N-320396-0029-6

RECOMMENDATION: (SUMMARY) Approve an ordinance appropriating additional funds for Salary Recovery Costs for the construction projects in the Capital Improvement Plan.

SPECIFIC EXPLANATION: The Department of Public Works and Engineering is requesting that an ordinance be approved appropriating funds to cover the Salary Recover Costs for construction projects supported by Fund Nos. 4040 and 4040A. The funding category includes Safe Sidewalk, Hike and Bikeway, Street and Intersection Improvement and Traffic Signal Improvement projects.

Salary Recovery Costs covers all expenses for project management activities and are recovered from CIP appropriation. Public Works and Engineering recognize that project management activities for work order projects are significantly higher than for non-work order projects. Due to the emphasis on rehabilitation of infrastructures such as Pedestrian Accessible Review (PAR) sidewalk projects, Council District Service Fund sidewalk projects and overlay and panel replacement of streets the number of work order projects have increased over the past several years. This increase resulted in more salary recovery costs than planned and appropriated for these funds.

To cover the salary recover costs, based on current and projected expenditures, an additional appropriation of funds is required. The requested appropriation will reimburse the Fund Nos. 4040 and 4040A for the actual cost of services provided by engineers, inspectors, project managers and administrators.

The total requested appropriation is \$1,850,000.00 for CIP Cost Recovery.

Karun Sreerama, MBA, PhD, PE Director Department of Public Works and Engineering

20TY32 Amendment / Brown & Gay Engineers, Inc.

Agenda Item#: 28.

Summary:

ORDINANCE appropriating \$1,200,000.00 out of Water & Sewer System Consolidated Construction Fund as an additional appropriation; approving and authorizing first amendment to Professional Engineering Services Contract between the City of Houston and **BROWN & GAY ENGINEERS**, **INC** for Facilities Improvements at Various Well Site and Re-Pump Stations (Approved by Ordinance No. 2014-0569); providing funding for CIP Cost Recovery relating to construction of facilities financed by the Water & Sewer System Consolidated Construction Fund - **DISTRICTS A - STARDIG; F - LE; G - TRAVIS; J - LASTER and K - GREEN**

Background:

SUBJECT: First Amendment to Professional Engineering Services Contract between the City and Brown & Gay Engineers, Inc. for Facilities Improvements at Various Well Sites and Re-Pump Stations. WBS No. S-001000-0044-3.

RECOMMENDATION: (SUMMARY)

Approve First Amendment to the Professional Engineering Services Contract with Brown & Gay Engineers, Inc. and appropriate funds.

PROJECT NOTICE/JUSTIFICATION: This project is part of the City's improvements of various groundwater facilities, well sites and Re-Pump stations program. This program is required to meet the Texas Commission on Environmental Quality regulations. Also, this project will improve the operability, maintainability and reliability of the plants.

DESCRIPTION/SCOPE: The project was divided into three (3) packages after the completion of Phase I - preliminary design. Due to the additional scope and the design packages regrouping, the appropriated amount of the original contract only covers Phase I of Package 1, 2 and 3; Phase II and III of Package 1; and 65% of Phase II and III of Package 2. The requested funding is for the remaining design services of Phase II and III for Package 2 and Package 3.

Package 2 and Package 3 consists of providing professional engineering and related services associated with the evaluation, design and implementation of improvements to the various facilities and the following tasks:

- Engineering support services for valve and piping rehabilitation/replacements (operability of plant isolation).
- Findineering support services to rehabilitate/replace electrical switchgear motor control

- components, automatic transfer switches and electrical generation support equipment.
- Provide new oil reservoirs to each well motor and remove and replace any existing oil reservoirs.
- Vibration monitoring through SCADA to each well that is having electrical upgrades.
- Provide magnetic flowmeter to each well site.
- Additional design services shall be provided as required and authorized for unanticipated problems that require corrective actions.

PREVIOUS HISTORY AND SCOPE: City Council approved the original contract on June 4, 2014 under Ordinance No. 2014-0569. The scope of services under the original contract consisted of the following tasks:

- Engineering support services for valve and piping rehabilitation/replacements (operability of plant isolation).
- Engineering support services to rehabilitate/replace electrical switchgear, motor control components, automatic transfer switches & electrical generation support equipment.

In addition to the original contract, the flowing tasks have been added to Package 1:

- Provide new oil reservoirs to each well motor and remove and replace any existing oil reservoirs.
- Provide automatic blow off valve system to well sites Acres Homes 2A, 2B, 3 and 3A.
- Vibration monitoring through SCADA to each well that is having electrical upgrades.
- Provide magnetic flowmeter to each well site.
- Provide electrical improvements to Acres Homes Well 05.

Phase I - preliminary design for the original scope was completed under the original contract. The project was divided into three (3) packages after the completion of Phase I - preliminary design. Package 1 is currently under final design. The design for Package 2 and 3 is underway.

SCOPE OF THIS AMENDMENT AND FEE: Under the scope of the first amendment, the engineer will complete the basic services phase II - final design, phase III - construction phase services and additional services for the rest of the work of Package 2 and the entire Package 3. The basic services fee for phase II and phase III will be negotiated on a lump sum basis. The total basic services appropriation is \$790,879.00.

The contract also includes certain additional services to be paid either as lump sum or on a reimbursable basis. The additional services include surveying, platting, reproduction services and drug testing. The total additional services appropriation is \$252,032.00.

The total requested appropriation is \$1,200,000.00 to be appropriated as follows: \$1,042,911.00 for contract services and \$157,089.00 for CIP Cost Recovery.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City contractors. In this case, the

Contractor provides health benefits to eligible employees in compliance with City policy.

M/WBE PARTICIPATION: The M/WBE goal established for this project is 24%. The original contract amount totals \$1,746,412.00. The Consultant has been paid \$868,029.14 (49.70%) to date. Of this amount, \$259,108.00 (29.85%) has been paid to M/WBE sub-consultants to date. Assuming approval of the requested additional appropriation, the contract amount will increase to \$2,789,323.00. The Consultant proposes the following plan to meet the M/WBE goal.

Name of Firms	Work Description	Amount	<u>% of Total</u> Contract
Paid Prior M/WBE		\$259,108.00	9.29%
Commitment Unpaid Prior M/WBE Commitment		\$181,597.00	6.51%
1. Kalluri Group, Inc.	Engineering Services TOTAL	<u>\$788,426.00</u> \$1,229,131.00	<u>28.27%</u> 44.07%

ESTIMATED FISCAL OPERATING IMPACT:

No significant Fiscal Operating impact is anticipated as a result of this project.

20TY32 Amendment / Brown & Gay Engineers, Inc.

Agenda Item#:

Background:

SUBJECT: First Amendment to Professional Engineering Services Contract between the City and Brown & Gay Engineers, Inc. for Facilities Improvements at Various Well Sites and Re-Pump Stations, WBS No. S-001000-0044-3.

RECOMMENDATION: (SUMMARY)

Approve First Amendment to the Professional Engineering Services Contract with Brown & Gay Engineers, Inc. and appropriate funds.

PROJECT NOTICE/JUSTIFICATION: This project is part of the City's improvements of various groundwater facilities, well sites and Re-Pump stations program. This program is required to meet the Texas Commission on Environmental Quality regulations. Also, this project will improve the operability, maintainability and reliability of the plants.

DESCRIPTION/SCOPE: The project was divided into three (3) packages after the completion of Phase I - preliminary design. Due to the additional scope and the design packages regrouping, the appropriated amount of the original contract only covers Phase I of Package 1, 2 and 3; Phase II and III of Package 1; and 65% of Phase II and III of Package 2. The requested funding is for the remaining design services of Phase II and III for Package 2 and Package 3.

Package 2 and Package 3 consists of providing professional engineering and related services associated with the evaluation, design and implementation of improvements to the various facilities and the following tasks:

- Engineering support services for valve and piping rehabilitation/replacements (operability of plant isolation).
- Engineering support services to rehabilitate/replace electrical switchgear, motor control components, automatic transfer switches and electrical generation support equipment.
- · Provide new oil reservoirs to each well motor and remove and replace any existing oil reservoirs.
- Vibration monitoring through SCADA to each well that is having electrical upgrades.
- Provide magnetic flowmeter to each well site.
- · Additional design services shall be provided as required and authorized for unanticipated problems that require corrective actions.

20GK89/Contract Award/Industrial TX Corp.

Agenda Item#: 29.

