MAYOR'S REPORT

Mayor Turner stated as everyone knows, the power plant went down at the East Water Purification Plant on Sunday at 10:30 a.m., it was restored at 12:30 p.m. Based on the preliminary assessment, there is a diagnostic assessment that's being done, but based on preliminary assessment there was an overload on a transformer that went down. There was a backup generator and there was an overload on the back up. So, whatever caused one, it overloaded the second one. The electrician, Saber Electric was out there in less than 30 minutes and in about 45 minutes the pressure was back up. In this case when you have pressure below 20 psi for about 45 minutes and for most of those sensors it was below for less than 2 minutes. There was no indication that there was any infiltration and in fact of the 29 samples that were pulled, no sample showed any bacteria or any contaminant. When you put in a notice to boil water its very disruptive. Businesses, schools and hospitals are affected.

Members of Council commented and questioned Mayor Turner about the water purification plant.

Mayor Turner stated in respect to December 3rd the reliant lights, Mayor's tree lighting and Elizabeth Killinger will join them and Grammy winner disco singer Gloria Gaynor will perform at this year's headliner. She is best known for the song "I Will Survive". The Holiday event will feature carolers, Instagram photos and it begins at 6:00 p.m. on Saturday in front of Houston City Hall.
