Summary:
9:00 A.M. PUBLIC HEARING to consider the re-adoption of Article XII, CHAPTER 32, CODE OF ORDINANCES, CITY OF HOUSTON, regarding Standards of Care for the Houston Parks & Recreation Department Youth Recreation Programs

Background:
In order to comply with 42.041 (b) (14) of the Texas Resources Code, the Houston Parks and Recreation Department (HPARD) requests City Council hold a public hearing regarding the Houston Youth Recreation Program Standards of Care codified in Article XII of Chapter 32 on the City of Houston Code of Ordinances. The Standards of Care are intended to be the minimum standards HPARD will use to operate the After-School Enrichment Program. The program offers a wide range of recreational activities, including arts and crafts, sports, games, field trips, and cultural and special events.

HPARD’s After-School Enrichment Program is subject to regulation. However, the Texas human Resources Code 42.041 (b) (14) provides an exemption for a recreation program for elementary age children (ages 5 - 13) with the following criteria:

- A municipality operates the program
- The governing body of the municipality annually adopts standards of care by ordinance after a public hearing for such programs
- The program provides these standards of care to the parents of each program participant
- The ordinance includes child/caregiver ratios, minimum employee qualifications, minimum building, healthy and safety standards, and mechanisms for monitoring and enforcing the adopted local standards
- The program informs the parents that the state does not license the program, The program does not advertise itself as a child-care operation

The HPARD After-School Enrichment Program meets all of the above criteria for exemption. HPARD is not recommending any changes to the Ordinance.

The suggested public hearing is August 24, 2022.

Summary:
ORDINANCE appropriating $330,201.90 out of Water & Sewer System Consolidated Construction Fund as an additional appropriation to the Contract between the City of Houston and MAIN LANE INDUSTRIES, LTD for Change Order No. 5 for 66-inch Water Line Interconnection along West Hardy Road from Beltway 8 to Greens Road (Approved by Ordinance No. 2021-0011); providing funding for CIP Cost Recovery relating to construction of facilities financed by the Water & Sewer System Consolidated Construction Fund - DISTRICT B - JACKSON

Background:
SUBJECT: Adopt an Ordinance approving an Additional Appropriation for Change Order No. 5 for a 66-Inch Water Line Interconnection along West Hardy Road from Beltway 8 to Greens Road.

RECOMMENDATION: (SUMMARY) Adopt an Ordinance approving Additional Appropriation of $330,201.90 for 66-Inch Water Line Interconnection along West Hardy Road from Beltway 8 to Greens Road.

PROJECT NOTICE/JUSTIFICATION: This project is part of the City's Surface Water Transmission program and supports the execution of the Northeast Transmission Line project from the Northeast Water Purification Plant to the Water Authorities take-points for the Infrastructure Capital Improvement Plan. It is required to improve existing water distribution systems and to meet Harris-Galveston Coastal Subsidence Districts Legislative mandate to regulate the withdrawal of groundwater. The project is a combination of water line construction, public utility adjustments, and pavement replacement.

DESCRIPTION/SCOPE: The project primarily consists of the construction of 66-inch water transmission lines by open-cut and trenchless construction methods including valves, connections and appurtenances along West Hardy Road from Beltway 8 to Greens Road. This project also includes construction of 12-inch water line, sidewalk, and pavement repairs and replacement. The Project was awarded to Main Lane Industries, Ltd. with an original Contract Amount of $18,296,412.00.

LOCATION: The project area is generally bound by Greens Road on the north, Aldine Bender Road on the south, Hardy Toll Road on the east and Imperial Valley Drive on the west.

ADDITIONAL APPROPRIATION: An approval is requested for an additional appropriation of $314,478.00 in excess of the original contract value for additional work described in Change
Order No. 5, non-project quantity overruns and the installation of wheelchair ramps. This scope of work is necessary to complete the execution of this project due to the inspection results. The requested appropriation will cover the additional work identified, leaving the contingency balance.

The total requested appropriation is $330,201.90 to be appropriated as follows: $314,478.00 for contract services and $15,723.90 for CIP Cost Recovery.

**HIRE HOUSTON FIRST:** The proposed contract requires compliance with the City’s ‘Hire Houston First’ (HHF) ordinance that promotes economic opportunity for Houston business and supports job creation. In this case, Main Lane Industries, Ltd. is a designated HHF company, but they were the successful awardee without application of the HHF preference.

**PAY OR PLAY PROGRAM:** The proposed contract requires compliance with the City’s ‘Pay or Play’ ordinance regarding health benefits for employees of City contractors. In this case, the Contractor provides health benefits to eligible employees in compliance with City policy.

**M/WBE PARTICIPATION:** The M/WBE goal established for this contract is 19.00%. The original Contract approved by Ordinance No. 2021-0011 was $18,296,412.00. The Contractor has been paid $15,497,483.00. Assuming approval of the Change Order No. 5, the Contract amount will increase to $18,610,890.00. According to Office of Business Opportunity, the Contractor’s to date MW/SBE performance is 22.63%.

**FISCAL NOTE:** No significant Fiscal Operating impact is anticipated as a result of this project.

SUBJECT: Adopt an Ordinance approving an Additional Appropriation for Change Order No. 5 for a 66-Inch Water Line Interconnection along West Hardy Road from Beltway 8 to Greens Road.

RECOMMENDATION: (SUMMARY) Adopt an Ordinance approving Additional Appropriation of $330,201.90 for 66-Inch Water Line Interconnection along West Hardy Road from Beltway 8 to Greens Road.

PROJECT NOTICE/JUSTIFICATION: This project is part of the City's Surface Water Transmission program and supports the execution of the Northeast Transmission Line project from the Northeast Water Purification Plant to the Water Authorities take-points for the Infrastructure Capital Improvement Plan. It is required to improve existing water distribution systems and to meet Harris-Galveston Coastal Subsidence Districts Legislative mandate to regulate the withdrawal of groundwater. The project is a combination of water line construction, public utility adjustments, and pavement replacement.

DESCRIPTION/SCOPE: The project primarily consists of the construction of 66-inch water transmission lines by open-cut and trenchless construction methods including valves, connections and appurtenances along West Hardy Road from Beltway 8 to Greens Road. This project also includes construction of 12-inch water line, sidewalk, and pavement repairs and replacement. The Project was awarded to Main Lane Industries, Ltd. with an original Contract Amount of $18,296,412.00.

LOCATION: The project area is generally bound by Greens Road on the north, Aldine Bender Road on the south, Hardy Toll Road on the east and Imperial Valley Drive on the west.

ADDITIONAL APPROPRIATION: An approval is requested for an additional appropriation of $314,478.00 in excess of the original contract value for additional work described in Change Order No. 5, non-project quantity overruns and the installation of wheelchair ramps. This scope of work is necessary to complete the execution of this project due to the inspection results. The requested appropriation will cover the additional work identified, leaving the contingency balance.