Summary:

ORDINANCE appropriating \$3,324,600.00 out of Water & Sewer System Consolidated Construction Fund, awarding contract to **INDUSTRIAL TX CORP**. for Willowbrook Wastewater Treatment Plant Improvements; setting a deadline for the bidder's execution of the contract and delivery of all bonds, insurance, and other required contract documents to the City; holding the bidder in default if it fails to meet the deadlines; providing funding for engineering, testing, CIP Cost Recovery, and contingencies relating to construction of facilities financed by the Water & Sewer System Consolidated Construction Fund - **DISTRICT A - STARDIG**

Background:

SUBJECT: Contract Award for Willowbrook Wastewater Treatment Plant Improvements, WBS Number

R-000265-0133-4.

RECOMMENDATION: (SUMMARY)

Accept low bid, award Construction Contract and appropriate funds.

PROJECT NOTICE/JUSTIFICATION: This project is part of the City's on-going program for improvements to the major wastewater treatment plants.

DESCRIPTION/SCOPE: This project consists of upgrades and improvements to the Willowbrook Wastewater Treatment Plant, including the replacement of the bar screens, blowers, chemical tanks and containment structures, and the installation of fiber optic cables. The Contract duration for this project is 450 calendar days. This project was designed by CP&Y, Inc.

LOCATION: The project area is located at 7101 West Greens Road, Houston, TX 77064. The project is located in Key Map Grid 370K.

<u>BIDS</u>. This project was advertised for bidding on January 27, 2017. Bids were received on March 2, 2017. The two (2) bids are as follows:

	Bidder	Bid Amount
1.	Industrial TX Corp.	\$2,932,610.00
2.	LEM Construction Co., Inc.	\$3,071,910.00

<u>AWARD:</u> It is recommended that this construction contract be awarded to Industrial TX Corp. with a low bid of \$2,932,610.00 and Addenda Numbers 1 and 2 be made a part of this Contract.

PROJECT COST: The total cost of this project is \$3.324.600.00 to be appropriated as follows:

· Bid Amount	\$2,932,610.00
· Contingencies	\$146,630.50
 Engineering and Testing Services 	\$40,000.00
· CIP Cost Recovery	\$205,359.50

Engineering and Testing Services will be provided by Alpha Testing, Inc. under a previously approved contract.

HIRE HOUSTON FIRST: The proposed contract requires compliance with the City's 'Hire Houston First' (HHF) ordinance that promotes economic opportunity for Houston business and supports job creation. In this case Industrial TX is a designated HHF company, but they were the successful awardee without application of the HHF preference.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City contractors. In this case, the Contractor provides benefits for some employees but will pay into the Contractor Responsibility Fund for others, in compliance with City policy.

M/WSBE PARTICIPATION: The contractor has submitted the following proposed program to satisfy the 11 % MBE goal and 7% WBE goal for this project.

1.	<u>MBE - Name of Firms</u> Elec-Net Supply	Work Description Electrical Supply	<u>Amount</u> \$ 154,841.00	<u>% of Contract</u> 5.28%
2.	Aviles Painting Contractor	Painting	\$ 75,000.00	2.56%
3.	C & B Rebar Construction,	Rebar Installation	<u>\$ 20,528.00</u>	<u>0.70%</u>
	Inc.	TOTAL	\$ 250,369.00	8.54%
	WBE - Name of Firms	Work Description	<u>Amount</u>	% of Contract
1.	Macaulay Controls Company	Industrial Equipment	\$ 272,439.00	9.29%
2.	Holes Incorporated	Concrete Cutting	<u>\$ 57,072.00</u>	<u>1.95%</u>
		TOTAL	\$ 329,511.00	11.24%
	SBE - Name of Firms	Work Description	<u>Amount</u>	% of Contract
1.	Medcalf Fabrication, Inc.	Miscellaneous Metals	\$ 48,547.00	1.65%
2.	Automation Nation, Inc.	Programming	<u>\$ 48,000.00</u>	<u>1.64%</u>
		TOTAL	\$ 96,547.00	3.29%

ESTIMATED FISCAL OPERATING IMPACT:

No significant Fiscal Operating impact is anticipated as a result of this project.

Meeting Date: 6/27/2017 District G Item Creation Date: 4/20/2017

20TH28 PES / Othon, Inc.

Agenda Item#: 30.

Summary:

ORDINANCE appropriating \$1,809,100.00 out of Water & Sewer System Consolidated Construction Fund and approving and authorizing Professional Engineering Services Contract between the City of Houston and **OTHON**, **INC** for Design of Abandonment of Bering and San Felipe Lift Stations; providing funding for contingencies relating to construction of facilities financed by the Water & Sewer System Consolidated Construction Fund - **DISTRICT G** - **TRAVIS**

Background:

This project consists of providing professional engineering services for the subject consolidation plan to allow diversion and abandonment of City of Houston's Bering and San Felipe Lift Stations.

The project area is generally bound by San Felipe Drive on the north, Westheimer Road on the south, Fountain View Drive on the east and Bering Drive on the west. The project is located in Key Map Grids 491 N and P.

Under the scope of the Contract, the Consultant will perform Phase I - Preliminary Design, Phase II - Final Design, Phase III - Construction Phase Services and Additional Services. Basic Services Fee for Phase I is based on cost of time and materials with not-to-exceed agreed upon amount. The Basic Services fees for Phase II and Phase III will be negotiated on a lump sum amount after the completion of Phase I. The total Basic Services appropriation is \$1,098,091.00.

The Contract also includes certain Additional Services to be paid either as lump sum or on a reimbursable basis. The Additional Services include Route Topographic Survey, Site Topographical Survey, Right-of-Way/Easement/Parcel Acquisition Survey/Title Search, Geotechnical Investigations, Environmental Site Assessment, Subsurface Investigations, Tree Protection Plans, Traffic Control, Stormwater Pollution Prevention Plans, Special Permits, Reproduction Services, Drug Testing and Compliance, Technical Review Committee Presentation and Meetings, Existing Conditions Survey, Independent Quantity Check, Public Meetings, CCTV Inspection, and Others. The total Additional Services appropriation is \$474,962.00.

The negotiated maximum for Phase I Services is \$161,641.00.

The total cost of this project is \$1,809,100.00 to be appropriated as follows: \$1,573,053.00 for Contract services and \$236,047.00 for CIP Cost Recovery.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City contractors. In this case, the Contractor provides health benefits to eligible employees in compliance with City policy.

<u>M/WBE PARTICIPATION</u>. The M/WBE goal for the project is set at 24%. The Consultant has proposed the following firms to achieve this goal.

	Name of Firms	Work Description	<u>Amount</u>	<u>% of Total</u> Contract
1.	ASV Consulting Group, Inc.	Surveying Services	\$ 127,040.00	8.08%
2.	TGE Resources	Environmental Services	\$ 81,641.00	5.19%
3.	Aviles Engineering Corporation	Geotechnical Services	\$ 76,924.00	4.89%
4.	Morales Engineering Associates, LLC	Engineering Services	\$ 59,414.51	3.78%
5.	Gupta & Associates, Inc.	Engineering Services	\$ 29,820.00	1.90%
6.	Nedu Engineering Services	Independent Quantity Check	\$ 8,000.00	0.51%
		TOTAL	\$ 382,839.51	24.35%

ESTIMATED FISCAL OPERATING IMPACT:

20TH28 PES / Othon, Inc.

Agenda Item#:

Background:

SUBJECT: Professional Engineering Services Contract between the City and Othon, Inc. for Abandonment of Bering and San Felipe Lift Stations. WBS No, R-000536-0026-3

RECOMMENDATION: (SUMMARY)

An ordinance approving a Professional Engineering Services Contract with Othon, Inc. and appropriate funds.

PROJECT NOTICE/JUSTIFICATION: This project is part of the ongoing program to improve the wastewater infrastructure by consolidating wastewater lift station facilities.

DESCRIPTION/SCOPE: This project consists of providing professional engineering services for the subject consolidation plan to allow diversion and abandonment of City of Houston's Bering and San Felipe Lift Stations.

LOCATION: The project area is generally bound by San Felipe Drive on the north, Westheimer Road on the south, Fountain View Drive on the east and Bering Drive on the west. The project is located in Key Map Grids 491 N and P.

SCOPE OF CONTRACT AND FEE: Under the scope of the Contract, the Consultant will perform Phase I - Preliminary Design, Phase II - Construction Phase Services and Additional Services. Basic Services Fee for Phase I is based on cost of time and materials with not-to-exceed agreed upon amount. The Basic Services fees for Phase II and Phase III will be negotiated on a lump sum amount after the completion of Phase I. The total Basic Services appropriation is \$1,098,091.00.

