In accordance with the Texas Open Meetings Act the agenda is posted for public information, at all times, for at least 72 hours preceding the scheduled time of the meeting on the bulletin board located on the exterior wall of the City Hall building at 901 Bagby.

The agenda may be accessed via the Internet at http://houstontx.gov/agendapublic/. Copies of the agenda are available in the Office of the City Secretary in the City Hall Annex, Public Level at no charge. To receive the agenda by mail, send check or money order for $52.00 for a one year subscription, made payable to the City of Houston to the attention of the City Secretary, P.O. Box 1562, Houston, Texas 77251.

To reserve time to appear before Council call 832-393-1100, or email us at speakers@houstontx.gov or weather permitting you may come to the Office of the City Secretary, City Hall Annex, Public Level.
AGENDA - COUNCIL MEETING Tuesday, June 7, 2022 - 1:30 PM
Hybrid Public Session (Virtual and in Person) & In-person Council Session

PRESENTATIONS

2:00 P.M. – INVOCATION AND PLEDGE OF ALLEGIANCE

INVOCATION AND PLEDGE OF ALLEGIANCE - Council Member Kamin

Due to health and safety concerns related to COVID-19, this meeting will offer the options to participate by videoconference or in-person. The meeting will be open to the public but restrictions regarding masks, allowable room capacity, and seating arrangements may be in place.

The public meeting location will be City Hall Council Chamber, 901 Bagby, 2nd Floor, Houston, Texas 77002. The Mayor, as presiding officer of City Council, and some Council Members will be physically present. Other Council Members may participate by videoconference in accordance with the provisions of Section 551.127 of the Texas Government Code applicable to a governmental body that extends into three or more counties. The meeting will also be streamed as usual on the City’s website (https://www.houstontx.gov/htv/index.html), Facebook site (https://www.facebook.com/pg/HoustonTelevision/videos/) and the municipal channel on public television.

Members of the public may provide public comment during the Tuesday public session at (936) 755-1521; Conference ID# 786 468 564#. Details for signing up to speak in-person or virtually are posted at https://www.houstontx.gov/council/meetingsinfo.html.

Members of the public may attend the Wednesday Council session in person, or via Teams at (936) 755-1521, Conference ID# 243 694 348# but no public comment will be allowed outside of the public hearing

ROLL CALL AND ADOPT THE MINUTES OF THE PREVIOUS MEETING

PUBLIC SPEAKERS - Pursuant to City Council Rule 8, City Council will hear from members of the public; the names and subject matters of persons who had requested to speak at the time of posting this Agenda are attached; the names and subject matters of persons who subsequently request to speak may be obtained in the City Secretary's Office.

NOTE: If a translator is required, please advise when reserving time to speak

Summary:
9:00 A.M. PUBLIC HEARING regarding the designation of the FIRST RIVERSIDE TERRACE HISTORIC DISTRICT - DISTRICT D - EVANS-SHABAZZ

Background:
In accordance with Chapter 33, Section 33-222.1, the First Riverside Terrace Historic District application was initiated by at least 10 percent of the owners of tracts in the proposed district. After the historic district application was determined complete, the Planning Director notified all property owners within the proposed district by depositing written notice in the United States mail on December 8, 2021.

The Planning Director gave 30-day notice of a public hearing before the Houston Archaeological and Historical Commission (HAHC). The public hearing was held by the HAHC on April 21, 2022. The HAHC recommended to City Council the approval of the historic district designation after determining that the application satisfied all criteria of the ordinance, including:

1) owners of 67 percent of all the tracts in the proposed district support the designation of the district; if owners of less than 67 percent of tracts in the proposed historic district support the designation of the district, the Director may modify the boundaries of the proposed historic district to result in boundaries where the owners of 67 percent of the tracts support designation of the proposed historic district;

2) the proposed area meets at least one criteria for designation as a historic district;

3) a majority of buildings within the area are contributing and 50 years of age or older.

The proposed historic district was presented at the Quality of Life Council Committee meeting on April 27, 2022.

A public hearing date on the designation request is proposed for Wednesday, June 8, 2022, at 9:00 a.m., in the City Hall Council Chambers. Notice of the public hearing date will be published in a local newspaper of general circulation.

Summary:
RECOMMENDATION from Director Houston Public Works for approval of final contract amount of $27,035,951.69 and acceptance of work on contract with MAIN LANE INDUSTRIES, LTD. for 108-Inch Water Line Along City Easements from Vickery Drive to Milner Road - 7.50% under the original Contract Amount - DISTRICT B - JACKSON

Background:
SUBJECT: Accept Work for 108-Inch Water Line Along City Easements from Vickery Drive to Milner Road.

RECOMMENDATION: (SUMMARY) Pass a motion to approve the final Contract Amount of $27,035,951.69 or 7.50% under the original Contract Amount, accept the work and authorize final payment.

PROJECT NOTICE/JUSTIFICATION: This project was part of the City’s Surface Water Transmission program and supported the execution of the Northeast Transmission Line projects from the Northeast Water Purification Plant to the Water Authorities take-points for the Infrastructure Capital Improvement Plan and was required to improve existing water distribution systems and to meet Harris-Galveston Coastal Subsidence District’s Legislative mandate to regulate the withdrawal of groundwater. The project was a combination of water line construction, public utility adjustments and pavement replacement.

DESCRIPTION/SCOPE: This project consisted of approximately 8,700 LF of 108-inch transmission water line, including valves, connections, 16-inch and 12-inch small diameter water lines, public utility adjustments and tunnelled crossings of HCFCD ditch. The project also included concrete roadway replacement and asphalt roadway repairs. Dannenbaum Engineering Corporation and Lockwood, Andrews & Newnam, Inc. designed the project with 530 calendar days allowed for construction. The project was awarded to Main Lane Industries, Ltd. with an original Contract Amount of $29,227,401.00.

LOCATION: This project is within City Easements along Renton Road to JFK Boulevard, continuing along Interwood North Parkway, and back into City Easements towards Cross Continents Drive and Vickery Drive.

CONTRACT COMPLETION AND COST: The Contractor, Main Lane Industries, Ltd., has completed the work under the subject Contract. The project was completed beyond the established
completion date with an additional 9 days approved by Change Order Nos. 1 and 4. The final cost of the project, including overrun and underrun of estimated unit price quantities and previously approved Change Order Nos. 2, 3, 5 – 7, is $27,035,951.69, a decrease of $2,191,449.31 or 7.50% under the original Contract Amount. The decreased cost is a result of the difference between planned and measured quantities.

**M/WSBE PARTICIPATION:** The advertised M/W/SBE contract goals for this project were 12.00% MBE and 7.00% WBE (19.00% total). The approved goals for this project were 10.00% MBE, 5.00% WBE and 4.00% SBE (19.00% total). According to the Office of Business Opportunity, the actual participation achieved on this project was 11.32% MBE, 4.11% WBE and 5.52% SBE (20.95% total). The standard for meeting M/W/SBE participation goals is the demonstration of Good Faith Efforts. The Contractor’s M/W/SBE performance on this project was rated Satisfactory for the following reasons: Main Lane Industries, Ltd. exceeded the MBE and SBE goal while coming within 1% of the WBE goal. The prime made Good Faith Efforts to utilize all of their goal credit subcontractors to their full capacity. For the reasons listed, Main Lane Industries, Ltd. performance exceeded our expectations and meets the intent and the spirit of the City’s MWSBE program.

108-Inch Water Line Along City Easements from Vickery Dr. to Milner Rd.
WBS No. S-000900-0164-4
Council District B
Summary:
RECOMMENDATION from Director Houston Public Works for approval of final contract amount of $2,294,054.21 and acceptance of work on contract with rePIPE CONSTRUCTION, LLC dba IPR SOUTH CENTRAL, LLC for Wastewater Collection System Rehabilitation and Renewal - 3.81% under the original contract amount - DISTRICTS A - PECK; B - JACKSON; C - KAMIN; D - EVANS-SHABAZZ; E - MARTIN; F - THOMAS; G - HUFFMAN; H - CISNEROS; I - GALLEGOS and K - CASTEX-TATUM

Background:
SUBJECT: Accept Work for Wastewater Collection System Rehabilitation and Renewal.

RECOMMENDATION: (Summary) Pass a motion to approve the final contract amount of $2,294,054.21, which is 3.81% under the original contract amount, accept the work, and authorize final payment.

PROJECT NOTICE/JUSTIFICATION: Under this project, the contractor provided sanitary sewer rehabilitation by point repair method to deteriorated sewer collection systems throughout the City.

DESCRIPTION/SCOPE: This project consisted of sanitary sewer rehabilitation by point repair method. The project was awarded to rePipe Construction, LLC dba IPR South Central, LLC, with an original contract amount of $2,384,971.95. The Contract duration for this project was 730 calendar days.

LOCATION: This work order project was located at various locations within Council Districts A, B, C, D, E, F, G, H, I and K.

CONTRACT COMPLETION AND COST: The contractor, rePipe Construction, LLC dba IPR South Central, LLC has completed the work under the Contract. The contract was completed with an additional 90 days approved by Change Order No. 7. The final cost of the project is $2,294,054.21, a decrease of $90,917.74 or 3.81% under the original contract amount. Less sewer point repairs and pipe replacement were needed than anticipated.
The final amount of this work order contract was not affected by Change Orders No. 1 through 7.

**MWBE PARTICIPATION:** The advertised M/WBE contract goals for this project were 12.94% MBE and 8.72% WBE (21.66% total). The M/WBE goals approved for this project were 12.94% MBE and 8.72% WBE (21.66% total). According to the Office of Business Opportunity, the actual participation achieved on this project was 26.55% MBE and 3.69% WBE (30.24% total). The standard for meeting MWBE participation goals is the demonstration of Good Faith Efforts. The Contractor’s M/WBE performance on this project was as Satisfactory due to Good Faith Efforts for the following reasons: The Prime exceeded the MBE goal and made good faith efforts to utilize all goal credit subcontractors on this project. For the reasons listed, the Contractor’s performance meets the intent and the spirit of the City of Houston’s MWBE Program.

Summary:
TEXAS BOOM COMPANY, LLC for purchase of Fuel Trailers for Fleet Management Department - $163,210.00 - Equipment Acquisition Consolidated Fund

Background:
Formal Bids received April 14, 2022, for S80-N31276 – Approve the purchase of fuel trailers from Texas Boom Company, LLC in the total amount of $163,210.00 for the Fleet Management Department.

Specific Explanation:
The Director of Fleet Management and the Chief Procurement Officer recommend that City Council approve the purchase of ten fuel trailers from Texas Boom Company, LLC on its low bid meeting specifications in the total amount of $163,210.00 for the Fleet Management Department and that authorization be given to issue a purchase order. These new fuel trailers will serve as front line and reserve fuel distribution units for the departments during inclement, seasonal weather and other types of emergencies. The funding for these fuel trailers are included in the FY2022 Capital Improvement Plan.

The project was advertised in accordance with the requirements of the State of Texas bid laws. Five prospective bidders downloaded the solicitation document from SPD’s e-bidding website and two bids were received as detailed below:

</tr>
<tr>
<td>2. Kinetic Motorwerks, LLC</td>
<td>$196,081.90</td>
</tr>
</tbody>
</table>

These units will come with a one-year warranty of parts and labor, and is an addition to the Departments fleet.

M/WBE Subcontracting:
Zero-percent goal document approved by the Office of Business Opportunity

Hire Houston First:
The proposed contract requires compliance with the City’s 'Hire Houston First' (HHF) ordinance that promotes economic opportunity for Houston businesses and supports job creation. Texas Boom Company, LLC is a designated HHF company, but they were the successful awardee without application of the HHF preference.

Fiscal Note:
No significant Fiscal Operating impact is anticipated as a result of this project.
Amount and Source of Funding:

Summary:
HOLT CRANE AND EQUIPMENT for Hydraulic Crane Replacement Parts and Repair Services for the Fleet Management Department - $68,746.36 - Fleet Management Fund

Background:
Sole Source for S80-E32328 – Approve an award to Holt Crane and Equipment in an amount not to exceed $68,746.36 for hydraulic crane replacement parts and repair services for the Fleet Management Department.

Specific Explanation:
The Director of the Fleet Management Department and the Chief Procurement Officer recommend that City Council approve an award to Holt Crane and Equipment on its sole source in an amount not to exceed $68,746.36 for hydraulic crane replacement parts and services for the Fleet Management Department (FMD) and that authorization be given to issue a purchase order. The replacement parts will be used to repair a hydraulic crane due to a cracked boom and hydraulic issues.

This recommendation is made pursuant to subsection 252.022(a)(2) of the Texas Local Government Code, which provides that "a procurement of items that are available from only one source" is exempt from the competitive requirements for purchases.

MWBE Subcontracting:
This Procurement is exempt from the MWBE, subcontracting goal participation as the total project expenditures does not exceed the City's $100,000.00 threshold.

Hire Houston First:
This procurement is exempt for the City's Hire Houston First Ordinance. Bids/proposals were not solicited because the department is utilizing an Interlocal or Cooperative Purchasing Agreement for this purchase.

Fiscal Note:
Funding for this item is included in the FY2022 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.

The Director of the Fleet Management Department and the Chief Procurement Officer recommend that City Council approve an award to Holt Crane and Equipment on its sole source in an amount not to exceed $68,746.36 for hydraulic crane replacement parts and services for the Fleet Management Department (FMD) and that authorization be given to issue a purchase order. The replacement parts will be used to repair a hydraulic crane due to a cracked boom and hydraulic issues.

This recommendation is made pursuant to subsection 252.022(a)(2) of the Texas Local Government Code, which provides that "a procurement of items that are available from only one source" is exempt from the competitive requirements for purchases.

M/WBE Subcontracting:
This Procurement is exempt from the MWBE, subcontracting goal participation as the total project expenditures does not exceed the City's $100,000.00 threshold.

Hire Houston First:
This procurement is exempt for the City's Hire Houston First Ordinance. Bids/proposals were not solicited because the department is utilizing an Interlocal or Cooperative Purchasing Agreement for this purchase.

Fiscal Note:
Funding for this item is included in the FY2022 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.

Summary:
AFMA, INC dba CORE OFFICE INTERIORS for the Reconfiguration of Workstations through the National Intergovernmental Purchasing Alliance Company dba Omnia Partners contractor for Houston Health Department - $72,196.45 - Health Special Fund

Background:
S80-E32313 - Approve the purchase of parts and accessories for the reconfiguration of workstations from AFMA, Inc. dba. Core Office Interiors in the total amount of $72,196.45 through the National Intergovernmental Purchasing Alliance Company dba Omnia Partners for the Houston Health Department.

Specific Explanation:
The Director of the Houston Health Department and the Chief Procurement Officer recommend that City Council approve the purchase of parts and accessories to reconfigure eleven (11) new workstations in the total amount of $72,196.45 for the Houston Health Department and that authorization be given to issue a purchase order to the National Intergovernmental Purchasing Alliance Company dba Omnia Partners contractor AFMA, Inc. dba. Core Office Interiors. This furniture will be used to accommodate eleven new staff members.

This recommendation is made pursuant to subsection 271.102(c) of the Texas Local Government Code, which provides that "a local government that purchases goods or services from a cooperative purchasing program or organization satisfies any state law requiring the local government to seek competitive bids for the purchase of the goods or services."

M/WBE Subcontracting:
This Procurement is exempt from the MWBE, subcontracting goal participation as the total project expenditures does not exceed the City's $100,000.00 threshold.

Hire Houston First:
This procurement is exempt for the City's Hire Houston First Ordinance. Bids/proposals were not solicited because the department is utilizing an Interlocal or Cooperative Purchasing Agreement for this purchase.

Fiscal Note:
Funding for this item is included in the FY2022 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.

Summary:
PIVOTAL INDUSTRIES dba DEVON SANKAR for the purpose of Pipe Fittings for Houston Public Works - $1,476.50 - Enterprise Fund

Background:
Informal Bids Received April 14, 2022, for I05977 – Approve an award to Pivotal Industries dba Devon Sankar, in the total amount of $1,476.50 for the purchase of pipe fittings for Houston Public Works.

Specific Explanation:
The Director of Houston Public Works (HPW) and the Chief Procurement Officer recommend that City Council approve an award to Pivotal Industries dba Devon Sankar in the total amount of $1,476.50 for the purchase of pipe fittings and that authorization be given to issue a purchase order for Houston Public Works.

This is for the purchase of steel pipe connectors in a variety of sizes used on water distribution pipes and other industrial applications. The fittings are galvanized to protect against corrosion.

This project was advertised in accordance with the requirements of the State of Texas bid laws for an informal procurement. Pivotal Industries dba Devon Sankar has already received $49,801.05 for other good and/or services this fiscal year. This purchase would put them above the $50,000 threshold and therefore requires Council action. Eighteen (18) prospective bidders downloaded the solicitation document from SPD’s e-bidding website and five (5) bids were received as outlined below:

<table>

<td>$3,229.00</td>
</tr>
</tbody>
</table>

Pivotal Industries dba Devon Sankar: Award on its overall low bid meeting specifications in the total amount of $1,476.50.
**MWBE Participation:**
This procurement is exempt from the City’s MWBE subcontracting requirements as the total expenditure does not exceed the $100,000.00 threshold. However, HPW does solicit bids through SPD’s e-bidding website which is promoted to all registered MWBE vendors.

**Hire Houston First:**
The proposed contract requires compliance with the City’s ‘Hire Houston First’ ordinance that promotes economic opportunity for Houston businesses, while supporting job creation. In this case, Pivotal Industries dba Devon Sankar is a designated HHF company, and they were the successful awardee without application of the HHF preference.

**Fiscal Note:**
Funding for this item is included in the FY22 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.

Summary:
ORDINANCE AMENDING SECTION 44-4 OF THE CODE OF ORDINANCES, HOUSTON, TEXAS, relating to the amount of the Tax Exemption for the Tax Year 2022 and each year thereafter on residence homesteads owned by persons 65 years of age or older or by certain persons with disabilities; containing findings and other provisions relating to the foregoing subject; providing for severability; containing a savings clause.

Background:
Ordinance amending Section 44-4 of the Code of Ordinances to increase the age 65 or older and disabled exemption to $260,000 for Tax Year 2022 and each year thereafter.

Section 44-4(a) of the City Code of Ordinances provides the ad valorem tax exemption amount of $160,000 for Tax Year 2015, and each year thereafter, of the appraised value of residence homesteads of persons 65 years of age or older, or disabled.

This Ordinance amends Section 44-4 of the Code of Ordinances to reflect the increased exemption for the residence homesteads of those who are age 65 or older or disabled. Accordingly, it is recommended that City Council pass an ordinance that amends Section 44-4 of the Code of Ordinances and authorizes an increase of the age 65 or older and disabled exemption from $160,000 to $260,000 starting with Tax Year 2022.

Summary:
ORDINANCE AMENDING CHAPTER 2, ARTICLE I, OF THE CODE OF ORDINANCES, HOUSTON, TEXAS, recognizing and affirming that certain provisions of Articles VII-a and VII-b of the City of Houston’s Charter pertaining to the Qualified Voter Status of Petition Circulators are unconstitutional and unenforceable

Background:
The Legal Department recommends that City Council approve an ordinance amending Chapter 2 of the City’s Code of Ordinances to provide a petition circulator affidavit form for circulators of petitions under the City of Houston Charter (the “City Charter”) who (1) are not registered to vote in the City of Houston or (2) are not residents of the City of Houston.

The City Charter authorizes direct legislation by the public through the initiative and referendum petition process (Article VII-b, Sections 2 and 3) and authorizes the removal from office of any holder of public office in the City by recall petition (Article VII-a). Articles VII-a and VII-b of the City Charter provide that each signature on an initiative, referendum, and recall petition must be acknowledged (notarized) or verified with an affidavit by a circulator of the petition. The circulator’s affidavit requires the circulator to swear under oath that he or she is a signer of the petition. All signers of a petition must be qualified voters registered to vote in the City of Houston.

In *Buckley v. American Constitutional Law Found., Inc.*, 525 U.S. 182, 119 S.Ct. 636 (1999) (“Buckley”), the United States Supreme Court held, among other things, that a Colorado statute requiring that initiative-petition circulators be registered voters violated the First Amendment free speech guarantee. The Fifth Circuit, in *Pool v. City of Houston*, 19-20828, 2020 WL 6253444 (5th Cir. Oct. 23, 2020), opined that absent Houston City Council action, it is not clear that the City has changed its policy and will comply with *Buckley*.

In response to the Fifth Circuit’s decision, City Council passed City Ordinance 2020-1033 (Dec. 2, 2020), which expressed the City’s formal policy to enforce only the requirements relating to petition circulator qualifications that are valid under the U.S. Constitution, as well as codified an alternate petition circulator affidavit for circulators who are not registered to vote in the City of Houston. See Houston, Tex., Code of Ordinances § 2-3.1.
On February 22, 2022, the United States District Court for the Southern District of Texas, Houston Division, declared Articles VII-a and VII-b of the Charter unconstitutional to the extent they require petition circulators to be qualified voters of the City of Houston, and the Court provided that City Council may now enact a new ordinance in light of the Court’s declaratory judgment.

The Legal Department recommends that City Council adopt an ordinance recognizing the Court’s declaratory judgment and replacing any prior versions of the alternate circulator affidavit for use by circulators who (1) are not registered to vote in the City of Houston or (2) are not residents of the City of Houston.

Summary:
ORDINANCE relating to the Retail Gas Utility Rates of CENTERPOINT ENERGY RESOURCES CORP. d/b/a CENTERPOINT ENERGY ENTEREX and as CENTERPOINT ENERGY TEXAS GAS; approving an Interim Rate Adjustment subject to refund and otherwise maintaining current rates in effect until changed.

Background:
The Administration and Regulatory Affairs Department (ARA) recommends that City Council adopt an ordinance relating to the retail gas utility rates of CenterPoint Energy Resources Corp., d/b/a CenterPoint Energy Entex and CenterPoint Energy Texas Gas (CenterPoint or Company), approving an interim rate adjustment. CenterPoint provides natural gas distribution services in the Houston metropolitan area, serving approximately 430,000 residential, 27,000 small general service and 1,000 large volume customers in Houston. The City of Houston exercises original jurisdiction over the rates, operations, and services of CenterPoint under the provisions of the Texas Utilities Code for customers inside city limits.