The total requested appropriation is $330,201.90 to be appropriated as follows: $314,478.00 for contract services and $15,723.90 for CIP Cost Recovery.

HIRE HOUSTON FIRST: The proposed contract requires compliance with the City’s ‘Hire Houston First’ (HHF) ordinance that promotes economic opportunity for Houston business and supports job creation. In this case, Main Lane Industries, Ltd. is a designated HHF company, but they were the successful awardee without application of the HHF preference.

PAY OR PLAY PROGRAM: The proposed contract requires compliance with the City’s ‘Pay or Play’ ordinance regarding health benefits for employees of City contractors. In this case, the Contractor provides health benefits to eligible employees in compliance with City policy.

M/WBE PARTICIPATION: The M/WBE goal established for this contract is 19.00%. The original Contract approved by Ordinance No. 2021-0011 was $18,296,412.00. The Contractor has been paid $15,497,483.00. Assuming approval of the Change Order No. 5, the Contract amount will increase to $18,610,890.00. According to Office of Business Opportunity, the Contractor’s to date MW/SBE performance is 22.63%.

FISCAL NOTE: No significant Fiscal Operating impact is anticipated as a result of this project.

**Summary:**
AMEND MOTION #2018-0575, Passed November 7, 2018, as amended by Motion 2021-0243, Passed May 12, 2021 to INCREASE spending authority from $13,811,698.70 to $15,611,698.70 awarded to BOUND TREE MEDICAL, LLC and LIFE ASSIST, INC for purchase of Medical, Dental, and Ambulatory Supplies, and Pharmaceuticals for the Houston Fire Department - General Fund

**Background:**
P06-S26683.A2 - Amend Council Motion 2018-0575, passed November 7, 2018, as amended by Council Motion 2021-0243, passed May 12, 2021 to increase the spending authority from $13,811,698.70 to $15,611,698.70 for the purchase of medical, dental, and ambulatory supplies, and pharmaceuticals for the Houston Fire Department.

**Specific Explanation:**
The Chief of the Houston Fire Department and the Interim Chief Procurement Officer recommend that City Council amend Council Motion No. 2018-0575, as amended by Council Motion No. 2021-0243 to increase the spending authority for the purchase of medical, dental, and ambulatory supplies, and pharmaceuticals awarded to Bound Tree Medical, LLC from $5,709,224.70 to $6,759,224.70 and Life Assist, Inc. from $8,102,474.00 to $8,852,474.00. The additional spending authority will enable the Houston Fire Department (HFD) to continue to make purchases until a new award is presented to City Council, and ensure that the HFD's first responders have the vital medical supplies utilized to save lives and provide medical care to the citizens of Houston.

After award, the increased cost in supplies and requirements over the past years have depleted the spending authority faster than anticipated. Bound Tree Medical, LLC and Life Assist, Inc. are essential vendors to the HFD for providing the medical, dental, and ambulatory supplies, and pharmaceuticals required by emergency units to operate effectively. These supplies are critical in the day-to-day field operations of HFD.

This award began November 7, 2018 for a 36-month period, with two one-year options to renew in the amount not to exceed $12,823,074.00 and was subsequently amended by Council Motion No. 2021-0243 to increase the spending authority awarded to Bound Tree Medical,
LLC from $4,720,600.00 to $5,709,224.70. Expenditures as of August 9, 2022 totaled $13,804,251.41.

This recommendation is made pursuant to subsection 252.022(a)(2) of the Texas Local Government Code, which provides that a “procurement necessary to preserve or protect the public health or safety of the municipality’s residents” is exempt from the competitive requirements of purchases.

**MWBE Participation:**
Zero percentage goal-document approved by the Office of Business Opportunity.

**Fiscal Note:**
Funding for this item is included in the FY2023 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.

**Summary:**
BLACKHAWK NETWORK, INC for spending authority for Gift Cards for Gun Buyback Program for the Houston Police Department - $539,000.00 - Grant Fund

**Background:**

The Chief of the Houston Police Department (HPD) and the Interim Chief Procurement Officer request City Council approve spending authority in the amount of $539,000.00 to load gift cards for the purpose of incentivizing individuals to surrender eligible firearms at the Gun Buyback Events with funds the City received through the American Rescue Plan Act (ARPA).

The Gun Buyback programs give Houstonians a safe and alternative way to surrender unwanted firearms and the City provides compensation for their surrendered firearms. This provides an opportunity to mitigate potential harmful actions of in-home invasions, burglary of motor vehicles where guns could potentially be used in violent crimes, and/or access by a minor. Additionally, many people inherit firearms and do not know how to properly dispose of them. Buyback programs are widely supported as a means to reduce firearms within a city.

The Gun Buyback Events are a part of Mayor Turner's One Safe Houston initiative, are open to the public, and no identification or government ID is required to participate. In exchange for surrendering a weapon to law enforcement personnel at the designated firearm collection site, the person donating the firearm will receive a gift card in $50 increments depending on the firearm type.

HPD coordinated with the Strategic Purchasing Division (SPD) to ensure all procurement rules were followed in the selection of a vendor to procure the gift cards. In preparation of subsequent Gun Buyback Events, HPD will wire transfer to vendor BLACKHAWK NETWORK, INC up to $539,000.00 of ARPA funds to upload onto gift cards to be transmitted back to the City for distribution by the City to the ultimate card recipient. The City shall pay a fee of up to $9,000.00 for the prepaid cards related to the City’s gun buyback program.

A presentation of the Gun Buyback Event was given at the Public Safety & Homeland Security Committee meeting on June 15, 2022 and July 21, 2022. Copies of these presentations can be accessed through the PSHS Committee portal at:

Summary:
BLACKHAWK NETWORK, INC for spending authority for Gift Cards for Gun Buyback Program for the Houston Police Department - $539,000.00 - Grant Fund

Background:
The Chief of the Houston Police Department (HPD) and the Interim Chief Procurement Officer request City Council approve spending authority in the amount of $539,000.00 to load gift cards for the purpose of incentivizing individuals to surrender eligible firearms at the Gun Buyback Events with funds the City received through the American Rescue Plan Act (ARPA).

The Gun Buyback programs give Houstonians a safe and alternative way to surrender unwanted firearms and the City provides compensation for their surrendered firearms. This provides an opportunity to mitigate potential harmful actions of in-home invasions, burglary of motor vehicles where guns could potentially be used in violent crimes, and/or access by a minor. Additionally, many people inherit firearms and do not know how to properly dispose of them. Buyback programs are widely supported as a means to reduce firearms within a city.