The Contract also includes certain Additional Services to be paid either as lump sum or on a reimbursable basis. The Additional Services include Route Topographic Survey, Site Topographical Survey, Right-of-Way/Easement/Parcel Acquisition Survey/Title Search, Geotechnical Investigations, Environmental Site Assessment, Subsurface Investigations, Tree Protection Plans, Traffic Control, Stormwater Pollution Prevention Plans, Special Permits, Reproduction Services, Drug Testing and Compliance, Technical Review Committee Presentation and Meetings, Existing Conditions Survey, Independent Quantity Check, Public Meetings, CCTV Inspection, and Others. The total Additional Services appropriation is \$474,962.00. The negotiated maximum for Phase I Services is \$161,641.00.

The total cost of this project is \$1,809,100.00 to be appropriated as follows: \$1,573,053.00 for Contract services and \$236,047.00 for CIP Cost Recovery.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City contractors. In this case, the Contractor provides health benefits to eligible employees in compliance with City policy.

M/WBE PARTICIPATION: The M/WBE goal for the project is set at 24%. The Consultant has proposed the following firms to achieve this goal.

	Name of Firms	Work Description	Amount	<u>% of Total</u> Contract
1.	ASV Consulting Group, Inc.	Surveying Services	\$ 127,040.00	8.08%
2.	TGE Resources Inc.	Environmental Services	\$ 81,641.00	5.19%
3.	Aviles Engineering	Geotechnical Services	\$ 76,924.00	4.89%
	Corporation			
4.	Morales Engineering Associates, LLC	Engineering Services	\$ 59,414.51	3.78%
5.	Gupta & Associates, Inc.	Engineering Services	\$ 29,820.00	1.90%
6.	Nedu Engineering	Independent Quantity	\$ 8,000.00	0.51%
	Services	Check		
		TOTAL	\$ 382,839.51	24.35%

ESTIMATED FISCAL OPERATING IMPACT: No significant Fiscal Operating impact is anticipated as a result of this project.

Meeting Date: 6/27/2017 District B, District K Item Creation Date: 4/17/2017

20XL04 PES / Stantec Consulting Services Inc.

Agenda Item#: 31.

Summary:

ORDINANCE appropriating \$1,654,600.00 out of Water & Sewer System Consolidated Construction Fund and approving and authorizing Professional Engineering Services Contract between the City of Houston and **STANTEC CONSULTING SERVICES INC** for Intercontinental Airport Wastewater Treatment Plant Improvements; providing funding for contingencies relating to construction of facilities financed by the Water & Sewer System Consolidated Construction Fund **DISTRICTS B - DAVIS and K - GREEN**

Background:

SUBJECT: Professional Engineering Services Contract between the City and Stantec Consulting Services Inc. for Intercontinental Airport Wastewater Treatment Plant Improvements. WBS No. R-000265-0117-3.

RECOMMENDATION: (SUMMARY) An ordinance approving a Professional Engineering Services Contract with Stantec Consulting Services Inc. and appropriate funds.

<u>PROJECT NOTICE/JUSTIFICATION:</u> This project is part of the ongoing program to improve inefficient components of the existing wastewater treatment plant facilities.

DESCRIPTION/SCOPE: This project consists of the design of a new solids handling facility and its related sub-components and various other upgrades at the Intercontinental Airport Wastewater Treatment Plant, as follows: (1) Solids handling for current permitted flows (8 million gallon per day) and loads with provisions for future expansion (14 million gallon per day) to account for flow being diverted to the plant; (2) Evaluate and provide recommendations for rehabilitation of the Chlorine Contact Basins and Chemical Feed System; (3) Evaluate the structural integrity of the administration building and provide recommendations for exterior structural cracks and roof leakage repairs; and (4) Miscellaneous Improvements including gates and mud valves replacement and scum removal system improvement.

LOCATION: The Intercontinental Airport Wastewater Treatment Plant is located at 2450 Rankin Road. Key Map Grid 373 M.

SCOPE OF CONTRACT AND FEE: Under the scope of the Contract, the Consultant will perform Phase I - Preliminary Design, Phase II - Final Design, Phase III -Construction Phase Services and Additional Services. Basic Services Fee for Phase I is based on cost of time and materials with not-to-exceed agreed upon amount. The Basic Services fees for Phase II and Phase III will be negotiated

on a lump sum amount after the completion of Phase I. The total Basic Services appropriation is \$1,187,580.00.

The Contract also includes certain Additional Services to be paid either as lump sum or on a reimbursable basis. The Additional Services include Site Topographical Survey, Geotechnical Investigations, Subsurface Investigations, Reproduction Services, Storm Water Pollution Prevention Plan, Drug Testing and Compliance, Technical Review Committee Presentation and Meetings, Plant Hydraulic Evaluation and Analysis, Plant Process Flow Evaluation and Analysis, Electrical Short Circuit Study and Coordination Study, Preparation of Designer's Operation & Maintenance Manual, Independent Construction Cost Estimate, and Others. The total Additional Services appropriation is \$251,150.00.

The negotiated maximum for Phase I Services is \$337,580.00.

The total cost of this project is \$1,654,600.00 to be appropriated as follows: \$1,438,730.00 for Contract services and \$215,870.00 for CIP Cost Recovery.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City contractors. In this case, the Contractor provides health benefits to eligible employees in compliance with City policy.

<u>M/WBE PARTICIPATION</u>: The M/WBE goal for the project is set at 24.00%. The Consultant has proposed the following firms to achieve this goal.

	Name of Firms	Work Description	<u>Amount</u>	<u>% of Total</u> Contract
1.	Kalluri Group, Inc.	Engineering Services	\$175,000.00	12.16%
2.	Zarinkelk Engineering Services Inc.	Engineering Services	\$ 97,300.00	6.76%
	EJES Incorporated Kenall, Inc.	Engineering Services Engineering Services TOTAL	\$ 65,000.00 <u>\$ 8,000.00</u> \$345,300.00	4.52% <u>0.56%</u> 24.00%

ESTIMATED FISCAL OPERATING IMPACT: No significant Fiscal Operating impact is anticipated as a result of this project.

Meeting Date: 6/27/2017 District K Item Creation Date: 5/12/2017

20RF15 Contract Award / SER Construction Partners, LLC

Agenda Item#: 33.

Summary:

ORDINANCE appropriating \$3,193,000.00 out of Water & Sewer System Consolidated Construction Fund and \$7,757,000.00 from Street & Traffic Control and Storm Drainage DDSRF, awarding contract to **SER CONSTRUCTION PARTNERS, LLC** for Linkwood Paving and Drainage; setting a deadline for the bidder's execution of the contract and delivery of all bonds, insurance, and other required contract documents to the City; holding the bidder in default if it fails to meet the deadlines; providing funding for engineering, testing, CIP Cost Recovery, and contingencies relating to construction of facilities financed by the Water & Sewer System Consolidated Construction Fund and Street & Traffic Control and Storm Drainage DDSRF <u>DISTRICT K - GREEN</u>

Background:

SUBJECT: Construction Contract Award between the City and SER Construction Partners, LLC for Linkwood Paving & Drainage; WBS Nos. N-210002-0001-4, R-000500-0200-4 and S-000500-0200-4

RECOMMENDATION: (SUMMARY)

An ordinance approving a Construction Contract with SER Construction Partners, LLC and appropriate funds.

PROJECT NOTICE/JUSTIFICATION: This project will replace existing residential streets that have been deteriorating beyond economical repair and normal maintenance and improve drainage.

DESCRIPTION/SCOPE: The project provides for the construction of storm drainage, including roadway concrete paving, curbs, sidewalks, driveways, street lighting and necessary underground utilities. The Contract duration for this project is 600 calendar days. This project was designed by Huitt-Zollars, Inc.

LOCATION: The project is generally bound by South Braeswood to the north, Murworth Drive to the south, Ilona Lane to the east, and Stella Link to the west. The project is located in Key Map Grid 532N.

<u>BIDS</u>: This project was advertised for bidding on February 3, 2017. Bids were received on March 2, 2017. The eight bids are as follows:

<u>No.</u>	Bidder	Bid Amount
1.	SER Construction Partners, LLC	\$ 9,396,028.10

2.	Main Lane Industries, LTD	\$ 9,741,932.01
3.	Triple B Services, LLP	\$ 9,931,892.91
4.	Harper Brothers Construction, LLC	\$11,111,109.00
5.	Reytec Construction Resources	\$11,194,880.50
6.	Total Contracting, LTD	\$11,442,969.00
7.	Resicom, Inc.	\$12,082,792.35
8.	OHL USA, Inc.	\$14,651,297.62

AWARD: It is recommended that this construction contract be awarded to SER Construction Partners, LLC with a low bid of \$9,396,028.10 and that Addenda Numbers 1 and 2 be made a part of this Contract.