On March 3, 2022, CenterPoint filed an annual Gas Reliability Infrastructure Program (GRIP) interim rate adjustment for customers within its Houston Division. CenterPoint has requested a revenue requirement increase of $19.3 million for service to retail gas customers within the Houston Division.

The GRIP permits CenterPoint to implement an interim rate adjustment to recover return on the change in invested capital and changes in depreciation, federal and other taxes related to the new investment without filing a full base rate change request. The GRIP was established during the 78th Legislative Session to incentivize investment in Texas’ gas pipeline infrastructure to meet continuing growth in the state and to enhance safety by replacing aging facilities. The current GRIP is the Company’s fifth GRIP Adjustment since its last full base rate proceeding.

Pursuant to State Law, the City’s role in the GRIP proceeding is to review the application to ensure compliance with GRIP statutory requirements. This includes a ministerial review of the filing to test whether GRIP calculations are correct. As a result, on March 29, 2022, City Council approved an ordinance suspending the proposed effective date for 45 days — from May 2, 2022 to June 16, 2022. The suspension period allowed additional time for City Staff, with the assistance of the City’s rate consultant, to review the request, request, and review data from the Company, address any potential ministerial corrections to the Company’s calculations, and prepare a final recommendation.
for consideration by City Council.

If CenterPoint's request is approved, the fixed customer charge for all customer classes would increase as follows:

<table>
<thead>
<tr>
<th>Customer Class</th>
<th>Current Rate</th>
<th>Proposed Rate</th>
<th>Proposed Increase</th>
</tr>
</thead>
<tbody>
<tr>
<td>Residential</td>
<td>$ 18.38</td>
<td>$ 19.74</td>
<td>$ 1.36</td>
</tr>
<tr>
<td>General Service Small</td>
<td>$ 22.41</td>
<td>$ 24.50</td>
<td>$ 2.09</td>
</tr>
<tr>
<td>General Service Large</td>
<td>$ 247.28</td>
<td>$ 290.11</td>
<td>$ 42.83</td>
</tr>
</tbody>
</table>

Based on Staff's review of the Company's GRIP request, ARA determined that the GRIP Adjustment complies with the Statutory GRIP requirements. Therefore, ARA recommends that City Council adopt an ordinance approving the GRIP interim rate adjustment.

**Fiscal Note**
There is no impact to the fiscal budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.

CITY OF HOUSTON - CITY COUNCIL
Meeting Date: 6/7/2022
District I
Item Creation Date: 5/9/2022

HAS - Design-Build Contract with Christensen Building Group, LLC for Construction and Relocation of the TSA & HPD Bunker and K-9 Facility at HOU; Project No. 775B

Agenda Item#: 14.

Summary:
ORDINANCE appropriating $363,387.17 out of Airport System Consolidated 2011 Construction Fund and $6,359.28 out of Airports Improvement Fund and approving and authorizing a Design-Build Contract between City of Houston and CHRISTENSEN BUILDING GROUP, LLC for Construction and Relocation of the TSA and HPD Bunker and K-9 Facility at William P. Hobby Airport for the Houston Airport System; (Project No. 775B); providing funding for Pre-Construction Design Services, Construction Demolition Services and Civic Art Program - DISTRICT I - GALLEGOS

Background:
RECOMMENDATION:
Enact an ordinance approving and authorizing a Design-Build Contract with Christensen Building Group, LLC for the Construction and Relocation of the TSA and HPD Bunker and K-9 Facility at William P. Hobby Airport (HOU) and appropriating the necessary funds for Phase 1 services. (Project No. 775B)

SPECIFIC EXPLANATION:
Pursuant to the Memorandum of Understanding (MOU) between the City of Houston (City) and Southwest Airlines Co. for the latter’s Maintenance Hangar Development Project, the City agreed to relocate impacted facilities, including HPD offices, K-9 kennels, Transportation Security Administration (TSA) bunkers, and a container dump site, from their existing location.

The Houston Airport System (HAS) identified a proposed site located at 9201 and 9311 Telephone Road to be used as an HPD training facility for K-9 unit dogs and as a container dump site at HOU. This site will be a gated, fenced secured facility. Two existing houses and a warehouse will need to be demolished, and existing vegetation and debris from this site will need to be removed and properly disposed.

On January 14, 2021, in response to a Request for Qualifications (RFQ) for this project, six Statements of Qualifications (SOQ) were received from the following firms:

1. American Renewable Energy
2. Anslow Bryant Construction, Ltd.
3. Butler-Cohen Design+Build
4. Christensen Building Group
5. Construction LTD
6. Manhattan Construction Company

The Evaluation Committee members read and evaluated the SOQs prior to the scoring sessions held on February 11, 2021. The Committee short-listed the top five firms that were invited to Step Two of the evaluation for technical proposals. Three firms were interviewed, and the Evaluation Committee recommended Christensen Building Group, LLC for contract award.

The contractor will be responsible for the design and construction of a new TSA-HPD K-9 Training Facility and Trash Dump area to be completed in three phases. Phase 1 will consist of Design and Demolition of buildings at the Telephone Road Site (to be completed in 60 calendar days). Phase 2 consists of the Construction of the new TSA-HPD Bunker, K-9, and Trash Dump facility at the Telephone Road Site (120 calendar days). Phase 3 consists of Relocation, Demolition, and Restoration Construction services to relocate the existing bunker magazines and trash dump area (30 calendar days). The total contract time for all three phases is 210 calendar days.

<td><strong>TOTAL</strong></td>
<td><strong>$369,746.45</strong></td>
</tr>
</tbody>
</table>

At a later date, City Council will be asked to approve the Construction Guaranteed Maximum Price (GMP) and appropriate the necessary funds for those services.

**Pay or Play:**
The proposed contract requires compliance with the City’s ‘Pay or Play’ ordinance regarding health benefits for employees of City contractors. In this case, Christensen Building Group, LLC, has opted to comply with the provisions of the Pay or Play Program by exercising the “Play” option.

**M/WBE Participation:**
The MBE design goal for this project is 18%. Christensen Building Group, LLC has committed to fulfilling this goal using the following certified subcontractor:

CITY OF HOUSTON - CITY COUNCIL
Meeting Date: District I
Item Creation Date: 5/9/2022

HAS - Design-Build Contract with Christensen Building Group, LLC for Construction and Relocation of the TSA & HPD Bunker and K-9 Facility at HOU; Project No. 775B

Agenda Item#: 2022-05-09-01

Background:

RECOMMENDATION:
Enact an ordinance approving and authorizing a Design-Build Contract with Christensen Building Group, LLC for the Construction and Relocation of the TSA and HPD Bunker and K-9 Facility at William P. Hobby Airport (HOU) and appropriating the necessary funds for Phase 1 services. (Project No. 775B)

SPECIFIC EXPLANATION:
Pursuant to the Memorandum of Understanding (MOU) between the City of Houston (City) and Southwest Airlines Co. for the latter’s Maintenance Hangar Development Project, the City agreed to relocate impacted facilities, including HPD offices, K-9 kennels, Transportation Security Administration (TSA) bunkers, and a container dump site, from their existing location. The Houston Airport System (HAS) identified a proposed site located at 9201 and 9311 Telephone Road to be used as an HPD training facility for K-9 unit dogs and as a container dump site at HOU. This site will be a gated, fenced secured facility. Two existing houses and a warehouse will need to be demolished, and existing vegetation and debris from this site will need to be removed and properly disposed.

On January 14, 2021, in response to a Request for Qualifications (RFQ) for this project, six Statements of Qualifications (SOQ) were received from the following firms:

1. American Renewable Energy
2. Anslow Bryant Construction, Ltd.
3. Butler-Cohen Design+Build
4. Christensen Building Group
5. Construction LTD
6. Manhattan Construction Company

The Evaluation Committee members read and evaluated the SOQs prior to the scoring sessions held on February 11, 2021. The Committee short-listed the top five firms that were invited to Step Two of the evaluation for technical proposals. Three firms were interviewed, and the Evaluation Committee recommended Christensen Building Group, LLC for contract award.

The contractor will be responsible for the design and construction of a new TSA-HPD K-9 Training Facility and Trash Dump area to be completed in three phases. Phase 1 will consist of Design and Demolition of buildings at the Telephone Road Site (to be completed in 60 calendar days). Phase 2 consists of the Construction of the new TSA-HPD Bunker, K-9, and Trash Dump facility at the Telephone Road Site (120 calendar days). Phase 3 consists of Relocation, Demolition, and Restoration Construction services to relocate the existing bunker magazines and trash dump area (30 calendar days). The total contract time for all three phases is 210 calendar days.

Summary:
ORDINANCE appropriating $100,000.00 out of Equipment Acquisition Consolidated Fund for purchase of Computer and Hardware Equipment for the CIP Project-Public Facing Computers for the Houston Public Library

Background:
ORDINANCE appropriating the sum of $100,000.00 from the Equipment Acquisition Consolidated Fund for the purchase of computers and hardware equipment for public access under the PC Replacement Project for the Houston Public Library.

The Director of the Houston Public Library recommends that City Council approve an ordinance to appropriate $100,000.00 from the Equipment Acquisition Consolidated Fund (1800) for the purchase of computers and hardware equipment to replace aging and non-functioning public access computers. The Houston Public Library (HPL) will follow all procurement policies and procedures related to this purchase.

The project description with allocation is as follows: PROJECT PROJECT NO. AMOUNT CIP Project-Public Facing computers X-340014 $100,000 Fiscal Note: Funding for this item is included in the FY2022 Capital Improvement Plan. No significant Fiscal Operating impact is anticipated as a result of this project.

Summary:
ORDINANCE approving Professional Architectural Services Contract between City of Houston and ENGLISH + ASSOCIATES ARCHITECTS, INC, to perform Design and Construction Phase Services for 611 Walker Mitigation-Hurricane Harvey Project for Houston Public Works; providing funding for Salary Recovery - DISTRICT I - GALLEGOS

Background:

RECOMMENDATION: Approve professional architectural services contract.

SPECIFIC EXPLANATION: The General Services Department (GSD) recommends that City Council approve a professional architectural services contract with English + Associates Architects, Inc. to perform design and construction phase services for the 611 Walker Mitigation – Hurricane Harvey project for Houston Public Works (HPW).

On December 10, 2021 and December 17, 2021, GSD advertised a Request for Qualifications containing selection criteria that ranked respondents on experience, key personnel experience, proposed design team consultants, and project approach. The Statements of Qualifications were due on January 13, 2022, and four firms responded. GSD formed a selection committee comprised of representatives from GSD and HPW to evaluate the respondents. The selection committee evaluated and interviewed all four firms. English + Associates Architects, Inc. received the highest points based on the advertised criteria and offers the best value for the City.

PROJECT LOCATION: 611 Walker St., Houston, TX 77002

PROJECT DESCRIPTION: In late August 2017, the Bob Lanier Public Works Building sustained damage due to Hurricane Harvey. This project is intended to make all necessary mitigation repairs/replacements to flood-proof the building to avoid future damages. All work will be designed in accordance with the latest City of Houston standards.

SCOPE OF CONTRACT AND FEE: The contract provides for a Basic Services Fee to be paid as a lump sum and certain Additional Services to be paid on a reimbursable basis.
$ 208,259.00 Basic Services Fee
$ 34,950.00 Additional Services Fee
$ 11,700.00 Reimbursable Expenses
$ 254,909.00 Total Contract Services
$ 50,000.00 Salary Recovery
$ 304,909.00 Total Funding

**M/WBE INFORMATION:** A 24% M/WBE goal has been established for this contract. The architect has submitted the following certified firms to achieve the goal:

<table>
<thead>
<tr>
<th>Firm</th>
<th>Work Description</th>
<th>Amount</th>
<th>Contract %</th>

<td>12%</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td></td>
<td><strong>$62,000</strong></td>
<td><strong>24%</strong></td>
</tr>
</tbody>
</table>

**PAY OR PLAY PROGRAM:** The proposed contract requires compliance with the City’s ‘Pay or Play’ Ordinance regarding health benefits for employees of City contractors. In this case, the contractor provides health benefits to eligible employees in compliance with City policy.

**DISASTER RECOVERY NOTE:** This item is related to the impact of Hurricane Harvey DR4332, and it is the City’s intent to seek reimbursement from the Federal Emergency Management Agency (“FEMA”) and other eligible sources for such expenditures.

**FISCAL NOTE:** Funding for this item is included in the FY2022 Adopted Budget. Therefore no Fiscal Note is required as stated in the Financial Policies.

No Fiscal Note is required on grant items.

**Capital Project Information:** See attached Form A for a breakdown of capital costs.

611 WALKER MITIGATION - HURRICANE HARVEY
611 WALKER ST. HOUSTON, TX 77002
Summary:
ORDINANCE approving and authorizing Subrecipient Agreement between City of Houston and UNIVERSITY OF HOUSTON for services addressing COVID-19 Health Disparities among populations at high-risk and underserved regarding the project Mitigating the Effect of Systematic Racism and Misinformation during the SARS-CoV-2 Pandemic for the Houston Health Department; providing a maximum contract amount - 1 Year - $500,000.00 - Grant Fund

Background:
S38-E32348 - Approve an ordinance awarding a Subrecipient Agreement to the University of Houston in the amount not to exceed $500,000.00 for services addressing COVID-19 health disparities among populations at high-risk and underserved (Project Mitigating the Effects of Systemic Racism and Misinformation during the SARS-CoV-2 Pandemic) for the Houston Health Department.

Specific Explanation:
The Director of the Houston Health Department and the Chief Procurement Officer recommend that City Council approve an ordinance authorizing a contract between the City of Houston and the University of Houston in an amount not to exceed $500,000.00 for a term of one year for a study that includes an interdisciplinary investigative team to research the effects of systemic racism and misinformation during COVID-19 for the Houston Health Department.

The scope of work for this study will include an interdisciplinary investigative team of scientist and trainees that will execute two (2) specific approaches using a mixed methods approach. The first approach is a community engagement plan for executing forums that address the effects of systemic racism, medical mistrust, misinformation, and lack of confidence in SARS-2-Cov-2 vaccine uptake in BIPOC (Black, Indigenous, and People of Color) communities. The second approach is to develop a toolkit that facilitates community access to culturally informed health education materials in addition to culturally congruent strategies for navigating a complex healthcare system.

This recommendation is made pursuant to subsections 252.022(1)(2a) of the Texas Local Government Code, which provides that "a procurement necessary to preserve or protect the public health or safety of the municipality's residents" is exempt from the competitive requirements for...

Summary:
ORDINANCE approving and authorizing Subrecipient Agreement between City of Houston and UNIVERSITY OF HOUSTON for services addressing COVID-19 Health Disparities among populations at high-risk and underserved regarding We’ve Got Next Project for the Houston Health Department; providing a maximum contract amount - 1 Year - $499,120.00 - Grant Fund

Background:
S38-E32350 - Approve an ordinance awarding a Subrecipient Agreement to the University of Houston in an amount not to exceed $499,120.00 for services addressing COVID-19 health disparities among populations at high-risk and underserved (WE’VE GOT NEXT PROJECT) for the Houston Health Department.

Specific Explanation:
The Director of Houston Health Department and the Chief Procurement Officer recommend that City Council approve an ordinance authorizing a contract between the City of Houston and the University of Houston in an amount not to exceed $499,120.00 for a term of one year to encourage vaccinations through all widely used social media platforms for the Houston Health Department.

The scope of work requires the University of Houston to encourage vaccinations through all widely used social media platforms. A Houston Health Department committee will collaborate with the University of Houston to develop messages, to include but not limited to “pop-up” vaccination events, and direct home testing distribution.

This recommendation is made pursuant to subsections 252,022(1)(2a) of the Texas Local Government Code, which provides that “a procurement necessary to preserve or protect the public health or safety of the municipality's residents” is exempt from the competitive requirements for purchases.

Background:
S38-E32350 - Approve an ordinance awarding a Subrecipient Agreement to the University of Houston in an amount not to exceed $499,120.00 for services addressing COVID-19 health disparities among populations at high-risk and underserved (WE’VE GOT NEXT PROJECT) for the Houston Health Department.

Specific Explanation:
The Director of Houston Health Department and the Chief Procurement Officer recommend that City Council approve an ordinance authorizing a contract between the City of Houston and the University of Houston in an amount not to exceed $499,120.00 for a term of one year to encourage vaccinations through all social media platforms for the Houston Health Department.

The scope of work requires the University of Houston to encourage vaccinations through all widely used social media platforms. A Houston Health Department committee will collaborate with the University of Houston to develop messages, to include but not limited to “pop-up” vaccination events, and direct home testing distribution.

This recommendation is made pursuant to subsections 252.022(1)(2a) of the Texas Local Government Code, which provides that “a procurement necessary to preserve or protect the public health or safety of the municipality's residents” is exempt from the competitive requirements for purchases.

M/WBE Participation:
Zero-percent goal document approved by the Office of Business Opportunity.

Hire Houston First:
Hire Houston First does not apply to this expenditure, because it involves the use of the federal funds and is subject to specific procurement rules of the federal government.

Disaster Note
This item is related to the impact of COVID-19 and expenditures eligible to be paid under the federal funds and is subject to specific procurement rules of the federal government.

Fiscal Note:
No Fiscal Note is required on grant items.

Summary:
ORDINANCE amending Ordinance No. 2017-0333 (Passed on May 10, 2017) to increase maximum contract amount; approving and authorizing first amendment to contract between City of Houston and SOUTHERN TIRE MART, LLC for Tire Repair Services for the Fleet Management Department (Approved by Ordinance 2017-0333) - $355,455.00 - Fleet Management Fund

Background:
P06-L26031.A1 – Approve an ordinance authorizing a first amendment to Contract No. 4600014075 between the City of Houston and Southern Tire Mart, LLC (approved by Ordinance No. 2017-333 passed on May 10, 2017) to increase the maximum contract amount from $1,421,820.00 to $1,777,275.00 and amend Exhibit H (Fee Schedule) for Tire Repair Services for the Fleet Management Department.

Specific Explanation:
The Director of Fleet Management Department and the Chief Procurement Officer recommend that City Council approve an ordinance authorizing a first amendment to the contract between the City of Houston and Southern Tire Mart, LLC to increase the maximum contract amount from $1,421,820.00 to $1,777,275.00 and amend Exhibit H (Fee Schedule) for tire repair services for the Fleet Management Department.

This contract was awarded on May 17, 2017, by Ordinance No. 2017-333 for a three-year term with two one-year options to renew in the amount not to exceed $1,421,820.00. The contract term was from May 18, 2017 through May 18, 2022. Prior to expiration, the contract was extended for 180-days until November 17, 2022. Expenditures as of May 10, 2022 totaled $1,059,039.39. The additional spending authority will enable the department to continue services until a new contract is presented to City Council within the next 180-days. The Fee Schedule is being amended to increase unit prices due to major increases in costs related to fuel, labor, supplies, and labor shortage.

The scope of work requires the contractor to furnish all supervision, labor, parts, tools, materials, transportation, equipment, and supplies necessary to perform tire repair services on City owned/leased agricultural equipment, industrial equipment, light and heavy duty trucks, trailers, passenger cars, mower/tractors and/or attachments, ambulances and fire trucks, as required. The Contractor shall also be required to repair tires and/or tubes that have gone flat, as a result of damage from punctures or leaks. This service is available twenty-four (24) hours a day, seven (7) days a week, fifty-two (52) weeks a year, including all holidays.

MWBE Subcontractor:
This contract was awarded with a 4% goal for MWBE Participation. Southern Tire Mart, LLC is
achieving 43.60% of the required MWBE goal.

**Fiscal Note:**
Funding for this item will be included in the FY2023 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.

Summary:
ORDINANCE approving and authorizing Derivative Agreement between City of Houston and FORD AUDIO-VIDEO SYSTEMS, LLC for Television Production Equipment Repairs and Maintenance Services for the Mayor’s Houston Television Department; providing a maximum contract amount - 5 Years - $200,000.00 - State Cable TV Fund

Background:
S78–L30018: Approve an ordinance authorizing a derivative agreement with Ford Audio-Video System, LLC for television production equipment repairs and maintenance services through the Interlocal Agreement for Cooperative Purchasing with TipsUSA in the total amount of $200,000.00 for Houston Television (Municipal Channel).

Specific Explanation:
The Director of HTV (Municipal Channel) and the Chief Procurement Officer recommend that City Council approve and authorize a derivative agreement with Ford Audio-Video System, LLC in an amount not to exceed $200,000.00 for a sixty-month period through the Interlocal Agreement for Cooperative Purchasing with TipsUSA.

The scope of work requires the contractor to provide all maintenance and repair work required for television production equipment, to include replacement parts and all minor component parts necessary to ensure optimum performance and minimize downtime. This maintenance and repair work is critical because the equipment is heavily used for recorded and live productions for the City of Houston.

This recommendation is made pursuant to subsection 271.102(c) of the Texas Local Code, which provides that "a local government that purchase goods or services from a Cooperative Purchasing program or organization satisfies any state law requiring the local government to seek competitive bids for the purchase of goods or services."

M/WBE Participation:
M/WBE Zero Percentage Goal approved by the Office of Business Opportunity.

Hire Houston First:
This procurement is exempt from the City’s Hire Houston First Ordinance. Bids/proposals were not solicited because the department is utilizing an Interlocal/Cooperative Purchasing Agreement for this purchase.

**Fiscal Note:**
Funding for this item is included in the FY22 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.

Summary:
ORDINANCE approving and authorizing first amendment to agreement for Credit Card Processing Services between City, PAYMENTECH, LLC, and JPMORGAN CHASE BANK, N.A.

Background:
S36–T25920.A1 - Approve an ordinance authorizing a First Amendment to Contract No. 4600014807 between the City of Houston and Paymentech, LLC, and JPMorgan Chase Bank, N.A. (approved by Ord. No. 2020-0937 on October 28, 2020) to amend the original Agreement to modify certain service terms and the Municipal Courts Department pricing terms for the Finance Department.