The Gun Buyback Events are a part of Mayor Turner’s One Safe Houston initiative, are open to the public, and no identification or government ID is required to participate. In exchange for surrendering a weapon to law enforcement personnel at the designated firearm collection site, the person donating the firearm will receive a gift card in $50 increments depending on the firearm type.

HPD coordinated with the Strategic Purchasing Division (SPD) to ensure all procurement rules were followed in the selection of a vendor to procure the gift cards. In preparation of subsequent Gun Buyback Events, HPD will wire transfer to vendor BLACKHAWK NETWORK, INC up to $539,000.00 of ARPA funds to upload onto gift cards to be transmitted back to the City for distribution by the City to the ultimate card recipient. The City shall pay a fee of up to $9,000.00 for the prepaid cards related to the City’s gun buyback program.

Summary:
NORIT AMERICAS, INC for spending authority for Emergency Purchase of Powdered Activated Carbon for Houston Public Works Department - $281,600.00 - Enterprise Fund

Background:
Emergency Purchase Order (E32423) – Approve spending authority for the emergency purchase of Powdered Activated Carbon (PAC) from Norit Americas, Inc. in the amount not to exceed $281,600.00) for Houston Public Works.

Specific Explanation:
The Director of Houston Public Works and the Interim Chief Procurement Officer recommend that City Council approve spending authority in the amount not to exceed $281,600.00 for emergency purchase of Powdered Activated Carbon and that authorization be given to issue purchase orders to the contractor, Norit Americas, Inc. for Houston Public Works.

The Strategic Procurement Division (SPD) issued an emergency purchase order to Norit Americas, Inc. on December 14, 2021, to address the emergency need to purchase Powdered Activated Carbon which is used in water treatment. The current award has expired. An invitation to bid (ITB) was advertised and two bids were received but deemed non-responsive. SPD cancelled the bids and worked with HPW to update the specifications and documentation and plan to re-advertise the ITB within thirty-days. Norit Americas, Inc. was selected as they were the former awardee and were able to handle the immediate response time to deliver the chemical.

This recommendation is made pursuant to subsection 252.022(a)(2) of the Texas Local Government Code, which provides that “a procurement necessary to preserve or protect the public health or safety of the municipality’s residents” is exempt from the competitive requirements for purchases.

MWBE Participation:
Zero-percent goal document approved by the Office of Business Opportunity

Hire Houston First:
This procurement is exempt from the City’s Hire Houston First Ordinance. Bids/proposals were not solicited because the department is utilizing an emergency purchase order for this purchase.

Fiscal Note:
Funding for this item is included in the FY2023 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.

AMEND MOTION #2017-0745, Passed December 19, 2017, TO INCREASE spending authority for the purchase of Maintenance, Repair, Operating Supplies, Industrial Supplies, and related products and Services through the Master Intergovernmental Cooperative Purchasing Agreement with OMNIA Partners (Formally U. S. Communities) for Various Departments, awarded to HOME DEPOT, U.S.A., INC - $909,380.79 - General, Enterprise and Other Funds

Background:
P06-E26312.A1 - Amend Council Motion 2017-0745, passed December 19, 2017, to increase the spending authority from $6,219,794.46 to $7,129,175.25 for the purchase of Maintenance, Repair, Operating Supplies, Industrial Supplies, and Related Products and Services through the Master Intergovernmental Cooperative Purchasing Agreement with OMNIA Partners (formally U. S. Communities) for Various Departments.

Specific Explanation:
The Chief Procurement Officer recommends that City Council amend Council Motion No. 2017-0745 to increase the spending authority from $6,219,794.46 to $7,129,175.25 for the purchase of Maintenance, Repair, Operating Supplies (MRO), Industrial Supplies, and related products and services awarded to Home Depot, U.S.A., Inc. for various city departments -

This award began January 23, 2018 for a 36-month period with two one-year options to renew in the amount not to exceed $6,219,794.46. Expenditures as of August 9, 2022 totaled $5,360,059.17. All other terms and conditions shall remain as previously approved by City Council.

Spending authority is being exhausted earlier than anticipated due to the increase in MRO supplies, industrial supplies, and related products and services over the past few years. The additional spending authority will enable the departments to continue to make purchases through the remainder of the current award, which expires January 22, 2023. It is anticipated that a new award will be presented to City Council prior to expiration of the current award.

The MICPA with OMNIA Partners’ Lead Public Agency contractor provides MRO supplies, industrial supplies, and related products and services for the City’s various departments. The use of the MICPA allows the City to leverage numerous existing U.S. governmental contacts with over 38,000 participating agencies with an estimated purchasing power value of $1.5 billion annually. By participating in the MICPA, the City will (1) have access to 178 Texas store locations, which include 19 Houston store locations (2) receive volume rebate incentives paid annually (3) have access to the volume pricing program and (4) receive additional deep discounts by leveraging its buying power through Home Depot's pro-bid room.

The City is eligible to participate in the U.S. Communities Purchasing Alliance as set out in Section 791.011 of the Government Code and such purchases satisfy State bid laws as set out in Section 791.025 of the Government Code.

MWBE Participation:
Zero percentage goal - document approved by the Office of Business Opportunity.

Fiscal Note:
Funding for this item is included in the FY2023 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.

ORDINANCE accepting the individual proposals from AIG SPECIALTY INSURANCE COMPANY and HAMILTON (LLOYD'S OF LONDON) which are participating in the Layered Cyber Insurance Program, and approving and authorizing Purchase of Cyber Insurance - 1 Year - $843,813.00 - Property and Casualty Fund

Background:
The Administration & Regulatory Affairs (ARA) and Houston Information Technology Services (HITS) Departments recommend that City Council: (1) approve the proposed Cyber Insurance policies recommended by the City’s Insurance Broker of Record, McGriff, Seibels & Williams, Inc. (McGriff); and (2) accept the individual proposals from the insurance carriers listed below that are participating in the layered Cyber Insurance program recommended by McGriff.

A Request for Proposals (RFP) for Cyber Insurance was issued and advertised on July 15, 2022 and July 22, 2022 for coverage effective September 1, 2022. Additionally, McGriff solicited proposals from 61 domestic and international insurance carriers of which two proposals were received. No individual insurance company proposed more than a $5 Million limit. Therefore, McGriff structured a multi-layered program, consisting of a primary layer plus one excess layer. Terms of the proposed policy are:

- Term: September 1, 2022 to September 1, 2023
- Insurance Carriers: AIG Specialty Insurance Company and Hamilton (Lloyd’s of London)
- Total Premium Cost: $843,813
- Insured Limit: $10,000,000 Retention: $2,500,000
- Business Interruption Waiting Period: Security Failure 24 Hours and for System Failure 48 Hours
- Type of Coverage: Cyber Insurance for (a) first party coverages including loss of business income, extra expenses and data recovery resulting from a cyber security breach, (b) cyber extortion and ransomware in response to a cyber extortion threat and (c) first party coverage for data breach response, crisis management expenses, including forensics

Fiscal Note:
Funding for this item is included in the FY23 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.