PROJECT COST: The total cost of this project is \$10,950,000.00 to be appropriated as follows:

•	Bid Amount	\$9	,396,028.10
•	Contingencies	\$	469,801.40
•	Engineering and Testing Services	\$	330,000.00
•	CIP Cost Recovery	\$	754,170.50

Engineering and Testing Services will be provided by HVJ Associates, Inc. under a previously approved contract.

-

HIRE HOUSTON FIRST: The proposed contract requires compliance with the City's 'Hire Houston First' (HHF) ordinance that promotes economic opportunity for Houston business and supports job creation. In this case, SER Construction Partners, LLC is a designated HHF company, but they were the successful awardee without application of the HHF preference.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City contractors. In this case, the contractor provides health benefits to eligible employees in compliance with City policy.

M/WSBE PARTICIPATION: The contractor has submitted the following proposed program to satisfy the 11% MBE goal and 7 % WBE goal for this project.

	MBE - Name of Firms	Work Description	Amount	<u>% of</u> <u>Contract</u>
1.	Reliable Signal & Lighting Solutions, LLC	Electrical conduit	\$ 88,000.00	0.94%
2.	PRV Services, Inc	Concrete paving	\$ 412,000.00	4.38%
3.	C & C Traffic Control, LLC	Flagging and traffic control	<u>\$ 190,000.00</u>	<u>2.02%</u>
		TOTAL	\$ 690,000.00	7.34%
	WBE - Name of Firms	Work Description	Amount	<u>% of</u> <u>Contract</u>

1.	Deanie Hayes, Inc.	Supplier of stabilized sand and bank sand	\$ 200,000.00	2.13%
2.	KMA Contractors Services, Inc.	Supplier of precast products	<u>\$ 459,500.00</u>	<u>4.89%</u>
		TOTAL	\$ 659,500.00	7.02%
	<u>SBE - Name of Firms</u>	Work Description	<u>Amount</u>	<u>% of</u> <u>Contract</u>
1.	Semarck Landscape Services, Inc.	Landscape services and tree protection	\$ 190,000.00	2.02%
2.	Technical Assurance, LLC	Payment and performance bonds	\$ 70,000.00	0.74%
3.	H & E Aggregate, LLC	Supplier of stabilized sand and bank sand	<u>\$ 100,000.00</u>	<u>1.06%</u>
		TOTAL	\$ 360,000.00	3.82%

ESTIMATED FISCAL OPERATING IMPACT:

No significant Fiscal Operating impact is anticipated as a result of this project.

All known right-of-entry required for the project have been acquired.

All know third party private utilities have been relocated except for CenterPoint Energy Gas, to be completed by May 2017.

RECOMMENDATION: (SUMMARY)

An ordinance approving a Construction Contract with SER Construction Partners, LLC and appropriate funds.

PROJECT NOTICE/JUSTIFICATION: This project will replace existing residential streets that have been deteriorating beyond economical repair and normal maintenance and improve drainage.

DESCRIPTION/SCOPE: The project provides for the construction of storm drainage, including roadway concrete paving, curbs, sidewalks, driveways, street lighting and necessary underground utilities. The Contract duration for this project is 600 calendar days. This project was designed by Huitt-Zollars, Inc.

LOCATION: The project is generally bound by South Braeswood to the north, Murworth Drive to the south, Ilona Lane to the east, and Stella Link to the west. The project is located in Key Map Grid 532N.

BIDS: This project was advertised for bidding on February 3, 2017. Bids were received on March 2, 2017. The eight bids are as follows:

No.	Bidder	Bid Amount
1.	SER Construction Partners, LLC	\$ 9,396,028.10
2.	Main Lane Industries, LTD	\$ 9,741,932.01
3.	Triple B Services, LLP	\$ 9,931,892.91
4.	Harper Brothers Construction, LLC	\$11,111,109.00
5.	Reytec Construction Resources	\$11,194,880.50
6.	Total Contracting, LTD	\$11,442,969.00
7.	Resicom, Inc.	\$12,082,792.35
8.	OHL USA, Inc.	\$14,651,297.62

AWARD: It is recommended that this construction contract be awarded to SER Construction Partners, LLC with a low bid of \$9,396,028.10 and that Addenda Numbers 1 and 2 be made a part of this Contract.

PROJECT COST: The total cost of this project is \$10,950,000.00 to be appropriated as follows:

Bid Amount	\$ 9,396,028.10
 Contingencies 	\$ 469,801.40
 Engineering and Testing Services 	\$ 330,000.00
 CIP Cost Recovery 	\$ 754,170.50

Engineering and Testing Services will be provided by HVJ Associates, Inc. under a previously approved contract.

<u>HIRE HOUSTON FIRST</u>: The proposed contract requires compliance with the City's 'Hire Houston First' (HHF) ordinance that promotes economic opportunity for Houston business and supports job creation. In this case, SER Construction Partners, LLC is a designated HHF company, but they were the successful awardee without application of the HHF preference.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City contractors. In this case, the contractor provides health benefits to eligible employees in compliance with City policy.

M/WSBE PARTICIPATION: The contractor has submitted the following proposed program to satisfy the 11% MBE goal and 7 % WBE goal for this project.

	MBE - Name of Firms	Work Description	<u>Amount</u>	% of Contract
1.	Reliable Signal & Lighting Solutions, LLC	Electrical conduit	\$ 88,000.00	0.94%
2.	PRV Services, Inc	Concrete paving	\$ 412,000.00	4.38%
3.	C & C Traffic Control, LLC	Flagging and traffic control	<u>\$ 190,000.00</u>	<u>2.02%</u>
		TOTAL	\$ 690,000.00	7.34%
	WBE - Name of Firms	Work Description	Amount	% of Contract
1.	Deanie Hayes, Inc.	Supplier of stabilized sand and bank sand	\$ 200,000.00	2.13%
2.	KMA Contractors Services, Inc.	Supplier of precast products	\$ 459,500.00	<u>4.89%</u>
		TOTAL	\$ 659,500.00	7.02%
	SBE - Name of Firms	Work Description	Amount	% of Contract
1.	Semarck Landscape Services, Inc.	Landscape services and tree protection	\$ 190,000.00	2.02%
2.	Technical Assurance, LLC	Payment and performance bonds	\$ 70,000.00	0.74%
3.	H & E Aggregate, LLC	Supplier of stabilized sand and bank sand	<u>\$ 100,000.00</u>	<u>1.06%</u>
		TOTAL	\$ 360,000.00	3.82%

ESTIMATED FISCAL OPERATING IMPACT:

No significant Fiscal Operating impact is anticipated as a result of this project.

All known right-of-entry required for the project have been acquired.

All know third party private utilities have been relocated except for CenterPoint Energy Gas, to be completed by May 2017.

20CJZ28 Contract Award / Jerdon Enterprise, L.P.

Agenda Item#: 34.

Summary:

ORDINANCE appropriating \$1,102,000.00 out of Metro Projects Construction DDSRF, awarding contract to **JERDON ENTERPRISE**, **L.P.** for Traffic Signal Work Orders FY-2017; setting a deadline for the bidder's execution of the contract and delivery of all bonds, insurance, and other required contract documents to the City; holding the bidder in default if it fails to meet the deadlines; providing funding for engineering, testing, CIP Cost Recovery, and contingencies relating to construction of facilities financed by the Metro Projects Construction DDSRF

Background:

SUBJECT: Contract Award for Traffic Signal Work Orders FY-2017. WBS No. N-310650-0087-4

<u>RECOMMENDATION</u>: **(SUMMARY)** Accept low bid, award Construction Contract and appropriate funds.

PROJECT NOTICE/JUSTIFICATION: This project is part of the Street and Traffic Control Capital Improvement Plan (CIP) and is required to meet current City of Houston Standards as well as improve traffic signals, mobility, and safety at intersections. The traffic signals to be improved will be determined by the Traffic Operations Division.

DESCRIPTION/SCOPE: This project consists of rebuilding traffic signals (including pedestrian HAWK signals), curb-ramps, pavement markings, signing, and other work to be detailed on the plans. The Contract duration for this project is 730 calendar days.