Specific Explanation:
The Chief Business Officer/ Director of the Finance Department and the Chief Procurement Officer recommend that City Council approve an amending ordinance authorizing a First Amendment to the contract between the City of Houston and Paymentech LLC, and JPMorgan Chase Bank, N.A. to amend the original Agreement to modify certain service terms and the Municipal Courts Department pricing terms for the Finance Department.

The contract was originally awarded by City Council on October 28, 2020, per Ordinance No. 2020-0937 with a three-year term with five one-year options. The Amendment will delete the “Pay Connexion” Service Terms in its entirety and replace it with the “Paymentus Fee Schedule”. Pay Connexion will be decommissioned in 2023, and be replaced with Paymentus. Paymentus is a more robust payment gateway that offers constituents innovative solutions, simplifying payment operations and improving customer experience. The “Schedule A” to the Merchant Agreement is supplemented with the new pricing table as follows:

<table>
<thead>
<tr>
<th>Description of Service</th>
<th>Fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>Paymentech Gateway Transaction</td>
<td>$0.00</td>
</tr>
<tr>
<td>Monthly Paymentech Gateway Fee (per division)</td>
<td>$0.00</td>
</tr>
</tbody>
</table>

Also, a new Exhibit “H” – Paymentus Electronic Billing and Payment Service Terms is added to the original Agreement.

The scope of work requires the contractor to provide all labor, materials, equipment, and supervision required to provide merchant credit card services for electronic payment processing and gateway processing services.

The merchant credit card services contract provides both online and point-of-sales terminal payment capability to customers using credit or debit cards and e-checks, and at various locations for the collection of revenue from the payment of permits, fees, fines, bond postings and specific services provided by the participating departments, which includes Administration and Regulatory Affairs, Finance, Fire, General Services, Health, Library, Houston Public Works, Municipal Courts, Planning and Development, Police and Solid Waste...
Departments, the Mayor's Office of Communications and HTV, and the Houston Airport System.

**M/WBE Participation:**
Zero-Percentage Goal document approved by the Office of Business Opportunity.

**Fiscal Note:**
There is no impact to the fiscal budget, therefore, no fiscal note is required.

Summary:
ORDINANCE approving and authorizing contract between City of Houston and PROQUEST LLC for implementation of Digital Databases and Collection Services for the Houston Public Library; providing a maximum contract amount - 5 Years with 2 one-year options - $1,375,000.00 - General Fund

Background:
Request for Proposals received March 11, 2021 for S85-T29482 – Approve an ordinance awarding a contract to ProQuest, LLC in the maximum amount of $1,375,000.00 for the implementation of digital databases and collection services for the Houston Public Library.

Specific Explanation:
The Director of the Houston Public Library and the Chief Procurement Officer recommend that City Council approve an ordinance awarding a five (5) year contract, with two (2) one-year options to renew to ProQuest, LLC. in the maximum contract amount of $1,375,000.00 for the implementation of digital databases and collection services for the Houston Public Library. The Director may terminate this Agreement at any time by giving 30 days written notice to Contractor, with a copy of the notice to the CPO.

The scope of work requires the contractor to furnish digital services and resources in a variety of formats. Databases and digital collections may include, but not are limited to, legal resources, business and investing research, genealogical research, educational tools, journal articles and newspaper collections, library collection management tools, and other digital resources of a similar nature in English and other languages.

The Request for Proposals (RFP) was advertised in accordance with the requirements of the State bid laws and as a result, proposals were received from Encyclopedia Britannica, Global Intelligence Services, Gale by Cengage, Mergent, Lexis Nexis, Sirs Dynix, World Book, EBSCO Publishing Inc., Oxford University, Carahsoft Technology, OverDrive, Supreme Company Warehouse, Grey House Publishing - Salem Press, Grey House Publishing - Weiss Ratings, and ProQuest, LLC. The Evaluation Committee consisted of members from the Houston Public Library and the Houston Information Technology Services. The proposals were evaluated based on the following criteria:
1. Responsiveness of the Proposal
2. Technical Competence
3. Price Proposal

ProQuest, LLC received one the highest overall scores and were deemed to be the best qualified contractors to perform the requirements as outlined in the RFP.

**MWBE Subcontracting:**
MWBE Zero Percentage Goal document approved by the Office of Business Opportunity.

**Hire Houston First:**
The proposed contract requires compliance with the City’s “Hire Houston First” Ordinance that promotes economic opportunity for Houston businesses and supports job creation. In this case, the firm is not a designated HHF company, therefore the HHF preference was not applied to the contract award.

**Fiscal Note:**
Funding for this item is included in the FY 2022 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.

CITY OF HOUSTON - CITY COUNCIL
Meeting Date: 6/7/2022
District B
Item Creation Date: 1/27/2022

PRD - TPWD Urban Outdoor Grant Keith-Wiess Park

Agenda Item#: 23.

Summary:
ORDINANCE approving and authorizing the submission of a Grant Application for and acceptance of Grant Funds through the TEXAS PARKS & WILDLIFE DEPARTMENT for its Urban Outdoor Grant Program related to the proposed improvements of Keith-Wiess Park for the City of Houston Parks and Recreation Department (“Grant”); declaring the City’s eligibility for such Grant; authorizing the Director of the Parks and Recreation Department to act as the City’s representative in the application process, to apply for, accept, and expend the Grant Funds if awarded and to apply for, accept, and expend all subsequent awards, if any, pertaining to the Grant and to extend the budget period - DISTRICT B - JACKSON

Background:
The Houston Parks and Recreation Department (HPARD) requests Council approval authorizing the submission of an Urban Outdoor Recreation grant application to the Texas Parks & Wildlife Department (TPWD). Through the efforts of State Representative Armando Walle, $5,000,000 in grant assistance for improvements of Keith-Wiess Park were secured in the 2021-2022 General Appropriations Act enacted by the 87th Texas Legislature. TPWD requires a grant application authorizing the HPARD Director or designee to act as the city’s representative in the application process, with the authority to accept and expend such grant funds, as awarded, and to apply for and accept all subsequent awards, if any, pertaining to the grant. The anticipated project period is July 1, 2022 - June 30, 2026. The total grant award is $5,000,000 and there is no required match.

Keith-Wiess Park, located at 12300 Aldine-Westfield Rd., is a 499.46-acre park acquired by the City of Houston in 1979. The East Aldine District and members of the community were involved with updating the park master plan in 2020. The proposed improvements for this phase will build upon project scope funded with an earlier grant award (also secured by State Representative Walle). The earlier phase includes a vehicular entrance at the Aldine Town Center, a new parking lot, trail connections, outdoor exercise area, and site furnishings. This phase will focus on a Nature Center building with indoor and outdoor classroom and gathering space. Associated detention and utilities including electrical service, water and sanitary sewer service to the building will be necessary and a major part of the project scope and cost. The grant will cover design services as well as construction.

HPARD also requests City Council to authorize the Director or his designee to act as the city’s representative in this application process with the authority to extend the budget period, and to authorize the Mayor to execute all related contracts, agreements, and documents with the approval of the City Attorney in connection with the grant not to exceed five years.
**Fiscal Note:** No fiscal note required for grant items.

CITY OF HOUSTON - CITY COUNCIL
Meeting Date: 5/25/2022
District B
Item Creation Date: 1/27/2022

PRD - TPWD Urban Outdoor Grant Keith-Wiess Park

Agenda Item#: 47.

Summary: NOT A REAL CAPTION
ORDINANCE approving and authorizing the submission of a grant application to the TEXAS PARKS & WILDLIFE DEPARTMENT FOR THE URBAN OUTDOOR RECREATION GRANT (the "Grant") for improvements at Keith-Wiess Park; declaring the City's eligibility for such Grant; authorizing the Director of the Parks and Recreation Department to act as the City's representative in the application process, with the authority to accept and expend such Grant Funds, as awarded, and to apply for, extend the budget period for, and accept all subsequent awards, if any, pertaining to the Grant - DISTRICT B - JACKSON

Background:
The Houston Parks and Recreation Department (HPARD) requests Council approval authorizing the submission of a grant application to the Texas Parks & Wildlife Department (TPWD). Through the efforts of State Representative Armando Walle, $5,000,000 in grant assistance for improvements of Keith-Wiess Park were secured in the 2021-2022 General Appropriations Act enacted by the 87th Texas Legislature. TPWD requires a grant application authorizing the HPARD Director or designee to act as the city's representative in the application process, with the authority to accept and expend such grant funds, as awarded, and to apply for and accept all subsequent awards, if any, pertaining to the grant. The anticipated project period is July 1, 2022 - June 30, 2026. The total grant award is $5,000,000 and there is no required match.

Keith-Wiess Park, located at 12300 Aldine-Westfield Rd., is a 499.46-acre park acquired by the City of Houston in 1979. The East Aldine District and members of the community were involved with updating the park master plan in 2020. The proposed improvements for this phase will build upon project scope funded with an earlier grant award (also secured by State Representative Walle). The earlier phase includes a vehicular entrance at the Aldine Town Center, a new parking lot, trail connections, outdoor exercise area, and site furnishings. This phase will focus on a Nature Center building with indoor and outdoor classroom and gathering space. Associated detention and utilities including electrical service, water and sanitary sewer service to the building will be necessary and a major part of the project scope and cost. The grant will cover design services as well as construction.

HPARD also requests City Council to authorize the Director or his designee to act as the city's representative in this application process with the authority to extend the budget period, and to authorize the Mayor to execute all related contracts, agreements, and documents with the approval of the City Attorney in connection with the grant not to exceed five years.

Fiscal Note: No fiscal note required for grant items.

Meeting Date: 6/7/2022
District C
Item Creation Date: 12/13/2021

PLN - Special Minimum Lot Size Block App No. 798 (300 block of Willard Street, south side)

Agenda Item#: 24.

Summary:
ORDINANCE establishing the south side of the 300 Block of Willard Street, within the City of Houston, Texas, as a special minimum lot size block pursuant to Chapter 42 of the Code of Ordinances, Houston, Texas - DISTRICT C - KAMIN

Background:
In accordance with Section 42-197 of the Code of Ordinances, the property owner of 307 Willard Street, E ½ of Lots 7 and 8, Block 1 of the Weston Subdivision, initiated an application for the designation of a Special Minimum Lot Size Block (SMLSB). The application includes written evidence of support from the owners of 74% of the block. The Planning and Development Department mailed notifications to property owners of five (5) lots indicating that the SMLSB application had been submitted. The notification further stated that written protest must be filed with the Planning and Development Department within thirty days of mailing.

In accordance with the Code, since no protest was filed, no action is required by the Houston Planning Commission, the application may be submitted directly to City Council for consideration.

The Planning and Development Department recommends that City Council adopt an ordinance establishing a Special Minimum Lot Size of 5,000 square feet for the 300 block of Willard Street, south side.

## Special Minimum Lot Size Block No. 798
### Planning Director’s Approval

#### Planning Director Evaluation:

<table>
<thead>
<tr>
<th>Satisfies</th>
<th>Does Not Satisfy</th>
<th>Criteria</th>
</tr>
</thead>
<tbody>
<tr>
<td>X</td>
<td></td>
<td>SMLSB includes all property within at least one blockface and no more than two opposing blockfaces;</td>
</tr>
<tr>
<td></td>
<td></td>
<td>The application is for the 300 block of Willard Street, south side.</td>
</tr>
<tr>
<td>X</td>
<td></td>
<td>At least 60% of the proposed SMLSB is developed with or is restricted to not more than two single-family residential (SFR) units per lot;</td>
</tr>
<tr>
<td></td>
<td></td>
<td>100% of the proposed application area is developed with not more than two SFR units per property.</td>
</tr>
<tr>
<td>X</td>
<td></td>
<td>Demonstrated sufficient evidence of support;</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Petition signed by owners of 74% of the proposed SMLSB.</td>
</tr>
<tr>
<td>X</td>
<td></td>
<td>Establishment of the SMLSB will further the goal of preserving the lot size character of the area; and,</td>
</tr>
<tr>
<td></td>
<td></td>
<td>A minimum lot size of 5,000 square feet exists on three (3) lots in the blockfaces.</td>
</tr>
<tr>
<td>X</td>
<td></td>
<td>The proposed SMLSB has a lot size character that can be preserved by the establishment of a special minimum lot size, taking into account the age of the neighborhood, the age of structures in the neighborhood, existing evidence of a common plan and scheme of development, and such other factors that the director, commission or city council, respectively as appropriate, may determine relevant to the area.</td>
</tr>
<tr>
<td></td>
<td></td>
<td>The subdivision was platted in 1907. The earliest home was built in 1930. The establishment of a 5,000 square foot minimum lot size will preserve the lot size character of the area.</td>
</tr>
</tbody>
</table>

The minimum lot size for this application was determined by finding the current lot size that represents a minimum standard for at least 70% of the application area.

Three (3) out of five (5) lots (representing 74% of the application area) are at least 5,000 square feet in size.

The Special Minimum Lot Size Block meets the criteria.

Summary:
ORDINANCE consenting to the addition of 266.10 acres of land to VALLEY RANCH MEDICAL CENTER MANAGEMENT DISTRICT in the extraterritorial jurisdiction of the City of Houston, Texas, for inclusion in the district

Background:
Management Districts are special districts created by the Texas Legislature. Generally, these districts are empowered to promote, develop, encourage and maintain employment, commerce, transportation, water and sewerage improvements, housing, tourism, recreation, arts, entertainment, economic development, safety and public welfare. Typically, management districts are given the power to finance their operations by issuing bonds or other obligations, payable in whole or in part as valorem taxes, assessments, impact fees or other funds of the district to provide improvements and services.

Valley Ranch Medical Center Management District, authorized by the 84th Texas Legislature in 2015, contains approximately 123,472 acres. The District is located entirely in Houston’s extraterritorial jurisdiction (ETJ) in Montgomery County. This District’s state-authorized powers include, in addition to those listed above, water, sewerage and drainage powers usually reserved for municipal utility districts (MUDs). On March 30, 2016, the City of Houston consented to the creation of the management district based on the requirement of the state law.

A management district is intended to supplement, not supplant, existing public services. Consent to creation or annexation of land into these districts does not release the local county or the City of Houston from its obligations to provide services to the areas; nor does it require additional services from the City. The City assumes no liability for the debts, obligations, or liabilities of the district.

The Planning and Development Department recommends City Council to consent to the annexation of the 266.1 acres of land to Valley Ranch Medical Center Management District.

Summary:
ORDINANCE consenting to the addition of 35.5862 acres of land to HARRIS COUNTY FRESH WATER SUPPLY DISTRICT NO. 58, for inclusion in its district

Background:
SUBJECT: Petition for the City’s consent to the addition of 35.5862 acres to Harris County Fresh Water Supply District No. 58.

RECOMMENDATION: Petition for the City’s consent to the addition of 35.5862 acres to Harris County Fresh Water Supply District No. 58 be approved.

SPECIFIC EXPLANATION: Harris County Fresh Water Supply District No. 58 (the “District”) was created through the Harris County Commissioner’s Court in 1965, and currently consists of 663.230 acres within Harris County. The District is within the extraterritorial jurisdiction of the City of Houston (the “City”) and has petitioned the City for consent to add 35.5862 acres of developed and undeveloped land, to the District. The proposed tract is to be developed as commercial property and is located in the vicinity of Indian Shores Road, Lake Houston, Big Deer Drive, and FM 2100. The addition of land to the District does not release it from the City’s extraterritorial jurisdiction.

The Utility District Review Committee has evaluated the application with respect to wastewater collection and treatment, potable water distribution, storm water conveyance, and other public services.

The District has a wastewater collection system and treatment facility. The annexation tract will be provided with wastewater treatment by the Indian Shores Wastewater Treatment Facility. Potable water is provided by the District.

The nearest major drainage facility for Harris County Fresh Water Supply District No. 58 is Gum Gully which flows into Jackson Bayou, then into the San Jacinto River, and finally into the Houston Ship Channel. Gum Gully is within the Jackson Bayou watershed. The proposed annexation tract is not within the 100 or 500 year floodplain.

By executing the Petition for Consent, the District has acknowledged that all plans for the
construction of water conveyance, wastewater collection, and storm water collection systems within the District must be approved by the City prior to their construction.

The Utility District Review Committee recommends that the subject petition be approved.

Summary:
ORDINANCE consenting to the addition of 44.51 acres of land to HARRIS COUNTY MUNICIPAL UTILITY DISTRICT NO. 531, for inclusion in the district

Background:
SUBJECT: Petition for the City’s consent to the addition of two (2) tracts of land totaling 44.51 acres to Harris County Municipal Utility District No. 531.

RECOMMENDATION: Petition for the City’s consent to the addition of two (2) tracts of land totaling 44.51 acres to Harris County Municipal Utility District No. 531 be approved.

SPECIFIC EXPLANATION: Harris County Municipal Utility District No. 531 (the “District”) was created through an act of the Texas Legislature in 2013, and currently consists of 373.844 acres within Harris County. The District is within the extraterritorial jurisdiction of the City of Houston (the “City”) and has petitioned the City for consent to add two (2) tracts of vacant land totaling 44.51 acres, proposed to be developed as single family residential and commercial property, to the District. The proposed annexation tracts are located in the vicinity of Edworthy Road, Mason Road, Cumberland Ridge Drive, and Mueschke Road. The addition of land to the District does not release it from the City’s extraterritorial jurisdiction.

The Utility District Review Committee has evaluated the application with respect to wastewater collection and treatment, potable water distribution, storm water conveyance, and other public services.

The District has a wastewater collection system and treatment facility. The annexation tracts will be provided with wastewater treatment by the Harris County Municipal Utility District No. 531 Wastewater Treatment Plant. Potable water is provided by the District.

The nearest major drainage facility for Harris County Municipal Utility District No. 531 is Little Cypress Creek, which flows into Cypress Creek then to Spring Creek, then to the San Jacinto River, and finally into Lake Houston. The proposed annexation tracts are not within the 100 year floodplain or 500 year floodplain.

By executing the Petition for Consent, the District has acknowledged that all plans for the
construction of water conveyance, wastewater collection, and storm water collection systems within the District must be approved by the City prior to their construction.

The Utility District Review Committee recommends that the subject petition be approved.

Summary:
ORDINANCE consenting to the creation of Harris-Waller Counties Municipal Utility District No. 7, containing approximately 45.924 acres of land, within the extraterritorial jurisdiction of the City of Houston, Texas; authorizing the district to issue bonds, subject to certain conditions

Background:
SUBJECT: Petition for the City’s consent to the creation of 45.924 acres as Harris-Waller Counties Municipal Utility District No. 7.

RECOMMENDATION: Petition for the City’s consent to the creation of 45.924 acres as Harris-Waller Counties Municipal Utility District No. 7 be approved.

SPECIFIC EXPLANATION: The owners of 45.924 acres of land, located within Waller and Harris County and in the extraterritorial jurisdiction of the City of Houston (the “City”), have petitioned the City for consent to create a district. The name of the proposed district shall be Harris-Waller Counties Municipal Utility District No. 7 (the “District”). The proposed District consists of vacant land and is proposed to be developed as single family residential property. The proposed District is located in the vicinity of Mound Creek, Torrey Road, and Mathis Road. The creation of the District does not release it from the City’s extraterritorial jurisdiction.

The Utility District Review Committee has evaluated the application with respect to wastewater collection and treatment, potable water distribution, storm water conveyance, and other public services.

The District will be provided with wastewater treatment by the Mathis Wastewater Treatment Facility. Potable water will be provided by the District.

The nearest major drainage facility for Harris-Waller Counties Municipal Utility District No. 7 is Mound Creek, which flows into Cypress Creek, which flows into Spring Creek, then to the San Jacinto River, and finally into Lake Houston. Mound Creek is within the Cypress Creek watershed. The proposed tract is within the 100 year floodplain (6%) and 500 year floodplain (6%).

By executing the Petition for Consent, the District has acknowledged that all plans for the
construction of water conveyance, wastewater collection, and storm water collection systems within
the District must be approved by the City prior to their construction.

Summary:
ORDINANCE consenting to the addition of 1.706 acres of land to NORTHGATE CROSSING MUNICIPAL UTILITY DISTRICT NO. 2, for inclusion in the district

Background:
SUBJECT: Petition for the City’s consent to the addition of two (2) tracts of land totaling 1.706 acres to Northgate Crossing Municipal Utility District No. 2.

RECOMMENDATION: Petition for the City’s consent to the addition of two (2) tracts of land totaling 1.706 acres to Northgate Crossing Municipal Utility District No. 2 be approved.

SPECIFIC EXPLANATION: Northgate Crossing Municipal Utility District No. 2 (the “District”) was created through an act of the Texas Legislature in 1985, and currently consists of 469.931 acres within Harris County. The District is within the extraterritorial jurisdiction of the City of Houston (the “City”) and has petitioned the City for consent to add two (2) tracts of land totaling 1.706 acres of developed land, proposed to be developed as commercial property, to the District. The proposed annexation tracts need public water and wastewater utility services. The proposed annexation tracts are located in the vicinity of Crossgate Boulevard, Interstate 45 North, Hardy Toll Road, and Northgate Crossing Boulevard. The addition of land to the District does not release it from the City’s extraterritorial jurisdiction.

The Utility District Review Committee has evaluated the application with respect to wastewater collection and treatment, potable water distribution, storm water conveyance, and other public services.

The District has a wastewater collection system and treatment facility. The annexation tracts will be provided with wastewater treatment by the Northgate Crossing Municipal Utility District No. 2. This regional plant also provides wastewater treatment to Northgate Crossing Municipal Utility District No. 1. Potable water is provided by the District.

The nearest major drainage facility for Northgate Crossing Municipal Utility District No. 2 is Spring Creek, which flows into the San Jacinto River, and finally into Lake Houston. The proposed annexation tracts are not within the 100 year floodplain, but are within the 500 year floodplain (100%).
By executing the Petition for Consent, the District has acknowledged that all plans for the construction of water conveyance, wastewater collection, and storm water collection systems within the District must be approved by the City prior to their construction.

The Utility District Review Committee recommends that the subject petition be approved.

SUBJECT: Petition for the City’s consent to the addition of two (2) tracts of land totaling 1.706 acres to Northgate Crossing Municipal Utility District No. 2.