Summary:
ORDINANCE approving and authorizing first amendment to Subrecipient Agreement between City of Houston and CATHOLIC CHARITIES OF THE ARCHDIOCESE OF GALVESTON-HOUSTON to extend the reimbursement term for Emergency Solutions Grant - CARES Act, for households that have been impacted by COVID-19

Background:
The Housing and Community Development Department (HCD) department recommends Council approval of an Ordinance authorizing a First Amendment to the Subrecipient Agreement between the City of Houston (City) and Catholic Charities of the Archdiocese of Galveston-Houston (Catholic Charities). The Amendment will extend the reimbursement term that originally ended on March 31, 2022 through September 30, 2022 for Emergency Solutions Grant - CARES Act (ESG-CV), allowing Catholic Charities to request reimbursement for expenditures incurred during the new extended period. Catholic Charities provides case management services paired with Rapid Rehousing services for a minimum of 400 households that have been impacted by COVID-19.

This Amendment makes no changes to funding amounts or sources. The Agreement provides funding from October 1, 2020, to September 30, 2022, for CDBG-CV funding, and ESG-CV reimbursements are allowed from October 1, 2020, to March 31, 2022. The First Amendment will extend the ESG-CV reimbursement period to September 30, 2022.

The Way Home developed the Community COVID Housing Plan (CCHP) to support Houston’s most vulnerable residents impacted by COVID-19 – people experiencing homelessness. Through The Way Home, a collaborative partnership was developed specifically to support CCHP, which includes City of Houston’s HCD, Harris County’s Community Services Department, and the Coalition for the Homeless of Houston and Harris County. Applications for Request for Expression of Interest (REI) from qualified agencies were accepted by the three partners in July 2020. Catholic Charities was one of the applicants recommended by the CCHP partners in the first round of funding for Rapid Rehousing case management services.

Catholic Charities began receiving grant funds for various activities through the City in 2003. As of June 2022, Catholic Charities achieved 100% of their goal and expended approximately 71% of funding and there were no findings resulting from the annual compliance monitoring.

No Fiscal Note is required on grant items.
This item was sent to Housing and Community Affairs Chair for review on August 9, 2022.

Background:
The Housing and Community Development Department (HCD) department recommends Council approval of an Ordinance authorizing a First Amendment to the Subrecipient Agreement between the City of Houston (City) and Catholic Charities of the Archdiocese of Galveston-Houston (Catholic Charities). The Amendment will extend the reimbursement term that originally ended on March 31, 2022 through September 30, 2022 for Emergency Solutions Grant - CARES Act (ESG-CV), allowing Catholic Charities to request reimbursement for expenditures incurred during the new extended period. Catholic Charities provides case management services paired with Rapid Rehousing services for a minimum of 400 households that have been impacted by COVID-19.

Summary:
ORDINANCE appropriating $3,717,931.00 out of Equipment Acquisition Consolidated Fund and $224,586.00 out of Contributed Capital Project Fund for purchase of Bunker Gear and Related Equipment for the Houston Fire Department

Background:
The Director of Finance recommends that City Council adopt an Ordinance authorizing the appropriation of $3,717,931.00 from the Equipment Acquisition Consolidated Fund (1800) and $224,586 from the Contributed Capital Project Fund (4515).

Bunker Gear: ($1,900,000) There are approximately 3,600 sets of bunker gear assigned in the field. HFD replaces approximately 900 sets of the bunker gear per year because of mandatory retirement due to age. Additional gear is retired prematurely due to excessive wear or damage from heat, smoke, and other fire hazards. (WBS C-EQ0001)

Emergency Life Safety Equipment: ($1,817,931) HFD has approximately 3,600 employees in the emergency response area that require life safety equipment. This allows the replacement of equipment that has reached its life expectancy and/or allow for the replacement of outdated/damaged equipment. (WBS C-EQ0003)

Equipment such as air packs, radios, protective hoods, hydraulic stretchers, and other various technology equipment that are vital to HFD’s operational needs.

Council District Service Funds: Districts F & G allocated funds ($195,855 & 28,731) to HFD for gates and emergency tools. This equipment is needed for various fire stations.

Fiscal Note:
No significant fiscal operating impact is anticipated as a result of this project.

Summary:
ORDINANCE approving and authorizing the submission of an application for the 2022 HEALTH RESOURCES AND SERVICES ADMINISTRATION Grant Assistance to the Houston Fire Department for the Emergency Telehealth and Navigation Program (“ETHAN”); declaring the City’s eligibility for such Grant; authorizing the Director of the Houston Fire Department to act as City’s representative in the application process to accept such Grant Funds; if awarded, and to apply for and accept all subsequent awards, if any, pertaining to the program.

Background:
The Houston Fire Department (HFD) requests City Council approve an ordinance authorizing the application and acceptance of award for the 2022 Health Resources & Services Administration (HRSA-22-135) grant in the amount of $450,000.00 with no cash match; for a total program cost of $450,000.00.

SPECIFIC EXPLANATION:
HFD requests to continue utilizing ETHAN which uses advanced video and voice conferencing technologies to bring 911 patients closer to physicians at a moment’s notice. The Houston Fire Department responds to estimated 340,500 calls (300,000 EMS, 40,000 Fire), on average that is over 800 EMS calls daily. With a high percentage of the call for low-acuity patients to the already of over-crowded network Houston emergency departments. Several studies in the region have concluded the more than 40% of 911 calls can be safely addressed outside of the Emergency Department, demonstrating the potential for improved efficacies, savings and patient care.

In 2014 the Houston Fire Department Emergency Medical System (EMS) launched ETHAN which uses advanced video and voice conferencing technologies to bring 911 patients closer to physicians at a moment’s notice. Traditionally, 911 EMS patient treatment and transport decisions are established by medic assessment, system protocols and off-line medical direction. American College of Emergency Physicians and National Association of EMS Physicians believe EMS systems may encounter patients who do not need advanced life support level care or evaluation; in these circumstances transportation by alternate means or to an alternate destination may be appropriate. ETHAN provides an alternative to the ED by utilizing an emergency physician dashboard (Real-Time Audio / Video, Patient On-Scene EPCR, zTrip Houston Cab Transportation Application, Clinic Appointment Program) to help assess and schedule the patient for primary care clinic, home care, primary care physician and / or transportation by a taxicab, self-transport or no-
The Houston Fire Department also requests City Council to authorize the Fire Chief or his
designee to act as the City's representative in the application process with the authority to apply for,
accept, and expend the grant funds as awarded, and all subsequent awards, if any, to extend the
budget period, and to authorize the Mayor to execute all related agreements with the approval as to
form of the City Attorney in connection with the grant not to exceed five years.