LOCATION: The limits of the project area have not yet been determined. Work orders will be completed on an as-needed basis at locations determined by the Traffic Operations Division.

BIDS: This project was advertised for bidding on March 31, 2017. Bids were received on April 20, 2017. The two (2) bids are as follows:

	<u>Bidder</u>	Bid Factor
1.	Jerdon Enterprise, L.P.	1.222
2.	Traffic Systems Construction, Inc.	1.275

<u>AWARD</u>: It is recommended that this construction contract be awarded to Jerdon Enterprise, L.P. with a low bid of \$900,000.00 (bid factor of 1.222).

PROJECT COST: The total cost of this project is \$1,102,000.00 to be appropriated as follows:

· Bid Amount	\$900,000.00
· Contingencies	\$ 45,000.00
 Engineering and Testing Services 	\$ 22,000.00
· CIP Cost Recovery	\$135,000.00

Engineering and Testing Services will be provided by Austin-Reed Engineers, LLC under a previously approved contract.

<u>HIRE HOUSTON FIRST</u>: The proposed contract requires compliance with the City's 'Hire Houston First' (HHF) ordinance that promotes economic opportunity for Houston business and supports job creation. In this case Jerdon Enterprise, L.P. is a designated HHF company, but they were the successful awardee without application of the HHF preference.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City contractors. In this case, the Contractor provides health benefits to eligible employees in compliance with City policy.

M/WSBE PARTICIPATION: No City M/WSBE participation goal is established for this project as the contract does not exceed the threshold of \$1,000,000.00 required for a goal oriented contract per Section 15-82 of the Code of Ordinances.

ESTIMATED FISCAL OPERATING IMPACT:

No significant Fiscal Operating impact is anticipated as a result of this project.

All known rights-of-way, easements and/or right-of-entry required for the project have been acquired.

All known third party private utilities have been relocated.

Meeting Date: 6/27/2017 District G, District K Item Creation Date: 5/22/2017

20MB155 Contract Award / McKinney Construction Inc.

Agenda Item#: 36.

Summary:

ORDINANCE appropriating \$6,529,900.00 out of Water & Sewer System Consolidated Construction Fund, awarding contract to **McKINNEY CONSTRUCTION**, **INC** for Water Line Replacement in Post Oak Estates Area; setting a deadline for the bidder's execution of the contract and delivery of all bonds, insurance, and other required contract documents to the City; holding the bidder in default if it fails to meet the deadlines; providing funding for engineering, testing, CIP Cost Recovery, and contingencies relating to construction of facilities financed by the Water & Sewer System Consolidated Construction Fund - **DISTRICTS G - TRAVIS and K - GREEN**

Background:

SUBJECT: Contract Award for Water Line Replacement in Post Oak Estates Area. WBS No. S-000035-0213-4.

RECOMMENDATION: Accept low bid, award Construction Contract and appropriate funds. **PROJECT NOTICE/JUSTIFICATION:** This project is part of the City's Water Line Replacement Program. This program is required to replace and upgrade water lines within the City to increase availability of water, improve circulation and fire protection.

DESCRIPTION/SCOPE: This project consists of the construction of approximately 50,464 linear feet of water lines with related appurtenances in the Post Oak Estates Area. The contract duration for this project is 390 calendar days. This project was designed by Isani Consultants L.P.

LOCATION: The project is generally bound by Area 1: Woodway on the North, San Felipe on the South, Chimney Rock on the East and Briarmead on the West. Key Map Grid Number 491J, K,P & N; Council District G. Area 2: Kingsbrook from Queen Annes to Chimney Rock. Key Map Grid Number 491A; Council District G. Area 3: Chimney Rock from West Bellfort to 550 feet South of Gasmer. Key Map Grid Number 571B, 531X; Council District K. Area 4: Pin Oak Place from Pin Oak Parkway to Loop Central. Key Map Grid Number 491Z and 531D; Council District G.

<u>BIDS</u>: This project was advertised for bidding on March 03, 2017. Bids were received on March 30, 2017. The three (3) bids are as follows:

	<u>Bidder</u>	Bid Amount
1.	McKinney Construction, Inc.	\$5,696,271.25
2.	Resicom, Inc.	\$5,705,051.85
3.	D.L. Elliott Enterprises, Inc.	\$7,727,828.00

AWARD: It is recommended that this construction contract be awarded to McKinney Construction, Inc. with a low bid of \$5,696,271.25.

PROJECT COST: The total cost of this project is \$6,529,900.00 to be appropriated as follows:

•	Bid Amount	\$5,696,271.25
•	Contingencies	\$284,813.56
•	Engineering and Testing Services	\$150,000.00
٠	CIP Cost Recovery	\$398,815.19

Engineering and Testing Services will be provided by Raba Kistner, Inc. under a previously approved contract.

HIRE HOUSTON FIRST: The proposed contract requires compliance with the City's 'Hire Houston First' (HHF) ordinance that promotes economic opportunity for Houston business and supports job creation. In this case McKinney Construction, Inc. is a designated HHF company, but they were the successful awardee without application of the HHF preference.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City contractors. In this case, the Contractor provides health benefits to eligible employees in compliance with City policy.

<u>M/WSBE PARTICIPATION</u>: The low bidder has submitted the following proposed program to satisfy the 12% MBE goal and 8% WBE goal for this project.

1.	<u>MBE - Name of Firms</u> Miranda Trucking and	Work Description Trucking & Hauling	<u>Amount</u> \$113,925.42	<u>% of Contract</u> 2.00%
	Services, Inc.			
2.	Texas Fluid Power Products, Inc.	Valves for Various Services	\$113,925.42	2.00%
3.	D&D Underground Utilities, LLC	Water and Sewer Line Installation	<u>\$455,701.70</u>	<u>8.00%</u>
		TOTAL	\$683,552.54	12.00%
	WBE - Name of Firms	Work Description	<u>Amount</u>	% of Contract
1.	Bevco Company, Inc.	Retail, Wholesale & Warehousing	<u>\$455,701.70</u>	<u>8.00%</u>
		TOTAL	\$455,701.70	8.00%

ESTIMATED FISCAL OPERATING IMPACT:

No significant Fiscal Operating Impact is anticipated as a result of this project.

All known rights-of-way, easements and/or right-of-entry required for the project have been acquired.

20MB155 Contract Award / McKinney Construction Inc.

Agenda Item#:

Summary:

An ordinance appropriating the sum of \$6,529,900.00 out of the Water and Sewer System Consolidated Construction Fund, awarding a contract to McKinney Construction, Inc. for Water Line Replacement in Post Oak Estates Area; setting a deadline for the bidder's execution of the contract and delivery of all bonds, insurance, and other required contract documents to the City; holding the bidder in default if it fails to meet the deadlines; providing funding for engineering, testing, CIP cost recovery, and contingencies relating to construction of facilities financed by the Water and Sewer System Consolidated Construction Fund; and declaring an emergency.

Background:

SUBJECT: Contract Award for Water Line Replacement in Post Oak Estates Area. WBS No. S-000035-0213-4.

RECOMMENDATION: Accept low bid, award Construction Contract and appropriate funds.

PROJECT NOTICE/JUSTIFICATION: This project is part of the City's Water Line Replacement Program. This program is required to replace and upgrade water lines within the City to increase availability of water, improve circulation and fire protection.

DESCRIPTION/SCOPE: This project consists of the construction of approximately 50,464 linear feet of water lines with related appurtenances in the Post Oak Estates Area. The contract duration for this project is 390 calendar days. This project was designed by Isani Consultants L.P.

LOCATION: The project is generally bound by Area 1: Woodway on the North, San Felipe on the South, Chimney Rock on the East and Briarmead on the West. Key Map Grid Number 491J, K,P & N; Council District G. Area 2: Kingsbrook from Queen Annes to Chimney Rock. Key Map Grid Number 491A; Council District G. Area 3: Chimney Rock from West Bellfort to 550 feet South of Gasmer. Key Map Grid Number 571B, 531X; Council District K. Area 4: Pin Oak Place from Pin Oak Parkway to Loop Central. Key Map Grid Number 491Z and 531D; Council District G.

BIDS: This project was advertised for bidding on March 03, 2017. Bids were received on March 30, 2017. The three (3) bids are as follows:

	Bidder	Bid Amount
1.	McKinney Construction, Inc.	\$5,696,271.25
2.	Resicom, Inc.	\$5,705,051.85
3.	D.L. Elliott Enterprises, Inc.	\$7,727,828.00

AWARD: It is recommended that this construction contract be awarded to McKinney Construction, Inc. with a low bid of \$5,696,271.25.

