### **RECOMMENDATION: (Summary)**

An ordinance for the BERRY BAYOU DETENTION BASIN C506-02 ADDITION PROJECT be passed approving and authorizing the acquisition of parcels by dedication, purchase, or condemnation.

### **SPECIFIC EXPLANATION:**

The Department of Public Works and Engineering is requesting that an ordinance for the BERRY BAYOU DETENTION BASIN C506-02 ADDITION PROJECT be passed approving and authorizing the acquisition of parcels by dedication, purchase, or condemnation. The project addresses a need identified and prioritized through the ReBuild Houston Program, and will be designed and constructed to improve street drainage and reduce the risk of structural flooding.

This action authorizes payment for costs of land purchases/condemnations, relocation assistance expenses, appraisal fees, title policies/services, recording fees and other acquisition costs in connection with negotiations to settle purchases; finds a public necessity for the project; and approves and authorizes the condemnation of the land and improvements thereon. If negotiations to acquire the property cannot be concluded as a dedication or purchase or for any reason for which acquisition by condemnation is warranted, this action authorizes the City Attorney to file or cause Eminent Domain proceedings to be filed and acquire land, rights-of-way and/or easements for said purposes and authorizes payment for the Award of Special Commissioners and court costs associated with condemnation proceedings. Parcels with a consideration that exceeds the spending authority threshold set by State law will be submitted to City Council as they are finalized. This will expedite the process of acquiring land, rights-of-way and/or easements in support of the BERRY BAYOU DETENTION BASIN C506-02 ADDITION PROJECT.