Summary:
ORDINANCE approving and authorizing Professional Engineering Services Contract between City of Houston and LOCKWOOD ANDREWS & NEWNAM, INC for Professional Engineering Services to develop comprehensive 2-D Dynamic Hydrologic and Hydraulic Model of the City's Flood Mitigation and Stormwater Drainage Infrastructure; providing a maximum contract amount - Term to expire February 29, 2024 with 1 one-year option - $3,287,400.00 - Grant Fund

Background:
Request for Qualifications received July 8, 2021 for Q29882 – Approve an Ordinance awarding a contract to Lockwood Andrews & Newnam, Inc. in the maximum contract amount of $3,287,400.00 in Hurricane Harvey Community Development Block Grant - Disaster Recovery (CDBG-DR17) Funds for professional engineering services to develop a comprehensive 2-D dynamic hydrologic and hydraulic model of the City's flood mitigation and stormwater drainage infrastructure for Houston Public Works and the Housing Community Development Department

Specific Explanation:
The Directors of the Houston Public Works (HPW) and Housing Community Development Department (HCDD) and the Interim Chief Procurement Officer (CPO) recommend that City Council approve an ordinance awarding a professional engineering services contract with an initial term that will expire on February 29, 2024 with up to one (1) one-year option to renew to Lockwood Andrews & Newnam, Inc. (Engineer) in the maximum contract amount of $3,287,400.00 to develop a comprehensive 2-D dynamic hydrologic and hydraulic model of the City’s flood mitigation and stormwater drainage infrastructure. The Directors of HPW and HCDD may terminate the contract at any time by giving seven (7) days written notice to the Engineer.

The scope of work requires the Engineer to develop a comprehensive 2-D dynamic hydrologic and hydraulic model of the City’s flood mitigation and stormwater drainage infrastructure throughout the City of Houston (City). Development of the models shall be coordinated by the selected Engineer with overall management and oversight provided by the City and the City’s Representative. The outcomes of this Project shall be integrated into the City’s One Water planning efforts as the basis for a stormwater utility strategic master plan.

The Engineer will be modeling the Brays Bayou watershed. In developing the models for the Brays Bayou watershed, the Engineer will be responsible for addressing the following tasks, including but not limited to:

1. Provide general project management for the length of the project including kickoff and progress meetings, agency coordination, quality control, invoicing/billing, and attending project workshops.

2. Obtain, review, and confirm information related to the existing flood mitigation and stormwater drainage infrastructure of their assigned watershed needed to develop a drainage model.

3. Hydrologic and hydraulic model development.

4. Document summarizing the project which may include coordination meetings minutes, model development process, GIS model results including depth rasters for the assigned watershed, and the QA/QC backup in a summary report including any exhibits and appendices to summarize the process.

The Request for Qualifications was advertised in accordance with the State of Texas bid laws and as a result, responsive submissions were received from:

1. 5Engineering, LLC
2. AECOM Technical Services, Inc.
4. Barge Design Solutions, Inc
5. BGE, Inc.
6. Black & Veatch Corporation
7. CivilTech Engineering, Inc.

The evaluation committee consisted of employees from HPW and the City of Houston Mayor’s Office. The submissions were evaluated based upon the following criteria:

1. Responsiveness of Submission
2. Technical Competence

Lockwood Andrews & Newnam, Inc. received one of the highest overall scores and was deemed to be one of the best qualified to perform the requirements as outlined in the RFQ.

M/WBE Participation:
The RFQ was advertised with a 24% goal for M/WBE participation. Lockwood Andrews & Newnam, Inc. has designated the below-named companies as its certified M/WBE subcontractors.

Background:
Request for Qualifications received July 8, 2021 for Q29882 – Approve an Ordinance awarding a contract to Black & Veatch Corporation in the maximum contract amount of $2,730,956.00 in Hurricane Harvey Community Development Block Grant - Disaster Recovery (CDBG-DR17) Funds for professional engineering services to develop a comprehensive 2-D dynamic hydrologic and hydraulic model of the City's flood mitigation and stormwater drainage infrastructure for Houston Public Works and the Housing Community Development Department.

Specific Explanation:
The Directors of the Houston Public Works (HPW) and Housing Community Development Department (HCDD) and the Interim Chief Procurement Officer (CPO) recommend that City Council approve an ordinance awarding a professional engineering services contract with an initial term that will expire on February 29, 2024, with up to one (1) one-year option to renew to Black & Veatch Corporation (Engineer) in the maximum contract amount of $2,730,956.00 to develop a comprehensive 2-D dynamic hydrologic and hydraulic model of the City's flood mitigation and stormwater drainage infrastructure. The Directors of HPW and HCDD may terminate the contract at any time by giving seven (7) days written notice to the Engineer.

The scope of work requires the Engineer to develop a comprehensive 2-D dynamic hydrologic and hydraulic model of the City's flood mitigation and stormwater drainage infrastructure throughout the City of Houston (City). Development of the models shall be coordinated by the selected Engineer with overall management and oversight provided by the City and the City's Representative. The outcomes of this Project shall be integrated into the City's One Water planning efforts as the basis for a stormwater utility strategic master plan.

The Engineer will be modeling the Greens Bayou and Hunting Bayou Watersheds. In developing the models for Greens Bayou and Hunting Bayou Watersheds, the Engineer will be responsible for addressing the following tasks, including but not limited to:

1. Provide general project management for the length of the project including kickoff and progress meetings, agency coordination, quality control, invoicing/billing, and attending project workshops.
2. Obtain, review, and confirm information related to the existing flood mitigation and stormwater drainage infrastructure of their assigned watershed needed to develop a drainage model.
3. Hydrologic and hydraulic model development.
4. Document summarizing the project which may include coordination meetings minutes, model development process, GIS model results including depth rasters for the assigned watershed, and the QA/QC backup in a summary report including any exhibits and appendices to summarize the process.

The Request for Qualifications was advertised in accordance with the State of Texas bid laws and as a result, responsive submissions were received from:

1. Responsiveness of Submission
2. Technical Competence

Black & Veatch Corporation received one of the highest overall scores and was deemed to be one of the best qualified to perform the requirements as outlined in the RFQ.

**M/WBE Participation:**

The RFQ was advertised with a 24% goal for M/WBE participation. Black & Veatch Corporation has designated the below-named companies as its certified M/WBE subcontractors.

Background:
Request for Qualifications received July 8, 2021 for Q29882 – Approve an Ordinance awarding a contract to Arcadis U.S., Inc. in the maximum contract amount of $2,353,345.00 in Hurricane Harvey Community Development Block Grant - Disaster Recovery (CDBG-DR17) Funds for professional engineering services to develop a comprehensive 2-D dynamic hydrologic and hydraulic model of the City's flood mitigation and stormwater drainage infrastructure for Houston Public Works and the Housing Community Development Department.