PROJECT COST: The total cost of this project is \$6,529,900.00 to be appropriated as follows:

Bid Amount	\$5,696,271.25
Contingencies	\$284,813.56
 Engineering and Testing Services 	\$150,000.00
CIP Cost Recovery	\$398,815.19

Engineering and Testing Services will be provided by Raba Kistner, Inc. under a previously approved contract.

HIRE HOUSTON FIRST: The proposed contract requires compliance with the City's 'Hire Houston First' (HHF) ordinance that promotes economic opportunity for Houston business and supports job creation. In this case McKinney Construction, Inc. is a designated HHF company, but they were the successful awardee without application of the HHF preference.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City contractors. In this case, the Contractor provides health benefits to eligible employees in compliance with City policy.

M/WSBE PARTICIPATION: The low bidder has submitted the following proposed program to satisfy the 12% MBE goal and 8% WBE goal for this project.

1.	MBE - Name of Firms Miranda Trucking and	Work Description Trucking & Hauling	<u>Amount</u> \$113,925.42	<u>% of Contract</u> 2.00%

WATER LINE REPLACEMENT IN POST OAK ESTATES AREA

WBS NO. S-000035-0213-4 DEPARTMENT OF PUBLIC WORKS AND ENGINEERING ENGINEERING AND CONSTRUCTION DIVISION

Meeting Date: 6/27/2017 ALL Item Creation Date: 6/5/2017

ARA-Corre Camino Services, LLC SWF

Agenda Item#: 37.

Summary:

ORDINANCE No. 2017-440, passed first reading June 21, 2017 ORDINANCE granting to **CORRE CAMINO SERVICES**, **LLC.**, a Texas Limited Liability Company, the right, privilege, and franchise to collect, haul, and transport solid waste and solid waste and industrial waste from commercial properties located within the City of Houston, Texas, pursuant to Chapter 39, Code of Ordinances, Houston, Texas; providing for related terms and conditions and making certain findings related thereto - **SECOND READING**

Background:

The Administration & Regulatory Affairs Department (ARA) recommends that City Council approve an ordinance granting a commercial solid waste operator franchise to Corre Camino Services, LLC. Article VII of Chapter 39 of the City Code of Ordinances makes it unlawful for any commercial solid waste operator to collect, haul or transport solid waste or industrial waste from commercial properties located within the City without first having obtained a franchise for that purpose upon the consent of the City Council.

ARA's Franchise Administration Division collects franchise fees from commercial solid waste transporters, coordinates audits and compliance reviews and actively monitors state/federal legislation and administrative proceedings that impact these fees. The City currently has 225 solid waste operator franchises. For FY 2017, the total solid waste franchise revenue to the City is projected to be \$7,541,152.

The proposed ordinance grants the franchisee the right to use the City's public ways for the purpose of collecting, hauling or transporting solid or industrial waste from commercial properties located within the City of Houston. In consideration for this grant, each franchisee agrees to pay to the City an annual franchise fee equal to four percent of their annual gross revenue, payable quarterly. To verify franchisee compliance with the franchise, the franchisee company has the duty to maintain required customer records, which the City has the right to inspect during regular business hours. The franchise agreement contains the City's standard release and indemnification, default and termination, liquidated damages and force majeure provisions. The proposed franchise term is 10 years from the effective date.

20SG30 MOTION FOR PUBLIC HEARING

Agenda Item#: 38.

Summary:

SET A PUBLIC HEARING DATE on the proposal to take approximately 0.31 acre (13,506 square feet) of R. L. and Cora Johnson Park to widen and make other improvements to Tanner Road - **DISTRICT A - STARDIG**

HEARING DATE - 9:00 A. M. - WEDNESDAY - AUGUST 2, 2017

Background:

<u>SUBJECT</u>: Motion establishing a date for a public hearing on the proposal to take approximately 0.31 acre (13,506 square feet) of R.L. and Cora Johnson Park to widen and make other improvements to Tanner Road. WBS No. N-000589-0001-3

RECOMMENDATION: (SUMMARY) Approve a motion establishing a date for a public hearing on the proposal to permanently take approximately 0.31 acre (13,506 square feet) of R.L. and Cora Johnson Park to widen and make other improvements to Tanner Road adjacent to the Park as part of the widening and reconstruction of a portion of Tanner Road from Triway Lane to Campbell Road.

SPECIFIC EXPLANATION: R.L. & Cora Johnson Park (the "Park") consists of approximately 9.87 acres and is located at 9920 Porto Rico Road. Park amenities include a baseball diamond, a pedestrian pathway, a basketball court, pavilions, a playground, benches, a community center, and parking facilities.

The Tanner Road reconstruction project (the "Project") involves a total reconstruction of an existing two-lane asphalt roadway to a four-lane concrete boulevard section with divided grassy median in accordance with Major Thoroughfare and Freeway Plan (MTFP) standards. The proposed improvements include a four lane divided concrete roadway with curbs, an underground storm sewer system to mitigate street flooding, water and wastewater utilities, shared bike lanes, sidewalks, street lights, and offsite detention. The Project will extend from Triway Lane on the west to Campbell Road on the east. The Project will require the taking of approximately 0.31 acre (13,506 square feet) of the Park property along the south side of Tanner Road. The area of proposed new right-of-way encompasses a grassy area of the Park between a chain link fence and the existing right-of-way of Tanner Road.

Since Tanner Road must be widened in order to meet MTFP standards, there is no feasible and prudent alternative to the taking of a portion of the Park for the Project. The Department of Public

Works and Engineering and the Parks and Recreation Department have worked together to minimize impacts to the Park. The Project will not impact any component of the park that is currently used for active or passive recreation. The Project will include components that enhance accessibility to the Park, including the following:

• Installation of a 6-foot sidewalk from Teague Road to Windfern Road on the south side of Tanner Road.

• Installation of a 6-foot sidewalk on Teague Road connecting to the Park.

Texas Parks and Wildlife Code Chapter 26 requires the City to publish three public notices and hold a public hearing prior to authorizing the use or taking of park land for non-park purposes. Notices will be published in the Houston Chronicle on July 10, 2017, July 17, 2017, and July 24, 2017. Proposed date of the public hearing is Wednesday, August 2, 2017, at 9:00 a.m. in City Council Chambers, 901 Bagby Street, 2nd Floor, Houston, Texas. At a later date, an ordinance will be presented to Council to make findings relating to the public hearing.

LGL Amending Chapters 14 and 34

Agenda Item#: 40.

Summary:

ORDINANCE relating to employment terms and conditions, compensation, and benefits of Classified Fire Fighters of the City of Houston; **AMENDING CHAPTERS 14 and 34 OF THE CODE OF ORDINANCES**, **HOUSTON**, **TEXAS** and superseding or repealing certain ordinances; containing findings and other provisions relating to the foregoing subjects; providing an effective date; providing for severability

TAGGED BY COUNCIL MEMBERS LASTER, STARDIG, LE, DAVIS, GREEN, COHEN, ROBINSON and BOYKINS

This was Item 20 on Agenda of June 21, 2017

Background:

The 2011 Collective Bargaining Agreement ("CBA") between the City of Houston and the Houston Professional Firefighters' Association, Local 341, International Association of Firefighters, ("HPFFA") expired on June 30, 2014, but all terms remain in 'evergreen' (i.e. continue to be observed) until December 31, 2016. In August 2016, Council approved an extension of the term of the 2011 CBA through June 30, 2017, and no further.

Despite negotiating in good faith over a 60-day period, the City has been unable to reach agreement with HPFFA for a successor CBA. To allow for certainty in the operation of the Houston Fire Department until such time as a successor CBA terms are established, the proposed ordinance adopts many of the provisions of the current CBA and is consistent with state civil service laws.

CBA Provisions Adopted As-Is by Proposed Ordinance:

- 520 Hour Compensable Sick Leave Plan (as compared to 1040 Compensable Plan for municipal employees).
- Reduced Personal Leave Hours.
- Rates of base pay, longevity, bilingual pay, training pay and the following assignment pays at the rates established in the 2011 CBA and applicable amendments thereto:

Hazardous Materials Assignment District Training Officer Assignment Field Training Officer Assignment Paramedic/Preceptor Assignment Paramedic (Non-restricted) Pay Paramedic (Restricted) Pay Paramedic Officer Program ("POP") Pay EMT/EMS Pay

CBA Terms Altered by Proposed Ordinance

- Termination Pay Deferred Payment Program consistent with Texas Local Government Code, Chapter 143.
- Holiday Accrual rate for members of Emergency Communication matches hours worked.