RECOMMENDATION: Petition for the City’s consent to the addition of two (2) tracts of land totaling 1.706 acres to Northgate Crossing Municipal Utility District No. 2 be approved.

SPECIFIC EXPLANATION: Northgate Crossing Municipal Utility District No. 2 (the “District”) was created through an act of the Texas Legislature in 1985, and currently consists of 469.931 acres within Harris County. The District is within the extraterritorial jurisdiction of the City of Houston (the “City”) and has petitioned the City for consent to add two (2) tracts of land totaling 1.706 acres of developed land, proposed to be developed as commercial property, to the District. The proposed annexation tracts need public water and wastewater utility services. The proposed annexation tracts are located in the vicinity of Crossgate Boulevard, Interstate 45 North, Hardy Toll Road, and Northgate Crossing Boulevard. The addition of land to the District does not release it from the City’s extraterritorial jurisdiction.

The Utility District Review Committee has evaluated the application with respect to wastewater collection and treatment, potable water distribution, storm water conveyance, and other public services.

The District has a wastewater collection system and treatment facility. The annexation tracts will be provided with wastewater treatment by the Northgate Crossing Municipal Utility District No. 2. This regional plant also provides wastewater treatment to Northgate Crossing Municipal Utility District No. 1. Potable water is provided by the District.

The nearest major drainage facility for Northgate Crossing Municipal Utility District No. 2 is Spring Creek, which flows into the San Jacinto River, and finally into Lake Houston. The proposed annexation tracts are not within the 100 year floodplain, but are within the 500 year floodplain (100%).

By executing the Petition for Consent, the District has acknowledged that all plans for the construction of water conveyance, wastewater collection, and storm water collection systems within the District must be approved by the City prior to their construction.

The Utility District Review Committee recommends that the subject petition be approved.

Summary:
ORDINANCE consenting to the addition of 32.7677 acres of land to GREENWOOD UTILITY DISTRICT, for inclusion in its district

Background:
SUBJECT: Petition for the City’s consent to the addition of three (3) tracts of land totaling 32.7677 acres to Greenwood Utility District.

RECOMMENDATION: Petition for the City’s consent to the addition of three (3) tracts of land totaling 32.7677 acres to Greenwood Utility District be approved.

SPECIFIC EXPLANATION: Greenwood Utility District (the “District”) was created through an act of Texas Legislature in 1969, and currently consists of 851.669 acres within Harris County. The District is within the extraterritorial jurisdiction of the City of Houston (the “City”) and has petitioned the City for consent to add three (3) tracts of developed land totaling 32.7677 acres, single family residential property, to the District. The tracts need service by Greenwood Utility District. The proposed annexation tracts are located in the vicinity of Tidwell Road, Van Hut Lane, Little York Road, and Beltway 8. The addition of land to the District does not release it from the City’s extraterritorial jurisdiction.

The Utility District Review Committee has evaluated the application with respect to wastewater collection and treatment, potable water distribution, storm water conveyance, and other public services.

The District has a wastewater collection system and treatment facility. The annexation tracts will be provided with wastewater treatment by the Tidwell Wastewater Treatment Facility. This regional plant also provides wastewater treatment to Parkway Utility District. Potable water is provided by Tidwell Water Treatment Plant.

The nearest major drainage facility for Greenwood Utility District is Greens Bayou, which flows into the Houston Ship Channel. The proposed annexation tracts are not within the 100 or 500 year floodplain.

By executing the Petition for Consent, the District has acknowledged that all plans for the
construction of water conveyance, wastewater collection, and storm water collection systems within the District must be approved by the City prior to their construction.

The Utility District Review Committee recommends that the subject petition be approved.

Existing Greenwood Utility District Boundary
851.669 Acres

Proposed Area to be Annexed:
32.7677 Acres

Tract 1  Tidwell Lakes Sec 5  13.3239 Acres
Tract 2  Tidwell Lakes Sec 3  9.6445 Acres*
Tract 3  Tidwell Lakes Sec 6  9.7993 Acres

* Tidwell Lakes Sec 3 (11.443 Acres) Save & Except Restricted Reserves "A" (1.5440 Acres) & "B" (0.2441 Acres).
Summary:
ORDINANCE finding and determining public convenience and necessity for the acquisition of real property interests; authorizing the acquisition of fee simple or easement interest to two parcels of land required for the Wastewater Force Main Renewal/Replacement for Highland Meadow and Bay Area Lift Stations Project with two parcels situated in D. Putnam Survey, Abstract No. 638, Harris County, Texas, by gift, dedication, purchase and the use of eminent domain and further authorizing payment of the costs of such purchases and/or eminent domain proceedings and associated costs for Relocation Assistance, Appraisal Fees, Title Policies/Services, Recording Fees, Court Costs, and Expert Witness Fees in connection with the acquisition of fee simple or easement interests to the two parcels of land required for the project - Districts D - Evans-Shabazz and E - Martin.

Background:
SUBJECT: An ordinance for the WASTEWATER FORCE MAIN RENEWAL/REPLACEMENT FOR HIGHLAND MEADOW AND BAY AREA LIFT STATIONS PROJECT be passed approving and authorizing the acquisition of parcels by dedication, purchase, or condemnation.

RECOMMENDATION: (Summary) An ordinance for the WASTEWATER FORCE MAIN RENEWAL/REPLACEMENT FOR HIGHLAND MEADOW AND BAY AREA LIFT STATIONS PROJECT be passed approving and authorizing the acquisition of parcels by dedication, purchase, or condemnation.

SPECIFIC EXPLANATION: Houston Public Works is requesting that an ordinance for the WASTEWATER FORCE MAIN RENEWAL/REPLACEMENT FOR HIGHLAND MEADOW AND BAY AREA LIFT STATIONS PROJECT be passed approving and authorizing the acquisition of parcels by dedication, purchase, or condemnation.

This project provides for the renewal and replacement of wastewater force mains throughout the City to provide reliable operation. This project is necessary due to the age and condition of the City's force mains. The funding of this project is required to control operations and maintenance costs in the form of emergency repairs and to ensure regulatory compliance.
This action authorizes payment for costs of land purchases/condemnations, relocation assistance expenses, appraisal fees, title policies/services, recording fees and other acquisition costs in connection with negotiations to settle purchases; finds a public necessity for the project; and approves and authorizes the condemnation of the land and improvements thereon. If negotiations to acquire the property cannot be concluded as a dedication or purchase or for any reason for which acquisition by condemnation is warranted, this action authorizes the City Attorney to file or cause Eminent Domain proceedings to be filed and acquire land, rights-of-way and/or easements for said purposes and authorizes payment for the Award of Special Commissioners and court costs associated with condemnation proceedings. Parcels with a consideration that exceeds the spending authority threshold set by State law will be submitted to City Council as they are finalized. This will expedite the process of acquiring land, rights-of-way and/or easements in support of the WASTEWATER FORCE MAIN RENEWAL/REPLACEMENT FOR HIGHLAND MEADOW AND BAY AREA LIFT STATIONS PROJECT.

**FISCAL NOTE:** No significant Fiscal Operating impact is anticipated as a result of this project.

Summary: ORDINANCE approving and authorizing Purchase and Sale Agreement between City of Houston, Texas, Seller, and ANDRE P. WARD, Purchaser, for sale of approximately 16,095 square-feet of land, located at the corner of Candleshade Lane and Jorns Street, being all of Reserve A, Block 5, of Southwest Manor, Section 2, out of the H.S. Bachelder Survey, Abstract 147, Harris County, Texas, for $107,000.00 - DISTRICT K - CASTEX-TATUM

Background: SUBJECT: Purchase and Sale Agreement with Andre P. Ward (Buyer) for the sale of a 16,095 square foot tract of land at the corner of Candleshade Lane and Jorns Street, being Reserve A, Block 5, Southwest Manor Section 2, H.S. Bachelder Survey, Abstract 147. Parcel SY21-062

RECOMMENDATION: It is recommended City Council approve an ordinance authorizing a Purchase and Sale Agreement between the City of Houston and Andre P. Ward (Buyer) for the sale of a 16,095 square foot tract of land at the northeast corner of Candleshade Lane and Jorns Street, being Reserve A, Block 5, Southwest Manor Section 2, H.S. Bachelder Survey, Abstract 147, for a purchase price of $107,000.00. Parcel SY21-062

SPECIFIC EXPLANATION: The City acquired the subject property by annexation in 1956 of the Harris County Water Control and Improvement District 51. The HCWCID 51 Water Tank was decommissioned in the 1980s and Houston Public Works - Houston Water - Drinking Water Operations determined that the property was surplus to its needs. All City departments with land needs were canvassed with no interest in the property. The property was advertised for bid sale and received one bid with Andre P. Ward submitting the highest bid of $107,000.00 which is above the appraised fair market value of $103,008.00.

The sale is in accordance with Section 2-236 of the City of Houston Code of Ordinances, which provides that any land owned by the City, other than land provided for in Sections 2-237, 2-238 and 2-239, determined not to be needed for City purposes, shall be advertised and may be sold to the highest bidder upon authorization of the City Council, based upon the appraised fair market value of such land.

The City will sell to Andre P. Ward:
Parcel SY21-062
16,095 square-foot tract of land $107,000.00

TOTAL SALE $107,000.00

Therefore, it is recommended City Council approve an ordinance authorizing a Purchase and Sale Agreement between the City of Houston and Andre P. Ward (Buyer) for the sale of 16,095 square feet of land, located at the corner of Candleshade Lane and Jorns Street, being Reserve A, Block 5, Southwest Manor Section 2, H.S. Bachelder Survey, Abstract 147, for a purchase price of $107,000.00. It is further recommended that City Council authorize the Mayor to execute and the City Secretary to attest the Special Warranty Deed conveying the property to the Andre P. Ward.

FISCAL NOTE:
Revenue for this item is included in the FY2022 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.

SY21-062
Sale of 16,095 square foot tract of land at the northeast corner of Candleshade Lane and Jorns Street, being Reserve A, Block 5, Southwest Manor Section 2, H.S. Bachelder Survey, Abstract 147
Summary:
ORDINANCE approving and authorizing contract between City and Property Owner(s) at 5035 Heatherglen Drive, Houston, Texas 77096 for FY2016 Flood Mitigation Assistance Home Elevation Project to be performed by PLANET THREE CONSULTING CORP; providing a maximum contract amount - $371,935.73 - Enterprise, Grant and Other Funds - DISTRICT C - KAMIN

Background:
SUBJECT: Homeowner Agreement for Flood Mitigation Assistance Home Elevation Project between the City of Houston and the property owner at 5035 Heatherglen Drive, Houston, Texas 77096 for the disbursement of funds from the Texas Water Development Board under the FEMA Flood Mitigation Assistance Grant.

RECOMMENDATION: (SUMMARY) Adopt an ordinance approving and authorizing a Homeowner Agreement for the 2016 Flood Mitigation Assistance Home Elevation Project between the City of Houston and the property owner at 5035 Heatherglen Drive, Houston, Texas 77096; and the disbursement of funds.

PROJECT NOTICE/JUSTIFICATION: The 2016 Flood Mitigation Assistance Grant for 40 flood-prone homes was awarded to the City of Houston on the behalf of the homeowners. On February 14, 2018, City Council passed Ordinance No. 2018-0103 approving an agreement between the City of Houston and Texas Water Development Board for administering the Grant and for receiving funds as sub-applicant from the Texas Water Development Board for reimbursement of the cost to complete the elevation of the flood-prone homes up to $12,364,111.50 for the 40 approved homes.

DESCRIPTION: This project consists of elevating the home to comply with the current flood plan ordinance requirement of 2 feet above the 500 year flood level.

SCOPE OF THIS AGREEMENT: The City entered into an Agreement with Texas Water Development Board to administer the Grant to complete the elevation of 40 flood-prone homes. The City is to enter into an Agreement with the Homeowner for the performance of the elevation work.
The pre-qualified elevation contractor Planet Three Consulting Corp. was selected by the homeowner and has entered an Agreement for Flood Mitigation Assistance Home Elevation Project with the Contractor for a bid amount of $347,357.78. The Contractor is responsible for the elevation services required to perform and complete the project per the approved scope of work, as outlined in Exhibit A of the Agreement. The homeowner is responsible for the work performed by the Contractor however the City of Houston will provide inspection construction management, administrative oversite and invoice approval, and fund disbursements directly to the Contractor on behalf of the property owner.

The total construction cost includes the bid amount ($347,357.78), inspection and survey fee ($5,000.00), and lodging ($7,392.00) totaling $359,749.78. Per the terms of the Agreement, the Homeowner will be responsible for 10% of the total construction cost and the Grant will be responsible for 90% of the construction cost.

The City’s administrative and construction management costs were calculated and assessed for the 40 approved homes. The City's Administrative contribution is $551.30 and the Grant and Project Management contribution is $12,185.95.

The residence is being elevated 7.14 feet above its current level to conform with the current City of Houston Floodplain Ordinance requiring structures to be 2 feet above 500-year flood level.

**M/WBE:** The Contractor under this Agreement was encouraged but not required to participate in the City’s M/WBE Program, because it involves the use of federal funds and is subject to specific contract rules of the federal government for this Grant.

**PROJECT COSTS:** The total project cost is $371,935.73 to be allocated as follows:

<table>
<thead>
<tr>

</table>

The City will invoice TWDB for reimbursement of actual costs up to the not-to-exceed maximum Grant approved budget amount of $392,873.50. Funding does not include the City’s Administrative
Contribution of $551.30.

**ACTION RECOMMENDED:** It is recommended that the City Council adopt an ordinance approving and authorizing the Homeowner Agreement for Flood Mitigation Assistance Home Elevation Project between the City of Houston and the property owner at 5035 Heatherglen Drive, Houston, Texas 77096 and allocate a not-to-exceed maximum Grant approved budget amount of $392,873.50 for this property.

**FISCAL NOTE:**
No Fiscal Note is required on grant items.

Funding for this item is included in the FY2022 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.

The City’s administrative and construction management costs were calculated and assessed for the 40 approved homes. The City’s Administrative contribution is $551.30 and the Grant and Project Management contribution is $12,185.95.

The residence is being elevated 7.14 feet above its current level to conform with the current City of Houston Floodplain Ordinance requiring structures to be 2 feet above 500-year flood level.

MWBE: The Contractor under this Agreement was encouraged but not required to participate in the City’s MWBE Program, because it involves the use of federal funds and is subject to specific contract rules of the federal government for this Grant.

PROJECT COSTS: The total project cost is $371,935.73 to be allocated as follows:
The City will invoice TWDB for reimbursement of actual costs up to the not-to-exceed maximum Grant approved budget amount of $392,873.50. Funding does not include the City's Administrative Contribution of $551.30.

**ACTION RECOMMENDED:** It is recommended that the City Council adopt an ordinance approving and authorizing the Homeowner Agreement for Flood Mitigation Assistance Home Elevation Project between the City of Houston and the property owner at 5035 Heatherglen Drive, Houston, Texas 77096 and allocate a not-to-exceed maximum Grant approved budget amount of $392,873.50 for this property.

**FISCAL NOTE:**
No Fiscal Note is required on grant items.

Funding for this item is included in the FY2022 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.

Summary:
ORDINANCE appropriating $210,000.00 out of Dedicated Drainage and Street Renewal Capital Fund – Ad Valorem Tax; approving and authorizing Professional Engineering Services Contract between City of Houston and MIDTOWN ENGINEERS, LLC for Technical Support Subsurface Utility Engineering Program; providing funding for CIP Cost Recovery financed by the Dedicated Drainage and Street Renewal Capital Fund – Ad Valorem Tax; providing a maximum contract amount

Background:
SUBJECT: Professional Engineering Services Contract between the City and Midtown Engineers, LLC for Technical Support Subsurface Utility Engineering (SUE) Program.

RECOMMENDATION: An ordinance approving a Professional Engineering Services Contract with Midtown Engineers, LLC for Technical Support Subsurface Utility Engineering (SUE) Program and appropriate funds.

PROJECT NOTICE/JUSTIFICATION: This project will support various Capital Improvement Plan (CIP) projects that are significantly impacted by potential subsurface conflicts with existing major underground facilities, oil and gas pipelines, and public infrastructures.

DESCRIPTION/SCOPE AND FEE: This project consists of, but is not limited to, conducting appropriate records research, investigating site conditions, identifying facilities within the project limits, conducting potholing services, providing a detailed final report, and coordinating, assessing, and monitoring private utility activities and conflicts.

The total maximum contract amount is $1,380,000.00 for a three-year term with a one-year renewal.

The amount to be appropriated is $210,000.00 as follows: $200,000.00 for Contract services and $10,000.00 for CIP Cost Recovery.

LOCATION: The projects are located throughout the City of Houston.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City’s ‘Pay or Play’ ordinance regarding health benefits for employees of City contractors. In this case, the Consultant provides health benefits to eligible employees in compliance with City policy.

MWBE PARTICIPATION: The standard MWBE goal set for the project is 24.00%. The Consultant has proposed a 25.00% MWBE plan to meet the goal.

Summary:
ORDINANCE appropriating $315,000.00 out of Dedicated Drainage and Street Renewal Capital Fund – Drainage Charge as an additional appropriation to Professional Engineering Services Contract between City of Houston and NEDU ENGINEERING SERVICES, INC for FY2017 Local Drainage Project Work Order Design (Contract #2) (as approved by Ordinance No. 2017-0372, as amended); providing funding for CIP Cost Recovery relating to construction of facilities financed by the Dedicated Drainage and Street Renewal Capital Fund – Drainage Charge

Background:
SUBJECT: Additional Appropriation to the Professional Engineering Services Contract between the City of Houston (City) and Nedu Engineering Services, Inc. for FY2017 Local Drainage Project (LDP) Work Order Design Contract 2.

RECOMMENDATION: Approve an Ordinance appropriating additional funds for Professional Engineering Services for FY2017 Local Drainage Project (LDP) Work Order Design Contract 2 with Nedu Engineering Services, Inc.

PROJECT NOTICE/JUSTIFICATION: This project is part of the Capital Improvement Plan (CIP) Program. This program is required to provide professional engineering services to address necessary local storm water drainage system and roadside ditch improvements and repairs citywide.

DESCRIPTION/SCOPE: This project consists of professional engineering services to resolve localized storm water drainage problems that have been nominated by Transportation and Drainage Operations. The project scope is established by each work order. The work orders are prioritized based on a range of factors from public safety to level-of-service.

LOCATION: The projects are located throughout the City of Houston.

PREVIOUS HISTORY AND SCOPE: City Council approved the original contract on May 24, 2017, under Ordinance No. 2017-0372. The scope of work under the original contract consisted of Professional Engineering Services for Local Drainage Project (LDP) Work Orders. On November 28, 2018 under Ordinance No. 2018-0945 City Council approved the first additional appropriation. City Council approved the second additional appropriation on October 9, 2019 under Ordinance No. 2019-0772. City Council approved the First Amendment to the Contract on April 29, 2020 under Ordinance No. 2020-0368. On September 16, 2020 by Ordinance No. 2020-0787, City
Council approved the third additional appropriation. On December 1, 2021, under Ordinance No. 2021-1017 City Council approved the fourth additional appropriation.

**SCOPE OF THIS ADDITIONAL APPROPRIATION:** The requested additional appropriation will accomplish the following Phase I Preliminary Design Basic and Additional Services, Phase II Final Design Basic and Additional Services, and Phase III Construction Phase Services, as they relate to existing and future storm water maintenance, rehabilitation, and reconstruction projects. The Basic Design and Additional Services fee for each work order will be negotiated based on the scope of service required and all phases will be paid on a reimbursable basis with an authorization not-to-exceed the agreed amount.

The total requested appropriation is $315,000.00 to be appropriated as follows:

- Contract Services: $300,000.00
- CIP Cost Recovery: $15,000.00

**PAY OR PLAY PROGRAM:** The proposed contract requires compliance with the City’s ‘Pay or Play’ ordinance regarding health benefits for employees of City contractors. In this case, the Contractor provides health benefits to eligible employees in compliance with City policy.

**M/WBE PARTICIPATION:** The M/WBE goal established for this project is 15.00%. The original contract amount and subsequent additional appropriations total $1,400,000.00. The Consultant has been paid $986,282.76 or 70.45% to date. Of this amount, $164,023.85 or 16.63% has been paid to the M/WBE sub-consultants to date. Assuming approval of the requested additional appropriation, the contract amount will increase to $1,700,000.00. The Consultant proposes the following plan to meet the M/WBE goal.

CITY OF HOUSTON - CITY COUNCIL
Meeting Date: ALL
Item Creation Date: 3/11/2022
HPW-20SW085 Additional Appropriation/Nedu Engineering Services, Inc.

Agenda Item#: 

Background:
SUBJECT: Additional Appropriation to the Professional Engineering Services Contract between the City of Houston (City) and Nedu Engineering Services, Inc. for FY2017 Local Drainage Project (LDP) Work Order Design Contract 2.

RECOMMENDATION: Approve an Ordinance appropriating additional funds for Professional Engineering Services for FY2017 Local Drainage Project (LDP) Work Order Design Contract 2 with Nedu Engineering Services, Inc.

PROJECT NOTICE/JUSTIFICATION: This project is part of the Capital Improvement Plan (CIP) Program. This program is required to provide professional engineering services to address necessary local storm water drainage system and roadside ditch improvements and repairs citywide.

DESCRIPTION/SCOPE: This project consists of professional engineering services to resolve localized storm water drainage problems that have been nominated by Transportation and Drainage Operations. The project scope is established by each work order. The work orders are prioritized based on a range of factors from public safety to level-of-service.

LOCATION: The projects are located throughout the City of Houston.

PREVIOUS HISTORY AND SCOPE: City Council approved the original contract on May 24, 2017, under Ordinance No. 2017-0372. The scope of work under the original contract consisted of Professional Engineering Services for Local Drainage Project (LDP) Work Orders. On November 28, 2018 under Ordinance No. 2018-0945 City Council approved the first additional appropriation. City Council approved the second additional appropriation on October 9, 2019 under Ordinance No. 2019-0772. City Council approved the First Amendment to the Contract on April 29, 2020 under Ordinance No. 2020-0368. On September 16, 2020 by Ordinance No. 2020-0787, City Council approved the third additional appropriation. On December 1, 2021, under Ordinance No. 2021-1017 City Council approved the fourth additional appropriation.