Specific Explanation:
The Directors of the Houston Public Works (HPW) and Housing Community Development Department (HCDD) and the Interim Chief Procurement Officer (CPO) recommend that City Council approve an ordinance awarding a professional engineering services contract with an initial term that will expire on February 29, 2024, with up to one (1) one-year option to renew to Arcadis U.S., Inc. (Engineer) in the maximum contract amount of $2,353,345.00 to develop a comprehensive 2-D dynamic hydrologic and hydraulic model of the City's flood mitigation and stormwater drainage infrastructure. The Directors of HPW and HCDD may terminate the contract at any time by giving seven (7) days written notice to the Engineer.

The scope of work requires the Engineer to develop a comprehensive 2-D dynamic hydrologic and hydraulic model of the City's flood mitigation and stormwater drainage infrastructure throughout the City of Houston (City). Development of the models shall be coordinated by the selected Engineer with overall management and oversight provided by the City and the City's Representative. The outcomes of this Project shall be integrated into the City's One Water planning efforts as the basis for a stormwater utility strategic master plan.

The Engineer will be modeling Armand Bayou, Clear Creek, Luce Bayou, San Jacinto River and IAH (Greens Bayou) watersheds. In developing the models for these watersheds, the Engineer will be responsible for addressing the following tasks, including but not limited to:

1. Provide general project management for the length of the project including kickoff and progress meetings, agency coordination, quality control, invoicing/billing, and attending project workshops.
2. Obtain, review, and confirm information related to the existing flood mitigation and stormwater drainage infrastructure of their assigned watershed needed to develop a drainage model.
3. Hydrologic and hydraulic model development.
4. Document summarizing the project which may include coordination meetings minutes, model development process, GIS model results including depth rasters for the assigned watershed, and the QA/QC backup in a summary report including any exhibits and appendices to summarize the process.

The Request for Qualifications was advertised in accordance with the State of Texas bid laws and as a result, responsive submissions were received from:

1. 5Engineering, LLC
2. AECOM Technical Services, Inc.
4. Barge Design Solutions, Inc
5. BGE, Inc.

11. Gauge Engineering, LLC
12. HDR Engineering, Inc.
13. HR Green, Inc.
The evaluation committee consisted of employees from HPW and the City of Houston Mayor’s Office. The submissions were evaluated based upon the following criteria:

1. Responsiveness of Submission
2. Technical Competence

Arcadis U.S., Inc. received one of the highest overall scores and was deemed to be one of the best qualified to perform the requirements as outlined in the RFQ.

**M/WBE Participation:**
The RFQ was advertised with a 24% goal for M/WBE participation. Arcadis U.S., Inc. has designated the below-named companies as its certified M/WBE subcontractors.

Summary:
ORDINANCE appropriating $13,323,399.56 out of Tax Increment Funds for REINVESTMENT ZONE NUMBERS TWO (MIDTOWN ZONE), THREE (MAIN STREET/MARKET SQUARE ZONE), ELEVEN (GREATER GREENSPOINT ZONE), FIFTEEN (EAST DOWNTOWN ZONE), and TWENTY-FIVE (HIRAM CLARKE/FORT BEND ZONE) for payment of administrative expenses, payment to Harris County, and payments to certain Redevelopment Authorities as provided herein.

Background:
SUBJECT: Ordinance appropriating $13,323,399.56 in tax increment revenue payments made by Houston Community College, Harris County, Harris County Flood Control, Lone Star College, Aldine ISD and Fort Bend County and authorizing the transfer of tax increment revenues to various funds and to the redevelopment authorities on behalf of the Tax Increment Reinvestment Zones ("TIRZ") pursuant to the City’s interlocal agreements with Houston Community College, Harris County, Harris County Flood Control, Lone Star College, Aldine ISD, and Fort Bend County.

RECOMMENDATION:
City Council approve an ordinance appropriating $13,323,399.56 in tax increment revenue payments made by Houston Community College, Harris County, Harris County Flood Control, Lone Star College, Aldine ISD, and Fort Bend County and authorizing the transfer of tax increment revenues to various TIRZ funds pursuant to the City’s Interlocal Agreements with Houston Community College, Harris County, Lone Star College, Aldine ISD, and Fort Bend County.

SPECIFIC EXPLANATION:
The appropriation of $13,323,399.56 results from tax increment payments received in the City’s Fiscal Year 2022 from Houston Community College, Harris County, Harris County Flood Control, Lone Star College, Aldine ISD and Fort Bend County for transfer to the various TIRZs.

As shown in the attached spreadsheet, $90,532.10 will be transferred to the General fund for TIRZ administrative costs; $273,220.35 will be transferred to Harris County’s Community Services Department for the County’s Homeless Housing Program; and $12,959,647.11 will be paid to the various redevelopment authorities on behalf of the TIRZ.

Summary:
ORDINANCE relating to Fiscal Affairs of SOUTH POST OAK REDEVELOPMENT AUTHORITY ON BEHALF OF REINVESTMENT ZONE NUMBER NINE, CITY OF HOUSTON, TEXAS (SOUTH POST OAK ZONE); approving Fiscal Year 2023 Operating Budget for the Authority and Fiscal Years 2023-2027 Capital Improvement Projects Budget for the Zone - DISTRICT K - CASTEX-TATUM

Background:
SUBJECT: Ordinance approving the Fiscal Year 2023 Operating Budget for South Post Oak Redevelopment Authority and the Fiscal Years 2023 – 2027 Capital Improvement Plan (CIP) Budget for Reinvestment Zone Number Nine, City of Houston Texas (South Post Oak Zone).

RECOMMENDATION:
City Council adopt an ordinance approving the Fiscal Year 2023 (FY23) Operating Budget for South Post Oak Redevelopment Authority and the Fiscal Years 2023 – 2027 (FY23 – FY27) Capital Improvement Plan (CIP) Budget for Reinvestment Zone Number Nine (South Post Oak Zone).

SPECIFIC EXPLANATION:
The Administration has undertaken a comprehensive review of proposed Fiscal Year 2023 (FY23) TIRZ budgets and recommends approval of the FY23 Operating Budget for South Post Oak Redevelopment Authority (the Authority) and the Fiscal Years 2023 – 2027 (FY23 – FY27) CIP Budget for Reinvestment Zone Number Nine (the Zone).

- The Total Operating Budget for FY23 is $5,919,409 which includes $408,834 for fund transfers to the City of Houston and Houston Independent School District (Houston ISD) as required by the tri-party agreement (an agreement between the City, the Zone and the Authority) and the interlocal agreement (an agreement between the City, the Zone, the Authority and Houston ISD).