CBA Terms Not Adopted by Proposed Ordinance:

- Minimum 3 hours of Higher Class Pay, regardless whether less than 3 hours is worked.
- Minimum 4 hours of Overtime, regardless whether less than 4 hours is worked.
- Annual Holiday Buy Back Program, costing \$1.5 million dollars.
- Premium Holiday accruals and Double-pay on July 4, Thanksgiving, Christmas, and July 1.
- Payment of \$30 per pay period per enrolled HPFFA member for HPFFA Medical Trust.
- Phase Down Program.

<u>CBA Terms Not Adopted by Proposed Ordinance, which may continue at management discretion:</u>

- Uniform Voucher/Voucher Rollover.
- Guaranteed Opportunity to use Accrued Holidays.
- Minimum Staffing Requirements.
- Deduction of HPFFA dues and assessment by City of Houston via payroll deduction.
- Use of Association Business Leave for HPFFA business.
- Paid Special Assignment for HPFFA President (absence may continue if funded by Association Business Leave).
- Paid Special Assignment for Pension Chair (absence may continue in accordance with state law).
- Cash Equipment Allowances for Arson (may continue in the form of equipment reimbursement).
- Payment of mileage for travel between stations (may continue in accordance with existing reimbursement policy).

New Terms Adopted by Proposed Ordinance:

- At separation, payment of all accrued holidays for current fire fighters.
- At separation, payment of accrued holidays for new fire fighters limited to 11 holidays.

Funding for this item is included in the FY 18 Adopted Budget. Therfore, no Fiscal Note is required as stated in the Financial Policy Ord. 2014-1078.

RECOMMENDATION: (Summary) The Fire Department recommends approval of the ordinance Amount and Source of Funding: Funding for this item is included in the FY 18 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policy Ord. 2014-1078. SPECIFIC EXPLANATION: The 2011 Collective Bargaining Agreement ("CBA") between the City of Houston and the Houston Professional Firefighters' Association, Local 341, International Association of Firefighters, ("HPFFA?) expired on June 30, 2014, but all terms remain in 'evergreen' (i.e. continue to be observed) until December 31, 2016. In August 2016, Council approved an extension of the term of the 2011 CBA through June 30, 2017, and no further. Despite negotiating in good faith over a 60-day period, the City has been unable to reach agreement with HPFFA for a successor CBA. To allow for certainty in the operation of the Houston Fire Department until such time as a successor CBA terms are established, the proposed ordinance adopts many of the provisions of the current CBA and is consistent with state civil service laws. CBA Provisions Adopted As-Is by Proposed Ordinance: • S20 Hour Compensable Sick Leave Plan (as compared to 1040 Compensable Plan for municipal employees). • Reduced Personal Leave Hours.	Richard Mann, Executive Asst. Chief	, Phone: (832) 394-6712	81-1801; 93-623; 9	5-1135; 97-1505; 2011-

HCD17-48 "Substantial Amendment" for Disaster Recovery - 2015 Flood Events

Agenda Item#: 41.

Summary:

ORDINANCE amending City of Houston Ordinance No. 2016-705, passed September 14, 2016 which authorized the submission of the City of Houston Action Plan for Disaster Recovery - Flood Events to the United States Department of Housing and Urban Development, including the application for Community Development Block Grant Disaster Recovery Funds associated with the 2015 Flood Events

TAGGED BY COUNCIL MEMBER STARDIG

This was Item 23 on Agenda of June 21, 2017

Background:

The Housing and Community Development Department (HCDD) requests approval of a "Substantial Amendment" to the Houston Action Plan for Disaster Recovery - 2015 Flood Events (Plan) to reallocate \$11,143,507.21 from the Housing Buyout and Planning line items to the Facilities and Improvements (Infrastructure) line item.

The original budget submitted in the Plan estimated the proposed amounts for each budget line item. HCDD proposes to decrease the Housing Buyout and the Planning line item amounts; the funds from these reductions will increase the Facilities and Improvements line item. This "Substantial Amendment" does not result in any change in the total funds awarded for the 2015 Flood Events. The chart below shows the changes in the budget for the CDBG-DR15.

Community Development Block Grant - Disaster Recovery (CDBG-DR) Budget Changes		
Budget Line Item Amended	Budget Decrease	Budget Increase
Housing Buyout	\$ (9,340,000.00)	
Planning	\$ (1,803,507.21)	
Facilities and Improvements (Infrastructure)		\$11,143,507.21
Total CDBG-DR Budget Changes:	\$(11,143,507.21)	\$11,143,507.21

The purpose of this change is to reflect the need of the community and realign funds to effectively manage the CDBG-DR15 funds received from the U.S. Department of Housing and Urban Development (HUD). A copy of the public notice stating these changes can be viewed on the CDBG-DR15 website at http://houstontx.gov/housing/2015_Flood_Events_Recovery.html.

In accordance with HUD's Citizen Participation Plan regulations and the Citizen Participation Plan

for Houston's CDBG-DR15 Program, the City is required to amend components of its Plan for a variety of reasons, including when a reallocation of funds increases or decreases the budget of an activity by more than 25% or when a new activity is added to the Plan. This item was reviewed by the Housing and Community Affairs Committee on May 16, 2017.

MYR - TIRZ Appropriation \$65,136,184.37

Agenda Item#: 42.

Summary:

ORDINANCE appropriating \$65,136,184.37 out of Tax Increment Funds for Reinvestment Zone Number One, City of Houston, Texas (Lamar Terrace Zone), Reinvestment Zone Number Two, City of Houston, Texas (Midtown Zone), Reinvestment Zone Number Three, City of Houston, Texas (Main Street/Market Square Zone), Reinvestment Zone Number Five, City of Houston, Texas (Memorial Heights Zone), Reinvestment Zone Number Six, City of Houston, Texas (Eastside Zone), Reinvestment Zone Number Seven, City of Houston, Texas (Old Spanish Trail/Almeda Corridors Zone), Reinvestment Zone Number Eight, City of Houston, Texas (Gulfgate Zone), Reinvestment Zone Number Nine, City of Houston, Texas (South Post Oak Zone), Reinvestment Zone Number Ten, City of Houston, Texas (Lake Houston Zone), Reinvestment Zone Number Eleven, City of Houston, Texas (Greater Greenspoint Zone), Reinvestment Zone Number Twelve, City of Houston, Texas (City Park Zone), Reinvestment Zone Number Thirteen, City of Houston, Texas (Old Sixth Ward Zone), Reinvestment Zone Number Fourteen, City of Houston, Texas (Fourth Ward Zone), Reinvestment Zone Number Fifteen, City of Houston, Texas (East Downtown Zone), Reinvestment Zone Number Sixteen, City of Houston, Texas (Uptown Zone), and Reinvestment Zone Number Eighteen, City of Houston, Texas (Fifth Ward Zone), for affordable housing, administrative expenses, payments to HOUSTON INDEPENDENT SCHOOL DISTRICT and HUMBLE INDEPENDENT SCHOOL **DISTRICT** for educational facilities, and payments to certain redevelopment authorities as provided herein

TAGGED BY COUNCIL MEMBER MARTIN

This was Item 29 on Agenda of June 21, 2017

Background:

SUBJECT: Ordinance appropriating \$65,136,184.37 in tax increment revenue payments made by Houston Independent School District ("HISD"), Humble ISD, and Aldine ISD and authorizing the transfer of tax increment revenues to various funds and to the redevelopment authorities on behalf of the Tax Increment Reinvestment Zones ("TIRZ") pursuant to the City's interlocal agreements with HISD, Humble ISD, and Aldine ISD.

RECOMMENDATION: (Summary)

City Council approve an ordinance appropriating \$65,136,184.37 in tax increment revenue payments made by HISD, Humble ISD, and Aldine ISD and authorizing the transfer of tax increment revenues to various TIRZ funds pursuant to the City's Interlocal Agreements with HISD,

Humble ISD, and Aldine ISD and the TIRZs.

SPECIFIC EXPLANATION:

The appropriation of \$65,136,184.37 results from tax increment payments received in tax year 2016 from HISD, Humble ISD, and Aldine ISD for transfer to the various TIRZs that the aforementioned ISDs participate.