SCOPE OF THIS ADDITIONAL APPROPRIATION: The requested additional appropriation will accomplish the following Phase I Preliminary Design Basic and Additional Services, Phase II Final Design Basic and Additional Services, and Phase III Construction Phase Services, as they relate to existing and future storm water maintenance, rehabilitation, and reconstruction projects. The Basic Design and Additional Services fee for each work order will be negotiated based on the scope of service required and all phases will be paid on a reimbursable basis with an authorization not-to-exceed the agreed amount.

The total requested appropriation is $315,000.00 to be appropriated as follows:

- Contract Services: $300,000.00
- CIP Cost Recovery: $15,000.00

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City’s ‘Pay or Play’ ordinance regarding health benefits for employees of City contractors. In this case, the Contractor provides health benefits to eligible employees in compliance with City policy.

MWBE PARTICIPATION: The MWBE goal established for this project is 15.00%. The original contract amount and subsequent additional appropriations total $1,400,000.00. The Consultant has been paid $986,282.76 or 70.45% to date. Of this amount, $164,023.85 or 16.63% has been paid to the MWBE sub-consultants to date. Assuming approval of the requested additional appropriation, the contract amount will increase to $1,700,000.00. The Consultant proposes the following plan to meet the MWBE goal.

Summary:
ORDINANCE appropriating $1,565,936.00 out of Water & Sewer System Consolidated Construction Fund; awarding contract to SPECIALIZED MAINTENANCE SERVICES, INC for Sanitary Sewer Cleaning and Television Inspection in Support of Rehabilitation; setting a deadline for the bidder’s execution of the contract and delivery of all bonds, insurance, and other required contract documents to the City; holding the bidder in default if it fails to meet the deadlines; providing funding for CIP Cost Recovery relating to construction of facilities financed by the Water & Sewer System Consolidated Construction Fund and contingencies

Background:
SUBJECT: Contract Award for Sanitary Sewer Cleaning and Television Inspection in Support of Rehabilitation.

RECOMMENDATION: (Summary) Reject low bid, return bid bond, award construction contract to the next low bidder, Specialized Maintenance Services, Inc., and appropriate funds.

SPECIFIC EXPLANATION: This project is part of the Neighborhood Sewer Rehabilitation Program and is required to renew/replace various deteriorated neighborhood collection systems throughout the City. The project involves sanitary sewer cleaning and television inspection in support of rehabilitation. The purpose is to reduce sanitary sewer overflows, which is accomplished by cleaning the sewer lines and television inspection to identify sewer lines in need of rehabilitation/renewal.

The work to be performed under this contract award is necessary to maintain compliance with Houston's wastewater consent decree with EPA and TCEQ.

DESCRIPTION/SCOPE: This project consists of sanitary sewer cleaning and television inspection in support of rehabilitation. The contract duration for this project is 730 calendar days.

LOCATION: The work order project area is generally bounded by the City Limits.

BIDS: Four (4) bids were received on August 26, 2021 for this project as follows:

<table>
<thead>
<tr>
<th>Bidder</th>
<th>Bid Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>
AWARD: An examination of the Bid submitted by the Pro-Pipe, Inc. indicated that the said Contractor did not submit the requisite Good Faith Efforts to meet the advertised MWBE goal. After consultation with the Office of Business Opportunity, the Department has indicated that without any explanation from the bidder in regard to not actively and aggressively attempting to meet the advertised MWSBE goal, it is recommended that this construction contract be awarded to Specialized Maintenance Services, Inc., with a low bid of $1,423,578.02.

PROJECT COST: The total cost of this project is $1,565,936.00 to be appropriated as follows:

<table>
<thead>

</table>

HIRE HOUSTON FIRST: The proposed contract requires compliance with the City’s ‘Hire Houston First’ ordinance that promotes economic opportunity for Houston businesses and supports job creation. In this case, the proposed contractor is a designated HHF company, but they were the successful awardee without application of the HHF preference.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City’s Pay or Play ordinance regarding health benefits for employees of City contractors. In this case, the contractor provides health benefits to eligible employees in compliance with City policy.

M/WSBE PARTICIPATION: The contractor has submitted the following proposed program to satisfy the 11.00% MBE goal, and 4.00% WBE goal for this project.

BIDS: Four (4) bids were received on August 26, 2021 for this project as follows:

<table>
<thead>
<tr>
<th>Bidder</th>
<th>Bid Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Pro-Pipe, Inc.</td>
<td>$1,392,674.15 rejected</td>
</tr>
<tr>
<td>2. Specialized Maintenance Services, Inc.</td>
<td>$1,423,578.02</td>
</tr>
<tr>
<td>3. Equix Integrity Southeast</td>
<td>$1,547,193.50</td>
</tr>
<tr>
<td>4. CSI Consolidated, LLC dba AIMS Companies</td>
<td>$1,547,193.50</td>
</tr>
</tbody>
</table>

AWARD: An examination of the Bid submitted by the Pro-Pipe, Inc. indicated that the said Contractor did not submit the requisite Good Faith Efforts to meet the advertised MWBE goal. After consultation with the Office of Business Opportunity, the Department has indicated that without any explanation from the bidder in regard to not actively and aggressively attempting to meet the advertised MWSBE goal, it is recommended that this construction contract be awarded to Specialized Maintenance Services, Inc., with a low bid of $1,423,578.02.

PROJECT COST: The total cost of this project is $1,565,936.00 to be appropriated as follows:

<table>
<thead>
<tr>
<th>Bid Amount</th>
<th>$1,423,578.02</th>
</tr>

<tr>
<td>CIP Cost Recovery</td>
<td>$71,178.90</td>
</tr>
</tbody>
</table>

HIRE HOUSTON FIRST: The proposed contract requires compliance with the City’s ‘Hire Houston First’ ordinance that promotes economic opportunity for Houston businesses and supports job creation. In this case, the proposed contractor is a designated HHF company, but they were the successful awardee without application of the HHF preference.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City’s Pay or Play ordinance regarding health benefits for employees of City contractors. In this case, the contractor provides health benefits to eligible employees in compliance with City policy.

MWSBE PARTICIPATION: The contractor has submitted the following proposed program to satisfy the 11.00% MBE goal, and 4.00% WBE goal for this project.
### MBE – Name of Firm

Summary:
ORDINANCE appropriating $11,375,000.00 out of Dedicated Drainage and Street Renewal Capital Fund – Ad Valorem Tax, awarding contract to TIKON GROUP, INC for Citywide Concrete Panel Replacement Project #1; setting a deadline for the bidder’s execution of the contract and delivery of all bonds, insurance, and other required contract documents to the city; holding the bidder in default if it fails to meet the deadlines; providing funding for CIP Cost Recovery relating to construction of facilities financed by the Dedicated Drainage and Street Renewal Capital Fund – Ad Valorem Tax, contingency, and testing services

Background:
SUBJECT: Contract Award for Citywide Concrete Panel Replacement Project #1.

RECOMMENDATION: (SUMMARY) Reject first low bidder, return bid bonds, award construction contract to Tikon Group, Inc. for Citywide Concrete Panel Replacement Project #1 and appropriate funds.

PROJECT NOTICE/JUSTIFICATION: This project is part of the Roadway Rehabilitation Program and will provide construction services to include but not limited to the construction repair, rehabilitation, removal, disposal, and/or replacement of roadway pavement and other pavement related improvements.

DESCRIPTION/SCOPE: This Citywide program provides construction services to include but not limited to the construction repair, rehabilitation, removal, disposal, and/or replacement of roadway pavement and other pavement related improvements. The Contract duration for this project is 365 calendar days.

LOCATION: The projects are located throughout the City of Houston (City).

BIDS: This project was advertised for bidding on February 25, 2022 and March 4, 2022. Bids were received on March 17, 2022. The six (6) bids are as follows:

<table>
<thead>
<tr>
<th>No.</th>
<th>Bidder</th>
<th>Adjustment Factor</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>CTI Houston</td>
<td>0.250 (Non-Responsive)</td>

</tbody>
</table>

AWARD: The first bidder, CTI Houston was considered non-responsive as per the City of Houston Code of Ordinance, Sec. 15.85 due to not submitting an acceptable MWBE plan. Therefore, it is recommended that this construction contract be awarded to the second low bidder, Tikon Group, Inc. with a low bid of $10,000,000.00 (0.879 Adjustment Factor).

PROJECT COST: The total cost of this project is $11,375,000.00 to be appropriated as follows:

- Bid Amount $10,000,000.00
- Contingency $500,000.00
- Testing Services $375,000.00
- CIP Cost Recovery $500,000.00

Testing Services will be provided by Ninyo & Moore Geotechnical & Environmental Sciences Consultants under a previously approved contract.

HIRE HOUSTON FIRST: The proposed contract requires compliance with the City's ‘Hire Houston First’ (HHF) ordinance that
promotes economic opportunity for Houston business and supports job creation. In this case Tikon Group, Inc. is a designated HHF company, but they were the successful awardee without application of the HHF preference.

**PAY OR PLAY PROGRAM:** The proposed contract requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City contractors. In this case, the Contractor has elected to pay into the Contractor Responsibility Fund in compliance with City policy.

**M/WSBE PARTICIPATION:** The contractor has submitted the following proposed program to satisfy the 13% MBE goal and 7% WBE goal for this project.

Testing Services will be provided by Ninyo & Moore Geotechnical & Environmental Sciences Consultants under a previously approved contract.

HIRE HOUSTON FIRST: The proposed contract requires compliance with the City’s ‘Hire Houston First’ (HHF) ordinance that promotes economic opportunity for Houston business and supports job creation. In this case Tikon Group, Inc. is a designated HHF company, but they were the successful awardee without application of the HHF preference.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City’s ‘Pay or Play’ ordinance regarding health benefits for employees of City contractors. In this case, the Contractor has elected to pay into the Contractor Responsibility Fund in compliance with City policy.

M/WSBE PARTICIPATION: The contractor has submitted the following proposed program to satisfy the 13% MBE goal and 7% WBE goal for this project.

Transportation & Drainage Operations

Citywide Concrete Panel Replacement Project #1
WBS No. N-321040-0057-4
City Wide

City Council District Map/Vicinity Map
CITY OF HOUSTON - CITY COUNCIL
Meeting Date: 6/7/2022
Item Creation Date: 2/21/2022
HPW-20SWO74 Contract Award/Grava LLC

Agenda Item#: 39.

Summary:
ORDINANCE appropriating $4,950,000.00 out of Dedicated Drainage and Street Renewal Capital Fund – Ad Valorem Tax; awarding contract to GRAVA LLC for FY2022 Street & Drainage Rehabilitation Contract #2; setting a deadline for the bidder’s execution of the contract and delivery of all bonds, insurance, and other required contract documents to the City; holding the bidder in default if it fails to meet the deadlines; providing funding for testing services, contingency, construction management and CIP Cost Recovery relating to construction of facilities financed by the Dedicated Drainage and Street Renewal Capital Fund – Ad Valorem Tax

Background:
SUBJECT: Contract Award for FY2022 Street & Drainage Rehabilitation Contract #2

RECOMMENDATION: (SUMMARY) Award a Construction Contract to Grava LLC for FY2022 Street & Drainage Rehabilitation Contract #2 and appropriate funds.

PROJECT NOTICE/JUSTIFICATION: This project is part of the Transportation and Drainage Operations Program and will provide work authorization on a location by location as needed basis, to preserve, repair, rehabilitate or reconstruct the storm water drainage asset along with street rehabilitation to such a condition that it may be effectively used for its designated functional purpose.

DESCRIPTION/SCOPE: This Citywide program provides construction services to resolve localized storm water drainage problems and rehabilitate the street to further improved the drainage. The scope is established by each work authorization. The contract duration for this project is 730 calendar days.

LOCATION: The projects are located throughout the City of Houston.

BIDS: This project was advertised for bidding on January 7, 2022, and January 14, 2022. Bids were received on January 27, 2022. The seven (7) bids are as follows:

<table>
<thead>
<tr>
<th>Bidder</th>

<td>1.298</td>
</tr>
</tbody>
</table>

AWARD: It is recommended that this construction contract be awarded to Grava LLC with a low bid of $4,000,000.00 (0.760 Adjustment Factor).

PROJECT COST: The total cost of this project is $4,950,000.00 to be appropriated as follows:

- Bid Amount $4,000,000.00
- CIP Cost Recovery $ 200,000.00
· CIP Cost Recovery  $200,000.00
· Contingencies  $200,000.00
· Testing Services  $250,000.00
· CM&I Services  $300,000.00

Testing Services will be provided by Geotest Engineering, Inc. under a previously approved contract.

Construction Management Services will be provided by IDCUS, Inc. under a previously approved contract.

**HIRE HOUSTON FIRST:** The proposed contract requires compliance with the City's 'Hire Houston First' (HHF) ordinance that promotes economic opportunity for Houston business and supports job creation. In this case Grava LLC is a designated HHF company, but they were the successful awardee without application of the HHF preference.

**PAY OR PLAY PROGRAM:** The proposed contract requires compliance with the City's ‘Pay or Play’ ordinance regarding health benefits for employees of City contractors. In this case, the contractor provides health benefits to eligible employees in compliance with City policy.

**M/WBE PARTICIPATION:** The contractor has submitted the following proposed program to satisfy the 13% MBE goal and 7% WBE goal for this project.

Houston, TX 77251

RE: Chick-Fil-a request for Special Appeals regarding Airport Corridor.

To Whom It May Concern:

My client Chick-fil-a is requesting to be added to the City Council Agenda requesting a Special Appeals regarding their pylon sign permit located in the newly zoned Airport Corridor.

My client started the purchase of their property located at 7007 Gulf Freeway, back in March of 2020. They were told that they would be able to have a 42'-6" pylon with 225 sq. ft. Unfortunately, once they closed and obtained all the necessary building permits to where they could submit for a sign permit the code had changed to 31' with 150 sq. ft. of signage.

In our Code Appeals Meeting we learned that the change was for a beautification reason not for the safety of aircrafts. Therefore, we are asking for a special circumstance as our sign is right in row with five pylons that are 42'-6" tall and we will be the only one that is 31' tall. We are ok with meeting the 150 sq. ft. we are just requesting that we be considered for an increase in height to match the signs that are right in row with our sign. This would keep everything uniform for that block of Gulf Freeway.

I have attached our rejection letter along with the paperwork we originally submitted for the Interpretation of the Houston Sign Code Appeals Meeting.

Please note that our client has a Grand Opening Date of May 12, 2022, therefore we would appreciate if we can get on your agenda as soon as possible.

Sincerely,

Stephanie Stewart

Re: Request for appeal regarding the decision of Sign Administration and the Interpretation of the Houston Sign Code for denial of sign permit at 7007 Gulf Freeway

Dear Ms. Stewart:

On February 24, 2022, the General Appeals Board of the City of Houston held a hearing regarding your request for an appeal relative to the decision of the Houston Sign Administration regarding a sign at 7007 Gulf Freeway, Houston, Texas.

Based upon the testimony presented at the hearing, the General Appeals Board found that the decision of the Sign Administration should be upheld.

Any interested person aggrieved by a decision of the General Appeals Board may appeal to the City Council, provided that written notice to the City Council for such appeal is delivered to the City Secretary within 10 days following the decision of the Board.

Pursuant to Rule 12 of the City Council’s Rules of Procedure (Section 2-2 of the City Code), a party appealing a decision of the General Appeals Board to City Council shall submit the complete court reporter-certified record to the city secretary within 60 days of the decision of Board. Failure to submit the requested or required records within the required time period shall constitute an untimely appeal to City Council and a waiver by the appealing party to an appeal before City Council.

SIGNED on the 1st day of March, 2022

[Signature]
Michael Dishberger, Chairman
General Appeals Board
Of the City of Houston

cc: Building Official
1. All requests shall be in writing.

2. **Original and ten (10) copies** of the completed application and supporting documents must be submitted to the address below:

   City of Houston  
   Office of the Building Official  
   1002 Washington Avenue, 4th Floor  
   Houston, Texas 77002  
   Attn: Sandra Meza

3. The request must be submitted ten (10) business days prior to the next scheduled Board meeting. Meetings are held the fourth Thursday of the month. (Petitioner will be notified by mail when the hearing has been scheduled.)

4. Petitioner’s name, mailing address and phone number shall be included on the application. (If petitioner will be represented by someone else, include both petitioners and representative information.)

5. The Section of the Building Code/Ordinance for which an interpretation or decision is requested shall be properly identified.

6. Petition shall contain a statement as to what Petitioner understands to be the interpretation of the Building Official of the subject Section(s).

7. The petition shall clearly set forth what he/she believes should be the interpretation or decision.

8. Petitioner shall present evidence and cite other authority, if any, that would tend to substantiate the Petitioner’s request.

9. If the Board denies the request, the petitioner may appeal such decision to the City Council within ten (10) days of the date of the Board’s decision; however,
   a) A court reporter is required to prepare a record for there to be an appeal to City Council and  
   b) The petitioner must pay all costs of the transcript prepared by the court reporter.

10. The petition application shall be signed. All appeals as per Section 1.110.0 of the Life Safety Appendix shall be signed and sworn to by the building owner.

11. If you have any questions regarding application and instructions please contact Sandra Meza at (832) 394-9085 or sandra.meza@houston.tx.gov

Chick-fil-A
5200 Buffington Rd
Atlanta, GA 30349
404-353-3819

Category C vs. Category E
C) 42’-6” Overall Height Pylon Sign with 200 Square Feet of sign area
E) 31’-0” Overall Height Pylon Sign with 150 Square Feet of sign area

The interpretation of the inspector denial is due to changing of the zoning, making this site part of the newly created Category E, "Airport District". This new distinction, has a maximum height restriction on freestanding pylons at 31’-0” (table 4611), compared to the previous Category C allowance of 42’-6”. The height of the proposed pylon sign at 42’-0” was determined based on the allowance under the Category C zoning restrictions and to match that of the freestanding signs of Burger King, Canes (installed February 2020), and Popeyes located to the right of the Chick-fil-A property. There are also a Shell pylon and a McDonald’s pylon sign to the left of the property that have been in place since before 2008 and are taller than the 42’ height that appear to have been grandfathered.

We would like to be classified in the Category C zoning area again so that we can have the 42’ maximum height restriction on the freestanding pylon. We are along IH-45 and should be part of the Freeway corridor. All other pylon signs in our immediate area are 42’ or taller.

Chick-fil-A would like to be at the same height as the other businesses in the area. Requiring this sign to be shorter than the surrounding signs by 11’ will not make it a safer environment for airplanes in the corridor. We are not requesting our sign be any taller than the surrounding signs, just the same height in a long row of other established signs. Granting this request will benefit this restaurant by providing better visibility for their sign and it will make this area look more uniform in the process.

General Appeals Board Meeting
Thursday, February 24, 2022
5:00 P.M.

After September 1, 2021, the Board will conduct meetings at the Houston Permitting Center in accordance with the provisions of Section 551.127 of the Texas Government Code. The Chair will be present in the room, though staff, board members, and the public may attend in person, or through a videoconference link using Microsoft Teams.

To join this General Appeals Board (GAB) meeting please see the following options:

In-person meeting at:
1002 Washington Avenue, Basement, Room B2, Houston, Texas

To access the meeting online, please visit:
Click here to join the meeting or https://bit.ly/3J3XNNU

To access the meeting by phone, please call:
+1 936-755-1521
Conference ID: 645 805 366#

A. Consideration of minutes for December 16, 2021 meeting

B. Consideration of Sign Appeal
   1. Stephanie Stewart – Sign Remedy – 7007 Gulf Freeway
      Decision of the Sign Administration Section and the Interpretation of the
      Houston Sign Code for Denial of Sign Permit

Anyone wishing to speak before the General Appeals Board should sign up to speak via phone (832) 394-9085 or email sandra.meza@houstontx.gov, 24 hours in advance preferred. If you have materials or exhibits for the General Appeals Board to consider, submit it via email to sandra.meza@houstontx.gov 24 hours in advance of the scheduled meeting for it to be included in the final agenda packet.

Please note what agenda item you wish to speak on, or if you wish to make a general public comment; and if you plan to attend either in person or virtually. You may also sign up to speak in the chat feature of Microsoft Teams during the meeting, or if attending in person, by advising staff at the meeting.

**CATEGORY A** shall mean visible from and located on premises with frontage on scenic and historical rights-of-way and districts and major thoroughfares in the Airport Corridor District.

**CATEGORY B** shall mean visible from and located on premises with frontage on major thoroughfares including collector streets other than scenic and historical rights-of-way and districts.

**CATEGORY C** shall mean visible from and located on premises with frontage on freeways and highways other than scenic and historical rights-of-way and districts.

