After roll call, they established there was a quorum. If by chance, for example, they have to leave, just let them know on the chat screen if they are leaving temporarily or if they are leaving for the duration because otherwise, they will assume that Council Members are present. If they are making the motion or seconding a motion, they will need to state their name and their action clearly so they can have it down for the record. Please mute themselves when they are not speaking and unmute themselves when they are recognized to speak. For the general public, in order to be recognized as a public speaker, they have to sign up for the meeting on Monday by 3:00 p.m. in the Office of the City Secretary and then they will call the speakers name in the order that they have signed up. When their name is called, press \*6 to unmute themselves.