- The FY23 Operating Budget also includes $5,510,575 for capital expenditures committed to intersection improvements, bus-stop crossing improvements, curb and sidewalk improvements, hardscape improvements within a basin to form an amphitheater and open-air market. The budget allocates $467,415 to debt service and $112,500 for administration and overhead.
The FY23 – FY27 CIP Budget totals $10,427,500, providing infrastructure to improve safety and mobility and promote economic development.

The Authority must advise the Chief Development Officer of any budget amendments. Adjustments to the Project Costs in the FY23 Operating Budget that exceed $400,000 require City Council approval.

The FY23 Operating Budget does not include a municipal services charge

ORDINANCE establishing the east side of the 1000 block of Waverly Street, within the City of Houston, Texas, as a special minimum lot size block pursuant to Chapter 42 of the Code of Ordinances, Houston, Texas - DISTRICT C - KAMIN

Background:
In accordance with Section 42-197 of the Code of Ordinances, the property owner of 1030 Waverly Street, Lot 30, Block 211, of the Houston Heights Subdivision, initiated an application for the designation of a Special Minimum Lot Size Block (SMLSB). The application includes written evidence of support from the owners of 54% of the block. The Planning and Development Department mailed notifications to property owners of sixteen (16) lots indicating that the SMLSB application had been submitted. The notification further stated that written protest must be filed with the Planning and Development Department within thirty days of mailing.

One written protest was filed. The Houston Planning Commission considered the protested application on March 31, 2022 and voted to recommend that City Council establish the SMLSB.

The Planning and Development Department recommends that City Council adopt an ordinance establishing a Special Minimum Lot Size of 4,400 square feet for the 1000 block of Waverly Street, east side.

Summary:
ORDINANCE consenting to the addition of 61.572 acres of land to NEWPORT MUNICIPAL UTILITY DISTRICT, for inclusion in the district

Background:
SUBJECT: Petition for the City’s consent to the addition of two (2) tracts of land totaling 61.572 acres to Newport Municipal Utility District.

RECOMMENDATION: Petition for the City’s consent to the addition of two (2) tracts of land totaling 61.572 acres to Newport Municipal Utility District be approved.

SPECIFIC EXPLANATION: Newport Municipal Utility District (the “District”) was created through the TCEQ in 1998, and currently consists of 2,350.4050 acres within Harris County. The District is within the extraterritorial jurisdiction of the City of Houston (the “City”) and has petitioned the City for consent to add two (2) tracts of vacant land totaling 61.572 acres, proposed to be developed as single family residential property, to the District. The proposed annexation tracts are located in the vicinity of North Diamondhead Boulevard, Golf Club Drive, Foley Road, and FM 2100. The addition of land to the District does not release it from the City’s extraterritorial jurisdiction.

The Utility District Review Committee has evaluated the application with respect to wastewater collection and treatment, potable water distribution, storm water conveyance, and other public services.

The District has a wastewater collection system and treatment facility. The annexation tracts will be provided with wastewater treatment by the Newport Municipal Utility District Wastewater Treatment Plant. This regional plant also provides wastewater treatment to Harris County Municipal Utility District No. 578. Potable water is provided by the District.

The nearest major drainage facility for Newport Municipal Utility District is Gum Gully Creek, which flows into Jackson Bayou, then into the San Jacinto River, and finally into the Houston Ship Channel. Gum Gully Creek is within the Jackson Bayou watershed. The proposed annexation tracts are within the 100 year floodplain (9%) and the 500 year floodplain (5%).

By executing the Petition for Consent, the District has acknowledged that all plans for the
construction of water conveyance, wastewater collection, and storm water collection systems within the District must be approved by the City prior to their construction.

The Utility District Review Committee recommends that the subject petition be approved.

Summary:
ORDINANCE approving and authorizing first amendment to agreement between City of Houston and TEXAS WATER DEVELOPMENT BOARD for administering the Federal Emergency Management Agency Flood Mitigation Assistance Program (as approved by Ordinance No. 2021-0725)

Background:
SUBJECT: Approving and Authorizing an Amendment for the extension of time (one year) to the agreement between the City of Houston and the Texas Water Development Board (TWDB) for Administering the Federal Emergency Management Agency (FEMA) Flood Mitigation Assistance (FMA) Program.

RECOMMENDATION: (SUMMARY) Adopt an ordinance approving and authorizing an amendment to the agreement with TWDB for the extension of time.

PROJECT NOTICE/JUSTIFICATION: The 2018 FMA Grant for 38 flood-prone homes was awarded to the City of Houston on the behalf of the homeowners. On August 25, 2021, City Council passed Ordinance No. 2021-0725 approving an agreement between the City of Houston and TWDB for administering the Grant and to receive funds as sub-applicant from the TWDB for reimbursement of the cost to complete the elevation of the flood-prone homes.

TWDB and FEMA have approved a contract extension through September 16, 2023 for continued administration of the FMA Grant. Elevation work under the grant is expected to be completed by June 2023. This Council action extends the agreement to allow the City to continue administration of the FMA grant program.

Summary:
ORDINANCE appropriating $11,250,000.00 out of Dedicated Drainage and Street Renewal Capital Fund - Ad Valorem Tax, awarding contract to TOTAL CONTRACTING LIMITED for FY2022 Roadway Rehabilitation #1; setting a deadline for the bidder’s execution of the contract and delivery of all bonds, insurance, and other required contract documents to the City; holding the bidder in default if it fails to meet the deadlines; providing funding for CIP Cost Recovery relating to construction of facilities financed by the Dedicated Drainage and Street Renewal Capital Fund – Ad Valorem Tax, contingency, and testing services.

Background:
SUBJECT: Contract Award for FY22 Roadway Rehabilitation #1.

RECOMMENDATION: (SUMMARY) Reject first low bidder, return bid bonds, award construction contract to Total Construction Limited for Citywide FY2022 Roadway Rehabilitation #1 and appropriate funds.

PROJECT NOTICE/JUSTIFICATION: This project is part of the Roadway Rehabilitation Program and will provide construction services to include but not limited to the construction repair, rehabilitation, removal, disposal, and/or replacement of roadway pavement and other pavement related improvements.

DESCRIPTION/SCOPE: The Citywide project provides roadway rehabilitation at various locations. This is a work order contract; projects will be assigned as they are designed in-house. The Contract duration for this project is 365 calendar days.

LOCATION: The projects are located throughout the City of Houston.