**CATEGORY D** shall mean visible from and located on premises with frontage on local streets.

**CATEGORY E** shall mean visible from and located on premises with frontage on freeways in the Airport Corridor District.
Appendix B

The AIRPORT CORRIDOR DISTRICT of the City shall include the following areas:

(1) The Interstate 45 corridor including the right-of-way and frontage roads, and extending 660 feet beyond each boundary of the right-of-way and frontage roads of Interstate Highway 45 from its intersection with Dixie Farm Road (Highway 1959) [the southern-most entrance to Ellington Airport] on the south to its intersection with Beltway 8 on the north;

(2) The George Bush Intercontinental Airport Entrance corridor including the right-of-way and frontage roads and extending 300 feet beyond each boundary of the right-of-way and frontage roads of John F Kennedy Boulevard from its intersection with Beltway 8 on the south to the entrance to George Bush Intercontinental Airport on the north;

(3) The Hobby Airport Entrance corridor including the right-of-way and extending 300 feet beyond each boundary of the right-of-way of each of (a) Broadway and Monroe from their intersections with Interstate Highway 45 on the north to their intersections with Airport Boulevard on the south and (b) Airport Boulevard from its intersection with Telephone Road on the west to its intersection with Interstate 45 on the east and (c) Telephone Road from its intersection with Loop 610 on the north to its intersection with Airport Boulevard on the south [being the primary entrances to William P. Hobby Airport from Interstate 45];

(4) The Ellington Airport Entrance corridor including the right-of-way and extending 300 feet beyond each boundary of (a) the right-of-way of Dixie Farm Road (Highway 1959) from its intersection with Interstate Highway 45 on the south to its intersection with Galveston Road (Highway 3) on the north and (b) the right-of-way of Scarsdale Boulevard from its intersection with Interstate Highway 45 on the south to its intersection with Galveston Road (Highway 3) on the north (c) the right-of-way of Galveston Road (Highway 3) from its intersection with Beltway 8 to its intersection with Clear Lake City Boulevard (Highway 2351 [being the primary entrances to Ellington Airport from Interstate 45];

(5) The Highway 59 corridor including (a) the right-of-way and frontage roads and extending 660 feet beyond each boundary of the right-of-way and frontage roads of Highway 59 from its intersection with the Downtown Scenic District at Jensen Drive on the south to its intersection with Langley Road on the north;

(6) The Highway 59 corridor including (a) the right-of-way and frontage roads and extending 660 feet beyond each boundary of the right-of-way and frontage roads of Highway 59 from its intersection with Aldine Bender Road on the south to its intersection with Will Clayton Parkway on the north and (b) continuing to the west along Will Clayton Parkway, including
the right-of-way and extending 300 feet beyond the right-of-way of Will Clayton Parkway to its intersection with Lee Road; and

(7) The Hardy Toll Road corridor including the right-of-way and frontage roads and extending 660 feet beyond each boundary of the right-of-way and frontage roads of Hardy Toll Road, both as it currently exists and as it may be extended in the future south of Loop 810 into Downtown Houston on the south, and to its intersection with Halls Bayou on the north;

(8) The Hardy Toll Road corridor including the right-of-way and frontage roads and extending 660 feet beyond each boundary of the right-of-way and frontage roads of Hardy Toll Road from its intersection with Aldine Bender Road on the south through its intersection with and continuing along the Hardy Toll Road Airport Connector to its intersection with Hoods Bayou at the boundary of George Bush Intercontinental Airport; and

(9) The principal exits from the foregoing corridors into their intersecting streets in Downtown Houston, specifically (a) the Pease/St. Joseph Parkway exit from Interstate Highway 45 north-bound, (b) the Milam, McKinney, and Pierce-Jefferson exits from Interstate Highway 45 south-bound, (c) the North Hamilton Street exit from Highway 59 south-bound, and (d) the exit from and entrance to Hardy Toll Road, both as it currently exists and as it may be extended in the future, to their intersections with the intersecting streets in Downtown Houston.

Subject: RE: New CFA Site

Good Morning,

We don’t perform preliminary reviews and do not go into the details of placement of signs without plans in the system.

The standard setback or clearance from power lines is 10’ anything closer will require a clearance letter from centerpoint.

Please also remember that most of Gulf Fwy is Category E (Airport Corridor)

Thank you,

**Mario Garcia**

[Message Came from Outside the City of Houston Mail System]

Attached is a new alta survey for this site.

Your feedback is greatly appreciated.

Thank you

On Fri, Nov 12, 2021 at 7:41 AM Stephanie Stewart <stephanie.stewart@signremedy.com> wrote:

Good Morning and Happy Friday City of Houston Friends

My client is asking if we can review the attached pylon placement. Client has a new survey being done due to the over power lines being located to the rear of the property.

This site has not broken ground yet and will in the next two-three weeks, therefore we want to button up everything for signage on our end.

Thank you

**City, ST, Zip:** Conroe, TX 77385

**Owner:** Chick-fil-A #4607

**Address:** 7007 Gulf Freeway

**City, ST, Zip:** Houston, TX 77087

**Electronic (LED) Signs - Changeable Message and High Technology Acknowledgement Receipt**

- Notice is hereby given to the sign owner, occupant, or lessee that the Houston Sign Code Regulations, rules, or ordinances pertaining to changeable messages. The lighting of the sign and sign structure must comply with Section 4611 of the Houston Sign Code regulations.

**SECTION 4611 - ON-PREMISE SIGNS**

(a) Changeable Message and High Technology Signs: Save and except for signs erected pursuant to the provisions of Section 4620, the following provisions shall apply to all existing and new changeable message and high technology signs:

1. **Lighting:**
   - (1)所有 lighting shall be installed and operated in accordance with the Lighting Requirements of Section 4619 of the Houston Sign Code regulations.
   - (2) All changeable message signs shall be lit with a minimum of 2500 lux at the point of visibility from the nearest intersection.

2. **Maintenance:**
   - (1) All changeable message signs shall be maintained in good working order and condition.
   - (2) All changeable message signs shall be kept free of obstructions, and the face of the sign shall be cleaned regularly.

3. **Height:**
   - (1) The height of all changeable message signs shall not exceed 20 feet above ground level.
   - (2) The height of all changeable message signs shall be measured from the finished grade at the base of the sign structure.

4. **Location:**
   - (1) All changeable message signs shall be located in accordance with Section 4612 of the Houston Sign Code regulations.
   - (2) All changeable message signs shall be located so as not to interfere with traffic flow.

5. **Signage:**
   - (1) All changeable message signs shall be visible from a distance of at least 200 feet.
   - (2) All changeable message signs shall be visible from a distance of at least 200 feet.

6. **Sign Structure:**
   - (1) All changeable message signs shall be supported by a structural system that is capable of carrying the weight of the sign and any attachments.
   - (2) All changeable message signs shall be supported by a structural system that is capable of carrying the weight of the sign and any attachments.

7. **Sign Control:**
   - (1) All changeable message signs shall be controlled by a sign controller that is compatible with the Sign Code requirements.
   - (2) All changeable message signs shall be controlled by a sign controller that is compatible with the Sign Code requirements.

8. **Sign Content:**
   - (1) All changeable message signs shall display only text that is approved by the City of Houston.
   - (2) All changeable message signs shall display only text that is approved by the City of Houston.

9. **Sign Design:**
   - (1) All changeable message signs shall be designed to comply with the Sign Code requirements.
   - (2) All changeable message signs shall be designed to comply with the Sign Code requirements.

10. **Sign Energy:**
    - (1) All changeable message signs shall be powered by a renewable energy source.
    - (2) All changeable message signs shall be powered by a renewable energy source.

11. **Sign Infrastructure:**
    - (1) All changeable message signs shall be connected to the electrical grid and shall comply with the Sign Code requirements.
    - (2) All changeable message signs shall be connected to the electrical grid and shall comply with the Sign Code requirements.

**Person or persons responsible for the sign must sign this acknowledgement form upon submitting the application.**

**Affidavit:** I, Patrick Davis, do hereby certify that the above information is true and correct and that the sign is being erected and/or maintained in the above location with the permission of the owner and/or authorized lessee of the premises, that the sign does not violate any applicable deed restrictions or easements, and that I have read and understand the regulations and requirements of the City's Sign Ordinance. I hereby declare that the sign is being erected and/or maintained in compliance with the Sign Ordinance, Chapter 46, Building Code, City of Houston and other applicable laws.

Category C vs. Category E
   C) 42'-6" Overall Height Pylon Sign with 200 Square Feet of sign area
   E) 31'-0" Overall Height Pylon Sign with 150 Square Feet of sign area

The interpretation of the inspector denial is due to changing of the zoning, making this site part of the newly created Category E, "Airport District". This new distinction, has a maximum height restriction on freestanding pylons at 31'-0" (table 4611), compared to the previous Category C allowance of 42'-6". The height of the proposed pylon sign at 42'-0" was determined based on the allowance under the Category C zoning restrictions and to match that of the freestanding signs of Burger King, Canes (installed February 2020), and Popeyes located to the right of the Chick-fil-A property. There are also a Shell pylon and a McDonald's pylon sign to the left of the property that have been in place since before 2008 and are taller than the 42' height that appear to have been grandfathered.

We would like to be classified in the Category C zoning area again so that we can have the 42' maximum height restriction on the freestanding pylon. We are along IH-45 and should be part of the Freeway corridor. All other pylon signs in our immediate area are 42' or taller.

Chick-fil-A would like to be at the same height as the other businesses in the area. Requiring this sign to be shorter than the surrounding signs by 11' will not make it a safer environment for airplanes in the corridor. We are not requesting our sign be any taller than the surrounding signs, just the same height in a long row of other established signs. Granting this request will benefit this restaurant by providing better visibility for their sign and it will make this area look more uniform in the process.

PROCEEDINGS

(Videocference commenced at 5:05 p.m.)

* * * * * *

INTRODUCTIONS

MR. DISHBERGER: Mike Dishberger. I'm the chairman.

MR. MCKNIGHT: Lance McKnight.

MR. GARCIA: Mario Garcia.

MR. HOUSTON: I'm Charles Houston, Counsel for the City.

MR. BENITEZ: Misael Benitez, Sign Administrator.

MR. DISHBERGER: Guys on the line?

MR. BROWN: David Brown.

MS. DAVIDSON: Leslie Davidson.

(Simultaneously speaking)

MR. DISHBERGER: I got you, Leslie. Next?

MR. RAY: Yes. I'm Douglas Ray. I'm with City Legal Department. I'm here today, representing the Board.

MS. BREWER: I'm Nancy Brewer. I'm with — I'm Building Code Enforcement, Houston Public Works.

MR. DISHBERGER: Thank you, Nancy.
Do we have -- we have a quorum, I think, don't we? We have five?

MS. MEZA: Yes.

MR. DISHBERGER: Okay.

MS. MEZA: Nancy's representing the

Building Code Enforcement --

(Simultaneously speaking)

MR. DISHBERGER: Oh, that's right.

That's right. She's also a member, yes, okay.

* * * * * *

MEETING CALLED TO ORDER; MOTION AND VOTE TO APPROVE THE

MINUTES

MR. DISHBERGER: I call this meeting to

order.

First piece of business is: We need to

approve the minutes from the December 16th meeting.

Do we have any items? Do I hear a motion
to approve the minutes?

MS. DAVIDSON: I move to approve the

minutes.

(Simultaneously speaking)

MR. MCKNIGHT: -- approve the minutes.

MR. DISHBERGER: Do I hear a second?

MS. DAVIDSON: I second.

MR. DISHBERGER: Thank you, Leslie.
All in favor?

(Multiple people saying "aye")

MR. DISHBERGER: No one opposed, passed.

* * * * * *

CONSIDERATION OF A SIGN APPEAL PROCEEDINGS

MR. DISHBERGER: All right. We have one piece of business today, here: Consideration of a sign appeal, Stephanie Stewart, Sign Remedy, Inc., 7007 Gulf Freeway. And we're going to go over the appeal.

As -- well, as I tell people, when we have these, we're -- this is not a court of law, so we're going to be hearing both sides. The City will speak up first and give their case and tell the -- their -- their interpretation of what happened and what's going on with the Code. You'll then have a chance to present your case. And then we go back and forth with some questions.

With -- if either -- if a party has a witness, we can ask them questions and -- and go back and forth on that.

Once all that's concluded, the -- the Board will make a motion to, one, either approve or disapprove; then we'll have a discussion amongst ourselves. We -- we also may have questions to ask of
each individual. So, that'll apply too.

And do we have any witnesses here today

that need to be sworn in?

(No audible response)

MR. DISHBERGER: And so can we do all

that at one time here?

(No audible response)

MR. DISHBERGER: Who -- who will do the

swearing in?

(Simultaneously speaking)

MS. MEZA: The -- the court reporter --

MR. DISHBERGER: The court reporter --

yes.

MS. MEZA: -- does that. And give me

just one second. I need to start recording this.

MR. DISHBERGER: Oh, okay. Sorry.

MS. MEZA: Do you know to re- -- I've

never used this one before.

(Sotto voce discourse between members)

(Court reporter clarification)

MR. RAY: Okay. Mr. Chair, if you could,

from this point on, just for the aid of the court

reporter, everybody that, when they make a motion,

announce who you are; for example, say, "I'm

Leslie Davidson. I move," so and so.
And if you second, then, the same thing:
Announce who you are. And when we take a vote, announce
your name before you vote so each person would be
recorded as which way they voted.

MS. MEZA: I can't find where to record
it, so, that's fine. Okay.

THE REPORTER: Thank you, Mr. Douglas --
MR. DISHERBERGER: Okay. So we need to get
our witness sworn in, Ms. Court Reporter.

(Witness sworn)

MR. DISHERBERGER: Okay. Let's begin.
City, you want to present your case?

MR. HOUSTON: Sure.

Ladies and gentlemen, my name is
Charles Houston. I am representing Sign Administration
in today's hearing. Those of you who've been to these
hearings before will have noticed that I am not
David Red, my predecessor. David is no longer with the
City, and I have been given the task of filling in
and -- in filling his very capable shoes.

This is my first one of these hearings,
so I ask for your forgiveness and indulgence when I
make -- not if, but when I make inevitable mistakes.

I will give a quick introduction and a
summary, on behalf of Sign Administration.
Sign Remedy, Inc., is appealing the rejection of its application for a sign permit at 7007 Gulf Freeway. Their client is Chick-fil-A, which we all know makes delicious food. Sign Remedy submitted the application on December 3rd, 2021. That date's important: December 3rd, 2021.

I don't think there's any real dispute about the facts here. The application requested a sign that should have been 42-and-a-half feet high, which is Category C, under the sign -- under Sign Code 4611(j), I think it is. But this location is on Gulf Freeway and sits within the newly-created Airport Corridor District. Here, again, there's no dispute, I don't think, about whether it sits in the Airport Corridor District.

The sign Code says that all new on-premises signs located in the Airport Corridor District for which a permit is issued after July 29th, 2020, shall conform to certain requirements. And, in your notebooks, new materials at Tab -- I believe it's Tab 3 -- is the applicable -- Tab 2 is the applicable portion of the Sign Code.

There's a table in there. It says, summarizing, that the sign at issue is Category E because it is located on premises with signage on Gulf Freeway in the Airport Corridor District. The --
Category E has a maximum height of 31 feet. The application submitted by Sign Remedy, Inc., as stated: December 3rd, 2021, almost a year and a half after the July 29th, 2020 date set forth in 4611(j).

It's pretty cut-and-dry. There is correspondence at Tab 3, showing that Mr. Garcia, here, the plan analyst supervisor, advised Ms. Stewart, finally, that -- remember -- remember that most of Gulf Freeway is Category E, parentheses, Airport Corridor.

The fact that there are, and they will point out -- they're right -- the fact there are other restaurants with signs up to 42 feet or even higher -- that's true; that's absolutely true. Those sign were erected either before the existence of the Sign Code, or they were erected under a previous version of the Sign Code, which allowed signs of that height at that particular time.

But we are, unfortunately, dealing with a relatively new addition, a relatively new amendment, to the Sign Code, which sets a maximum height. And what Sign Remedy's asking for is, in essence, a variance. They're asking to go beyon- -- above and beyond the 31-foot height li- -- limit set forth in the Code. And then there's just not a mechanism for that here. So,
we've got evidence that is in your notebooks. And we'll hear testimony from Mr. Garcia, setting forth the City's position, under oath.

And, you know, I think it's important to point out that nobody's saying that Chick-fil-A can't have a sign to advertise its delicious food; we're simply saying that the sign is capped out at a height of 31 feet, based on the recent amendment to the Sign Code from July of 2020.

And that's the City's position, in a nutshell.

MR. DISHBERGER: Then do you want to --
(Simultaneously speaking)

MR. HOUSTON: Sure. Sure.

MARIO GARCIA,

having been previously duly sworn, testified under his oath as follows:

EXAMINATION

BY MR. HOUSTON

Q Mr. Garcia, would you please state your -- state and spell your full name for the record.

A It's Mario Garcia, M-a-r-i-o G-a-r-c-i-a.

Q And are you currently employed, Mr. Garcia?

A Yes.

Q And who is your employer?
A City of Houston.

Q And what is your title, Mr. Garcia, with the City?

A I am the plan analyst supervisor.

Q And what department are you in, sir?

A Sign Administration.

Q And how long have you worked for Sign Administration?

A Five years.

Q And how long have you worked as a plan analyst supervisor?

A Two years.

Q What are your duties as a plan analyst supervisor?

A Yes. My tasks are to assign ta-- projects that come in for review to different reviewers and, if the reviewers have questions or concerns during the reviews, to come to me and work out the correct interpretation of the Code, and, if I need more clarification, go to my supervisors, and answer various questions and e-mails from contractors, customers, and developers. So --

Q Okay. And are you familiar, sir, with the sign that brings us here today, or the -- with the purpose to bring us here today, at seven-zero-si- --
7007 Gulf Freeway?

A Yes.

Q And how did you come to be familiar with this particular issue?

A Well, from the first e-mail that I received, it kind of mentioned that it was in the -- in the Airport Corridor. And it -- it wasn't until the reviewer it was assigned to came to me and said that she believed that it was in the Airport Corridor. And she hadn't caught it in the first review, but we found it in the second review, that it was in the Airport Corridor.

And we looked up the boundaries listed in Appendix B and informed the reviewer that, yes, it was inside the Airport Corridor and has to be categorized as Category E.

Q Okay. And so when you say "Airport Corridor," tell us what exactly you're talking about.

A Yes. So City of Houston and the -- the Council passed a new or -- the changes to the Code in July of -- 29, 2020. And, in part with various organizations, like Scenic Houston and Houston First, to -- I -- I guess their -- their whole point was to beautify or create lower -- like, lower heights for signs in different districts. And that's what the Airport Corridor came to be: Any district that came
from any of the airports around the City of Houston to
the central business industry located downtown.

Q Okay. And so you are familiar, then, with the
boundaries of the Airport Corridor District.

A Yes.

Q And is it your testimony here that the
premises at issue is within the
Airport Corridor District?

A Yes. It's in -- it's within the Interstate 45
corridor, as described in Appendix B.

Q Okay. Is there any doubt in your mind about
whether or not it's in the corridor?

A No, no doubt.

Q Okay. And you -- I think you indicated that
the purpose of the -- of the sign regulations has to do
with the beautification, or esthetics, of the City? Is
that a fair characterization?

A Yes, that's -- that is, from reading various
minutes, or meetings, from City Council, when it was
brought up; that was the intention that they'd had when
they voted for -- for this to pass.

Q Okay. And -- and tell me, if you can, why it
is that the particular sign at issue here is governed --
is -- is -- it -- that -- falls under Category E, with
the lower height requirement, versus Category C, with
the higher height requirement?

A  Because it falls within the newly-created
Airport Corridor that came into effect and we're tasked
with enforcing.

Q  Okay. And -- and -- and, in -- 4611(j), I
think, says that sign permit -- sign permits that are
applied for after July 29th, 2020, are subject to this
new Airport Corridor District regulation?

A  Correct. Yeah, any sign -- any new signs with
permits issued after July 20- -- 29, 2020, have to
conform to the -- they -- they fall within the
category -- in -- in -- in that district, have to
conform with Category E.

Q  Okay. And, in Tab 4 of binder, there is a
copy of the sign permit application. What's the date on
that application, sir?

A  December -- it was notarized
December 3rd, 2021.

Q  Okay. So, again, we're talking almost a year
af- -- after the July 29th, 2020 cut-off -- 2020 cut-off
for the date set forth in -- in 4611; is that right?

A  Correct, yes.

Q  Okay.

MR. HOUSTON: That's all the questions
I've got for you right now.
MR. DISHBERGER: Okay.

Present your case.

MS. STEWART: So, Chick-fil-A bought this property prior to the Code change, or it was in talks, and everything about this. So everything that was done on our research and their research is prior to the sign change, obviously, because it was in June/July of 2020. Obviously, our whole point is, obviously, beautification, too.

Now, you have 42-foot-6 all up and down in -- in that area. If you look from the pictures, you have McDonald's just a little bit higher, because that's been grandfathered -- right? -- same -- their sign; and same with Shell. But you have Raising Cane's, Burger King, and, also, Popeyes that are all within not even a quarter of a mile of each other right in a little row that are all 42-6, 250 square feet.

We're asking, "Can we have the 42-6, or 42 feet, even if we were to meet halfway and have 150 square foot?" because we're losing 100 square feet of signage -- right? -- based on the new being not just footage -- height.

So we would be willing to, possibly, see if we could meet halfway, because, again, you're all in a row. And it's because all the -- we are having 42-6,
42-6, 31 feet (indicating). So, I mean, that's --

MS. HAMILTON: And then back up.

MS. STEWART: Yeah, "and then back up"
to, like, a 55-foot-10-plus, with the Shell and
McDonald's. So, I mean, our intention is that, yes, we
would like to have a 42-6 height and meet with the
current square footage, if possible, to keep in mind
what is right there on that part of the road. So...

MR. DISHBERGER: Anything else?

(Simultaneously speaking)

MS. STEWART: And -- and, Patrick --

MR. DAVIS: Yeah. Yeah. So, thank

you-all for --

MR. DISHBERGER: Can you -- can you state

your name for us?

MR. DAVIS: I'm sorry.

So, Patrick Davis with Chick-fil-A, Inc.,

Development Services. Other than that -- so, again,
thank you-all for being here today. We -- as stated,
we -- we have -- we were in the process well before
July. I have e-mail communications I've provided as
evidence.

We actually came and met with the City,
had a pre-application meeting with the City in March of
2020, to talk about plans for this development, as we
were under these negotiations for -- to take a parcel
within this development that was being developed by
master developers for several other QSRs: quick-serve
restaurants.

Upon that time, we were not aware of a
Airport Corridor Code or ordinance that was forthcoming.
And we, again, proceeded to lease this property and
pursue this development, just as the other QSR
restaurants, with a 42-foot sign.

Be- -- being -- going through the City of
Houston process, we started to submit -- well, we went
through our design process and started to actually
submit the permits in September of 2021 -- I'm sorry --
started the process in September of 2020 and went
through a very lengthy process of -- of getting a
permit.

As you-all may be aware, in the
permitting process, we are not allowed to submit for a
signage permit until we actually have a -- a building
permit number that we can actually attach to the sign
permit.

Again, we were not aware of this new
ordinance change until we'd gotten our building project
number and then submitted our -- our -- our signage
permit, got in review, was not aware of the issue. And
then, upon a second review/comment, we -- we learned
that there was this new ordinance that we had to be at
the 30-some-odd-foot level.