As shown in the attached spreadsheet, \$1,144,313.61 will be transferred to the City's Affordable Housing Fund; \$375,000 will be transferred to the General Fund; \$19,081,161.21 will be paid to HISD for Educational Facilities Project Costs and \$12,691,181.84 will be paid to Humble ISD for Educational Facilities Project Costs for a total of \$31,772,343.05 for Educational Facilities Project Costs; and \$31,844,527.71 will be paid to the various redevelopment authorities on behalf of the TIRZs.

Agenda Item#: 43.

Summary:

ORDINANCE appropriating \$7,500,000.00 out of Airports Improvement Fund and approving and authorizing three contracts for On-Call Professional Aviation Planning Consulting Services for the Houston Airport System between the City of Houston and HNTB CORPORATION, LEIGHFISHER, INC and RICONDO & ASSOCIATES, INC (Project Nos. 739A, 739B and 739C); providing a maximum contract amount - <u>DISTRICTS B - DAVIS; E - MARTIN and I - GALLEGOS</u>

TAGGED BY COUNCIL MEMBER DAVIS

This was Item 68 on Agenda of June 21, 2017

Background:

Enact an ordinance to approve contracts "1th HNTB Corporation (739A), LeighFisher, Inc. (739B) and Ricondo and Associates, Inc. (739C) for On-Call Professional Aviation Planning Consulting Services for the Houston Airport System (HAS): Project Nos. 739 A-B-C, (WBS# A-000602-0001-1-01-01-01, A-000602-0001-1-02-01 and A-000602-0001-1-03-01)

SPECIFIC EXPLANATION:

In response to a Request for Qualification (RFQ), five (5) firms: 1) HNTB Corporation, 2) Intervistas Consulting Inc., 3) Landrum & Brown, Inc. (L&B), 4) LeighFisher, Inc., and 5) Ricondo & Associates, Inc. submitted Statements of Qualifications (SOQs) to provide On-Call Professional Aviation Planning Consulting Services for the Houston Airport System (HAS).

The Evaluation Committee (Committee), comprised of five (5) voting members and a non-voting facilitator, reviewed and evaluated the five (5) Statements of Qualifications received and shortlisted the Respondents to three (3) firms: HNTB Corporation, LeighFisher, Inc., and Ricondo & Associates, Inc.

The Committee made the recommendation of the successful firms based on the following criteria outlined in the RFQ:

- Firm's Background and Experience Providing Similar Services to Other Airport Operators;
- Background and Experience of Key Personnel;
- Management Approach and Understanding of Scope Requirements;

- SubRConsultants; and
- Attainment of DBE Goals.

It is now requested that City Council approve the contracts "1th HNTB Corporation (739A), LeighFisher, Inc. (739B), and Ricondo and Associates, Inc. (739C) for the provision of services at George Bush Intercontinental Airport/Houston (IAH), William P. Hobby Airport (HOU), and Ellington Airport (EFD).

Services under these contracts will include the following:

- Aviation activity forecasting
- Runway and taxiway layouts
- Terminal planning
- Modeling airfield and airspace movements
- Modeling terminal passenger movements
- Modeling vehicle and roadway activities
- Researching aviation industry trends
- MultIRmodal transportation planning
- Environmental planning
- AutoCAD and GIS support
- Presentation graphics support
- Preparation of RFQ/RFPs
- Planning staff augmentation
- Facility planning support
- Conducting plan reviews as required
- Cost estimating and various economic analyses

Each contract has a term of five years.

PAY OR PLAY: The contracts require compliance with the City's "Pay or Play" ordinance regarding health benefits for employees of City contractors. The respective contractors plan to fulfill the Pay or Play requirement as follows:

- HNTB Corporation has chosen to exercise the "Play" option.
- Leigh Fisher, Inc. has chosen to exercise the "Play" option.
- Ricondo and Associates, Inc. has chosen to exercise the "Pay" option.

<u>HIRE HOUSTON FIRST</u>: Hire Houston First does not apply to this expenditure because it involves the use of federal funds and is subject to specific procurement rules of the federal government.

PROJECT COSTS: The \$10,000,000.00 will be allocated to the three contracts (739A, 7398 and 739 C) as needed through Letters of Authorization (LOAs). It is anticipated that City Council approval of additional funds for these contracts will be requested in the future.

DBE PARTICIPATION: The Disadvantaged Business Enterprise (DBE) Goal for each contract is 25%.

It is expected that the DBE participation goals will be met by the following firms:

HNTB Corporation (739A)

FIRM	TYPE OF SERVICES
Kit Professionals Inc.	Civil/Environmental Engineering

FISCAL NOTE:

No O&M funding is required for this RCA in FY17; O&M funding will be required in FY18 and has been included in the Proposed Budget that has been submitted for approval by Council later in FY17. Therefore no fiscal note is required as stated in the Financial Policy Ord. 2014-1078. See attached "Attachment A"

Capital Project Information:

These contracts are for the express purpose of providing on-call professional aviation planning services for the Houston Airport System (HAS) and will be utilized for multiple separate and distinct planning services (i.e. terminal planning, aviation activity forecasting, terminal passenger movements, etc.). At which time the planning services lead to a necessary construction project an operational analysis will be provided for that specific individual project.

HAS - On-Call Professional Aviation Planning Consulting Services Contracts with HNTB Corp., LeighFisher Inc., and Ricondo & Assoc. - RCA

Meeting Date: District B, District E, District I Item Creation Date: 3/28/2017

HAS - On-Call Professional Aviation Planning Consulting Services Contracts with HNTB Corp., LeighFisher Inc., and Ricondo & Assoc.

Agenda Item#:

Background:

Enact an ordinance to approve contracts with HNTB Corporation (739A), LeighFisher, Inc. (739B) and Ricondo and Associates, Inc. (739C) for On-Call Professional Aviation Planning Consulting Services for the Houston Airport System (HAS); Project Nos. 739 A-B-C, (WBS# A-000602-0001-1-01-01, A-000602-0001-1-02-01 and A-000602-0001-1-03-01)

SPECIFIC EXPLANATION:

In response to a Request for Qualification (RFQ), five (5) firms: 1) HNTB Corporation, 2) Intervistas Consulting Inc., 3) Landrum & Brown, Inc. (L&B), 4) LeighFisher, Inc., and 5) Ricondo & Associates, Inc. submitted Statements of Qualifications (SOQs) to provide On-Call Professional Aviation Planning Consulting Services for the Houston Airport System (HAS).

The Evaluation Committee (Committee), comprised of five (5) voting members and a non-voting facilitator, reviewed and evaluated the five (5) Statements of Qualifications received and shortlisted the Respondents to three (3) firms: HNTB Corporation, LeighFisher, Inc., and Ricondo & Associates, Inc.

The Committee made the recommendation of the successful firms based on the following criteria outlined in the RFQ:

- Firm's Background and Experience Providing Similar Services to Other Airport Operators;
- Background and Experience of Key Personnel;
- Management Approach and Understanding of Scope Requirements;
- Sub-Consultants; and
- Attainment of DBE Goals.

It is now requested that City Council approve the contracts with HNTB Corporation (739A), LeighFisher, Inc. (739B), and Ricondo and Associates, Inc. (739C) for the provision of services at George Bush Intercontinental Airport/Houston (IAH), William P. Hobby Airport (HOU), and Ellington Airport (EFD).

Services under these contracts will include the following:

- Aviation activity forecasting
- Runway and taxiway layouts
- Terminal planning
- Modeling airfield and airspace movements
- Modeling terminal passenger movements
- Modeling vehicle and roadway activities
- Researching aviation industry trends
- Multi-modal transportation planning
- Environmental planning
- AutoCAD and GIS support
- Presentation graphics support
- Preparation of RFQ/RFPs
- Planning staff augmentation
- Facility planning support
- · Conducting plan reviews as required
- Cost estimating and various economic analyses

Each contract has a term of five years.

<u>PAY OR PLAY:</u> The contracts require compliance with the City's "Pay or Play" ordinance regarding health benefits for employees of City contractors. The respective contractors plan to fulfill the Pay or Play requirement as follows:

- HNTB Corporation has chosen to exercise the "Play" option.
- · LeighFisher, Inc. has chosen to exercise the "Play" option.
- · Ricondo and Associates, Inc. has chosen to exercise the "Pay" option.

HIRE HOUSTON FIRST: Hire Houston First does not apply to this expenditure because it involves the use of federal funds and is subject to specific procurement rules of the federal government.

PROJECT COSTS: The \$10,000,000.00 will be allocated to the three contracts (739A, 739B and 739C) as needed through Letters of Authorization (LOAs). It is anticipated that City Council approval of additional funds for these contracts will be requested in the future.