BIDS: The project was advertised for bidding on March 4, 2022, and March 11, 2022. Bids were received on March 24, 2022. The five (5) bids are as follows:

<table>
<thead>
<tr>

Summary:
ORDINANCE approving and authorizing Loan Agreement between City of Houston and NHPF CAROLINE CONDUIT, LLC, a Nonprofit Partner of MAGNIFICAT HOUSES, INC, joined by the NHP FOUNDATION, to provide a Grant of $18,656,631.00 of Community Development Block Grant – Disaster Recovery 2017 Funds for the land acquisition and/or new construction of 3300 Caroline Street, a permanent supportive housing community for homeless persons, in the vicinity of 3300 Caroline Street, Houston, Texas 77004 - DISTRICT D - EVANS-SHABAZZ TAGGED BY COUNCIL MEMBERS EVANS-SHABAZZ, THOMAS, CASTEX-TATUM and PLUMMER
This was Item 15 on Agenda of August 17, 2022

Background:
The Housing and Community Development Department (HCDD) recommends Council approval of an Ordinance authorizing a Loan Agreement between the City of Houston (City) and NHPF Caroline Conduit, LLC (Borrower), and Magnificat Permanent Affordable, LLC (Owner), to provide an $18,656,631.00 Community Development Block Grant - Disaster Recovery 2017 (CDBG-DR17) grant for the new construction of a permanent supportive housing community for the homeless located at 3300 Caroline Street, Houston, TX 77004.

Since 1968, MHI has offered an alternative to the streets by providing shelter, meals, a sense of community and guidance toward a brighter future. 3300 Caroline Street will be a four-story elevator-served building consisting of 149 efficiency apartments, shared space for supportive programs and office space for MHI staff. With an anticipated Housing Assistance Payment (HAP) subsidy contract from the Houston Housing Authority, all residents will pay no more than 30% of their monthly adjusted income in rent.

Conveniently located in Midtown, 3300 Caroline Street is a transit-oriented development within walking distance to light rail and several major bus lines, thus enabling access to key neighborhood services and employment opportunities. The development will provide residents with a safe, quality, supportive place to call home in their neighborhood.

3300 Caroline Street is funded through CDBG-DR17 program funds awarded by the United States Department of Housing and Urban Development, through the Texas General Land Office to provide affordable rental units for low- to moderate-income households in accordance with the City’s Harvey Multifamily Program Guidelines.
The City of Houston loan term and affordability period will be 40 years and will commence when the construction period is completed. Funding for 3300 Caroline Street will be as follows:

Summary:
ORDINANCE approving and authorizing Revenue Agreement between City of Houston and PARADIES LAGARDERE @ IAH 2021, LLC to Develop and Operate Retail Concessions at George Bush Intercontinental Airport/Houston, Mickey Leland International Terminal and International Central Processor for the Houston Airport System - 10 Years

TAGGED BY COUNCIL MEMBER KUBOSH
This was Item 26 on Agenda of August 17, 2022

Background:
Request for Proposals received December 10, 2021 for T30019 – Approve an ordinance awarding a revenue contract to Paradies Lagardere @ IAH 2021, LLC to develop and operate retail concessions at the George Bush Intercontinental Airport/Houston (IAH) Mickey Leland International Terminal (MLIT) and International Central Processor (ICP) for the Houston Airport System.

Specific Explanation:
The Director for the Houston Airport System and the Interim Chief Procurement Officer recommend that City Council approve an ordinance awarding a ten (10) year revenue contract to Paradies Lagardere @ IAH 2021, LLC to develop and operate retail concessions at the George Bush Intercontinental Airport/Houston (IAH) MLIT and ICP for the Houston Airport System.

The Request for Proposals (RFP) was advertised in accordance with the requirements of the State bid laws and as a result, proposals were received from Hudson Group and Paradies Lagardere. The Evaluation Committee consisted of members from the Houston Airport System, the Houston Finance Department, the Administration & Regulatory Affairs Department, and the General Services Department. The proposals were evaluated based on the following criteria:

1. Customer Service/Management and Operation Plans
2. Concept Development
3. Design, Material, and Sustainability
4. Background and Experience
5. Compensation to City
6. Transition Plan

Based on the information provided in the proposals and the evaluation criteria defined in the RFP document, the Evaluation Committee recommended Paradies Lagardere @ IAH 2021, LLC for award.

The pertinent terms and conditions contained in the Agreement are as follows:

1. **Term:** The term will be 10 years and will commence upon substantial completion of ITRP construction obligations allowing full access to the facility. This will be a phased program with locations opening between 2023 and 2026.

2. **Scope of Service:** Concessionaire will develop and operate 10 Retail units for a Concession program at IAH that will provide a five-star experience with high-quality retail products meeting the desires of the traveling public. Concessionaire will staff facilities with well-trained, friendly personnel and will maintain facilities at the highest standards.

3. **Financial Terms:** Concessionaire will pay the following percentage rent of gross revenues.

4. **Capital Investment:** Initially the Concessionaire will expend a minimum of $350.00 per square foot for build-out of the concession facilities. In year five (5) of the Term, the Concessionaire also agrees to expend a minimum of $75.00 per square foot for upgrades, renovations, cosmetic improvements and/or concept changes.

5. **ACDBE Goal:** The Office of Business Opportunity has established a 26% Airport Concession Disadvantaged Business Enterprise (ACDBE) participation goal. The Concessionaire submitted a participation plan of 35% and will be met through a combination of direct joint venture (JV) partnerships, 100% subleasing to ACDBE operators, and supplier agreements for goods and services with ACDBE-certified firms, as detailed below.

   a. The ACDBE partners (joint venture with percent ownership) in Paradies Lagardere @ IAH 2021, LLC are as follows:
      i. Law Office of Darryl B. Carter (20% JV partner)
      ii. Ana Hernandez and Associates, PLLC (10% JV partner)

   b. The following ACDBE’s will 100% operate the following number of units:
      i. Cediel Concessions Management – 1 Unit
      ii. Nap Bar, Inc. – 1 Unit
      iii. TUMI Houston Airport, LLC and Prevost Consulting Group, LLC – 1 Unit

   c. The following ACDBE’s will be a 50% participating supplier of goods:
      i. IDM Hub, LLC – 1 Unit

6. **Performance Security:** Concessionaire will provide a performance security in an amount equal to 50% of the first year’s projected compensation to the City.

**Pay or Play Program:**
The proposed contract requires compliance with the City’s ‘Pay or Play’ ordinance regarding health benefits for employees of City contractors. In this case, the contractors will provide health benefits to eligible employees in compliance with City policy.

**Hire Houston First:**
The proposed contract requires compliance with the City’s ‘Hire Houston First’ (HHF) ordinance that promotes economic opportunity for Houston businesses and supports job creation. In this case Paradies Lagardere @ IAH 2021, LLC is not a designated HHF company, but they were the successful awardee without application of the HHF preference.

**Fiscal Note:**
Revenue for this item will be included in the FY2024 Adopted Budget. Therefore, no Fiscal Note is required as stated in the Financial Policies.