    I think the other thing I just would like
to point out that was just mentioned earlier: Again,
this was kind of a master development done by a --
another developer that had several other QSRs: a
Burger King; there's a -- a Popeyes; there's a
Raising Cane's; there's our site; then you have a
McDonald's; and then you have a Shell.

    Again, we are in the middle of these
other developments. And, as just mentioned earlier, it
would be very odd to have 42-plus, 42-plus, 42-plus, 30,
42-plus, 42-plus (indicating). And so we are just
asking for a reasonable consideration of our -- of our
appeal for -- for this case.

    MR. DISHBERGER: Okay. You guys have any
questions of the City Sign Administrator?

    MS. STEWART: No. I mean, the Code is --
the Code is the Code.

    * * * * * * *

GENERAL APPEALS QUESTIONS/REMARKS TO APPELLANT

    MR. DISHBERGER: Okay. Any Board -- any
Board members want to ask any questions? Start with you
guys on the screen.
MR. BROWN: (Indicating)

MR. DISHBERGER: Yes, David?

MR. BROWN: So, I just want to be clear:

From the -- the Chick-fil-A folks, you're not disagreeing that you guys fall under the Category E, that you're a single business, per this chart, and you -- you fall under that version of the Code? There's not disagreement there at all?

(Simultaneously speaking)

MR. DAVIS: No. There's no --

MS. STEWART: No, sir -- no, there's no disagreement --

MR. DAVIS: -- disagreement in that.

MR. BROWN: Okay. So you're just -- you're just asking if -- if you guys can have an exception? Is that the gist of it?

MS. STEWART: Yes.

MR. DAVIS: Essentially, yes.

MS. STEWART: We know there's no variance. But, I mean -- so we've had to go through this whole process to see if we could have a special appeals to see if we could meet somewhere in the middle.

MR. BROWN: Okay. Yeah, I'd -- I'd -- because it -- yeah, it doesn't seem like there's much interpretation of the Code here. It's -- it's pretty
cut-and-dried.

That's all my questions.

MR. DISHBERGER: All right. Anyone else on screen?

(No audible response)

MR. DISHBERGER: Leslie, nothing?

(No audible response)

MR. DISHBERGER: Sol?

Is he on?

(No audible response)

MR. DISHBERGER: Lance?

Oh. I had one -- only one question, it seems. I see the permit application. We're talking about E a bit, though -- oh, that's "sign added." Okay. I just -- I was trying to find a permit application where it says what you're trying to apply under: E or A or C. Where -- where do you see that?

MR. GARCIA: So, on the application, if you look at the very top, there's -- when there --

MR. DISHBERGER: Oh, okay. Okay.

(Simultaneously speaking)

MR. DISHBERGER: Y'all marked "C" on it.

MS. STEWART: We'd marked "C."

MR. DISHBERGER: Okay. And then applied for a sign appeal, okay.
MS. STEWART: You need to update that online, by the way, because it does not have Category E.

MR. GARCIA: Yeah we have it uploaded to our website --

(Simultaneously speaking)

MS. STEWART: Right -- no, no, no. I'm talking about when you go and actually put it on the portal.

MR. GARCIA: Yeah.

MS. STEWART: You don't ha- -- it does not -- it has A through -- and you can't put the others on it.

MR. GARCIA: Yeah, that's what -- we've -- we've advised --

MS. STEWART: IT?

MR. GARCIA: -- IT to do that.

MR. DISHBÄRGER: Lance?

MR. McKNIGHT: I don't know if I have question, so much as -- I mean, my understanding of our role in this Board: We are not interpreting -- we -- we are interpreting -- we are here to interpret the Code and the application of it. We don't really have -- if the Code part is definitely right, we don't really have any authority to -- I mean, I'm with you.

I'm -- I get it. If I'm on the
City Council and you appeal to me, I'm going, "Yeah, you're right. This is kind of a crock, where this one sign in the middle of all these bigger signs."

But I don't think this Board has the ability to do that. Is that -- am I correct, in my understanding of that?

MR. RAY: Mr. Chair, this is Douglas Ray.

MR. DISHBERGER: Yes, Douglas.

MR. RAY: The jurisdiction of the Board is to take the -- the decision of the Sign Administrator and decide whether he's misconstrued or misinterpreted the Code. If so, then you can reverse his decision. Your jurisdiction doesn't extend to granting some kind of variance, basically, the way I understand that the applicant has asked you to do.

MR. DISHBERGER: You're here with re- -- I -- I know you're correct. I've been on the Board a while, and I know we're not a mediator or arbitrator, either.

MS. STEWART: Right.

MR. DISHBERGER: So, yeah, you're asking for a deal to be made. Obviously, a deal should have been -- could have been made, possibly, with the Sign Administration, were it reject- -- I assume did not happen --
MR. DAVIS: We pursued it. We were told that this was our only --

(Simultaneously speaking)

MS. HAMILTON: Avenue.

MR. DAVIS: -- avenue to -- that --

MR. DISHBERGER: Yeah, that --

MR. McKNIGHT: I know, for us, I think you go to --

(Simultaneously speaking)

MR. McKNIGHT: -- City Council. Those guys can do whatever they want to do, and they will do whatever they want.

MR. DISHBERGER: But -- but we are -- we're resp- -- we're, really, here to look at the Code and what it says, because it's -- a lot of times, the Code is a little fuzzy. And when it's fuzzy, now, we can say, "Well, we think that what they -- what -- the way they interpreted it was an -- incorrect."

But I think we all agree that it's correct, that it was applied for after the date. And, agreed, it may look funny. But it's kind of like putting a sidewalk in an area that didn't have a sidewalk because they're saying: "In 50 years, the whole place will have a sidewalk."

So -- probably going to tell you, "In
50 years, McDonald's, Burger King's signs will be gone, and it'll be replaced with signs and stuff that are correct, down the road."

MR. GARCIA: Yeah, correct. So the -- the -- all the existing signs there are not -- technically, now, non-conforming and grandfathered in.

MR. DISHBERGER: Correct. So if they get damaged or a hurricane knocks it down, they're going to go --

(Simultaneously speaking)

MR. DISHBERGER: Did you want to say something, sir?

MR. DAVIS: No -- I was going to say: But all these signs were put up within the last two/three years, including McDonald's as well. So -- so, I guess, my -- my -- my question is: What is -- because it -- as we look -- again, we -- we started the process in March of 2020, started having these conversations, again, pursuing the -- the -- the permit.

We can't even have it pre-development. You have -- what we've been told and coached to do when, you know, pursuing a development -- again, we -- we weren't able to submit for a -- a signage permit till later in the process, even foll- -- after submitting for building permits, sidewalk permit. And so it's -- you
know, the -- the July cut-off date -- I mean, we just --
we never got a shot at it, at meeting that date.

(Simultaneously speaking)

MR. DISHERBERGER: So, just to clarify, for
the group, the Board: You cannot apply for a sign
permit until the base permit is issued? Is that what --

(Simultaneously speaking)

MR. GARCIA: So, we're --

MR. DISHERBERGER: Or -- or an "address,"
because he used the word "address." And I know you need
addresses early on in the system -- the -- in the
process. Tell -- tell us.

MR. GARCIA: Yeah. So the Code states
that -- that sign permits going to be a -- used in
accordance for an -- in association with a business
purpose, and you look at the certificate of occupancy as
that establishing point of -- of there being a business
purpose advertised.

And it's not that they have to complete
all their inspections or anything; it's just that they
have to have paid for their building certificate of
occupancy and building permits for us to, then, say,
"Yeah, there's a legitimate business there for us to" --

MR. DISHERBERGER: Okay.

MR. GARCIA: -- "issue a sign permit."
MS. STEWART: I had another question, then. So, say, in July -- or even -- before July, when they started this in March, they have their address; they have everything; they pay for a temporary occupancy through the GC -- right? -- just because they have so many signs up through Houston and, you know, things are changing and evolving here, in the Houston area.

If we were able to have done this prior to July of 2020 -- or July 29th -- right? -- and, say, had a permit but, still, you know, had -- but that was height of COVID, trying to get everything going on. We are here, fast-forward, and our permit's only good for 180 calendar days; had to put a renew in, prior to that 180 days. Would we still have been able to ha- -- I mean, because you only can do a renewal once.

So how -- how would we have had to classify, again, for Category E versus Category C, if -- if it could happen, back up?

MR. GARCIA: That reminds me of a previous appeal that we had where a project was submitted before the Code changed. The 180 days had expired, and --

MS. STEWART: But they -- they didn't renew it before that expiration; right?

MR. GARCIA: They -- it wa- -- it -- it
expired before the ex-- before the Code changed.

MS. STEWART: But they didn't renew it before it expired? Or they did?

MR. GARCIA: No, they didn't -- they didn't renew it --

(Simultaneously speaking)

MS. STEWART: Okay. But if we had renewed it, is what I'm asking. If we had renewed it --

MR. GARCIA: Oh, yeah. If you had the permits in hand before that Code change, you -- and you had the 180 days, that permit's valid as soon as it's given to you because it was issued before that date. So it's the -- the Code states that it's any new permits issued after the date that -- that are -- have to conform -- have to be Category E.

MS. STEWART: And just one more clarification: only one renewal, not two. So, after that, then it starts the whole process over again. So, we -- we still wouldn't have made it. I -- I mean, ju- -- just playing devil's advocate for my client and then, also, the Code, so we know, because, again, Patrick and Chick-fil-A are coming heavy into Houston. So -- and if anything else keeps changing, we -- we want to make sure that we're armed enough.

MS. HAMILTON: Yeah. And I want to
ask -- I'm -- I'm Kristen Hamilton with Chandler Signs. We're a national partner with Chick-fil-A. We pull pro- -- permits for them all over the country and a lot of permits in the City of Houston. And we have a -- a good research department that works out of our corporate office in Dallas that does our code research for us, which was done, for this particular site, in July of 2020.

What is the avenue for us to understand -- I mean, the Code has not changed, in the City of Houston, for quite some time. So what is the avenue for sign companies, like us and many others, to understand -- or is there an avenue for us to know when that Code changes?

So, we do read full code, especially on projects that take a long time. This one was done relatively fast, and the thing is: Chick-fil-A projects or any other national account does. But what would be the avenue for us to know when that Code changes?

MR. HOUSTON: I believe the Greater Houston Sign Association is -- is the avenue that -- that City Council met with, and they were the ones that -- that were, basically, sending out notifications to the industry.

MR. BENITEZ: Well, it's TCA [sic] --
this is Misael Benitez, Sign Administrator.

It's TCA, Texas Sign Association, that

was involved in --

(Simultaneously speaking)

MR. BENITEZ: -- (audio distortion)

because it's in -- it was in Houston, the Chapter of

Houston, which is the Houston Greater Asso-- Sign

Association. They were the ones that were involved.

And, besides them having all the knowledge that this

was -- these changes were coming, also, it's posted on

the Houston (audio distortion; inaudible) website.

(Simultaneously speaking)

MR. DAVIS: Kind of -- kind of going back
to, I think, what my -- my question, as far as -- I
mean, it's just really -- you know, with us pursuing
this: Again, first meeting regarding this particular
deal was in August. Well, I mean, we -- we -- we
real- -- we never stood a shot of, kind of, meeting that
date, although we were pursuing it. And so, I guess, it
just -- what -- what are -- what are our options (audio
distortion) still?

MR. DISHBERGER: Well, you're going to
(audio distortion; inaudible) take a vote. We vote to
disapprove. Your next option is to go to City Council.

And it's -- again, City Council can override any of
their ordinances or codes.

MS. STEWART: What is the time frame to go to Council? I think --

MR. BENITEZ: I believe it's ten days.

MR. GARCIA: Yeah.

(Simultaneously speaking)

MR. DAVIS: But we still have a shot with this Board, was what I understand.

MR. DISHBERGER: Well, we have to vote on it.

MR. DAVIS: Okay.

(Simultaneously speaking)

MR. DISHBERGER: We ain't going that far.

MR. DAVIS: All right.

MR. DISHBERGER: No, sir.

MR. MCKNIGHT: But -- but that's why I asked the question about what our authority is.

(Simultaneously speaking)

MR. MCKNIGHT: I know (audio distortion; inaudible) -- I just wanted y'all to understand:

Doesn't matter how a person may feel about it. We're not here to -- to legislate from the benches. We -- we are -- we're here just to (sotto voce) --

MR. DISHBERGER: A lot of the things we talk about are very, "What does this word mean?" or
something, like, one of the thing- -- "What is a sign?"
a lot of questions: general stuff. So that's what we
(audio distortion; inaudible) -- you have
interpretations that -- this one -- everyone's agreeing
that the Code says what the Code says. And, "We
didn't" -- and, "We didn't put it in."

* * * * * *

MOTION AND VOTE TO DISAPPROVE THE APPEAL

MR. DISHBERGER: And, I guess, based on
that, I'll ask: Does someone make a motion here?
(Speaking simultaneously)
MR. McKNIGHT: I'll make a motion we vote
to disapprove.
MR. DISHBERGER: Do I hear a second?
(Simultaneously speaking)
MR. BROWN: This is David Brown --
MS. DAVIDSON: I second it.
MR. BROWN: I third it.
MR. DISHBERGER: Okay. Leslie, I think,
seconded. She got in there first.
Any discussion among the Board?
(No response)
MR. DISHBERGER: All right. I'm going to
call a vote, then. All in favor of the motion to
disapprove, say "aye," or raise your hand on the screen,
please.

(Multiple people indicating and saying "aye")

MR. DISHBERGER: Anyone disagree?

(Simultaneously speaking)

MR. DISHBERGER: Okay. Disapproved.

Okay. It's unanimous.

All right. This means the -- you'll -- I -- and I'll need a motion to -- if there's no other new business -- I don't think -- today --

(Simultaneously speaking)

* * * * * * *

APPELLANT'S FURTHER DISCUSSION REGARDING THE SIGN APPEAL

MR. DAVIS: (Stuttering) Can I ask another question? Or are we -- are we done? Or can I ask a question?

(Simultaneously speaking)

MR. DISHBERGER: Almost done.

MR. DAVIS: So -- so -- so, I understand that City Council can -- is there a way to -- I understand you can't vote and approve or disapprove. But can we get an opinion from this Board, based on what we presented here, to go to the City Council with, just based on what we presented?

MR. DISHBERGER: I think -- I don't know
if we can or not. I'm just getting a feeling from the discussion that -- well, the opinion would probably be the statement that -- the decision we made today, that there was --

(Simultaneously speaking)

MR. HOUSTON: Yeah, I -- I think he's asking for something with some context.

MR. DISHBERGER: Okay.

MR. DAVIS: Some- -- something with some context, basically --

(Simultaneously speaking)

MS. STEWART: Is it worth our time?

MR. DAVIS: Yeah, because, I mean --

(Simultaneously speaking)

MR. DAVIS: -- essentially, what I heard you guys say is, and I'm not putting words in anybody's mouth; right? But you -- you guys cannot -- you -- you're just here to interpret Code, no -- no matter --

MR. McKnight: Right, yeah. The -- any opinion we have would be that -- now, if it was something that was gray and, you know -- we might have an opinion that said, you know, "It -- it -- it looks like this is falling under the Code," and -- and that's where we're voting.

But -- but we're going to wait for
City Council to offer some interpretation of it.

MR. DAVIS: Yeah.

MR. McKNIGHT: But -- but our role in this is black and white.

MR. DISHBERGER: I think -- I think I can probably speak for the Board that we're not open to comment on this one because it's crystal clear; it's not -- there's no gray. It's -- now it's a mediation/arbitration, what are you -- what will the City do --

(Simultaneously speaking)

MR. McKNIGHT: And any feelings about it is just our own --

MR. DISHBERGER: Right.

MR. McKNIGHT: -- personal opinions.

That's -- my person opinion is -- you know, I -- and -- and let me tell you about my own historic District problems (audio distortion) some years ago. But, I mean, there's --

MR. DISHBERGER: Yeah.

MR. McKNIGHT: There's things that you just can't do anything about.

(Simultaneously speaking)

MR. RAY: Just to clar- -- if it -- if it can be any help to the participants here, the appeal
that would be taken to the City Council would include
the -- the entire record of this proceeding here today.

   So the court reporter's record would be
submitted to the City Council with the request for their
appeal to them. So every-- everything that you've
presented today -- all the paperwork, all the
comments -- all of that will -- will be in the record
that goes before the City Council.

   MR. DAVIS: Okay.

   MR. DISHERGER: Thank you. Thank you, sir.

* * * * * *

MOTION AND VOTE TO ADJOURN THE MEETING

   MR. DISHERGER: Do I hear a motion to
dismiss?

   MR. McKNIGHT: Motion to be dis- --
adjourned.

   MR. DISHERGER: Adjournment -- do I hear
a second? Can someone second?

   MS. DAVIDSON: (Audio distortion) I
second.

   MR. DISHERGER: Thank you, Leslie.
Leslie, second.

   All in favor?

   (Multiple people saying "aye")
MR. DISHBERGER: Motion passed.

Thank you, guys.

(Simultaneously speaking)

(Meeting adjourned)

(Proceedings ended at 5:40 p.m.)

F I V E

(Videocference commenced at 5:05 p.m.)

INTRODUCTIONS
MR. DISHERBERGER: Mike Dishberger. I'm
the chairman.

MR. MCKNIGHT: Lance Mcknight.

MR. GARCIA: Mario Garcia.

MR. HOUSTON: I'm Charles Houston,

Counsel for the City.

MR. BENITEZ: Mielo Benitez,

Sign Administrator.

MR. DISHERBERGER: Guys on the line?

MR. BROWN: David Brown.

MS. DAVIDSON: Leslie Davidson.

(Simultaneously speaking)

MR. DISHERBERGER: I got you, Leslie.

Next?

MR. RAY: Yes. I'm Douglas Ray. I'm
with City Legal Department. I'm here today,

representing the Board.

MR. BROWN: I'm Nancy Brown. I'm

with -- I'm Building Code Enforcement,

Houston Public Works.

MR. DISHERBERGER: Thank you, Nancy.
General Appeals Board Hearing Vol 1

1
Do we have -- we have a quorum, I think.
2
don't we? We have five?
3
MS. MEZA: Yes.
4
MR. DISHERGER: Okay.
5
MS. MEZA: Nancy's representing the
6
Building Code Enforcement --
7
(Simultaneously speaking)
8
MR. DISHERGER: Oh, that's right.
9
That's right. She's also a member, yes, okay.
10
* * * * * *
11
MEETING CALLED TO ORDER; MOTION AND VOTE TO APPROVE THE
12
MINUTES
13
MR. DISHERGER: I call this meeting to
14
order.
15
First piece of business is: We need to
16
approve the minutes from the December 16th meeting.
17
Do we have any items? Do I hear a motion
18
to approve the minutes?
19
MS. DAVIDSON: I move to approve the
20
minutes.
21
(Simultaneously speaking)
22
MR. MCKNIGHT: -- approve the minutes.
23
MR. DISHERGER: Do I hear a second?
24
MR. DAVIDSON: I second.
25
MR. DISHERGER: Thank you, Leslie.

Page 7
1
All in favor?
2
(Multiple people saying 'aye!'
3
MR. DISHERGER: No one opposed, passed.
4
* * * * * *
5
CONSIDERATION OF A SIGN APPEAL PROCEEDINGS
6
MR. DISHERGER: All right. We have one
7
piece of business today, here: Consideration of a sign
8
appeal, Stephanie Stewart, Sign Remedy, Inc.,
9
7007 Gulf Freeway. And we're going to go over the
10
appeal.
11
As -- well, as I tell people, when we
12
have these, we're -- this is not a court of law, so
13
we're going to be hearing both sides. The City will
14
speak up first and give their case and tell the --
15
their -- their interpretation of what happened and
16
what's going on with the Code. You'll then have a
17
chance to present your case. And then we go back and
18
forth with some questions.
19
With -- if either -- if a party has a
20
witness, we can ask them questions and -- and go back
21
and forth on that.
22
Once all that's concluded, the -- the
23
Board will make a motion to, one, either approve or
24
disapprove; then we'll have a discussion amongst
25
ourselves. We -- we also may have questions to ask of

Page 8
1
each individual. So, that'll apply too.
2
And do we have any witnesses here today
3
that need to be sworn in?
4
(No audible response)
5
MR. DISHERGER: And so can we do all
6
that at one time here?
7
(No audible response)
8
MR. DISHERGER: Who -- who will do the
9
swearing in?
10
(Simultaneously speaking)
11
MS. MEZA: The -- the court reporter --
12
MR. DISHERGER: The court reporter --
13
yes.
14
MS. MEZA: -- does that. And give me
15
just one second. I need to start recording this.
16
MR. DISHERGER: Oh, okay. Sorry.
17
MS. MEZA: Do you know to re- -- I've
18
never used this one before.
19
(Sotto voce discussion between members)
20
(Court reporter clarification)
21
MR. RAY: Okay. Mr. Chair, if you could,
22
from this point on, just for the aid of the court
23
reporter, everybody that, when they make a motion,
24
announce who you are; for example, say, 'I'm
25
Leslie Davidson. I move,' so and so.

Page 9
1
And if you second, then, the same thing:
2
Announce who you are. And when we take a vote, announce
3
your name before you vote so each person would be
4
recorded as which way they voted.
5
MS. MEZA: I can't find where to record
6
it, so, that's fine. Okay.
7
THE REPORTER: Thank you, Mr. Douglas --
8
MR. DISHERGER: Okay. So we need to get
9
our witness sworn in, Ms. Court Reporter.
10
(Witness sworn)
11
MR. DISHERGER: Okay. Let's begin.
12
City, you want to present your case?
13
MR. HUSTON: Sure.
14
Ladies and gentlemen, my name is
15
Charles Houston. I am representing Sign Administration
16
in today's hearing. Those of you who've been to these
17
hearings before will have noticed that I am not
18
David Red, my predecessor. David is no longer with the
19
City, and I have been given the task of filling in
20
and -- in filling his very capable shoes.
21
This is my first one of these hearings,
22
so I ask for your forgiveness and indulgence when I
23
make -- not if, but when I make inevitable mistakes.
24
I will give a quick introduction and a
25
summary, on behalf of Sign Administration.
Sign Remedy, Inc., is appealing the rejection of its application for a sign permit at 7607 Gulf Freeway. Their client is Chick-fil-A, which we all know makes delicious food. Sign Remedy submitted the application on December 3rd, 2021. That date's important: December 3rd, 2021.

I don't think there's any real dispute about the facts here. The application requested a sign that should have been 42-and-a-half feet high, which is Category C, under the sign -- under Sign Code 4611(j), I think it is. But this location is on Gulf Freeway and sits within the newly-created Airport Corridor District. Here, again, there's no dispute, I don't think, about whether it sits in the Airport Corridor District.

The sign Code says that all new on-premises signs located in the Airport Corridor District for which a permit is issued after July 29th, 2020, shall conform to certain requirements. And, in your notebooks, new materials at Tab -- I believe it's Tab 1 -- is the applicable -- Tab 2 is the applicable portion of the Sign Code.

There's a table in there. It says, summarizing, that the sign at issue is Category B because it is located on premises with signage on Gulf Freeway in the Airport Corridor District. The -- Category B has a maximum height of 31 feet. The application submitted by Sign Remedy, Inc., as stated: December 3rd, 2021, almost a year and a half after the July 29th, 2020 date set forth in 4611(j).

It's pretty cut-and-dry. There is correspondence at Tab 3, showing that Mr. Garcia, here, the plan analyst supervisor, advised Mr. Stewart, finally, that -- remember -- remember that most of the Gulf Freeway is Category B, parentheses, Airport Corridor.

The fact that there are, and they will point out -- they're right -- the fact there are other restaurants with signs up to 41 feet or even higher -- that's true; that's absolutely true. Those signs were erected either before the existence of the Sign Code, or they were erected under a previous version of the Sign Code, which allowed signs of that height at that particular time.

But we are, unfortunately, dealing with a relatively new addition, a relatively new amendment, to the Sign Code, which sets a maximum height. And what Sign Remedy's asking for is, in essence, a variance. They're asking to go beyond -- above and beyond the 31-foot height. And, I think not forth in the Code. And then there's just not a mechanism for that here. So,

we've got evidence that is in your notebooks. And we'll hear testimony from Mr. Garcia, setting forth the City's position, under oath.

And, you know, I think it's important to point out that nobody's saying that Chick-fil-A can't have a sign to advertise its delicious food; we're simply saying that the sign is capped out at a height of 31 feet, based on the recent amendment to the Sign Code from July of 2020.

And that's the City's position, in a nutshell.

MR. DIXON: Then do you want to -- (Simultaneously speaking)

MR. HOUSTON: Sure. Sure.

NARDO GARCIA, having been previously duly sworn, testified under his oath as follows:

EXAMINATION

BY MR. HOUSTON

Q Mr. Garcia, would you please state your state and spell your full name for the record.
A It's Mario Garcia, N-a-r-o-g-a-r-c-i-a.
Q And are you currently employed, Mr. Garcia?
A Yes.
Q And who is your employer?

A City of Houston.
Q And what is your title, Mr. Garcia, with the City?
A I am the plan analyst supervisor.
Q And what department are you in, sir?
A Sign Administration.
Q And how long have you worked for Sign Administration?
A Five years.
Q And how long have you worked as a plan analyst supervisor?
A Two years.
Q What are your duties as a plan analyst supervisor?
A Yes. My tasks are to assign to -- projects that come in for review to different reviewers and, if the reviewers have questions or concerns during the reviews, to come to me and work out the correct interpretation of the Code, and, if I need more clarification, go to my supervisors, and answer various questions and e-mails from contractors, customers, and developers. So --
Q Okay. And are you familiar, sir, with the sign that brings us here today, or the -- with the purpose to bring us here today, at seven-zero-zero?
Q. And how did you come to be familiar with this particular issue?
A. Well, from the first e-mail that I received, it kind of mentioned that it was in the -- in the Airport Corridor. And it -- it wasn't until the reviewer was assigned to come to me and said that she believed that it was in the Airport Corridor. And she hadn't caught it in the first review, but we found it in the second review, that it was in the Airport Corridor. And we looked up the boundaries listed in Appendix B and informed the reviewer that, yes, it was inside the Airport Corridor and has to be categorized as Category B.
Q. Okay. And so when you say "Airport Corridor," tell us what exactly you're talking about.
A. Yes. So City of Houston and the -- the Council passed a new or -- the changes to the Code in July of -- 29, 2020. And, in part with various organizations, like Scenic Houston and Houston First, to -- I -- I guess their -- their whole point was to beautify or create lower -- like, lower heights for signs in different districts. And that's what the Airport Corridor came to be: Any district that came from any of the airports around the City of Houston to the central business industry located downtown.
Q. Okay. And so you are familiar, then, with the boundaries of the Airport Corridor District.
A. Yes.
Q. And is it your testimony here that the premises at issue is within the Airport Corridor District?
A. Yes. It's in -- it's within the Interstate 45 corridor, as described in Appendix B.
Q. Okay. Is there any doubt in your mind about whether or not it's in the corridor?
A. No, no doubt.
Q. Okay. And you -- I think you indicated that the purpose of the -- of the sign regulations has to do with the beautification, or aesthetics, of the City? Is that a fair characterization?
A. Yes, that's -- that is, from reading various minutes, or meetings, from City Council, when it was brought up; that was the intention that they'd had when they voted for -- for this to pass.
Q. Okay. And -- and tell me, if you can, why it is that the particular sign at issue here is governed -- is -- is -- it -- that -- falls under Category B, with the lower height requirement, versus Category C, with the higher height requirement?
A. Because it falls within the newly-created Airport Corridor that came into effect and we're tasked with enforcing.
Q. Okay. And -- and -- and, in any event, I think, says that sign permit -- sign permits that are applied for after July 29th, 2020, are subject to this new Airport Corridor District regulation?
A. Correct. Yeah, any sign -- any new signs with permits issued after July 29 -- 29, 2020, have to conform to the -- they -- they fall within the category -- in -- in -- in that district, have to conform with Category B.
Q. Okay. And, in Tab 4 of binder, there is a copy of the sign permit application. What's the date on that application, sir?
A. December -- it was notarized December 3rd, 2021.
Q. Okay. So, again, we're talking almost a year after -- after the July 29th, 2020 cut-off -- 2020 cut-off for the date set forth in -- in 4612; is that right?
A. Correct, yes.
Q. Okay.
MR. HESTER: That's all the questions I've got for you right now.
42-6, 31 feet (indicating). So, I mean, that's --

MS. HAMILTON: And then back up.

MS. STEWART: Yeah, "and then back up"

so, like, a 55-foot-10-plus, with the shell and

McDonald's. So, I mean, our intention is that, yes, we
would like to have a 42-6 height and meet with the
7 current square footage, if possible, to keep in mind
8 what is right there on that part of the road. So...

MR. DISHBERGER: Anything else?

(Simultaneously speaking)

MS. STEWART: And -- and, Patrick --

MR. DAVIS: Yeah. Yeah. So, thank

you all for --

MR. DISHBERGER: Can you -- can you state

your name for us?

MR. DAVIS: I'm sorry.

So, Patrick Davis with Chick-fil-A, Inc.,
Development Services. Other than that -- so, again,
thank you all for being here today. We -- as stated,
we -- we have -- we were in the process well before
July. I have e-mail communications I've provided as
evidence.

We actually came and met with the City,
had a pre-application meeting with the City in March of
2020, to talk about plans for this development, as we

were under these negotiations for -- to take a parcel
within this development that was being developed by
master developers for several other QSRs: quick-serve
restaurants.

Upon that time, we were not aware of a
Airport Corridor Code or ordinance that was forthcoming.
And now, again, proceeded to lease this property and
pursue this development, just as the other QSR
restaurants, with a 42-foot sign.

Be -- being -- going through the City of
Houston process, we started to submit -- well, we went
through our design process and started to actually
submit the permits in September of 2021 -- I'm sorry --
started the process in September of 2020 and went
through a very lengthy process of -- of getting a
permit.

As you all may be aware, in the
permitting process, we are not allowed to submit for a
signage permit until we actually have a -- a building
permit number that we can actually attach to the sign
permit.

Again, we were not aware of this new
ordinance change until we'd gotten our building project
number and then submitted our -- our -- our signage
permit, got in review, was not aware of the issue. And
then, upon a second review/comment, we -- we learned
that there was this new ordinance that we had to be at
the 30-some-odd-foot level.

I think the other thing I just would like
to point out that was just mentioned earlier: Again,
this was kind of a master developer done by a --
another developer that had several other QSRs: a
Burger King; there's a -- a Hamburger; there's a
Raising Canes's; there's our site; then you have a
McDonald's, and then you have a Shell.

Again, we are in the middle of these
other developments. And, as just mentioned earlier, it
would be very odd to have 42-plus, 42-plus, 42-plus, 30,
42-plus, 42-plus (indicating). And so we are just
asking for a reasonable consideration of our -- of our
appeal for -- for this case.

MR. DISHBERGER: Okay. You guys have any
questions of the City Sign Administrator?

MS. STEWART: No. I mean, the Code is --
the Code is the Code.

* * * * * * *

GENERAL APPEALS QUESTIONS/REQUESTS TO APPELLANT

MR. DISHBERGER: Okay. Any Board -- any
Board members want to ask any questions? Start with you
guys on the screen.

MR. BROWN: (indicating)

MR. DISHBERGER: Yes, David?

MR. BROWN: So, I just want to be clear:

From the -- the Chick-fil-A folks, you're not
disagreeing that you guys fall under the Category E,
that you're a single business, per this chart, and
you -- you fall under that version of the Code? There's
not disagreement there at all?

(Simultaneously speaking)

MR. DAVIS: No. There's no --

MS. STEWART: No, sir, no, there's no

disagreement --

MR. DAVIS: -- disagreement in that.

MR. BROWN: Okay. So you're just --
you're just asking if -- if you guys can have an
exception? Is that the gist of it?

MS. STEWART: Yes.

MR. DAVIS: Essentially, yes.

MS. STEWART: We know there's no
variance. But, I mean -- so we've had to go through
this whole process to see if we could have a special
appeals to see if we could meet somewhere in the middle.

MR. BROWN: Okay. Yeah, I'd -- I'd --
because it -- yeah, it doesn't seem like there's much
interpretation of the Code here. It's -- it's pretty
cut-and-dried.
That's all my questions.
MR. DISHBERGER: All right. Anyone else on screen?
(No audible response)
MR. DISHBERGER: Leslie, nothing?
(No audible response)
MR. DISHBERGER: Sol?
Is he on?
(No audible response)
MR. DISHBERGER: Lance?
Oh. I had one -- only one question, it seems. I see the permit application. We're talking about E a bit, though -- oh, that's "sign added." Okay.
I just -- I was trying to find a permit application where it says what you're trying to apply under: E or A or C. Where -- where do you see that?
MR. GARCIA: So, on the application, if you look at the very top, there's -- when there --
MR. DISHBERGER: Oh, okay. Okay.
(Simultaneously speaking)
MR. DISHBERGER: Y'all marked "C" on it.
MS. STEWART: We'd marked "C."
MR. DISHBERGER: Okay. And then applied for a sign appeal, okay.

MS. STEWART: You need to update that online, by the way, because it does not have Category B.
MR. GARCIA: Yeah we have it uploaded to our website --
(Simultaneously speaking)
MS. STEWART: Right -- no, no, no. I'm talking about when you go and actually put it on the portal.
MR. GARCIA: Yeah.
MS. STEWART: You don't ha -- it does not -- it has A through -- and you can't put the others on it.
MR. GARCIA: Yeah, that's what --
we've -- we've advised --
MS. STEWART: IT?
MR. GARCIA: -- IT to do that.
MR. DISHBERGER: Lance?
MR. McKNIGHT: I don't know if I have question, so much as -- I mean, my understanding of our role in this Board: We are not interpreting -- we -- we are interpreting -- we are here to interpret the Code and the application of it. We don't really have -- if the Code part is definitely right, we don't really have any authority to -- I mean, I'm with you. I'm -- I get it. If I'm on the

City Council and you appeal to me, I'm going, "Yeah, you're right. This is kind of a crook, where this one sign in the middle of all these bigger signs."
But I don't think this Board has the ability to do that. Is that -- am I correct, in my understanding of that?
MR. RAY: Mr. Chair, this is Douglas Ray.
MR. DISHBERGER: Yes, Douglas.
MR. RAY: The jurisdiction of the Board is to take the -- the decision of the Sign Administrator and decide whether he's misconstrued or misinterpreted the Code. If so, then you can reverse his decision.
Your jurisdiction doesn't extend to granting some kind of variance, basically, the way I understand that the applicant has asked you to do.
MR. DISHBERGER: You're here with re- --
I -- I know you're correct. I've been on the Board a while, and I know we're not a mediator or arbitrator, either.
MS. STEWART: Right.
MR. DISHBERGER: So, yeah, you're asking for a deal to be made. Obviously, a deal should have been -- could have been made, possibly, with the Sign Administration, were it reject -- I assume did not happen --

MR. DAVIS: We pursued it. We were told that this was our only --
(Simultaneously speaking)
MS. HAMILTON: Avenue.
MR. DAVIS: -- avenue to -- that --
MR. DISHBERGER: Yeah, that --
MR. McKNIGHT: I know, for us, I think you go to --
(Simultaneously speaking)
MR. McKNIGHT: -- City Council. Those guys can do whatever they want to do, and they will do whatever they want.
MR. DISHBERGER: But -- but we are -- we're reps -- we're, really, here to look at the Code and what it says, because it's -- a lot of times, the Code is a little fuzzy. And when it's fuzzy, now, we can say, "Well, we think that what they -- what -- the way they interpreted it was an -- incorrect."
But I think we all agree that it's correct, that it was applied for after the date. And, agreed, it may look funny. But it's kind of like putting a sidewalk in an area that didn't have a sidewalk because they're saying: "In 50 years, the whole place will have a sidewalk."

So -- probably going to tell you, "In
50 years, McDonald's, Burger King's signs will be gone, and it'll be replaced with signs and stuff that are correct, down the road."

MR. GRACIA: Yeah, correct. So the -- the -- all the existing signs there are not -- technically, now, non-conforming and grandfathered in.

MR. DISHNERGER: Correct. So if they get damaged or a hurricane knocks it down, they're going to go --

(Simultaneously speaking)

MR. DISHNERGER: Did you want to say something, sir?

MR. DAVIS: No -- I was going to say:

But all these signs were put up within the last two/three years, including McDonald's as well. So -- so, I guess, my -- my -- my question is: What is -- because it -- as we look -- again, we -- we -- we started the process in March of 2020, started having these conversations, again, pursuing the -- the -- the permit.

We can't even have it pre-development.

You have -- what we've been told and coached to do when, you know, pursuing a development -- again, we -- we weren't able to submit for a -- a signage permit till later in the process, even full -- after submitting for building permits, sidewalk permit. And so it's -- you know, the -- the July cut-off date -- I mean, we just -- we never got a shot at it, at meeting that date.

(Simultaneously speaking)

MR. DISHNERGER: So, just to clarify, for the group, the Board: You cannot apply for a signage permit until the base permit is issued. Is that what --

(Simultaneously speaking)

MR. GRACIA: So, we're --

MR. DISHNERGER: Or -- or an "address," because he used the word "address." And I know you need addresses early on in the system -- the -- in the process. Tell -- tell us.

MR. GRACIA: Yeah. So the Code states that -- that signage is going to be a -- used in accordance for an -- in association with a business purpose, and you look at the certificate of occupancy as that establishing point of -- of there being a business purpose advertised.

And it's not that they have to complete all their inspections or anything; it's just that they have to have paid for their building certificate of occupancy and building permits for us to, then, say, "Yeah, there's a legitimate business there for us to" --

MR. DISHNERGER: Okay.

MR. GRACIA: -- issue a sign permit.
ask -- I'm -- I'm Kristen Hamilton with Chandler Signs.

We're a national partner with Chick-fil-A. We pull per-

mits for them all over the country and a lot of permits in the City of Houston. And we have a -- a good research department that works out of our corporate office in Dallas that does our code research for us, which was done, for this particular site, in July of 2020.

What is the avenue for us to understand -- I mean, the Code has not changed, in the City of Houston, for quite some time. So what is the avenue for sign companies, like us and many others, to understand -- or is there an avenue for us to know when that Code changes?

So, we do read full code, especially on projects that take a long time. This one was done relatively fast, and the thing is: Chick-fil-A projects or any other national account does. But what would be the avenue for us to know when that Code changes?

MR. HOUSTON: I believe the Greater Houston Sign Association is -- is the avenue that -- that City Council met with, and they were the ones that -- that were, basically, sending out notifications to the industry.

MR. BENITES: Well, it's TCA (sic) --

this is Misael Benites, Sign Administrator.

It's TCA, Texas Sign Association, that was involved in --

(Simultaneously speaking)

MR. BENITES: -- (audio distortion)

because it's in -- it was in Houston, the Chapter of Houston, which is the Houston Greater Asso-- Sign Association. They were the ones that were involved. And, besides them having all the knowledge that this was -- these changes were coming, also, it's posted on the Houston (audio distortion; inaudible) website.

(Simultaneously speaking)

MR. DAVIS: Kind of -- kind of going back to, I think, what my -- my question, as far as -- I mean, it's just really -- you know, with us pursuing this: Again, first meeting regarding this particular deal was in August. Well, I mean, we -- we -- we real -- we never stood a shot of, kind of, meeting that date, although we were pursuing it. And so, I guess, it just -- what -- what are -- what are our options (audio distortion) still?

MR. DISHBERGER: Well, you're going to (audio distortion; inaudible) take a vote. We vote to disapprove. Your next option is to go to City Council. And it's -- again, City Council can override any of their ordinances or codes.

MR. STEWART: What is the time frame to go to Council? I think --

MR. BENITES: I believe it's ten days.

MR. GARCIA: Yeah.

(Simultaneously speaking)

MR. DAVIS: But we still have a shot with this Board, what I understand.

MR. DISHBERGER: Well, we have to vote on it.

MR. DAVIS: Okay.

(Simultaneously speaking)

MR. DISHBERGER: We ain't going that far.

MR. DAVIS: All right.

MR. DISHBERGER: No, sir.

MR. MCNIGHT: But -- but that's why I asked the question about what our authority is.

(Simultaneously speaking)

MR. MCNIGHT: I know (audio distortion; inaudible) -- I just wanted y'all to understand:

Doe, that's not how a person may feel about it. We're not here to -- to legislate from the bench. We -- we are -- we're here just to (sotto voce) --

MR. DISHBERGER: A lot of the things we talk about are very, "What does this word mean?" or something, like, one of the thing-- "What is a sign?"

a lot of questions: general stuff. So that's what we (audio distortion; inaudible) -- you have interpretations that -- this one -- everyone's agreeing that the Code says what the Code says. And, "We didn't" -- and, "We didn't put it in."

********

MOTION AND VOTE TO DISAPPROVE THE APPEAL

MR. DISHBERGER: And, I guess, based on that, I'll ask: Does someone make a motion here? (Speaking simultaneously)

MR. MCNIGHT: I'll make a motion we vote to disapprove.

MR. DAVIS: Do I hear a second?

(Simultaneously speaking)

MR. BROWN: This is David Brown --

MS. DAVITSON: I second it.

MR. BROWN: I third it.

MR. DISHBERGER: Okay. Leslie, I think, seconded. She got in there first.

Any discussion among the Board?

(No response)

MR. DISHBERGER: All right. I'm going to call a vote, then. All in favor of the motion to disapprove, say "aye," or raise your hand on the screen,
General Appeals Board Hearing Vol 1  
February 24, 2022

1. please.
2. (Multiple people indicating and saying "aye")
3. MR. DISHERBERG: Anyone disagrees?
4. (Simultaneously speaking)
5. MR. DISHERBERG: Okay. Disapproved.
7. All right. This means the -- you'll --
8. I -- and I'll need a motion to -- if there's no other
9. new business -- I don't think -- today --
10. (Simultaneously speaking)
11. *** *** ***
12. APPLIANT'S FURTHER DISCUSSION REGARDING THE SIGN APPEAL
13. MR. DAVIS: (Shuttering) Can I ask
14. another question? Or are we -- are we done? Or can I
15. ask a question?
16. (Simultaneously speaking)
17. MR. DISHERBERG: Almost done.
18. MR. DAVIS: So -- so -- so, I understand
19. that City Council can -- is there a way to -- I
20. understand you can't vote and approve or disapprove.
21. But can we get an opinion from this Board, based on what
22. we presented here, to go to the City Council with, just
23. based on what we presented?
24. MR. DISHERBERG: I think -- I don't know

if we can or not. I'm just getting a feeling from the
2. discussion that -- well, the opinion would probably be
3. the statement that -- the decision we made today, that
4. there was --
5. (Simultaneously speaking)
6. MR. BROWN: Yeah, I -- I think he's
7. asking for something with some context.
8. MR. DISHERBERG: Okay.
9. MR. DAVIS: Some -- something with some
10. context, basically --
11. (Simultaneously speaking)
12. MS. STEWART: Is it worth our time?
13. MR. DAVIS: Yeah, because, I mean --
14. (Simultaneously speaking)
15. MR. DAVIS: -- essentially, what I heard
16. you guys say is, and I'm not putting words in anybody's
17. mouth; right? But you -- you guys cannot -- you --
18. you're just here to interpret Code, no -- no matter --
19. MR. MCKINNIGHT: Right, yeah. The -- any
20. opinion we have would be that -- now, if it was
21. something that was gray and, you know -- we might have
22. an opinion that said, you know, "It -- it -- it looks
23. like this is falling under the Code," and -- and that's
24. where we're voting.
25. But -- but we're going to wait for

U.S. LEGAL SUPPORT, INC
713-653-7100
MR. DISHMBERG: Motion passed.
Thank you, guys.
(Simultaneously speaking)
(Meeting adjourned)
(Proceedings ended at 5:40 p.m.)

------

STATE OF TEXAS )
COUNTY OF BEAR )
